The thirty-second annual State Conference of the Kansas Daughters of the American Revolution was held in Salina March 25, 26 and 27, 1930, with Mary Wade Strother Chapter as hostess.

Following the registration and the meeting of the Board of Management at the Hotel Lamer, the formal opening took place on Tuesday evening at eight o'clock at the Presbyterian Church, the State Regent, Mrs. J. W. Kirkpatrick, presiding. An organ prelude was rendered by Ralph Reitz. The bugler of the St. John Military Academy sounded the bugle call, announcing the entrance of the State Regent and State Officers, the processional being led by the St. John color guard and by the pages.

The invocation was pronounced by the Reverend R. V. Kearns, followed by the Flag Salute and the reading of the "American's Creed." Virgil Parman played "Two Grenadiers" and "America the Beautiful" by Schuman. Greetings from Mary Wade Strother chapter were extended by Miss Kate B. Miles and Charles F. Dodds, acting Mayor, brought greetings from the city. The State Regent responded graciously to the greetings, and then introduced Roy F. Bailey, editor of the Salina Journal, who addressed the conference. A reception in Blair Hall, followed the formal opening.

The conference was called to order at nine o'clock on Wednesday morning by the State Regent. An organ solo was rendered by Miss Blanche Schaaf. The State Regent presented the Chaplain of the Mary Wade Strother chapter, Mrs. J. H. Kuhn, who lead in prayer, followed by the Lord's Prayer, repeated in unison.

The Minutes of the thirty-first conference were read and approved, also the Minutes of the Board of Management.

Prior to the presentation of reports, Mrs. Robert Bruce Campbell, former State Regent and now National Vice President General, was introduced to the conference.

Mrs. E. P. Pendleton, State Vice Regent, was called to the chair while the State Regent presented her first annual report, which evoked long applause. The State Regent then resumed

the chair and the reports of State officers and Regents followed.

According to the report submitted by Mrs. F. L. Gilson, State Registrar, 223 new members had been added to the membership of Kansas chapters, through the National Board, by transfer, and re-instatement. The decrease by death, resigned, transferred or by being dropped was 129, with a net gain of 94. The total membership in the 45 Kansas chapters is 2,847.

The chapter making the highest percentage of increase in membership and being thereby entitled to the Flag award, was Arthur Barrett chapter of Frankfort with 38 8-9 per cent growth.

Miss Marion Seelye, State Treasurer, reported balance of 1929, \$3,497.92. Total receipts for 1930, \$6,775.90. Disbursements, \$8,129.98. Balance in bank, \$3,037.82. The books were audited by a member of the Kansas Audit Association and found correct. Mrs. F. L. Durland, D. A. R. State Auditor, verified the audit.

Miss Seelye included in her report, the gift of a lovely banjo clock to the Kansas Rest Room by Mrs. J. W. Kirkpatrick, State Regent.

Miss Nettie Cox, State Historian, paid a few words of tribute to the memory of our co-workers who were called to their eternal rest during the past year, and as each name was read a sweet pea was placed in a large wreath. Mrs. J. H. Kuhn read the scripture and led in prayer.

Following the memorial service the conference stood in silent thought, in memory of Ex-President Taft.

Five minute reports of the State Chairmen were given. On motion the reports were accepted and filed with the Secretary.

Mrs. Moore L. Nix, chairman of Preservation of Historic Spots, announced that Lawrence had received the most votes for the most historic place in Kansas.

A telegram of greeting was read from Miss Marjorie Spaulding, National chairman of the Student Loan.

The high point of the conference socially was the banquet given Wednesday evening at the Country Club by the Mary Wade Strother chapter. It was a gala affair, with the 200 guests in evening dress and the room colorful with flags and the national colors. On the dinner tables were bowls of spring flowers while the favors were small bisque dolls dressed in colonial costumes in pastel shades. Miss Kate Miles was the Toastmistress and splendid talks were given by Mrs. Robert Bruce Campbell and Mrs. J. W. Kirkpatrick. Supt. W. S. Reports of Officers

REPORT OF KANSAS STATE REGENT

1929-1930

Madam State Vice-Regent, and
Members of the Conference:

It is a pleasure to give my first report as your new State Regent, and let me assure you it has been a year full of earnest endeavor and consecrated service in an effort, with your splendid co-operation, to have Kansas rank high in achievement for our great National Organization of which we are an integral part.

By your ready response to all requests of your State Regent and State Chairmen, complying with requests from our President General and National Chairmen, you have made me very happy. Our work has shown a steady growth. It is pleasing to note that more money has been contributed for Patriotic Education this year. All the other chairman have done fine work, but I am not going to dwell on that for they have some fine reports to give you later, and I am sure you will all feel proud of their accomplishments. The legislation in Congress, genealogical research, and radio are new departments but the chairmen have been much interested and have written many letters, and the committees are very important ones.

Your State Regent deeply appreciates and thanks every State Officer, State Chairman, Regents, and every member contributing to make her first year a success. During the year your Regent has been the honor guest at many beautiful functions, and has had the privilege and pleasure of personal contact with many members while visiting chapters, which has been a benefit to all of us. It was her pleasure to visit Ellis Island last spring, and by so doing has been able to pass out some valuable information to the chapters.

She was confirmed as State Regent during the Congress last April. After Confirmation on Thursday at the National Board meeting the following Tuesday, she had Mrs. Etnire appointed Organizing Regent, for a chapter at Augusta. Their papers were approved at the June 1st Board Meeting, which your State Regent attended. Flag Day, June 14th, the Chapter was organized, just 50 days after the appointment of the Regent, the short length of time making it an outstanding achievement. The

chapter was organized in the morning, the Regent and Miss Chesney, with several members of the new chapter, drove to Winfield to attend the picnic, and a delightful meeting, afterward, conducted by the three Regents of Winfield, Arkansas City and Wellington Chapters. Driving home early enough to attend the picnic and program of Susannah French Putney Chapter in Eldorado.

May 28th a dinner was given in the home of the State Regent to which all State Officers were invited, which was followed by an executive meeting.

Miss Spaulding's departure from the state for the purpose of accepting a school, in Nevada, made it necessary for a special Board Meeting in Topeka, June 20, for the purpose of electing a new State Treasurer. At that time we were fortunate enough to elect a most capable member, Miss Seelye, to succeed her. And we rejoice that we are able to retain Miss Spaulding in a different capacity as National Chairman, and have the further benefit of her interest and untiring effort for Student Loan.

The last of June, in company with Miss Chesney, a trip was made to southwestern Kansas, visiting nine towns in the interest of organization of chapters.

September 13th, attended executive meeting and chapter meeting in Abilene.

October 3rd, visited Isabel Weldin Chapter, luncheon and meeting. October 7th, visited Salina Chapter where a beautiful dinner was tendered me. Your regent will always be grateful for that meeting, for it was there that they came to her assistance, by offering to entertain the Conference.

October 15, Olathe was hostess to Mrs. Pendleton, Miss Chesney and your Regent at a beautiful reception and luncheon. In the afternoon of the second day your Regent gave a dedicatory speech at the placing of a marker on the site of the first Baptist Mission at Strang, close to Kansas City.

October 3rd, she attended the National Board meeting and had the pleasure of carrying our beautiful State flag during the consecration service of Constitution Hall. A most impressive service, and she only wishes you could have shared it with her. Also attended a luncheon in honor of the Vice-President General of Maryland, Mrs. Garrison, at the beautiful Baltimore Country Club.

November 9th, attended the District Meeting in Russell. Inclement weather deprived many of the privilege of attending, but it was an interesting meeting. A beautiful luncheon was tendered your Regent.

November 19th was a guest of Uvedale Chapter at a lovely luncheon and tea with a fine meeting.

November 29th attended regular meeting of Eunice Sterling Chapter.

November 30th, attended Thanksgiving luncheon and meeting of the James Ross Chapter.

