Kansas D.A.R. Bookplatz

The original suggestion of procuring a Kansas D. A. R. bookplate was made by our late State Regent, Mrs. Genevieve Lingard Pendleton, and accentuated by a manuscript on bookplates, compiled by Mary Buck Miller of the Atchison Chapter D. A. R. and submitted to Mrs. Pendleton at the State Conference in 1934. Mrs. Pendleton then appointed Miss Helen Seelye of Abilene and Mrs. H. E. Don Carlos of Lawrence to serve as the committee with Mrs. Miller to select a design and plan all details for securing a bookplate.

At the top is a reproduction of the great Kansas Seal, de-

picting pioneer life in the fullest and the cross-country trek of the '49er during the gold craze. The motto "Ad Astra per Aspera" (to the stars through difficulty) in itself denotes pages of unwritten history. Over all a mantling of sunflowers, Kansas state flower, intertwining is the "Ex Libris" inscription. The date 1541 depicts the dawn of Kansas history in the era of Coronado's famous ill-fated expedition to the rich land of "Quivira" in search of "gold afar" and the Seven Cities of Cibola and its mystical romance.

The tiny landscape scene portrays a glimpse of an ancient Indian village, which Father Marquette recorded in his notes of "Kanza" in 1673.

In designing this bookplate, many phases of Kansas history were incorporated by Mary Buck Miller, who planned the design, which, with a minor change of the D. A. R. insignia, at the request of Mrs. L. E. Rex, our present State Regent, is the sketch used, and was completed on Kansas Day, 1936. The presentation of the bookplate and five hundred copies was made at the thirty-eighth Kansas State Conference held in Kansas City, March 27, 1936, by Mrs. Miller in her report as chairman of the committee and accepted for the Kansas Society by Mrs. Loren E. Rex, State Regent. At the National Congress of the D. A. R. held in Washington, D. C., in April, 1936, this bookplate was officially presented to the National D. A. R. Library in memory of Mrs. Genevieve Lingard Pendleton under whose administration the first plans were made for it, Mrs. Rex, State Regent from Kansas, suggested giving the bookplate as a memorial and in that manner she presented it. Much praise and thanks are due the committee and Mrs. Miller for the perfection of this bookplate.

PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands. One nation, indivisible, with Liberty and Justice for all.

THE AMERICAN'S CREED

"I believe in the United States of America as a Government of the people, by the people and for the people, whose just powers are derived from the consent of the governed. a democracy in a republic, a sovereign nation of many sovereign states, a perfect union, one and inseperable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

"I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its Flag and defend it against all enemies." The Kansan's

Creed

At the request of your State Regent, Mrs. L. E. Rex, Mrs. H. E. Don-Carlos, a former Regent of the Betty Washington Chapter at Lawrence, has written a beautiful state creed. To her we wish to extend our sincere thanks and with great pride we present it for the first time in this book.

Mrs. Louisa Cooke Don-Carlos was born in Louisville, Ky., the daughter of B. H. and Alice Kessell Cooke. She was educated at Ward Belmont, Peabody College and Marchesi School of Music. all

The Kansan's Creed dedicated in honor of our President General, Mrs. William A. Becker:

Revering her venerable past and glorying in the promise of her future, as she pulls in the Nation's Trace for Freedom, Justice, and Equal Rights, through travail to the stars. During her administration there was much work to be done because of the World War, and Mrs. Guernsey was the one who could see that it was done and also do her share for she had never been known to do anything half-way. At the close of her term as President-General in 1920, she was made Honorary President-General. In 1921 she was once more elected State Regent and served two years.

GOOD CITIZENSHIP PILGRIMAGE: The Good Citizenship Pilgrimage is now an annual event of the D. A. R.—one high school girl from each of the forty-eight states and the District of Columbia, selected from the senior class of the public school. Stu-

dents of the high schools are introduced to the plan in October. They then choose three girls for dependability, service, leadership and patriot-ism. Out of the three, the faculty selects one. This must be completed by February 22. When all entries are received, the State Superintendent or his representative draws the lucky name. The plan is to create a higher standard of citizenship among girls of high school age. This award is not given or accepted casually. It is not a pleasure trip; it is a pilgrimage. It is not a fa-vor; it is an investment, and must bring results. The fortunate girl this year was Miss Isabella Armstrong, Since her re-Hutchinson. turn from Washington she is planning to become a member of the D. A. R. as soon as her papers are completed.

Following the report of the Registrar, the Regent of the Nathan Edson Chapter, of Clay Center, was presented with the Flag for the highest percentage of increase in membership, a gain of 23 3-7 per cent. Mrs. Diver as Regent accepted, in behalf of her chapter, this flag, with words of joy and hopes for the future of the Nathan Edson Chapter. Mrs. Guernsey moved the acceptance of all officers' reports and a rising vote of thanks to the State Officers for their three years' efforts. The chairmen of the various committees gave their reports. They are always inspirational and urge each one of us to do more the coming year. Mrs. Holmes, parliamentarian, then conducted the nominations of candidates for the state offices. Results as follows:

These are always interesting and give us an idea of the activities of our sister chapters. The Memorial service was of the most impressive nature and as follows:

A miniature grave of green was constructed on the chancel rail and into this greenery was placed a flag for each of the deceased members. The services were very impressive and brought us all closer to the Daughters we have lost in 1935-36.

Members of the conference were guests of the James Ross Chapter at a banquet in the dining room of the Washington Avenue Methodist church. The room was beautifully decorated with candles and flowers. Copper plaques of Shawnee Mission were given as souvenirs. Following this program Mr. F. L. Ford of Waukegan, Ill., showed forty of the famous historical paintings by J. L. G. Ferris. The showing of these slides was accompanied by a lecture by Mr. Ford with the description of the pictures shown. It was very fine and much enjoyed.

RESOLUTIONS

As the thirty-eighth annual conference of the Kansas Daughters of the American Revolution draws to a close, the committee has the honor to present the following resolutions:

That we express to the James Ross Chapter, its Regent, Mrs. Wayne F. Shaw, its Vice Regent, Mrs. Leon Campbell, and to the various committees who planned for the conference and our comfort and welfare, our sincere thanks for their hospitality and kindness. That, to the Reverend Joseph C. Cleveland, pastor of the Congregational church and to the Reverend Leslie Miller, pastor of the Washington Avenue Methodist church, we express our appreciation for their spiritual aid.

That, to Mrs. I. B. Morgan, Miss Aura Smith, Miss Louise Heaton and the committee who arranged the beautiful and entertaining pageant, "Women in Revolution", we express our thanks for the hours they spent in preparation as well as in the execution of the same.

That, we thank Mayor McCombs for his words of welcome and the key to the city.

That, because of their lovely music which made our programs more enjoyable, we heartily thank Prof. E. A. Hoskins, director of the orchestra of the Wyandotte high school, the members of the orchestra; the Girls Glee Club of the Wyandotte high school and their director, Miss Lorraine Ellis; Miss Aileen Showalter for her violin solo; Mrs. Carl Fuch, Mrs. W. B. McElroy and Miss Mildred Stewart for the vocal solos and Miss Marjorie Stewart, accompanist.

That we remember with gratitude the services of the Boy Scouts, the Pages and the buglers, Mr. Donald Mourning and Mr. Ralph Shelton.

That, we appreciate the courtesy of the Washington Avenue Methodist church in allowing us to use their beautiful building for our meetings.

That, we appreciate the publicity given us by the Kansas City Kansan and the Kansas City Star. We personally thank Mr. W. A. Bailey for the copies of the Kansan given the members of the conference.

We appreciate the space given our organization during the year by the Topeka Daily Capital.

That, no words of ours can express our thanks to the Officers and members of the Women's Club of Kansas City for the luncheon served the Board of Management and the use of the Club House for our Board Meeting.

That, our appreciation be extended to the radio stations of Kansas who have given us the use of their broadcasting stations during the past year and be it further resolved that much praise and thanks are due the Colonial Dames of Kansas, The Daughters of the American Colonists, The Daughters of 1812, the Indian Historical Society, and the James Ross Chapter for the lovely tea and reception tendered the conference at the Shawnee Mission. We also thank Mrs. Vinton Earl Sisson and Mrs. William Rock Painter as well as our own Honorary Regents for their aid, assistance and attendance; and be it resolved:

1—That the Kansas Society Daughters of the American Revolution protest against the use of fiction in our National Magazine.

2—That in as much as the one hundredth anniversary occurs in 1937 and whereas Shawnee Mission is one of the most historical points west of the Mississippi river that we, the Kansas Society Daughters of the American Revolution request Postmaster General Farley to issue a United States stamp carrying the picture of said Mission, in commemoration of this important event; and be it also resolved that the State Regent appoint a committee to petition the Postmaster General.

