

At the 32nd Annual Conference in 1930, delegates voted to establish a traveling genealogical library. The library was established using money and books donated by the Abilene Chapter. KSDAR gave \$25.00 with combined total contributions of \$80.25 for the library. Kansas was the second state in the nation to establish a DAR genealogical traveling library. The traveling library grew slowly in the 1930's with each new State Librarian housing the collection in their homes. They were moved from Abilene, Neodesha, Ashland, Emporia, Newton, Fort Scott, Columbus, Garden City and Wichita. In 1957 a permanent location of the KSDAR Library was made at the Dodge City Public Library and remained in Dodge City until 2019. At the 120th Annual Conference, April 2018, the membership adopted the recommendation for the KSDAR Library to move to Wichita. The KSDAR Library holdings were received by the Wichita Advanced Learning Library on July 12, 2019. All 5,200 books, periodicals and other documents were catalogued, shelved, and assimilated within the Special Collection Research Pavilion located on the second floor of the library. The library accessions catalog is from the former KSDAR Library located in Dodge City. For more in-depth history of the library, see Archive- Miscellaneous Reports on the KSDAR members website, [Looking Back Trails to the Second Century: The Centennial History 1896-1996](#), [History 1944-1986](#); [Annual Reports and Proceedings 1929-2020 State Librarian Reports](#).