December 17th, attended a dinner followed by the meeting in Council Grove.

December 1st, went to Shawnee Mission and selected rooms for our state. We were met there by Mr. Connelly and Mrs. Neale, both earnest workers to preserve the history of our State. The two connecting rooms are lovely with a fireplace in each, with cupboards on either side. The rooms have an east and west exposure, are at the north end of the building and on the first floor. The State will re-decorate them, in any manner we wish, and all Mr. Connelly wishes us to do, is: Try to obtain larger appropriations for the restoration of the buildings and grounds. It is a beautiful spot and lends itself admirably to landscaping, and one of which we would all be proud. Let us make every effort to assist Mr. Connelly when called upon.

January 18th, your Regent visited Salina to make plans for the Conference. Owing to blockaded roads by heavy snowdrifts, it was necessary for Miss Chesney and your Regent to travel 500 miles to arrive at a distance 125 miles from home, going to K. C. and doubling back. But a wonderful dinner awaited us there and we soon forgot the fourteen below temperature outside in the interest of our plans.

February 21st, your Regent was a guest at the Birthday luncheon and meeting of the Neodesha Chapter. The evening of February 21st was the honor guest at a reception in Independence, Esther Lowrey Chapter.

February 22nd, Topeka Chapter was my hostess for a lovely luncheon and Washington program.

March 1st, Atchison Chapter was visited.

March 8th, Newton Chapter was visited.

March 12th and 13th, visited Oklahoma State conference, where many lovely courtesies were extended your Vice President General and your Regent.

March 20th, was a guest at a luncheon and meeting of the Wichita Chapter.

March 21st, attended luncheon and meeting of Susannah French Putney Chapter.

Your Regent has come in personal contact with half of the 45 chapters, and the ones she has not visited this year, she hopes to visit next year. Aside from having 23 chapters to my credit, three National Board meetings attended, one chapter organized, four Regents appointed, and four Pages appointed to represent Kansas at Congress in April, have sent out three news letters to Regents, have written two consolation letters to families of deceased members that have been brought to my attention, sent invitations at the request of Mrs. Hobart to the Representatives and Congressmen to attend the Patriotic Conference held in our building in Washington the last of January. Also appointed

member residents of Washington to represent us at same, and have written personally over 3,000 letters.

Have made a desperate effort for our members to have the benefit of listening to the splendid speaker over the radio that our National organization is sponsoring. We are sorry Kansas does not have a direct hook-up. It is a Columbia hook-up. Mrs. Hobart and I are still working on it and hope to get results soon. Two things I wish to stress: Please increase your magazine subscriptions and membership.

Your Regent has been honored by being invited to represent you at three different times in Topeka. In two instances you were very ably represented by Miss Valentine, Regent of the Topeka Chapter who spoke in my place, and I feel very grateful to her.

All that your Regent has done has been a labor of love, and for all the courtesies, and they have been many; that you have extended, and for all the untiring effort and co-operation you have given me, which has made possible this splendid report, I thank you. I also feel that I owe a word of thanks to our very efficient Corresponding Secretary, who has been such a wonderful help to me, in going about over the State. She has stood ready to go, any distance, at any time, and has had your interest ever at heart.

In closing, I wish to say that I propose to dedicate my mind to the cause you have entrusted to me, to the good of the Society of which I have the honor to be a member, and to consecrate my hours to virtuous effort, in behalf of all.

Respectfully submitted,

(MRS. J. W.) ESTHER KIRKPATRICK

REPORT OF STATE VICE REGENT

1929-1930

With a capable and tireless State Regent the opportunities for concrete service afforded the Vice Regent are very few. But I have performed those few services with all the loyalty our beloved Society deserves, and to the best of my ability.

I attended the meeting of the State Board in Topeka in June and expect to be present at the Board meeting in Salina in March.

It was my privilege to be one of the State's representatives at the unveiling of the handsome marker placed by Olathe Chapter at Morrison Ridge on the site of the first Baptist Mis-

sion in Kansas, in October. I also attended two very delightful social functions given by Olathe Chapter at that time.

Many courtesies have been extended to me as your Vice Regent, of which I am deeply appreciative and which include invitations to special Chapter meetings within the State, also a number from other States to attend State Conferences and other ceremonies of especial interest to Daughters of the American Revolution.

I have received twenty-two Chapter Year Books. I have expressed my appreciation of these books to each chapter, but I wish to take this opportunity of telling you again that it was a real pleasure to study your program, and I wonder if you did not occasionally receive a telepathic message from your Vice Regent telling of her interest in some special number on your program. You may think it unimportant to send your year books to State Officers, but I am sure that by doing so you are not only apprising them of your work but you are making invaluable contacts that will help them in their work. I trust that next year I may have the pleasure of reporting the receipt of a book from every Chapter.

With the timely and effective interest our great National Society is taking in affairs of State and the general esteem in which our organization is held in high, influential and worthy circles throughout the world, and with our steadily increasing membership we cannot overestimate the value of making these close contacts, always bearing in mind Article II, Section 2 of our By Laws—that our purpose is to maintain harmonious cooperation among the Chapters of Kansas and to plan and execute patriotic work in the State.

Respectfully submitted,

GENEVIEVE L. PENDLETON,
(Mrs. Edward P. Pendleton) State Vice Regent

REGISTRAR'S REPORT

March 1, 1929 to March 1, 1930

During the past year the following members have been received into the Kansas Chapters:

New members admitted by the National Board	165
By transfer from membership at large	41
By transfer from Chapters in other states	11
Re-instatements	6
Making a total increase of 223.	

The decrease has been:

Through death of members	34
By transfer to membership at large	5
By transfer to Chapters in other states	11
Resignation of members	41
Members dropped for non-payment of dues	38

Making a total decrease of 129, with a net gain of 94 and a Chapter membership of 2,763. Adding to this the 84 members at large in the state, there is the sum total of 2,847 members in Kansas.

Two new chapters have been organized since March 1, 1929. The Kiowa chapter at Greensburg was organized with 16 members, by Mrs. Robert Bruce Campbell, at that time State Regent of Kansas. On June 14, 1929, Isabella Weldin chapter at Augusta was organized with 18 members by the present State Regent, Mrs. J. W. Kirkpatrick. There are now 45 chapters in Kansas.

During the past year 28 chapters increased their membership, 10 had a decrease, and 7 held their own.

The chapter making the highest percentage of increase in membership, and being thereby entitled to the Flag Award, is the Arthur Barrett Chapter of Frankfort, with 38 8-9 per cent growth.

Respectfully submitted,

LULU PURDY GILSON, State Registrar

REPORT OF THE STATE HISTORIAN

And Chairman of the Committee on Historical Research

To the Thirty-Second Annual State Conference, Kansas Daughters of the American Revolution, held at Salina, Kansas, March 25, 26 and 27, 1930.

During the year we have been very busy with our work, having sent out 86 letters, 25 postal cards, 45 sets of cards for the compilation of bibliography, 45 questionnaires for the annual reports, and 45 questionnaires for the report we have prepared and sent to the Reporter General of the National Society D. A. R. for the Smithsonian Institute for the year of 1928-1929, and have the report for the year 1929-1930 well under way and will soon be ready to send in.

At the beginning of the year the Historian General furnished each State Historian, for distribution to the different chapters in the state, a pamphlet giving the program for the years 1930-1931, in which she suggests eleven different items of work to be taken up by the various chapters. My report will take up each point in this general program, showing the work done by our chapters. We are slightly handicapped in our report, as we have heard from but 37 of the 45 chapters. The missing reports are from some of our largest chapters.

1. Compilation and arrangement of a complete bibliography of the Revolutionary War and the period of the war, 1770-1783.

No report.

2. Contribution of women to the American Revolution.

Atchison reports a paper, "Colonial Women of Affairs" by Mrs. Fanny W. Linley, a member.