Whereas, the R. O. T. C. is an integral part of the national defense forces of the United States, making possible an exceedingly small standing army, at the same time training citizens for leadership and the defense of their country; and

Whereas, there is a concerted effort to cripple the R. O. T. C. through the passage of the Nye-Kvale bill to withold government support from land-grant colleges requiring military training; be it resolved, that the Kansas State Society, Daughters of the American Revolution oppose the passage of the Nye-Kvale bill and commits itself to active support of the R. O. T. C. in its state colleges of Kansas. Copies of this resolution to be sent to Congressmen and Senators, to members of the House Military Affairs Committee and to the President of any land-grant college in the state.

Resolved, that the Kansas State Society, Daughters of the American Revolution reaffirm its stand with the National Society in behalf of restricting immigration and endorse the purposes of the Starnes-Reynolds bill providing reduction by law in the quotas of European nations, extending the system to the countries and criminals and for the registration of all aliens.

Resolved, that copies of this resolution be sent to the Chairman of the Immigration Committee of the House of Representatives and to the Senate.

Surely no conference in years has been carried through from beginning to end in more harmony than has the one just completed and we look forward to other conferences with a better understanding of the problems which the Society has to face, and that a copy of these resolutions be . spread on the minutes of the 38th Annual conference.

Respectfully submitted,

Officers' Reports

REGENT

Madam State Vice Regent, Members of the Thirty-Eighth Conference, and guests:

I should like to begin by thanking you all for your cooperation enabling us to put over another year's work.

As State Regent I was eager to meet all Regents and to become better acquainted with the chapters. Dividing the state into two parts we went by automobile and stopped in every town where there is a D. A. R. chapter. Sixteen hundred miles were covered on those two trips. On one of them it was my pleasure to be accompanied by our State Registrar. After visiting these places, the chapters and members are no longer mere names; acquaintance gives understanding and arouses personal interest. Some chapters do not allow our society any real part of their time or talents and others labor under great handicaps. One chapter covers seventy miles with the membership in four scattered towns. Some chapters have fallen into ruts in their work and sometimes the rut is caused by the same officers holding positions too long and too frequently. Sometimes nothing is accomplished because of lack of thought in the selection of officers and because there has been no preparation for leadership. What our members or chapters derive from our society is a personal matter. There is much of interest, pleasure, and what is worthwhile if one wishes to find it.

At the Board meeting, July 8th, we celebrated the 81st birthday of one of our most loved members, Mrs. Laura Prigg. It was here we decided to publish a state paper to be issued the first of the months of September, March, April, and May. It was christened The State Bulletin and two issues have been released. The paper is kept small for several reasons, one of which is that it may be read from end to end in only a few moments. If every Daughter will do this she will know something about our society. The Bulletin goes to all members free of charge and the two issues have cost the state a total of \$64.32.

The Board meeting September 18th, the day of the Shawnee picnic, had many items of interest, one of which was repairs and improvements for our rooms in the Mission. Little progress has been made but before the next picnic it is hoped much may be accomplished.

On November 16th, our Corresponding Secretary accompanied me on a drive of 462 miles to Smith Center where we were honor guests at the Sixth District Meeting. Others joined us enroute which made it possible for them to attend the meeting and enabled us to become better acquainted with them. During the year I accepted many invitations to attend chapter meetings, and I always found them interesting.

I have received conference invitations this year from the following twenty-nine states: Arkansas, Alabama, Arizona, California, Colorado, Connecticut, District of Columbia, Florida, Illinois, Iowa, Kentucky, Louisiana, Maine, Michigan, Mississippi, Missouri, Nebraska, New York, New Hampshire, North Carolina, Ohio, Oklahoma, Rhode Island, South Carolina, Tennessee, Texas, Virginia, Washington and West Virginia.

The Regents of these states sent their best wishes for our conference. Many of these conference dates conflicted, but I thought if I could attend a few it would show appreciation and by attending the meetings I would benefit. I selected three of our nearest neighbors; Boulder, Colo.; Durant, Okla.; and Dallas, Texas. I learned much and enjoyed greatest pleasure. The hostess chapter in Colorado announced the birth of twins, a boy and a girl, which created much merriment. Not to be outdone by our sister state, Kansas announces the birth of twin chapters, a boy and a girl also. The boy, Randolph Loving, was ready to be born last year, and Jane Dean Coffey just came along so promptly she was born almost before we knew it. Mav I have the honor to present "The Twins"? I have cards from seven states announcing candidates for Vice President General as follows: Connecticut. Miss Emeline Street: Illinois, Mrs. Eli Dixon; Louisiana, Mrs. J. Harris Baughman; Missouri, Mrs. Mortimer Platt; New Jersey, Mrs. William Ward; South Carolina, Mrs. Thomas J. Mauldin; Tennessee, Mrs. Allen Harris. I have received cards from Texas announcing Mrs. Alvin V. Lane for the office of Honorary Vice President General and for the same position Delaware announced Mrs. Edmund P. Moody. The London, England, chapter suggested the name of Mrs. Robert B. Mosley for Vice President General, but I have not received confirmation of this candidate.

In summing up my postage bill for the year I find it is \$23.89, which represents one thousand and eight pieces of mail I wrote and posted from my desk. This does not include the two thousand copies of The Bulletin I addressed in September.

I have traveled eight thousand nine hundred seventyone miles in the interest of D. A. R.

I feel the Board of Management needs a closer contact with the membership; one way to accomplish this is for members to instruct their Regents as to all matters in which they are interested and to make suggestions for improvement.

Last year at this time we stated that we needed new members and I asked that every one of us try to bring in one new member this year. The same might as well be our theme song for this year. In Colorado I was pleased to find many fine young women filling high offices in a most efficient manner. We need more YOUNG women. For further projects for the coming year and working with the PAST, if we will systematically cover our state, making a complete file of all vital records, as to birth, marriage, and death, which are not in otherwise usable shape, we shall render a great service, especially to coming generations.

For working with the PRESENT, YOUTH should be our one thought. This does not mean looking only after the foreign born or under-privileged or even the sons and daughters of the "well-to-do". The way is not preaching or with the grand hurrah method but it is just quietly LIVING so that those with whom we come in contact may KNOW the foundation of our society is "For God, Home, and Country."

> Respectfully submitted, LEDA FERRELL-REX, Regent, Kansas D. A. R.

From March 1, 1935, to March 1, 1936.

After hearing the splendid report of our efficient and tireless State Regent, you will realize that the duties of the Vice Regent are few and unimportant.

However, I have tried to perform these few duties, cheerfully and to the best of my ability.

On June 19, 1935 I attended the dedication ceremonies attending the placing of the Marker at Kniveton on the old Military road. I was a guest of Oceanic Hopkins Chapter at the luncheon and meeting and deeply appreciated the genuine hospitality shown me.

July 26, I represented our State Regent at the funeral services of Mr. Wayne F. Shaw, husband of the Regent of the James Ross Chapter. These services were held at Howard, Kansas.

October 20, a message was received telling of the passing on of Mrs. E. C. Crary, beloved Regent of Henry Dawson Chapter at McPherson. Mrs. Rex was in Washington at the time and, as your Vice Regent, I attended the services in Memory of Mrs. Crary. Met many of the members of Henry Dawson Chapter as well as relatives and friends of our departed Regent.

I have attended two Board meetings. One held at Hutchinson on July 8, a luncheon meeting. Mrs. H. G. Lull of Emporia Chapter, who is your State Chairman of Committee on Approved Schools, made the trip with me on that hot summer day.

I was present also at the Board meeting held at Shawnee Mission on September 18.

Early in the year, our State Regent assigned to me two specific duties. First, the promoting of the Junior D. A. R. work in the state. In October, I sent out letters with printed information to all Chapters. This new phase of our D. A. R. activities has received very little response as yet. As far as I know, only one chapter has been organized. The Atchison Chapter reports a nice organization.

The other duty of your Vice Regent was the assembling of a complete Record of the Markers placed by D. A. R. Chapters marking historic spots in Kansas. I have a list of these markers from 25 Chapters and hope to hear from the other chapters.

I have received 20 year books and wish to express my appreciation of them. I have enjoyed looking over your programs and becoming familiar with the names of the officers and members in each Chapter. I deeply appreciate the delightful social contacts during the year—the re-union of old friends and the making of new ones.

We are closing another year of D. A. R. work in Kansas. Let us begin the new one with greater enthusiasm. Nothing is so contagious as enthusiasm. It is the genius of sincerity and truth and no victories are accomplished without it.

> Respectfully submitted, ADELAIDE JANE MORSE, State Vice: Regent of Kansas

RECORDING SECRETARY

The report of the Recording Secretary is each year practically a repitition of the year before. To her lot falls the printing and preparing of copy, planning proceedings, shopping for cheaper prices than the year before and the mailing out of the finished product. This is much more of a task than it would seem and yet, there is a joy in the fulfilling of this task. This work usually comes in June and July. Then in January all blanks must be sent to the Regents and committee chairmen for their yearly reports.