3. Program for Special Days.

39 Chapters celebrated Flag Day—Courtney Spaulding, Atchison, Desire Tobey Sears, Rhoda Carver Barton, Gen. Edward Hand, Polly Ogden, Emporia, Dodge City, Peleg Gorton, Isabella Weldin, Betty Washington, Mary Wade Strother, Christina Musser, Baxter Springs, Newton, Jacob Blaine, Phebe Dustin, Eunice Sterling, Concordia, Susannah French Putney, Sterling, Samuel Linscott, Hannah Jameson, Council Oak, Lois Warner, Wellington, Esther Lowrey, Betty Bonney, Abilene, Arthur Barrett, Olathe, Uvedale, Capt. Leavenworth, Henry Dawson, Neodesha, Molly Foster Berry, Fort Larned, Dana and Topeka.

Manhattan, Junction City and Abilene have a Tri-City meeting on Flag Day, and this year a second joint meeting was held and an organization effected with Winfield, Arkansas City and Wellington, with members of the Augusta Chapter organized that day as our guests.

19 Chapters celebrated Washington's birthday—Sterling, Samuel Linscott, Desire Tobey Sears, Council Oak, Gen. Edward

Hand, Polly Ogden, Esther Lowrey, Peleg Gorton, Eunice Sterling, Susannah French Putney, Atchison, Concordia, Hannah Jameson, Newton, Lois Warner, Wellington, Dodge City, Betty Bonny, and Neodesha.

3 Chapters took prominent part in Memorial Day Services—Rhoda Carver Barton, Polly Ogden and McPherson.

3 Chapters had special program on Kansas Day, January 29. Emporia, Betty Bonny and Wellington.

2 Chapters had special programs for Constitution Week—Rhoda Carver Barton and Gen. Edward Hand.

Other special programs contributed by Chapters were:

Desire Tobey Sears had the G. A. R. as special guests.

Emporia celebrated Armistice Day.

Henry Dawson, Special Pioneer Day with invitations to all pioneers.

Betty Bonny co-operated with other clubs in city in bringing Helen Rhoda Hoopes of Kansas University for a program.

Council Oak held a re-christening of the Old Hays Tavern. Susannah French Putney, memorial service, Caroline Scott Harrison.

Several chapters report special programs on conservation and thrift, national defense.

4. Writing pageants and one-act plays.

Wellington gave as a special program for their Washington Birthday party program, a one-act historical play, "The Radio Dream," written by Mrs. H. R. Johnson, one of the chapter members.

Council Oak held a re-christening of the Old Hays House on February 22 and it was christened "The Old Hays Tavern", in honor of Seth Hays, the first white settler in Council Grove. This was one of the historic stopping places on the Santa Fe Trail. The play presented was written by Mrs. L. H. Brigham, a chapter member.

5. Getting in touch with the children.

Phebe Dustin, Betty Bonny, Eunice Sterling, Susannah French Putney sponsor C. A. R. chapters.

Several chapters report the use of the manuals among schools, while Polly Ogden gave the Constitution of the United States in Spanish to all Mexican children.

6. Interest in teaching of History.

9 chapters have awarded prizes of medals or money for excellence in history—Phoebe Dustin, Emporia, Rhoda Carver Barton, Betty Washington, Susannah French Putney, Atchison, Samuel Linscott, Fort Larned, Frederick Funston.

Rhoda Carver Barton presented two moth-proof flags, 4x6, to the pupils of Fredonia and Benedict schools having made the highest grade in history through the 7th and eighth grades.

Stockton gave a prize for essay on "Old Ironsides."

Abilene endorsed better teaching of history in the schools.

Polly Ogden member gave a brilliant paper on American battlefields, which has been re-read before several local clubs.

7. Yale Chronicles of American Photoplays.

Abilene reports having shown in the public schools this year.

8 Collection of material issued by Historian General.

3 chapters report material sent to the National Society.

9. Lineage Books.

7 chapters report having standing order for Lineage Books as published.

Polly Ogden subscribed for the American Genealogy for one year.

10. Chapter histories of work accomplished by the D. A. R.

It has been a pleasure to have so many responses to our requests for chapter histories this year. Last year we reported but sixteen chapters having sent in complete histories, following the outlines suggested by the Historian General. This year we have had an increase of twelve chapters, making twenty-eight chapters in all who have sent in complete histories. Of the remaining chapters, fourteen have sent in incomplete histories, while we have had no response whatever from three of our chapters. We feel that we have made a great deal of progress with our chapter histories this year and will continue our work throughout the coming year, or, until we have accomplished the goal set by our Historian General—that of a complete history of each chapter in our State.

11. The study of men—European and South American—who aided in the gaining of our independence.

Several chapters report historical programs but have not given names of men studied. Courtney Spaulding is taking up the study of Lafayette and Von Steuben.

Miscellaneous:

Dodge City sent a map of the old cattle trails to the National Society.

Wellington member prepared a map showing early beginnings, cattle trails, first roads, first school, discontinued towns, etc., to be sent to the Pioneer Society.

Jacob Blaine has two "Histories of Rook County," one by Mrs. O. E. Gartell, and the other by Mrs. J. B. Risely.

Phebe Dustin had school children prepare lineage books; also, collecting old Bible records.

Hannah Jameson collecting material for history of La-bette county.

Arthur Barrett working on old trails in county.

Abilene collecting data for biographical sketches of pioneers of Dickinson county.

Desire Tobey Sears prepared paper "History of Jewell County."

Respectfully submitted,

NETTIE M. COX, State Historian,
and State Chairman Historical Research Com.

REPORT OF THE STATE LIBRARIAN

It is an honor and a privilege to present to you my first annual report of work accomplished for the library.

Every chapter in the state was sent a letter of instruction, including lists of books wanted for Memorial Continental Hall Library, as well as a request for books and donations for our proposed Circulating Genealogical and Historical Library for Kansas.

In February a letter was sent to all chapters asking for a report of the work accomplished. The replies show that many of the chapters are alert to the needs of our libraries.

I am inclined to believe that the duties of the chapter librarian are not understood as they should be. Her office is just as important as any other office, and she should be chosen just as carefully. She should realize that the kind of books, manuscripts and records needed are of a historical and genealogical nature that will assist the registrar in verifying lines and records of persons seeking admission to our society. She should also know that books of that nature are becoming scarce and out of print. Many of these priceless copies are hidden away in our homes. So for this reason we need your co-operation in locating these valuable records of past generations and preserving them for the use of the present and future generations. It is your duty and should be a great privilege for you to present these to our Memorial Continental Library.

We owe it to our ancestors to make this the best historical and genealogical library in our country. Our descendants expect us to preserve these records so that they can prove their lineage.

The search for genealogical records is increasing day by day. If we can place books of this kind where they will be available to the masses no doubt our membership will increase. The interest in collecting these old histories and genealogies will, I am sure, become a hobby for many. So, with this in mind, I hope we can succeed in having for Kansas D. A. R. a circulating genealogical and historical library.

I report the following gifts:

"Twenty-Sixth Biennial Report of Board of Directors, Kansas State Historical Society," Kansas D. A. R. to Memorial Continental Hall Library.

Phillipsburg—Phebe Dustin Chapter makes the following donations:

20. Total amount of money expended by Chapters in all Americanism work\$467.50
(To approved schools \$73; to other schools and expended in other work, \$394.50.)