This past year I attended the business meeting at Hutchinson and the Annual Pilgrimage to Shawnee Mission and thoroughly enjoyed both. In the three years that I have served as your secretary, I have made many real friends and have enjoyed doing the work which has been allotted me and I truly thank the Kansas Daughters for the privilege of serving on the State Board.

"And may the Giver of Gifts give these to you That which is good, that which is true, The will to help and the courage to do, And a heart to smile the whole year through, May the Giver of Gifts give these to you."

Respectfully submitted,

ADELAIDE C. LAIRD,

State Recording Secretary

REGISTRAR.

Madam State Regent, National Officers, State Officers and Members of the 38th Annual State Conference:

As State Registrar I wish to submit the following report of changes in membership during the year March 1, 1935, to March 1, 1936:

Number of Chapters in Kansas March 1, 1935
Number of Chapters in Kansas March 1, 1936
Received by transfer from other states
Received by transfer from Kansas at-large membership 22
By reinstatement
Received into Kansas at-large membership 1
Total increase in state
The decrease has been:
Through decease of members
By transfer to other states
Dropped for non-payment of dues 29
Resignations 90
Losses in at-large membership
Total loss in state195
Membership at-large March 1, 1936 11
Total membership March 1, 19352273
Total membership March 1, 1936
Net loss in state during the past year

This report not only represents our smallest decrease in membership during the past four years but it is also the first time we have been able to report at a State Conference a total of forty-eight Chapters in our state.

We are indeed proud of our two new Chapters. The Randolph Loving Chapter of Wichita, confirmed April 13, 1935, with thirty organizing members, was named in honor of one of our State Regent, Mrs. Rex's, ancestors. The Jane Dean Coffey Chapter of Coffeyville, which was confirmed December 17, 1935, with fifteen organizing members, has a present membership of twenty-three. Jane Dean Coffey, for whom the Chapter was named, was the mother of Colonel Coffey, the founder of Coffeyville and an early Kansas pioneer.

Seventeen Chapters in the state report an increase in

membership during the year; eight have held their own, having the same number of members as at this time last year.

The Chapter making the highest percentage of increase in membership this year is the Nathan Edson Chapter of Clay Center, having gained twenty-one and three-sevenths per cent in membership. This Chapter has the honor of winning the Annual Flag Award. The beautiful flag being awarded this year is the gift of Eunice Sterling Chapter of Wichita, which also gave the Kansas Society the one formerly used as the Award Flag; this one has now been placed at Shawnee Mission.

It is with great pleasure that I am able to report the completion of our State card index file. Twenty-one of our forty-eight Chapters appear in the file with complete data on every present and former member from the date of their Chapter's organization. The remainder are complete from It has required a great deal of time, work, and con-1931.tinuous correspondence to prepare the four thousand-six cards which are now filed. Without the cooperation of each Chapter registrar it would have been impossible to install our State card file. I am most happy to be able to report that during my term of office as State Registrar every Chapter registrar not only has sent in her yearly report but also has never failed to respond to the numerous requests she has received. This year the Mary Wade Strother Chapter of Salina and the Jane Dean Coffey Chapter of Coffeyville are installing the card file system, and I trust others will install this system during the present year.

Every Chapter registrar was notified of the Registrar General's request regarding the Consent Plan and was asked to present this request to her Chapter. I am unable to report the exact number of members in Kansas who responded to this request, but I have received notice of over one thousand eighty-two consents being granted, though not all have been reported to the National Society.

More than two hundred fifty letters and five hundred post cards have been written in carrying on the work during the year. This year in addition to the work on our state file card a list of one hundred twenty names of deceased Kansas members, with the date of their death, was prepared for the State Historian. This information was obtained from the file to assist the State Historian in preserving the records of our former members. A mailing list of more than two thousand names and addresses of Kansas members was prepared for Mrs. Rex, State Regent, to be used in addressing the State Bulletins.

In October a list of names and addresses of all members in the thirty-two Kansas Chapters, who had not reported to the Organizing Secretary General their present membership roll, was prepared and sent to the National Society.

I have answered all letters promptly and responded, to the best of my ability, to all requests received asking for assistance in obtaining ancestral data to prove eligibility in the Daughters of the American Revolution. I am happy to say that I was able to obtain sufficient proof to verify eleven of the ancestral lines accepted this year. I am indeed sorry I was not able to obtain proof of eligibility for all requesting assistance.

I deeply appreciate the many lovely courtesies I have received as the guest of several of our Chapters, and was especially delighted in being asked to attend the organizing meeting of our two new Chapters, Randolph Loving and Jane Dean Coffey. To the Chapter Regents and Registrars, and to all members of the Kansas Society, I desire to express my grateful thanks for your splendid cooperation, helpful letters and words of encouragement which have made the work a joy rather than a task. If I had no other pleasure or reward than that found in our associations together, I would be amply repaid for any service I have given. So again I want to tell you it has been a pleasure to serve you as Registrar.

> Respectfully submitted, RUTH NORRIS BERGER, (Mrs. A. J. Berger) Registrar Kansas D. A. R.

Respectfully Submitted,

MARION SEELYE,

AUDITOR

Madam State Regent, National Officers, and Kansas Daughters:

The books of Miss Marion Seelye, our State Treasurer, and report of the Certified Accountants have been examined for the past year and found correct.

Respectfully submitted,

MRS. CHARLES FRANCIS ADAMS, State Auditor

CHAPLAIN

The Chaplain's report is more in the nature of a greeting than a real report, for her duties (except in the case of advice given on religious procedure, a service which she welcomes), during the year between the state meetings, are very light and even the social intercourse with her fellow officers has been limited by arduous duties in the school room.

The inspired word tells us that "to be carnally minded is death". This is true not only of individuals but of organizations like our own as well. My prayer for our various chapters and state organizations is that they may prize more the things that are eternal, that they may look up to the God of Nations and seek earnestly a closer walk with Him. May we have the spirit of our Master who looked lovingly on "the least of the lost" and brought them back into the fold, making them fit for the Kingdom of God. May we love and cherish the least of these, His brethren.

May the Chapter of Sorrow, that brings deep anguish to

the hearts of those who have lost their loved ones, be a means of comfort and blessed memory, and cause us to resolve to carry on for the sake of our beloved dead.

> "There is no death. The stars go down To rise upon some fairer shore And bright in Heaven's jeweled crown They shine forevermore— And near to us, though unseen, The dear immortal spirits tread For all the boundless universe Is LIFE; there are no dead."

١

May we have the abundant life that becomes broader and deeper as the years go on.

KATE B. MILES, State Chaplain

STATE LIBRARIAN

and

N. S. D. A. R. LIBRARY COMMITTEE

Each regent shall have the pleasure again this year of being first to report the work her chapter had done for the national and state D. A. R. libraries. My report at this time shall be the summary of all the work that has been reported to me.

We know that much interesting work has been done that has failed to reach my attention and there are plans which shall eventually be completed that are of much importance.

The librarian has reached each chapter through all bulletins and through personal letters and has found ready response in nearly every chapter. It is interesting to note the unusual concern taken by several chapters to organize libraries in their own chapters. Some have added shelves for genealogy and history in their city libraries and a few have been fortunate enough to have a private reading room in the city library where the books of the chapter can be kept and in several cases members have placed their privately owned books on these shelves for a time to be used by the public.

All reports that came to me indicate that people in all

parts of Kansas are becoming more and more interested in family lineage and are realizing as never before the value of genealogy and family history.

Considering the small amount of money invested in the State D. A. R. Library, it has grown with rapid jumps. Some of the items are unusually valuable We do not have items for every state but in adding to the collection we have tried to be guided in our purchases by the requests. It is to be regretted that each and every D. A. R. in Kansas has not had the privilege of visiting the library. Just what you may need may be in the collection. Try to make it a point to visit it sometime. We have callers from many different chapters. Some come and then come again and regret that the days are so short.

It has been the pleasure of the librarian to assist several in finding valuable data and a source of regret when they have been turned away on account of failure to locate data in our limited collection.

We appreciate the many invitations to be present at chapter meetings, district conferences and dedications and we're glad we were privileged to attend.

The following items have been added this year: Twenty year books; one well made scrap book of newspaper clippings; many newspaper clippings (loose); several wellmade county marriage records; a number of loose pages of manuscript; some manuscript in loose leaf note book files; one lineage book of the National Society D. A. R.; several books on history and genealogy; many valuable magazines; a large number of Bible and cemetery records; and some gifts of cash which are always appreciated.

I wish that all of us could realize how much prestige it gives the Kansas D. A. R. to have a collection of books that can be helpful to all members and prospective members merely for the asking.