To the thirty-one Chapters sending in reports so promptly, I wish to extend my sincere thanks. I feel sure the following Chapters who failed to reply to my letter: Barrett, Concordia, Columbus, Emporia, Ottawa, Parsons, Greensburg, Pittsburg, Winfield, Manhattan, Holton, Sterling, Eldorado, Wakeeney, each could have reported something along the lines of Americanism which would have so helped the report sent to the National Society. We were unfortunate in not receiving instructions from headquarters but many of the Chapters, nevertheless, have been wide awake. Betty Washington Chapter, of Lawrence, has done most excellent work with the Mexicans. Eunice Sterling, of Wichita, as usual, has been active in its work with the Syrian Club. Esther Lowry, of Independence, has shown much activity along all Americanism lines. Mary Wade Strother, of Salina, has done splendid work in connection with its Americanism center. Uvedale, of Hutchinson, reports that Americanism is being taught in the public schools, also a splendid address given by Mrs. Henry Roe Cloud. Many of the Chapters contributed to the approved schools, American International College, Schauffler Training School, School of Practical Arts and Northland College; others to Tamassee, Martha Berry and the American Indian Institute. Atchison reported a box valued at a hundred dollars sent to Tamassee. Flags were given to the newly made citizens of Leavenworth and Phillipsburg. Kansas City presented the Americanization class of the night school with flags and Hutchinson gave one to the Girl Scouts. The Wichita Chapter of Wichita and Rhoda Carver Barton Chapter of Fredonia also presented flags. Constitutions, pictures of Washington and Old Ironsides were framed and presented to schools. The Americanization Committee is now known as the Americanism Committee. The change was made to enable such committees to make their helpful service for the native born as well as the foreign born, to assist the men and women who have not enjoyed the educational advantages that have come to their children, and to teach them true Patriotism. May we not hear from each one of the Chapters next year to this most important committee, Americanism?

Respectfully submitted,

JESSIE GOSS JACKSON,

(Mrs. Arthur M.) Chairman of Americanism.

ANNUAL REPORT OF CONSERVATION & THRIFT COMMITTEE N. S. D. A. R. — 1930

In the interest of our committee, the State Chairman sent to each of the forty-five chapters in the state a letter and enclosure of instructions as to what our National Chairman of Conservation & Thrift, Mrs. Justus R. Friedline, had planned for our year's program. Also enclosed Wild Flower Pledge Cards. Later sent questionnaires, and later yet post cards urging Chapters not yet heard from to hurry with reports. All of this material was sent to Chapter Chairmen if the name had been sent in. If not the material was sent to the Chapter Regent.

Kansas has 45 Chapters; 37 Chapter Chairmen of Conservation and Thrift Committees. 32 Chapters made a general report on questionnaires; 11 no report; 2 Chapters reported too late to be included in this report. 16 Chapters took The Wild Flower Pledge; 2 Chapters observed American Forestry Week; 12 Chapters featured Conservation & Thrift programs; 2 Chapters worked with Federal and State Forestry Organizations.

5,666 trees were planted; 46,163 bulbs; 7,937 shrubs; 1,295 vines; 32 Wild Flower Gardens were reported; lily pond; 9 bird baths and 44 bird houses.

Eight Chapters sponsored use of living Christmas trees; 3 Chapters urged its members to use Christmas trees certified by the Forestry Service to have been cut for thinning purposes; 3 Chapters urged use of trees grown exclusively for Christmas trade.

Nineteen Chapters aided the Red Cross; 6 Chapters contributed to Soldiers' Relief; 15 Chapters aided in getting out the vote in State and Municipal elections; 12 Thrift Banks were reported; also others but no definite number; 11 Chapters have a budget system. Total amount in cash expenditures reported on Conservation & Thrift, \$596.18.

Special Activities of Chapters Reported

Betty Washington Chapter reports members fed the birds during the winter and that they made layettes for the City Nurse to use for charity babies. They allow a fund each year for work among Mexicans. Had a talk on "Trees" at one meeting. Gave a fruit shower for local hospital.

Leavenworth Chapter pledged \$300.00 to Cushing Hospital building fund.

Molly Foster Berry Chapter has interested her city in caring for markers of historic spots placed by the chapter. They are planting shrubs around the Block House built in 1863. Last Easter they remembered the fourteen inmates of the County Farm

with sweets and fruits to the extent of \$6.85. Had a talk by a member of the board of the Society for the Preservation of Wild Flowers, Washington, D. C. This chapter has two walnut bearing trees owned by a member. The walnuts from which they grew were brought from Washington's Tomb 35 years ago.

Topeka Chapter reports they have set side \$100.00 to be used as needed in Conservation & Thrift, to be added to from time to time as needed.

Council Oak Chapter reports they aided in flood relief work.

Eunice Sterling Chapter has planted a group of Memorial Trees, one for each Past Regent, and is to add a tree for each new Regent, and set a Memorial Plate.

Christiana Musser Chapter reports that a number of members are planting trees and aiding with the building of a Chapel in their cemetery, although not in their Chapter name.

Olathe Chapter has kept a scrap book again this year and finds it very helpful. The Fourth Grades in their city schools made a study his year of The Forestry Primer, a very instructive booklet published by the American Tree Association, in Washington, Dr. C.

Phebe Dustin Chapter reports that individual members prepared programs on Child Welfare Work and Public Health and Safety.

Courtney Spaulding Chapter reports two gardens, one very elaborate one, including many varieties of evergreen trees, choice roses and other flowers.

Betty Bonny Chapter won a prize given by their city for living Christmas trees.

Hanna Jameson reports some members having Thrift Banks.

Uvedale Chapter reports they voted 100 per cent in the November election. One member won first prize in city contest on beautiful yards and gardens, and fourth prize in National contest on same. They voted to have each member plant one or more evergreen trees and build one or more birdhouses. They placed a marker at point on Little River where the old Santa Fe Trail stage coach crossed it. They gave \$25.00 to flood relief work in their city and all told spent \$105.00 on Conservation and Thrift.

Mary Wade Strother Chapter, our hostess Chapter, say they have devoted all their energies this year in getting ready for this Conference, that they have postponed their Conservation & Thrift program till next year.

There were two prizes offered by our National Chairman for Conservation & Thrift, Mrs. Justus R. Friendline: \$25 for the State having a Chapter Chairman in every Chapter; \$50 for the State having the best report on the Special Work undertaken

for the Preservation and Development of Trees and Shrubs indigenous to its section. Kansas was not eligible for either of these prizes.

REPORT OF CHAIRMAN ON "CORRECT USE OF FLAG"

Early in July was honored and pleased to be asked by our President General, Mrs. Hobart, to be State Chairman of Kansas on "Correct Use of the Flag," accepting same gladly, finding the work pleasant. The many nice letters received has shown an interest in the work, so am presenting to you this, my first annual report.

Regret much that fifteen Chapter Regents have not responded to my letter of January 14 requesting reports be in by January 31st, thus making my report incomplete. This date was necessary, Mrs. Wall advised, so that reports of National Chairmen and State Regents agree when presented to Congress. You are doubtless aware that Mrs. Hobart has divided the D. A. R.'s into six divisions, we being in Western Division—Mrs. Charles Brand of Urbana, Ohio, National Chairman, and Mrs. Arthur D. Wall of Denver, Vice Chairman—to whom I report.

Owing to lack of space in summary, for special work done, will mention a few of the things we are accomplishing—viz: Fewer Flags are being presented as other patriotic organizations have taken up that feature and not room for all. However, eight Chapters have made presentation of Flags. Much is being done by calling attention of stores, residences, churches, and other places where Flags are displayed incorrectly, then sending Codes to such—Girl Scouts by giving talks—teachers in their school work—to American Legions, et al. Eunice Sterling Chapter each Washington birthday gives a large handsomely framed picture marked with a bronze D. A. R. plate, to one of the city schools. Flag Day with special programs—where no Codes are shown, given. Several mention have done so last year. Topeka Chapter has placed a Post Card of Kansas State Flag with each grade teacher in city and county schools.

I received from Mrs. A. Blanche Edwards, former State Chairman, 500 Flag Codes—have sold to Chapters 150, with 350 on hand. Mrs. Brand requested as a part of our work this year, first, to lend every effort to accomplish the object of our great desire, the passing of Resolution No. 11 through Congress, thus

making our Flag Code a law. This I note several Chapters have done.