Kansas was second to have a library like this. Several other states have seen the advantage of a traveling library and now many states and chapters have their own libraries.

I appreciate your cooperation and sincerely hope that you may learn more of the value of the library and from your knowledge of it you may be greatly benefited.

> Respectfully submitted, MARY TWYMAN KLAYDER (Mrs. Paul August Klayder) Kansas State Librarian, N. S. D. A. R.

STATE REPORTER AND CHAIRMAN OF PRESS RELATIONS

It is a pleasure to report the activities of our committee on Press Relations, which include my duties as State Reporter. This is my third year as chairman of Press Relations, and my fifth year in the work which has been very interesting. I regret having to give it up, because of my inability in the future to attend state conferences.

An increasing number of chapter chairmen of press relations have been doing their part in getting the news of our society before the public. It is only by the cooperation of each one of our forty-eight chapter chairmen that we can hope to reach our goal, that of dignified publicity which will best promote the aims and accomplishments of our organization.

Early in the fall, letters were written to each chairman in the state, telling her of her responsibility and duties, and urging that along with writing of our social activities we not let the public lose sight of the fundamental purpose for which the D. A. R. exists, promoting constructive patriotism.

Some of the duties of my committee have been the compiling of the news of Continental Congress from a week's issues of Washington, D. C., papers, and condensing it for reprinting in Kansas newspapers, writing special articles on our state conferences and on work of our various committees, and of our interesting radio broadcasts announced ahead of time. Other articles told of ceremonies in connection with markers placed, articles written by state chairmen of national committees about their work, an illustrated story of Old Shawnee Mission which appears in the current issue of the D. A. R. Magazine, an article for the magazine about our state conference at Ottawa, and about the Good Citizenship Pilgrimage. Our two cents per capita from Kansas to National for publicity amounts this year to \$40.00.

Publicity on the whole has been good, but there is sometimes a bit of disappointment when an article on which I have spent much time and thought is cut short or omitted altogether because space in the newspaper is limited. It is very important that news be printed while it is fresh. We appreciate the respectful consideration the press has given us. The various district conferences were also written up for the press, and the travels of our state regent and other state officers.

Approximately 150 letters were written during the year, fifty-eight newspapers were contacted and approximately 137 columns of news were printed in this state about the D. A. R.

Due to my absence from the state for three months last summer I was not able to print the extra amount of special articles I did the summer previous. While attending the International Exposition at San Diego I had the privilege of visiting the D. A. R. building and extended greetings from the Kansas Daughters to the California Daughters.

Cuts were made of five of the state officers, and these were printed with special articles at conference time, not only in Ottawa, but Kansas City, Arkansas City, Emporia, Salina, Dodge City, Wichita and Topeka. I had planned to have pictures of all the state officers but the newspapers said five was enough.

A large scrap book has been kept with complete clippings of D. A. R. activities arranged according to chapters. There are special pages for state-wide news printed in Wichita and Topeka papers which carry Sunday editions. I should be pleased to have anyone examine this scrap book at any time. Each chapter chairman sends me clippings in duplicate on the first of each month, one of which is kept in the scrap book and the other is sent with a monthly report to the Divisional Vice-chairman of Publicity in Lincoln, Nebraska.

Chapters on this year's Honor Roll, who have responded 100% with publicity are:

Abilene Arkansas City (Betty Bonney) Baxter Springs	Manhattan (Polly Ogden) Mankato (Desire Toby Sears) Neodesha
Clay Center (Nathan Edson)	Newton
Concordia	Olathe
Dodge City	Ottawa (General Edward Hand)
Eldorado (Suzannah French	Parsons (Hannah Jameson))
Putney)	Phillipsburg (Phebe Dustin)
Emporia	Pittsburg
Fredonia (Rhoda Carver	Salina (Mary Wade Strother)
Barton)	Sterling
Fort Scott (Molly Foster Berry)	Topeka
Humboldt (Frederick Funston)	Wellington
Hutchinson (Uvedale)	Wichita (Eunice Sterling)
Larned (Fort Larned)	Winfield

A few of our chapters in spite of numerous appeals for cooperation have sent me no news of what they are doing in their locality. These are: Chanute, Columbus, Holton, Leavenworth and Smith Center.

Chapters showing marked improvement in the past year are Anthony, Isabella Weldin at Augusta, Council Oak at Council Grove, Arthur Barrett at Frankfort, Esther Lowery at Independence, Hannah Jameson at Parsons and Oceanic Hopkins at Pittsburg.

The following fifteen chapters I wish to especially commend as having responded 100% for three consecutive years: Betty Bonney at Arkansas City, Atchison, Baxter Springs, Concordia, Dodge City, Susannah French Putney at El Dorado, Emporia, Uvedale at Hutchinson, Desire Toby Sears at Mankato, Neodesha, Newton, Mary Wade Strother at Salina, Eunice Sterling at Wichita, Topeka and Winfield.

Respectfully submitted,

BESS M. ELDEN (Mrs. John F.) State Reporter

Reports of Committee Chairmen

AMERICANISM

From a decidedly foreign atmosphere, I am sending to you in Kansas, this report on Americanism. Santa Fe, New Mexico, is very much more foreign than American. Because I had to leave the state of Kansas in December my reports were not sent out as I had planned, so this report has been gleaned elsewhere. I am very sorry but it was unavoidable.

Report of Year 1935-1936

Atchison—Book reviews of patriotic books were used in the programs. Two used were: "Guarding the Declaration of Independence" and "The Lady and the Lamp."

Betty Washington—An outstanding piece of work was done by this chapter through the untiring efforts of the local chairman, Mrs. Fred Morris. Eighteen families, (eighty-four persons), Mexican laborers, were given help in the following ways: food, medicine, assisted at three births and at two burials, school supplies, four Junior High pupils were helped, one eye operation, one case of pneumonia, presented phonograph for their use, secured three border passes, helped in Christmas party with gifts and candy; total cash expended, \$35.00.

CHILDREN OF THE AMERICAN REVOLUTION

There have been four Societies of Children of the American Revolution in Kansas. They were: Captain John Elden Society, Arkansas City; Captain Mathew Grant Society, Wichita; John Bicknell Society, Phillipsburg; William Rittenhouse Society, El Dorado. The William Rittenhouse Society is the only Society in good standing in the State at the present time. It has 43 members. During the last year one member has transferred to the D. A. R. and we are expecting three or four to transfer this year. The Society has made contributions to the Needlework Guild, the Lincoln Memorial, Tamassee, and the Harriet M. Lanthrop Memorial Fund.

Our Society is divided into two groups, those under 12 years of age and those over 12 years. The older group meets for a dinner each month at the home of one of the members. A business meeting and program is held. Mrs. R. C. Woodward gave a dance at the ElDorado Country Club during the Christmas holidays in honor of the C. A. R. members and their guests. There were about 80 guests. The Society has collected a number of cemetery records in the county and presented them to the State Historical Society, and the State and National D. A. R. Library. This work is to be continued.

It is the hope of the State Director to install a number of new Societies in the State this year. It is necessary to have a D. A. R. member appointed as an Organizing President and in order to start a Society there must be at least six members. The initiation fee is \$2.00 and the dues \$1.00 each year after the initiation fee is paid.

Last year the National Society admitted thirty-nine new Societies and one thousand, two hundred and forty new members were added. The National project for the coming two years is to raise \$25,000 for a building fund.

Miss Susanne Long of ElDorado and a member of the William Rittenhouse Society, C. A. R., represented the Chapter at the Forty-first Annual Convention held in the auditorium of the national Red Cross Building, Washington, D. C., in April, 1936.

It is the hope of the State Director that D. A. R. Chapters will sponsor the organization of C. A. R. Chapters. Unless the D. A. R. is willing to sponsor our Societies, we can not grow within the State. I feel that a younger group of members can be secured for the D. A. R. if they will only sponsor our Societies. As a D. A. R. I believe that we could take more interest in the C. A. R. and that we would be repaid within a few years by the addition of new members into the D. A. R. that would not have been members but for their association through the Societies of the C. A. R.

Respectfully submitted,

MRS. R. C. WOODWARD,

State Director C. A. R. for Kansas

CORRECT USE OF THE FLAG

Madam State Regent and Members of the Thirty-eighth Annual State Conference:

Reports from Chapter Chairmen on Correct Use of the Flag are very encouraging indicating that the members of our organization as well as citizens generally are showing more interest in using the Flag correctly.

Flags and Flag Codes have been presented to new citizens, members of the D. A. R. and others. Many codes were purchased last year and some of these are still being distributed where needed. Henry Dawson Chapter presented a large Flag to a new grade school building and also gave a framed Flag Code which hangs in the man building of this building. Ottawa Chapter will soon present a Flag to the Mexican Mission of Ottawa. This Chapter has helped to make Ottawa Flag conscious and very patriotic in the use of the Flag.

Through our Chairman of Correct Use of the Flag, patriotic programs have been provided for Chapter meetings, schools and public meetings. James Ross Chapter sponsored a program—The History of the American Flag which was presented by a group of high school girls and boys who gave the history and displayed the Flags of the different periods from 1607 to 1936. Betty Bonney Chapter had a patriotic window display January 29, using United States and Kansas Flags. History of the State and County was emphasized. Relics from homes of early Kansas pioneers were also exhibited at this time.

Memorizing the National Anthem—The Star Spangled Banner—was a National project this year. The reports show that the majority of our members know the first verse. Few have memorized all of the anthem.

Publicity on Correct Use of the Flag in local newspapers has been stressed by many of the Chapters.

All Chapters will celebrate Flag Day with appropriate patriotic programs. In several instances two or three Chapters will unite in this celebration.

The usual forty-seven letters of information, forty-seven Flag Lessons, and forty-seven questionnaires were sent out by your State Chairman.

The work of this committee is a constant presentation of information relative to the Correct Use of the Flag. It has been a pleasure to work with the Chapter Chairmen of this Committee and I sincerely thank them for their hearty cooperation.

Respectfully submitted,

STELLA R. McCAMISH, (Mrs. W. H.) State Chairman Correct Use of the Flag.

May I read, at this time, a poem entitled "Our Flag," written by a member of Wichita Chapter, Mrs. Thomas B. Griffith:

OUR FLAG

Lift that banner higher; Release it in the sun. Emblem of men's freedom. Triumphant victory won. Higher still and higher Raise those colors true Until her Stars are blended On a field of blue. See her stripes are streamir Across the plain. In peace or war unfurl'd That liberty shall reign! Her ideals still are living, In you they only die; When you forsake her freedom And unjust methods try. Then lift her vibrant vision Above the clamoring throng That your children and their children Shall see her glory long! Shall see her ideals rising In rebirth as begun Till every heart shall love them-Till God and man are one!

D. A. R. MAGAZINE.

Madam Regent, National Officers, State Officers and Daughters:

The report of the Magazine Committee differs from

many of those brought to you each year since it does not present a National Project planned to help those outside the membership. The publication of any organization, to exert its greatest influence, must reach the members of that organization; it must carry the information they desire: it must be the means of exchanging ideas on matters of common interest. The D. A. R. Magazine is the official publication of our society. Its material is outstanding in historical and genealogical research. It voices opinions on affairs of national importance and citizenship and should keep its members informed on the activities of State and Chapter groups as well as the plans of National Committees and Officers. A member acquainted with the activities of her Society is a better contributor toward its achievements. As the representative of the Magazine in Kansas, the Committee has earnestly tried to impress Kansas Daughters with the importance of keeping in touch with National Society affairs through the pages of the D. A. R. Magazine. Each year we feel that interest is growing and that you members who are faithful readers of the Magazine appreciate its worth. Each issue proves it to be a publication of which we may truly be proud.

From an article in the November, 1935, issue, a summary by States, shows that of six Central States, namely, Missouri, Colorado, Kansas, Nebraska, Iowa and Oklahoma, Kansas ranks highest with a rating of 6.28% Magazine subscribers. There are fifteen states with a larger subscription list than Kansas, but only three of these have a greater percentage, which means that we rank fourth in the United States.

Sixteen chapters did not reply to my fall letter or to my request for a report of the year's work so that the following summary covers the reports received from only thirty Chapters. Topeka leads all Chapters with the greatest number of subscriptions, reporting thirteen. Peleg Gorton is again credited with the highest percentage, a total membership of thirty-four and ten subscribers to our Magazine. Frederick Funston is second with five subscriptions and a membership of twenty-one.

An increase over last year's report is shown by James Ross which deserves special mention for doubling its number of subscriptions. Uvedale, Oceanic Hopkins, Courtney-Spalding and Newton.

The following Chapters held their own, reporting the

same number of subscriptions as last year: Abilene, Atchison, Isabella Weldin, Concordia, Susannah French Putney, Frederick Funston, Wichita and Emporia.

The National Society credits us with 145 subscribers but my total is 129—the difference being made up no doubt by subscriptions taken in those Chapters not reporting to me, and members-at-large who do not subscribe through a Chapter.

Respectfully submitted,

JULIA B. ECKELMAN (Mrs. C. F.)

State Magazine Chairman.

ELLIS ISLAND

To the State Regent, Distinguished Guests, and Daughters of the American Revolution of Kansas. I beg to submit the following report:

The work of Ellis Island has been more interesting to me this year than the past, even though my own State of Kansas has fallen short of last year's report by only two chapters, several donating this year that didn't last year, and others who reported last didn't include their budgets this year. I first want to thank the Chapter Chairmen for their splendid cooperation and response, also to apologize or to explain to the Chairmen and Chapters the reason for the last card or questionnaire, which I sent out, which was done by request from our National Chairman. I felt it was a mistake, as the questions were more appropriate for a State Chairman to answer to the National Chairman of the Western Division, but I feel it has created quite a lot of interest and response, otherwise might not have been cre-Each Chairman having the letter sent in October ated. had the outline for the year, but most of these cards returned to me, saying they felt it a mistake. I appreciate the year books that were sent to me by the Chapters.

FILING AND LENDING HISTORICAL PAPERS

Madam State Regent, Officers, and Daughters of the American Revolution:

As Chairman of the State Filing and Lending Bureau, I wish to make the following report:

There has been a form letter sent to thirty-two of the forty-eight Chapters in the state, also several personal letters in regard to the year's work.

The State Chairman has received correspondence from twenty-one Chapters containing information about their appointment of a Filing and Lending Chairman. Fourteen Chapters have sent books to the State Chairman.

Two Chapters have sent year books to the State Chairman.

Two Chapters have asked for papers from the Filing and Lending Bureau. Four papers have been submitted to the State Chairman for approval for the National Bureaus. Two of these have been approved and have been forwarded to the National Chairman.

Since I have filled a vacancy in an unexpired term I feel that there has not been as much accomplished as there would have been had I been more familiar with the work.

I wish to thank the Chapter Regents and Chairmen for their cooperation in all I have attempted to do, and sincerely hope the coming year will be the best ever.

Respectfully submitted,

MRS. BERTHA RIGGS,

Chairman.

NATIONAL DEFENSE THROUGH PATRIOTIC

۰.

EDUCATION AND GOOD CITIZENSHIP PILGRIMAGE

Madam State Regent, national officers, state officers and members of the 38th annual state conference:

It is gratifying to report that National Defense through Patriotic Education for our D. A. R. in Kansas has shown a marked increase in the past year.

Chapters that in former years have failed to respond to letters and requests have either written about National Defense or have inquired into the Good Citizenship Pilgrimage.

The people of Kansas are doing more thinking along the line of National Defense, legislation and the Constitution than ever before. I have placed 20,000 (twenty thousand) Constitution leaflets in the hands of the high school children of Kansas. I wrote to the high school superintendents of Kansas offering the Constitution leaflets and seventy schools answered and asked for them.

One-third of the Kansas Chapters have written to Washington, D. C., regarding the bills before Congress. It is well at this time to sound a warning to defeat the Kerr bill that is coming up for a vote in Congress at any time. It is in effect a surrender by Congress of its control over immigration—giving administration agency virtual power to suspend laws. Write your senators at once to vote against the Kerr bill.

It has been suggested that we urge and help teachers to join the D. A. R. It would be more effective than forcing the teachers' oath bill.

There are 1,500,000 foreigners on relief in our country. There are 6,000,000 aleins deriving their livelihood from jobs Americans should hold. The Dies bill and proposal would stop all new seed immigration. It would deport criminals of which 90 per cent are foreign born. Please write to your senators and urge them to support the Dies bill to help cure the alien menace to America.

I gave a broadcast on the Constitution September 17 on the S. A. R. program over WIBW. Then gave the same address at Shawnee Mission the following day. Gave 22 National Defense talks to different organizations.

I have written three circular letters and four circular post cards to all Chapters. Sent National Defense material to seventeen chapters. I answered every communication that I received. Placed National Defense News in the hands of three organizations. Made a Kansas Day talk to Business and Professional Women and furnished them with topics for their legislation programs. I gave flag to Girl Scout troop. I organized four chapters of Sons and Daughters of the U. S. A .--- "Pendleton", "Trail Blazers", "Rex", and a Mexican chapter, "Coronado Explorers". Out of this I organized a Mexican Boy Scout troop that is active and is now sponsored by the Veterans of Foreign Wars. The girls, I instruct every Friday afternoon in the county rooms in sewing and have a citizenship program for them. They are organized-calling themselves "Coronado's Daughters".

I have written three National Defense articles for the newspapers and read extensively much literature on the subject.