Second, suggestion to make a study of our State Flag, by writing a history of same, presenting to Chapters with facsimile of the Flag enclosed. The latter I did not do, but wrote a short history, sending Chapter Chairmen asking their advice about having post cards of Flag made, selling for five cents each. Only a few replied so later I decided to have the cards made and have sent 850 to eight chapters who ordered same, hoping more orders will follow. A good beginning, it seemed to me. Have written about fifty letters in addition to the general letters.

REPORT OF STUDENT LOAN COMMITTEE

1929-1930

Upon receiving my appointment as Chairman of Student Loan for Kansas, I wrote to twelve Kansas Colleges in towns where we have D. A. R. chapters, (College of Emporia, University of Wichita, Southwestern at Winfield, McPherson, K. S. T. C. at Hays, at Pittsburg, and at Emporia, Sterling, Washburn at Topeka, Kansas Wesleyan at Salina, Ottawa, and Bethel at Newton), explaining the plan of our Student Loan Fund and inviting them to recommend worthy girls. I received most cordial letters from nine of the schools and hearty thanks for our offer. I then sent out letters to our forty-five chapter Regents and to the twenty-two local chairman of Student Loan, asking the chapters for contributions that we might have the funds

to carry on our work. Later in the year double post-cards were mailed to all the Regents who had not reported. There were twelve chapters who made no report.

Of contributions received, Topeka leads the list with \$50.00. Considering that it has an Endowment Scholarship of its own at Washburn, this is particularly gratifying. Eunice Sterling and James Ross sent \$25.00 each; and Wichita and Rhoda Carver Barton 15.00. The ten dollar gifts were: Abilene, Newton, Phebe Dustin, Henry Dawson, Betty Bonney, Wellington, Hannah Jameson, Leavenworth, and Polly Odgen. Five dollars was received from Jacob Blaine (reported last year), Oceanic Hopkins, Sterling, Susannah French Putney, Christiana Musser, Isabella Weldin, Emporia, and Frederick Funston. From Courtney Spaulding came \$2.50; from Olathe \$3.00 and from Desire Tobey Sears \$4.00. This makes a total from the chapters of \$269.50, paid to the state treasurer by March 15. We also have \$10.00 from Neodesha which will be counted in next year's report. Twenty-five chapters contributed more than ever before. Four chapters reported why they could not contribute. In addition, Betty Washington chapter is maintaining its own fund; General Edward Hand at Ottawa helps Ottawa University each year, but as their contribution is not always used for Student Loan, it cannot be counted in this fund; and Molly Foster Berry Chapter gave \$5.00 this year to start a \$100.00 scholarship fund for its Fort Scott High School. Polly Odgen should be especially mentioned as giving ten dollars to the State and at the same time increasing its chapter fund.

According to the Treasurer's record of March 15, 1929, the State Student Loan Fund was \$888.90. The conference of 1929 voted \$111.10 to the fund, to make the total an even \$1,000.00. During the year 1929-1930, the fund received \$260.50 from Chapters and \$490 interest, making a total as of March 15, 1930, of \$1,274.40. Since then \$10 has been received from a chapter and \$654 in interest. On March 15, 1929, there were two loans outstanding. These have been repaid, with the interest due. During the year three loans have been made and a fourth one is ready, with several applications in for next year.

I wish to express my appreciation of the co-operation of our state treasurer, Miss Seelye. She has sent me a monthly statement of the finances of our fund and has gone to endless work checking past chairman and treasurer's reports, and chapter records. She has had all of the State Fund credited by the National; and moreover, she has created a separate fund in the State Treasurer's books for the Student Loan money. This will greatly increase the efficiency of our committee's work.

The student loan committee, Mrs. C. R. Calvert of Winfield, and Mrs. D. J. Sheedy of Fredonia, together with the chairman, have given careful attention to each application and have followed the rules and regulations drawn up at the Wichita Conference. Each application requires the writing of at least ten letters and the receiving of as many more, so the task is not

light. So far, every cent loaned has been repaid as due, and the girls have expressed themselves as being most grateful for the aid.

During the course of the year, the Chairman of Student Loan has had occasion to write 180 letters and cards, and an article on Student Loan for our publicity department. Our National Chairman, Miss Marjorie Spaulding, formerly State Chairman for Kansas, has written a clever little play on Student Loan, which is available upon request to your state chairman, for use in the chapters of Kansas.

In addition to the State Fund, there are three chapter funds in Kansas. Topeka Chapter has an endowment fund of \$1250.00 at Washburn College, The Victor Blakely Memorial Scholarship. It can be used by a member of the Blakely family, a veteran of the World War, or the son of one. Betty Washington Chapter at Lawrence has an agreement to furnish the University of Kansas with a \$100.00 scholarship each year. This last year it was able to provide three scholarships. This fund is loaned to Senior girls who are second generation Americans. Polly Ogden chapter at Manhattan loans to both boys and girls at K. S. A. C. It has increased its fund \$54.93 this year and has the distinction of having sent every cent of its fund through the state treasurer's hands, so that it has credit with both state and national for its fund.

The State and Chapter funds together have done wonderful work for the young people of Kansas. Eighty-six boys and girls have received help from these funds. The State total for 1930 is \$4,230.15. A letter has been received from Mrs. John Campbell of Denver, Vice Chairman of Student Loan for the Western District, congratulating Kansas on the excellence of her report and the accuracy of her report. It is the request of your chairman that each chapter strive to better the record next year, that we may be deserving of this commendation.

Respectfully submitted,

(MRS. DAN) RUTH HOPSON

REPORT OF THE NATIONAL DEFENSE COMMITTEE Kansas D. A. R. — 1929-1930

Those who have followed the activities of the National Defense Committee since its inception four years ago are aware that they embrace much more than a wholesome interest in the Army and Navy—important and vital though those defenses be—but that in order to perpetuate the principles established by the American Revolution we Daughters see many outposts of National Defense that cry out for such strengthening and augmentation as can be supplied only by the help of that intangible but vital support known "Public Opinion".

For several years past the keynote of every President General's address and every principal address by other noted women and men speaking before our Continental Congresses has sounded some phase of National Defense, not in terms of generalization but pointing out some definite need for action. Read carefully the printed proceedings of these annual meetings and there is no mistaking this fact. Read the monthly Magazine messages of the President General and note how they also conform to the work of the National Defense Committee.

Since our 1929 State Conference the Committee has supplied each Chapter with typed and printed information on the following subjects: Immigration Restriction; Studies of the Constitution of the United States; Patriotic Addresses; Pioneer Camps;

Engineers of Revolution; Enemies of the Constitution; Monroe Doctrine; the Army and Navy; the Collective Man. In addition to the above supplemental reading has been furnished six Chapters upon special request for programs devoted to National Defense.

All letters of inquiry pertaining to the work of the committee have been answered by return mail.

Two Bills, of great potential importance to the Nation, for which the Committee worked last year, have become laws since our 1929 Conference. I refer to the Navy and Cruiser Bills and the putting into operation July 21st, 1929, the National Origins Provision of the Immigration Law of 1924.

Your Chairman has received literature regularly from the American Vigilant Intelligence Federation, the Key Men of America, the American Coalition, the Massachusetts Public Interest League, The Woman Patriot, The Better America Federation and from our indomitable National Chairman, Mrs. William Sherman Walker. In addition I have hundreds of clippings from the daily newspapers and other periodicals.

All this literature is available for Chapter use upon request. I have some of it with me, also some late papers, cartoons and leaflets circulated by our enemies while enjoying the privileges and protection of our government. These may be seen at the Round Table discussion which will be held some time during this Conference.