Kansas contributions to National Defense are state \$200.00 and \$100.00 to G. C. P.; Peleg Gorton, \$3.00 to N. D.; Emporia, \$4.05 to G. C. P. Kansas contributions to Kansas Good Citizenship Pilgrimage—state, \$100.00, five cents per capita tax; Emporia, \$4.05.

PRESERVATION OF HISTORICAL SPOTS,

INCLUDING OLD TRAILS

I have sent a typewritten letter with instructions in regard to the work of this committee to each Chapter in the state addressing them to the local chairmen whose names have been given me, otherwise I sent the instructions to the Regents asking them to please see that the chairman received them.

Our committee work, as outlined by our National Chairman, includes the locating and marking of all historic spots of interest, and all Old Trails in your community. I shall not mention the subjects separately as they were all outlined in the circular letter that I sent out in September. Parsons, Hannah Jameson Chapter:

Mrs. Clara Caughlan, Chairman, sends the following splendid report of Labette County: "The U. S. Highway No. 59 enters Kansas south of Chetopa and passes through Labette County, leaving the state at Atchison, Kansas. The road is weather surfaced across the state with the exception of a few miles in the southern part. Chetopa, the first town on the road in Kansas, was named for an Osage Indian war chief living there. The site was located by Dr. George Lisle in 1857. During the Civil War the United States Troops burned about forty houses in the town to keep the Confederates from taking them. A permanent settlement was not made until after the War.

Oswego, the county seat of Labette County, is a few miles north of Chetopa. Oswego was established as a trading post in the early '40s by John Mathes. There were no other white people living there until 1865 and Oswego was called White Hairs village for an Indian living near. In 1865 white settlers moved into the town and changed the name to "Little Town." Later it was changed to Oswego. The present site of Oswego was formerly used by the Indians as a burying ground. They placed their dead in a sitting position on top of the ground and placed stones around them.

From Oswego the highway goes to Altamont, a thriving mining town where the County High School is located, then north to Parsons, which was established in 1871 and which is one of the outstanding towns of Kansas.

The Reverend Charles Van Quickenbone performed the first Christian marriage ceremony in 1828 in Labette County.

Oil and gas were first discovered in 1885 at Osage Mission.

One of the first settlers of this county was Daniel Morgan Boone, son of the famous Kentucky pioneer. His child, born August 22, 1828, was probably the first white child born in Kansas.

The Parsons chairman has enclosed a copy of the first newspaper published in Kansas in 1835, 'The Shawnee Sun," in Indian language; also a clipping in regard to the locating of the county seat in Labette County. I will give these clippings to the State Historian.

Ottawa, General Edward Hand Chapter:

Mrs. Mary Hamilton Jenks, Chairman, has given a most interesting report of the work of her committee.

At the last State conference which was held in Ottawa, the members of the General Edward Hand Chapter acted on several committees and took an active part in the services connected with the dedication of the marker placed in memory of Genevieve Lingard Pendleton, our beloved State Regent. The marker was placed by the D. A. R. at her grave in Highland Park Cemetery, at Ottawa. The Chapter placed a marker at the grave of their real son in Highland Park, the Reverend Albert Jesse Hayden. They have also placed a tablet on the grave of their real daughter, Mrs. Theresa Jane Emmons Hoyt, in the cemetery at Lebo, Kansas. This Chapter has also placed a D. A. R. tablet on the grave of Elizabeth Stearns Morse, in the Ottawa Indian Burying Ground. She came in the early forties to help with missionary work among the Ottawa Indians. She accompanied a friend who later became the wife of the Rev. John T. Jones who acted as an interpreter for the Mission. He was also known as Ottawa Jones and Tauy Jones. He was a missionary and belonged to the Ojibway tribe. He was educated at Colgate College, N. Y. They have also placed a tablet on the gateway to the Ottawa Indian Burving Ground, which is located some distance from the road. In 1917. the General Edward Hand Chapter purchased a driveway from the main road to the cemetery and erected the Gateway with sandstone pillars on either side. They are hoping to place a road sign on the Highway pointing to the Cemetery. The Chapter also has made a map of Franklin county upon which they will mark the spots of historical interest.

Wichita, Wichita Chapter:

Mrs. Eleanor Johnson Walker, Chairman, has submitted the following report:

Our Chapter has located the site of the first school house in Sedgewick County which was located at 12th and Some school teachers have placed a marker on Jackson. The first teacher was William Flinn. the spot. Mr. James R. Mead arrived in Wichita in 1859. He visited the Wichita Indians in 1863. Their village was built west and south of what is known as Murdock bridge. At the request of Mr. Jesse Chisholm, Mr. Mead established a temporary Trading Post at the Wichita Village, south of what is now known as 21st Street on high sandhills under beautiful Elm and Ash trees. One of the first moves of Mr. Chisholm was to lay out a trail from the mouth of the Little River to the Mead ranch at Towanda, Kansas, where the largest Trading Post was located and where all outfitting was done for the wagon trails and cattle men. The Temporary Post and the Old Chisholm Trail are not marked. These two historic spots would give the D. A. R. of Wichita Chapter a fine opportunity for some more splendid work. The Temporary Post was built one and one-half miles west of Lawrence Avenue and Broadway on 21st Street. The City of Wichita presented the Island, now called Mead Island, to Fern Mead Jordan, widow of Mr. Mead, in memory of her husband. The money was raised by popular subscription to bring the Wichita Indians from the Reservation in Anadarko. Oklahoma, that they might erect a typical Grass Lodge near Wichita. The Indians brought all the materials from Anadarko. When the lodge was completed they dedicated it to Mr. Mead's memory. The Lodge is still standing. The Wichita Chapter has been interested in this Island and has given funds to help pay the expenses. The Chapter has also located two old mill sites and the first house built in Augusta.

McPherson, Henry Dawson Chapter:

Mrs. Alice L. Hall, Chairman, reports their chapter has replaced the Washington tree, which died last summer, by putting an oak tree in the new park and will remove the marker and place it on the new tree. Many interesting programs were given by the chapter which included:

Indian Legends

Early American Homes Early American Furniture Historic Buildings and Places Famous Trails Early American Arts Silver and Silversmiths Pewter and Glassware China of Grandmother's Day Early American Literature History of American Schools Pittsburg, Oceanic Hopkins Chapter:

Mrs. O. P. Dillinger, Chairman of this committee, sends the following report:

The Chapter dedicated the marker June 20, 1935, on Highway No. 57 at Kniveton, commemorating the old historic Military Highway. This road extended south to Fort Gibson, Okla., Mrs. Loren E. Rex, our State Regent, made the Dedicatory Address. Mr. F. W. Brinkerhoff, chairman of a committee for marking historic spots for the state of Kansas, received the marker for the state. Four state officers were present: Mrs. Rex, Miss Morse, Mrs. Ryan and Mrs. Klayder. The cost of this marker was \$89.27. The granite stone was presented to the Chapter by the city. The several members of the Chapter visited the Old Cemetery at Trading Post and copied one hundred and one inscriptions. The grass was high and the cemetery neglected. This visit by our members was an inspiration to the residents and shortly after they cut the grass and raised many of the fallen stones. Later the people of Trading Post sent forty-one inscriptions from Boiscourt Cemetery and the Chapter also received fifty-seven from the German Lutheran Cemetery at Pittsburg. The city of Pittsburg has given the chapter several pieces of granite from the old Post Office, which they will use to mark other sites which include an old well at Mulberry on the old Military Road used in covered wagon days. The old Stevens Inn, a Post Office and Stage stop on the Military Road and the site of the first school house in Pittsburg. The following talks on Early American Churches, Colonial Music, and the Charms of Old Blue China were given by the Chapter members. Wellington, Wellington Chapter:

Miss Elizabeth Henry, Chairman, reports that they are still working on the Chisholm Trail but have not been able to complete their data and are also looking up some other roads and trails. They have collected data for a Historical Map and will place the location of several towns, that have disappeared, on it. Also found the site of an Indian Camp in this county. The graves of a Real Daughter and a Grandson of the Revolution have been located and they will mark these graves soon.

Newton, Newton Chapter:

Reports that all Historic Spots and Trails in their vicinity have been marked.

Abilene, Abilene Chapter:

Miss Seelye, Chairman, reports that as soon as the weather permits this chapter will re-paint the temporary markers placed in 1931.

Mankato, Desire Toby Sears Chapter:

I consider Mrs. Wiggins' report one of the most interesting reports that I have received and will copy it in full. Mrs. Wiggins has shown the real D. A. R. spirit.