Early in February Chapter Chairmen were invited to help supply data for the Committee by clipping from the daily papers for one month items bearing on racial activities in the United States and elsewhere. In response to this invitation, your chairman has received 286 separate and distinct items. If "all we know is what we see in the papers" we may deduct the natural conclusion from these news dispatches that the Com-spirit of unrest and dissatisfaction among colonial peoples, par-munist party of the World is unmistakably trying to create a ticularly those under British rule and mandate and United States dependencies, is inciting the unemployed to riot, is making war on religion, is trying to remove by law and spirit the barriers supporting the institution of marriage and, with the power centered in the Soviet Army which is the largest and best equipped in the world, expects to precipitate world revolution in a desperate effort to destroy all existing "Capitalistic" governments.

By the same process of deduction we may conclude that the heritage of freedom which is ours by the provisions of the Constitution is to be supplanted by that restraint, repression, curtailment of human rights inevitable in a centralized government. One need not even read between the lines to discover that centralized, paternalistic government in operation in no wise fulfills the Utopian dream of the "intelligentsia" philosopher or leads one to the "big rock candy mountain" dream of

the great unwashed. Wealth, leisure, happiness are not equalized by such government, but poverty, drudgery, terror and misery are.

"But why," ask the doubting Thomases, "is it necessary for patriotic societies and individuals to enlighten our people on this menace? If there be such a menace, if these things be true, why does not the government stop it?" That is a question arising from the placid trust born of the faith of succeeding generations in our government. Faith without understanding!

We have come to take the blessings and protection of Constitutional government for granted, overlooking the responsibilities that are ours for perpetuating such blessings and protection.

By the Constitution the Government may interfere with subversive propaganda only when it takes the form of violence. Moreover, the Constitution may be practically re-written by the legal process of amendments. Such amendments, conceived in the minds of those who subscribe to Marxian philosophy, and subtly injected into the public minds under the guise of social and political reforms, may, in the course of a generation or two, change our whole system of government.

How better, then, can we co-operate with the National Society whose motto is "For God, Home and Country" than by firmly and steadily urging better understanding of the Constitution and pending legislation?

The Fifth Women's Patriotic Conference on National Defense, which represented forty patriotic organizations, convened in Washington a few weeks ago, the first assembly of which was held in our new Constitution Hall, laid particular emphasis on the importance, the necessity to the well-being of the Nation, of a better understanding of the government under which we live. A close relative of the Father of our Country, speaking in defense of National Defense, said:

"There is not one line in the whole Constitution which authorizes one single, solitary officer or branch of our government to abolish its defenses, to discontinue its Army, or to scrap the Navy which this Constitution requires our representatives to maintain. On the contrary, this more perfect Union is commanded to guarantee to every State of the Union a republican form of government—which it can never do if it surrenders its defenses or tolerates a super-state, a self-constituted oligarchy centralized in bureaus at Washington and subject to no restraint except their own arbitrary will in extending their jurisdiction to the remotest corners of this continent."

Other speakers at the Conference stressed the need for a spirit of nationalism as opposed to internationalism.

We have heard the term "responsibilities of citizenship" so often it has become a platitude. But, used by patriotic societies it implies the broader sense, not only exercising the privi-

lege of the ballot but preparing ourselves for that privilege by understanding the operating effects of proposed legislation and its relationship to the ideals we have long expressed in lip service.

One may have repeated the American's Creed and the pledge to the Flag so often that he may say them mechanically while his mind is on something else wholly unrelated, perhaps, to the vows he is taking. But the service that counts for perpetuating this "government of the people, by the people, for the people" is that which believes in the "consent of the governed" and understands what constitutes a "sovereign Nation of many sovereign States" and is ready by word or deed to "defend it against all enemies."

It might be well to precede the "Get out the Vote" campaign with a "Prepare for the Vote" campaign.

Kansas may point with pride to the splendid co-operation received by this Committee from the many earnest, faithful Daughters working in different parts of the State.

Mrs. Cordry of Hannah Jameson Chapter reports that she has prepared and had read a lesson on National Defense for every meeting this year.

Mrs. Reese of Newton Chapter has not only given illuminating talks before her own Chapter but has delivered splendid addresses to clubs in Halstead and Newton.

Mrs. Anderson of Henry Dawson Chapter sent 68 items for our files.

Twenty-five Chairmen have reported bringing in the suggested topic before their Chapters and have expressed appreciation of the highly educational nature of material received.

Fifteen Chairmen have contributed valuable data for our files.

Three Chairmen have suggested that we extend our work in organized effort to the children. This is a timely suggestion. Had we the same school text books of a generation or two ago, such work by patriotic societies might be superfluous. But much of the background of patriotic education and national spirit found in the readers and histories of the '70s, '80s and '90s has been eliminated from present day text books and the latter may be fittingly supplemented by training along those lines by such patriotic groups as ours.

The National Society sponsors several organizations for children. In addition to the C. A. R., Boy and Girl Scouts and Girl Homemakers, we have the Sons and Daughters of the Republic clubs. The latter have no ancestral requirements and more liberal age restrictions than the Scouts. I have some of their literature with me which I shall be glad to give anyone who is interested.

It is obvious that the work of the Chapters cannot receive adequate comment in a ten minute report but the sum of all reports indicates that interest is increasing and that more

and more of our valuable educational material is being incorporated into Chapter programs.

In closing may I leave with you the thought expressed by one of our prominent Kansas educators, Dean Schwegler, a few days ago that the outstanding fact rising above all the radical and "liberal" theories of the present day is that the eternal truths upon which civilization rests are the same today as in the dawn of human existence, will remain the same to the end of human existence and that disobedience to those laws of right living will bring disaster today and tomorrow just as they have in the past.

State Chairman

REPORT OF THE KANSAS STATE CHAIRMAN OF OLD TRAILS COMMITTEE, 1930

Last fall, in response to a request by our National Chairman, Mrs. Moss, a copy of her annual report, which was given to Congress last April, was sent to each chapter in the State.

This report was accompanied by a letter urging each Chapter to have at least one program during the year to learn all about the erection of the twelve Pioneer Mother Monuments which constitutes a great National Shrine erected to the memory of our pioneer forefathers and foremothers.

In order to revive interest in the study of Old Trails, Mrs. Moss offered a prize of \$50 in gold for the best state map, accompanied by a paper or "story" of the old trails in that respective state.

A letter was written to each Chapter requesting that the local chairman make a map showing trails in her part of the State known to have existed, uncharted or unlocated, also those located, and sent to the State Chairman, together with any history or anecdotes concerning them.

Your State Chairman feels deeply indebted to those who cooperated by furnishing maps and data which helped materially towards arranging a map of Kansas, and preparing a story, which were sent to our National Chairman the latter part of February.

Mrs. Moss acknowledged these and stated that she had received thirteen entries from nine states.

Captain Jesse Leavenworth Chapter of Leavenworth, Miss Laura Tarr, Chairman, reported interesting historical data con-

cerning the old trails in that vicinity. Miss Tarr also reports that her Chapter is marking historical spots in Leavenworth.

Mary Wade Strother Chapter, Salina, Mrs. Nancy Schully, Chairman, reports that the only "Old Trails Road" in that vicinity is the Phillips-Salina-Topeka Trail. Mrs. Schully reports also that she was giving the requested program on Old Trails at the February meeting.

Gen'l Edward Hand Chapter, Ottawa, Miss Grace R. Meeker, Chairman, furnished a map of Franklin county, on which is located trails and places of historic interest, also a story concerning the same.

A map and anecdotes which contributed much toward the preparation of the state map and story were those furnished by Mrs. Fred Sailors, Regent of the Dodge City Chapter.

James Ross Chapter, Kansas City, Mo., Lucy C. Haynes, Regent, furnished a map which was made by Mr. Frank Davis, Secretary of the National Old Trails.

Samuel Linscott Chapter, Holton, Mrs. Helen Spears Kaul, Chairman, reports the establishment of a fund to mark a trail in that vicinity.

Henry Dawson Chapter, McPherson, Mrs. Inez Crary, Chairman, furnished a map of McPherson County showing the Santa Fe Trail. This was accompanied by an interesting story of the historic spots and location of the markers in McPherson county. This chapter also reports a splendid program on Old Trails.

The Betty Washington Chapter, Lawrence, Mrs. Henry H. Asher, Regent, furnished a map of Douglas county, on which are marked the old trails and the location of the markers which have been placed in that county.

Jacob Blaine Chapter, Webster, Mrs. A. G. Schneider, Regent, reports having had a program on Old Trails.

Lois Warner Chapter, Junction City, Mrs. M. P. Gillett, Regent, states a report on the monument at Council Grove was given and a paper on Old Trails was being prepared.

Concordia Chapter, Concordia, Mrs. Fred Sutton, Regent, reports a discussion at a "Roll Call" on "Old Trails."

The Larned Chapter, Larned, Mrs. Anna Van Vorhees, Regent, reports a gift of \$5.00 toward the marker at Duncan's Crossing of Pawnee river on the Fort Hays and Ft. Dodge Trail.

Polly Odgen Chapter, Manhattan, Mrs. Imes, Chairman, reported having made a map of the trails in that vicinity.

Sterling Chapter, Sterling, Mrs. J. D. Zimmerman, Regent, reports having had an Old Trails program and also the placing of a marker on the Santa Fe Trail near the old stone corral south of Little River.

Neodesha Chapter, Neodesha, Mrs. Margaret Winter, Regent, reports a splendid program on National Old Trails Road.

Frederick Funston Chapter, Humbolt, Mrs. J. J. Amos, Chairman, reports an exceedingly interesting and instructive program on the Old Trails in that vicinity.

Newton Chapter, Newton, Mrs. J. W. Graybill, Regent, reports a program on Old Trails.

Uvedale Chapter, Hutchinson, Mrs. Art. Ward, Historian, furnished a map of the Old Santa Fe Trail and a program on the unveiling of the markers placed June 1, 1929 by the Sterling and Uvedale Chapters.

Phebe Dustin Chapter, Phillipsburg, Mrs. Ruth Hopson, Chairman, reports a program on Old Trails and some interesting wagon trails of sixty years ago in that vicinity.

Abilene Chapter, Abilene, Mrs. M. Seelye, Chairman, sent a most comprehensive map of Dickinson county, showing all the historic trails, and a splendid story and description of these trails.

Desire Tobey Sears Chapter, Mankato, Mrs. Helen M. Stafford, Regent, states that reports on the placing of the monument, "The Madonna of the Trail," have been given.

Susannah French Putney Chapter, Eldorado, Mrs. J. C. Robison, acting chairman, reports plans to mark the crossing of the Whitewater river on the old trail between Emporia and Wichita.

Topeka Chapter, Topeka, Miss Helen M. McFarland, Chairman, sent a photostat copy of a map of Shawnee county, which has "old roads" traced on it.

Hannah Jameson Chapter, Parsons, Floy L. Nowels, Chairman, reports a program on the "Madonna of the Trail."

Atchison Chapter, Atchison, Mrs. Mary B. Miller, Chairman, reports the preparation of a paper on Historic Trails in Kansas.

Molly Foster Berry Chapter, Ft. Scott, Mrs. de Stwolinska, Chairman, sent a copy of their year book, containing map of Bourbon county, showing historical spots.

Thirteen Chapters reported they had done nothing towards a program on Old Trails, and six Chapters made no response to letters sent them.

Mrs. C. Roe Hall, Vice Chairman of the Western Division, has requested that each Chapter plan to have one program on Old Trails during the year 1930-1931.

REPORT OF THE CHAIRMAN OF PUBLICITY

Kansas D. A. R., March 1, 1929 to March 1, 1930

Madame State Regent and Daughters of Kansas:

For the third time it is my privilege to bring to you the report of the publicity of the Kansas Daughters of the American Revolution. By September 30th, letters containing the general instructions as outlined by our National Chairman, Mrs. William Louis Dunne, had been sent to the State Regent, the State Corresponding Secretary, twenty (20) state chairmen of committees and to the forty-five (45) chapters. Your chairman is very grateful for the help given her throughout the year by the State Regent and to the State Corresponding Secretary, who so graciously sent a typewritten list of the publicity chairmen who had been appointed early in the summer.

In March, 1929, with the efficient help of Miss Kathryn Wilson of the Lawrence Journal-World, and Mrs. J. W. Murray, wife of the editor of the Lawrence Journal-World, both members of the Betty Washington Chapter, a special feature, consisting of resumes of the work of our then State Regent, Mrs.

Campbell, short reports from all officers, together with their pictures and reports from twelve (12) state chairmen of committees and twenty-three chapters sent in short histories which were printed at various periods over the conference, exclusive of the daily report of the conference. The picture of our Honorary President General Mrs. Guernsey, was used. These reports were very good and concise and one gained much knowledge of the work of the Kansas Daughters. Your Chairman had four pre-conference articles, concerning the activities of the conference in the Topeka Capital, March 11, 17, and 22, 1929.

Our publicity for the year just past has set a very high standard in D. A. R. publicity. The reports have been more interesting, to the point and show much time and effort on the part of the publicity chairmen.

Your chairmen has handled thru her office, publicity which has appeared in the official newspaper, The Topeka Capital, publicity for the following state chairmen: Radio, two articles; Student Loan Fund, one article; Patriotic Education, one article; Magazine, one article; and Memorial Continental Hall Library, one article. The other chairmen did not send in material or their material was in such shape, same could not be re-written. Several articles from our State Regent have also been sent in and printed.

The following is a resume of the publicity by months:

March, 1929—Six chapters reporting with 95½ inches of space.
April, 1929—Eight chapters reporting with 86½ inches of space.
May, 1929—Eleven chapters reporting with 74½ inches of space.
June, 1929—Ten chapters reporting with 72 inches of space.
September, 1929—Ten chapters reporting with 74½ in. of space.
October, 1929—Twenty-one chapters reporting with 254½ inches of space.
November, 1929—Twenty-one chapters reporting with 180 inches of space.
December, 1929—Nineteen chapters reporting with 167¾ inches of space.
January, 1930—Twenty-one chapters reporting with 162½ inches of space.
February, 1930—Twenty-two chapters reporting with 244 inches of space.

Making a total number of column inches used, 1,342¾, or nearly 200 inches less than last year. In February this year we attained the highest number of chapters reporting over a period of three years, and yet it is but half the number of the chapters in the state of Kansas. Surely if 22 can carry on, why can't the other 23 also do it?

The outstanding publicity for the year was the very complete story with pictures, of the marking of the Shawnee Baptist

Indian Mission, by the Olathe Chapter on October 15th, 1929. The Kansas City (Mo.) Times and the Kansas City Kansan carried the complete story.

The pages of the following chapters in the State Book are blank: Arthur Barrett, Christiana Musser, Dana, Dodge City, Kiowa, Oceanic Hopkins, and Samuel Linscott. The following three chapters are credited with only one clipping: Baxter Springs, Jacob Blaine and WaKeeney.

Your chairman is very happy to report a larger number of chapters on the Honor Roll for 1929-1930. By Honor Roll, your chairman means only those chapters who have complied with the request to send in every month, two clippings, one to be sent to the National Chairman, and the other is kept in our State Book. For 1929-1930, we find, Betty Bonney, Capt. Jesse Leavenworth, Desire Tobey Sears, Eunice Sterling, Gen. Edw. Hand, Mary Wade Strother, Molly Foster Berry, Ft. Larned, Wichita Topeka and Neodesha. For the two year period, 1928-1930, your chairman finds the following chapters on the Honor Roll: Betty Bonney, Desire Tobey Sears, Topeka and Mary Wade Strother. Thru an error, the Mary Wade Strother Chapter and the Betty Bonney Chapter were not reported on the honor roll last year, due to a misunderstanding as to just when their year started, and your chairman is very happy to correct this error. And it was for this reason that your chairman asked for year books from all the chapters this year, just in order to know just what months the meetings were held. Now, let us go back just a little farther and on the three year honor roll, your chairman finds the names of the Desire Tobey Sears Chapter and the Topeka Chapter. This means, then, that for three years not one clipping for the National Society and the State Society was missed. Your chairman congratulates all the chapters on the Honor Roll and trusts that the same ones will appear next year and that the other 23 chapters not now reporting every month will do so.