Otego, Kansas, Jan. 18, 1936. My Dear Mrs. VanTuyl:

Having no car, no time, and not much strength, my report will be rather brief. I did visit a Mr. W. R. Collins, ten miles southwest of Esbon, Kansas, and listened to his interesting tales of early days in Jewell county. Born in Ireland, Mr. Collins, aged ten, came to America. His father fought in the Union Army, killed at Peach Tree Creek, Atlanta, Georgia. W. R. Collins, after joining some buffalo hunters at Julesburg, Colo., came to Jewell County and took a claim. This was around 1877. He filed his papers in Mankato, then called Jewell Center. The Land Office was in Kirwin. In 1877 Mr. Collins drove the stage from Fairbury to Old Paine Home (house) six miles east of Belle-A coach ran from Hanover to Scandia. The real ville. stage route was from Cawker to Red Cloud, no roads worth speaking of, no bridges over the streams, but they went nevertheless. Mr. Whitney started from the Whitney House, Cawker City-first stop the old stage station in Odessa Township, Jewell County, about one and one-half miles from Mr. Collins' present home. Ivaton, name of

first post office in Esbon township. Jewell County. The post office was in a dugout and Mr. Hubbard the postmaster. The now defunct town of Salem was the next stop -Smith, postmaster, prominent man of Salem. Lou Mick had the store and John Ware was his clerk. Hy Browning ran the saw mill. Mark Potter was the big man of that county. Mr. North, a big cattle man, came into the county with Mr. Collins, settled in Athena township. Eating dinner at the Crawford Hotel in Salem, Mr. Collins left about one p. m. Next post office Highland, Liggett postmaster, and at supper time Red Cloud was reached. The stage drivers had good horses and good board and \$20.00 per month. All night at Red Cloud and back to Cawker City next day. His employers were the Kansas-Nebraska Stage Co., Beatrice, Nebr., who had contracts all over the state. At one time Mr. Collins drove from Minneapolis, Kansas, to Smith Center, 110 miles. Dinner at Beloit. Bad roads, got stuck in salt marshes, on to Walnut Grove, southeast of Cawker. from there to Smith Center and back 40 miles. No such thing as roads. Left Cawker in the morning and went to Rotterdam at the junction of the four counties and from there to Smith Center. Rotterdam post office in a dugout on the west side of Oak Street. A post office on Twelve Mile creek and you went from there to Crystal Plains and from there to Smith Center. I wanted to ask Mr. Collins if he knew of J. R. Burrow when the latter drove a stage in this region but my time was gone. If one of the Daughters could talk to Mr. Collins about the old taverns, etc., Salem as it was years ago, and take notes in shorthand, I'm sure one could learn much. At my age and with the work I must attend to, I cannot undertake more.

Very sincerely yours,

ELIZA JOHNSON WIGGINS.

Anthony, Martha Vail Chapter:

Their programs included Army Forts and their locations, Colonial Gardens, the Surrender of Yorktown, and the story of Hannah Dustin by a direct descendant.

Phillipsburg, Phebe Dustin Chapter:

Included in their programs the following:

Women in the Making of America

Romance of Early American Glass

Facts Regarding Our Revolutionary Ancestors The Evolution of the Home since the Revolution

Essay on One Kansas Historical Event

Leavenworth, Captain Jesse Leavenworth Chapter:

Miss Laura Tarr, Chairman, reports:

Our Chapter will co-operate with a committee composed of Officers from Fort Leavenworth, several prominent men from the city and the Chamber of Commerce, assisted by Patriotic Organizations, who are trying to purchase the ground on which the home of "Buffalo Bill" (William The intention is to make a park of this Cody) stands. ground, restore the house and place a large monument with a bronze figure of "Buffalo Bill" at this place which is located on Highway 73 East, three miles west of Leavenworth in Salt Creek Valley. The old Planters Hotel, built in 1855. is one of our prominent landmarks. It was erected on the northeast corner of Main street. It is built of brick, is four stories high, and contains 125 rooms. It was the largest hotel west of the Mississippi at that time. Mr. Mc-Carty and Mr. McMeekin were the first proprietors. The requirements of the stocks that were sold for the building of the hotel designated that it was to be owned by Southern men and conducted on exclusive Southern principles. It proved to be a popular resort and headquarters for the pro-slavery party in the Territory and also for those coming from the south. In 1857 the Planters House was sold to Len T. Smith and Colonel Jep Rice. They were from the north and entertained all comers. The presence of two classes of guests gave rise to an unique manner of conducting a bar. The bar room and billiard room were in the basement, and two kinds of political bartenders were on duty day and night. Many notable men were entertained at the Planters House, among them being Abraham Lincoln. Stephen A. Douglass, Horace Greeley, General Sherman and Henry Ward Beecher. The steamboats that came up the Mississippi and Missouri rivers stopped at the leveee which was back of the hotel. The Robert E. Lee came from New Orleans and often stopped at Leavenworth. This was the finest river steamboat afloat.

Respectfully submitted,

EFFIE HIATT VAN TUYL,

State Chairman.

RADIO

Madam Regent, Officers and Members of the Daughters of the American Revolution:

We did not attempt to have a broadcast each month this year as we thought it best not to be "On the Air" too often. We opened our Radio program with a broadcast on "The Constitution" September seventeenth, Constitution Day, by Mrs. John Reese, Jr., over WIBW.

The October program was given by Mrs. H. L. Lull, State Chairman of Approved Schools, on "The Approved Schools of D. A. R." Mrs. Lull spoke over WIBW.

Over KFH, in November, Mrs. J. W. Kirkpatrick spoke on "Our National Security for the Future." Again in January over KFH, Mrs. Kirkpatrick spoke on "National Defense Thru Patriotic Education for Good Citizenship."

All of the broadcasts were well given and very interesting. I regret that some of the stations are not powerful enough to reach to the four corners of the state. We are very fortunate in this state to have a number of good Radio speakers. I surely appreciate their cooperation.

I wish to call attention to the Radio Stations. They have been so generous and courteous to us, which means everything in this work. I urge each member to express her appreciation to the station after each broadcast.

Respectfully submitted,

GERTRUDE GILMORE, State Radio Chairman.

REPORT OF SHAWNEE MISSION COMMITTEE

A gift received at the State Conference at Ottawa was a crib quilt of silk and wool pieces in the "Log Cabin" pattern, made about 1840, presented by Mrs. Lewis F. Meyers, local chairman of Shawnee Mission in the Dodge City Chapter. It has been placed as a wall hanging at Shawnee Mission.

Also received at Conference was a picture of Miss Grace Meeker of Ottawa, who completed the term of Miss Ruth Johns of Leavenworth after her resignation on account of ill health in 1909.

At a meeting of the State Board at Ottawa, a petty cash fund of \$25.00 was given to the Shawnee Mission Committee. This has proved a great convenience both to the committee and to the state treasurer.

The largest item of expenditure was for the antique marble-topped mahogany table purchased to hold the silver coffee service. The remainder of this fund was expended as follows:

A box received in October, 1935, from Mrs. Nellie Fonda Clapp, member of Betty Bonney Chapter, contained a piece of linen made in the home of John Fonda, soldier of the American Revolution, born in 1739, died 1814; a handmade silver teaspoon which belonged to Anjelica Hanson Fonda, his wife; and a large, solid silver hand-made tablespoon, which belonged to their son, Giles Fonda, born 1789, died 1852. John Fonda was Mrs. Clapp's great grandfather. Anjelica Fonda's grave at Carthage, Ill., bears a tablet showing she was a real daughter.

More than 300 Kansas Daughters of the American Revolution journeyed to Old Shawnee Mission September 18 on their third annual pilgrimage to this historic landmark near Kansas City. This pilgrimage is sponsored each year by the Olathe Chapter. The occasion was the dedication of the D. A. R. Rooms in the Mission, which are being fitted up in keeping with pioneer days. A beautiful sterling silver colonial coffee service was presented on behalf of the Kansas Daughters in memory of the late Mrs. E. P. Pendleton, State Regent for Kansas until her death in November, 1934. The presentation speech was made by Mrs. John Warren Kirkpatrick of ElDorado. Other gifts to the Mission were announced by Mrs. Harry B. Tasker of Topeka, State Chairman of the Shawnee Mission Committee. Mrs. Loren E. Rex, of Wichita, State Regent of the D. A. R., presided at the program following the luncheon, which was served on the lawn. Mrs. John C. Reese of Newton, Chairman of the National Defense through Patriotic Education Committee, in her talk issued a call for loyalty to the Constitution. Judge G. A. Roberds of Olathe also gave an inspiring talk.