Your chairman received an invitation from our National Chairman of Publicity to participate in the coming Continental Congress in April. It is with regret that your chairman will be unable to be in Washington, but she will be very ably represented by Mrs. B. B. Harris, of the Hannah Jameson Chapter.

To attain this publicity this year, it has been necessary for your chairman to send out 210 letters and 25 postcards to the publicity chairmen or their regents.

Respectfully submitted,

HELEN HIBBARD IMES,

(Mrs. James Frank Imes)

Chairman of Publicity

KANSAS D. A. R. RADIO REPORT

Broadcasting over the radio is very new to most of us.

Your State Chairman was cautioned to be extremely conservative and yet be up to the minute. Some stations were given her and she was told to go ahead.

Many letters were written by her asking for information for radio material but with scant response.

In February an announcement asking for special observance of Washington's birthday and the Flag Salute was sent out over four stations, WIBC, KSAC, KFKU, and WREN.

In March a message from the President General, Mrs. Hobart, through the National Radio Chairman, Mrs. Goodhue, stating that the National Broadcasting System was broadcasting addresses each Thursday for ten weeks on National Defense urged our cooperation.

Also the announcement was made that the State D. A. R. Conference would be held March 25, 26 and 27 at Salina.

This was sent to the chapters having radio facilities that they might see to the work there.

WREN, the only station in Kansas connecting with the National Broadcasting System which could not take the message at the time given, has been most courteous in helping us.

A letter or card has been sent to each of the forty-five chapters three times.

The stations asked to broadcast, eight in number, were, Kansas City, Kansas; Topeka; Manhattan; Milford; Independence; Wichita; Kansas University, Lawrence.

State Radio Chairman

ANNUAL REPORT BETTER FILMS COMMITTEE

1930 N. S. D. A. R.

Kansas has thirty-four chapter chairmen of the Better Films Committee.

October first the State Chairman received a communication from Mrs. Russell, the National Chairman, containing complete instructions for the year's work. Copies of these instructions were made at once and mailed to these chapter chairmen and to Chapter Regents who had no local chairman.

Every chapter who has a Better Films Chairman receives bi-monthly from Mrs. Russell at Hollywood a graded list of pictures reviewed for this purpose.

Many chapter Regents and local chairmen have written me that they are very much interested in this Motion Picture Guide Review, and think it a very helpful and worth while work, and hope to co-operate more fully in the future.

This being a new Committee in Kansas, plans for work on other lines had already been made and very little work has been attempted by the Chapters this year.

In reply to a request for annual reports many chapters reported nothing done. Hannah Jameson chapter sent two press notices in interest of Better Films.

This chapter presented the film "Your Flag and Mine" five times on Armistice Day and will present it on future patriotic occasions. The film "The Correct Use of the Flag" is also owned by the chapter and presented on patriotic occasions.

The Mary Wade Strother Chapter passed resolutions sponsoring the plan for a George Washington Picture.

Phebe Dustin Chapter has mailed D. A. R. Picture Guide lists to managers of moving picture theaters in all towns where the chapter has members.

Fort Larned Chapter is sponsoring a Grade A picture this week for financial purposes.

Courtney Spaulding reports one program "Better Films" and also have co-operated with the Federation of Womens Clubs in a program for Better Films.

The only letter received reflecting local taste in moving pictures was from Mrs. Robert King, Better Films Chairman of the Emporia Chapter. A very interesting and informative letter.

Respectfully submitted,

MARY L. VICTOR, Chaiman Better Films

COMMITTEE LEGISLATION IN U. S. CONGRESS REPORT

Kansas D. A. R. 1929-1930

The chairman of the Committee Legislation in U. S. Congress is glad to report that while the quantity of work done by Kansas chapters as a whole is not great, the quality is excellent; that the chapters responding to the requests of the National Chairman have made a good record and evidenced much sincere interest.

The state chairman has sent to all chapters cards asking that chairmen be appointed; letters outlining the work; cards requesting that each chairman write to her congressman in the

interests of H. R. 14 (adoption of the "Star Spangled Banner" as the national anthem of U. S.); letters with questionnaire enclosed requesting the yearly report. Letters have been written to senators, representatives, the national chairman, the regional vice chairman, the state regent, chapter chairmen and regents, and to university professors. In all 203 communications have been sent out.

Letters requesting the support of the Kansas senators and the representative from the Fifth District, Kansas, for the legislative measures sponsored by the N. S. D. A. R., viz., resolutions No. 18, 21, 23, have been written; the Congressional Record and Congressional Directory have been received. Senators Arthur Capper and Henry J. Allen have answered my letters promptly, courteously, and sympathetically. A letter to Congressman James G. Strong, in regard to H. R. 14 brought a prompt, courteous and favorable reply. Mr. Strong also sent me a copy of the bill and the report of its hearing. I feel the senators and representatives from Kansas have given the requests of the Kansas D. A. R. courteous and fair consideration and I hereby express my appreciation.

The request of Mr. Roy L. Garis of the U. of Tennessee for a report on the Mexican situation in Kansas was answered to the best of my ability.

The state chairman's endorsement of the resolution passed at the October meeting of the National Board endorsing House Bill No. 3658 relative to making the site of Ft. Boonesboro a National Park was sent to the National Chairman.

The outline of work as requested by the National Chairman, Mrs. F. C. Morgan, covered the following points: the reading and explanation to chapters of the resolutions passed by the N. S. D. A. R. at the April meeting, viz., Nos. 18, concerning appropriations for the restoration of "Old Ironsides"; 21, concerning the "Star Spangled Banner,"; 22, concerning an adequate navy; 23, concerning the restriction of immigration; 31, concerning advertising signs; the requesting of the Congressional Record; the study of the Constitution; the "National Republic" outline being suggested for use; suggestions: use of certain periodicals, special talks on legislation, Kellogg Peace Pact as a subject for a meeting.

REPORT OF STATE GENEALOGICAL RESEARCH COMMITTEE — 1929-1930

My report, though short, is good. I think some chapters, having good material, did not send reports because of the expense of typing.

October 3rd I sent a letter to each chapter, explaining the work of the Genealogical Research Committee. I have written many since explaining my first.

Some reports were sent after the National time limitation, but were so good Mrs. Puller, National Chairman of Genealogical Research, could not resist including them in the year's report to the National Congress.

The first report was received last August from Mrs. Cordry of Hannah Jameson Chapter of Parsons. It was birth, marriage and death records copied from old magazines published in 1844 and 1855. Mrs. Calfee, district chairman, was very much pleased with these.

Next came Phebe Dustin Chapter of Phillipsburg with records copied from the Davidsons, Ney, Hoover Bibles, tombstone records, several family lines with collateral lines, the Jewett family line of 138 generations, the William Tuttle line from 84, the Richard Kimball-Scott line from before 800, History of the Town of Marlborough, Cheshire County, New Hampshire; Greenwood Family. Cowles Family (3). History and Genealogy by King, Rhodes Family, Peck Family, King Family, Salisbury Family, Mead Family, Smith. March 19 came a fine report from Betty Bonny Chapter of Arkansas City. Bible records from Mrs. Curry, Mrs. Parks and Mrs. Alice E. Mertens. Also, many cemetery records.

The Regent of Courtney Spaulding Chapter reported a shelf of Genealogical books in the city library.

Respectfully submitted,

MAUDE VLIET NEALE, (Mrs. R. W.)

March 26, 1930.