Delegates were present from Topeka. Atchison, Ottawa, Independence, Salina, Abilene, Olathe, Newton, Wichita, Dodge City, ElDorado, Winfield, Pittsburg, Kansas City, Arkansas City, Leavenworth and Emporia. The following state officers attended: Mrs. Loren Edgar Rex, Wichita, State Regent; Miss Adelaide Morse, Emporia, Vice Regent; Mrs. Clarence S. Laird, Jetmore, Recording Secretary; Mrs. A. J. Berger, Registrar, Arkansas City; Mrs. Charles F. Adams, Topeka, Auditor; Miss Marion Seelye, Abilene, Treasurer; and Mrs. John F. Elden, Topeka, Reporter. Honorary State Regents present were: Mrs. George Thacher Guernsey, Independence; and Mrs. J. W. Kirkpatrick of ElDorado. State Chairmen present were: Mrs. W. H. McCamish, Kansas City; Mrs. Jack Lane, Winfield; Mrs. John C. Reese, Newton; and Mrs. Effie VanTuyl, Leavenworth.

The Shawnee Mission Committee presented an antique marble-topped table to hold the silver coffee service previously mentioned.

The Committee also presented the following gifts from the various Chapters:

The Abilene Chapter made and donated a large woolen braided rug.

From Atchison Chapter: A large blanket shawl carried by Major W. S. Washer throughout his Civil War service; a framed allegorical "Medley Picture"; an antique art work made by joining invisibly figures clipped from various steel engravings; a framed certificate acknowledging receipt of donation to aid in the building of the Christian Church in Washington, D. C., from the Rev. Pardee Butler, a noted figure in Atchison during the days of border warfare; an easel to hold the framed original copy of a newspaper of 1865 containing the account of President Lincoln's funeral.

From Betty Washington Chapter, a walnut table-desk owned by Governor Charles Robinson, the first Governor of the State of Kansas following its admission January 29, 1861; a framed portrait of Governor Robinson and a Seth Thomas walnut mantel clock presented by Mrs. S. W. Atkinson; a pair of andirons were also presented by Mrs. Atkinson and a pair of andirons from Mrs. H. E. Don-Carlos, Regent of the Chapter.

From James Ross Chapter a large walnut spinning wheel used for spinning wool, which was brought from Virginia to Johnson County, Kansas, in 1858 by Mrs. Margaret Well, grandmother of W. H. McCamish, presented to Shawnee Mission by Judge and Mrs. McCamish.

From the Emporia Chapter a booklet giving the history of the Quaker Mission to the Shawnee Indians in Johnson County; a fireplace skillet used in cooking over an open fire, given by Mrs. J. W. Johnson. From Eunice Sterling Chapter a large silk, gold fringed flag which had proven too large for use in their Chapter; hence it was given to the Mission and replaced by a smaller one. They also sent a small flax wheel, handsomely carved; a loan.

For the collection of pictures of Past State Regents, a framed portrait of Mrs. George Thacher Guernsey of Independence, who was elected State Regent in 1909, holding office until 1917, when she was elected President-General of the National Society, D. A. R. This picture was made during her term as President-General. She was again elected State Regent in 1921 to 1923.

A framed picture of Mrs. W. E. Stanley, State Regent of D. A. R. from 1903 to 1908, now Honorary State Regent.

At the Board Meeting held before the luncheon at Shawnee Mission, it was decided to allow the Shawnee Mission Committee some of the surplus left in the treasury after Constitution Hall's last pledge has been paid. This fund will be used in some much needed remodeling in the D. A. R. rooms. Glass doors have been installed behind the wooden doors of the three cupboards at a cost of \$70.00, and the committee is trying to find hand woven material made by one of the approved schols, for drapes, which will be in place before the next Pilgrimage to Shawnee Mission.

I wish to thank several of the Chairmen who have sent reports and I am glad to receive them whether or not they have gifts.

Peleg Gorton Chapter reports a gift of \$2.00.

ANNA C. TASKER, Chairman Shawnee Mission.

STUDENT LOAN FUND

Madam Regent, Members of the 38th State Conference and Guests:

Today is ours. The future belongs to youth. Work for the coming day must be effort expended for those who will be citizens of tomorrow.

With that purpose in view the members of the Kansas D. A. R. in 1926 established the Student Loan Fund to assist girls who were unable to finance their last year in college and who were ready to affirm their allegiance to country and Constitution. Since 1926 \$5,699.00 has been loaned to 42 young women. Twenty-six have made complete repayment. From the six new borrowers nothing will be due until November.

The other ten borrowers fall into four groups.

1. Two with loans of long standing, were not originally sponsored by the local chapter and their loans, now amounting, with interest, to something over \$400.00, appear to be entirely in default.

2. Two other borrowers, who long postponed making payments, have in the last two years taken care of all interest and somewhat reduced the original indebtedness of \$380.00.

3. Another has by small payments, even as little as a dollar at a time, paid off all interest and reduced her indebtedness from \$200.00 to less than \$90.00.

4. The other five whose total indebtedness is less than \$300.00 were recommended by chapter officials and affirm their determination to pay all as soon as possible.

Of these, one studying to be a dietician through an accident became an invalid. She carries on, pays interest from accident insurance and puts her training to good use in preparing meals for a diabetic. She hopes to secure a patent and get out of debt. Another has made her own living since she was 12 years old, but had to borrow \$50.00. Two are carrying heavy family loads.

During the last three years your present committee has loaned \$2,075.00 to 20 girls—9 of whom have already returned \$975.00 in full payment.

The fund which was used by 19 girls this year amounts to \$3,070.11, an increase over last year of \$248.81. \$1,739.49 is in notes receivable and \$1,330.62 in cash. The cash balance at the beginning of the year was \$1,070.82. Borrowers again surprised us by large repayments. \$781.80 was received, of which \$700.99 was applied on the principal and \$80.81 to interest. This leaves the note case in a much improved condition.

Twenty-seven Chapters contributed \$168.00 as follows: Abilene, \$5.00; Baxter Springs, \$5.00; Betty Bonney, \$5.00; Courtney-Spalding, \$2.50; Desire Toby Sears, \$5.00; Emporia, \$7.50; Eunice Sterling, \$25.00; Gen. Edward Hand, \$5.00; Henry Dawson, \$10.00; James Ross, \$25.00; Mary Wade Strother, \$2.00; Martha Vail, \$5.00; Molly Foster Berry, \$1.00; Nathan Edson, \$2.00; Newton, \$5.00; Oceanic Hopkins, \$5.00; Olathe, \$2.00; Peleg Gorton, \$5.00; Phebe Dustin, \$5.00; Rhoda Carver Barton, \$3.00; Sarah Steward, \$1.00; Sterling, \$5.00; Susannah French Putney, \$10.00; Topeka, \$10.00; Uvedale, \$2.00; Wellington, \$5.00; Wichita, \$5.00.

The committee has considered the money entrusted to it as a revolving fund depending for its perpetuity upon the repayment of loans. It is convinced that in so small a society where the annual contribution amounts to only a few hundred dollars the practice of making loans to seniors who can begin the repayment of loans in a few months is an excellent one. It is also in favor of small loans to more borrowers.

Summer announcements of funds available for loans were sent to sixteen college presidents and received courteous attention in every case. Somewhat fewer applications were received in 1935 than in either of the other years due, we are told, to the larger number of senior girls who were able to obtain work under the federal aid granted to the colleges for that purpose.

Of the six loans made three were for 100.00, one for 150.00, one for 200.00 and one for 40.00. A total of 690.00.

The borrowers attended Baker, Ottawa, Southwestern, Kansas State Teachers Colleges at Pittsburg and Emporia.

Letters sent to chapter regents in the fall gave some history of the fund, named the standards to be used in considering candidates and asked for chapter support. In the consideration of loans to senior college girls the standards formulated two years ago are:

1. Scholarship.

2. Evidence of capacity to make valuable contacts.

3. Probable ability to get and keep position.

4. Family reputation for meeting financial obligations.

A parent's signature to a note is required. Candidates are expected to consult regents.

Our thanks are especially extended to Oceanic Hopkins, Peleg Gorton, Newton and Christiana Musser Chapters and to Miss Hulse and Mrs. Platt for their assistance in selecting suitable borrowers and to Miss Seelye for her monthly statements to us and for her encouragement of the slow and delinquent borrowers.

Five chapters have had local funds:

The Betty Washington Loan Fund, of Lawrence, \$1435.56 an increase of \$45.56.

The Victor Blakely Memorial of Topeka, at Washburn, \$1250.00.

General Edward Hand, of Ottawa, \$130.00.

Polly Ogden, at Manhattan (as in 1934) \$672.75.

Eunice Sterling, in Wichita (inactive) \$1000.00.

These have been used by 33 boys and 98 girls. By 9 boys and 40 girls this year.

Everything is ready for the fall campaign—printed forms, sample letters, and money ready to lend. The files are full of expressions of appreciation from grateful borrowers.

Your committee has striven to mingle sympathy with common sense in due proportion—that your money might work for you in the training of girls and come back to go to work again.

To those of us who recall the very modest beginning in 1926 the achievements of the last ten years in spite of drought and depression are very gratifying.

Respectfully submitted,

JENNIE I. CAMPBELL,

Chairman.
