Let us now, with quiet and grateful hearts, remember
before God the dearly beloved dead. They have left our
earthly companionship, but still they live within our
hearts. The remembrance of them is dear and blessed.

In those whom they have blessed, they live a life again.

Kansas Delegation Meeting In Washington

EMMA S. PLATT, Secretary pro tem.

The Kansas delegation to Continental Congress met in the Kansas Room in Constitution Hall on Tuesday, April 18, 1939. The meeting followed a luncheon at the Mayflower Hotel with 41 Kansans present

Miss Seelye called the meeting to order at 2:30 p. m. Mrs. Chaney led in repeating the Lord's Prayer after which the Pledge of Allegiance to the Flag was given.

Miss Seelye then asked each one to arise and state her name and chapter. There is a plan to make an Archives Room and Library in the basement of the Constitution Hall at a cost of \$19,000, and estimated average of eight cents per member. It was moved and seconded that Kansas pledge her quota and that the regent make the pledge at the proper time. The motion carried. It was suggested that each chapter raise the money in any way desired. There are to be two years in which to pay.

Miss Seelye announced that, in the Board Meeting on the preceding Saturday, she had pledged \$10.00 toward the \$600.00 portrait of Caroline Scott Harrison, first President General, which is to be placed in the Harrison home in Indianapolis, as one of the National Society's 50th Anniversary projects.

There was a discussion of the method of making the trip to Valley Forge on April 23, to dedicate the Kansas bell. It was decided that Miss Seelye should make the most feasible plan and announce it later.

Miss Seelye announced that there were three seats in the Kansas box available for use by guests of delegates.

The names of the eight candidates for the seven places as vice-president general were announced.

Greetings were given from Mrs. Matz. It was moved and seconded that our sympathy be sent to Mrs. Matz and our sorrow in missing her. The motion carried.

Mrs. Rex explained that she had so many invitations for luncheon that she ate with the Arkansas ladies and called on four other groups.

Nineteen members of the delegation presented Miss Seelye with a beautiful blue enamelled bar pin for holding her State Regent's ribbon at the shoulder.

The meeting adjourned at 3:30 p. m.

Minutes of The Shawnee Mission Pilgrimage

(Mrs. Clarence S.) ADELAIDE C. LAIRD, Secretary

The Sixth Annual Pilgrimage to Shawnee Mission was held on September 21, 1938. The weather was perfect for a day out of doors and the many who attended enjoyed the day.

A business meeting was held in the morning but because there was not a quorum present no transactions could be completed. The officers and committee chairmen present gave reports of their work and a letter of greeting and explanation from Mrs. Rex was read.

Plans for the 100th Anniversary of the founding of Shawnee Mission were discussed. A letter from the Olathe Chapter was read regarding the rules formulated for the Shawnee Mission Pilgrimage.

Miss Seelye, State Regent, explained the construction and cost of the proposed tables and all agreed this was the most acceptable action

Miss Seelye also cautioned the Kansas Daughters to be on the lookout for representatives of an organization, Descendants of the American Revolution, whose aims are positively contrary to our own. Each member was urged to get a member during the year and several locations were discussed as possible new chapters. The meeting was enjoyed by all who attended. The picnic dinner and program followed.

Board Meeting Wednesday, March 30, 1939

Hotel Ripley, Newton, Kansas

(Mrs. A. J.) RUTH BERGER, Secretary pro tem.

The meeting of the Board of Management, Kansas Society, Daughters of the American Revolution, was called to order by the State Regent, Miss Marion Seelye, at 10 a. m., March 30, 1939, Hotel Ripley, Newton, Kansas.

The meeting opened with the Pledge of Allegiance followed by the Lord's Prayer.

Mrs. Laird, State Recording Secretary, being absent Miss Seelye appointed Mrs. Berger, Secretary pro tem.

Mrs. Houghton, State Treasurer, gave a summary report showing a balance on hand in the General Fund, March 28, 1939, of \$871.79, and a balance in all funds, March 28, 1939, of \$2,164.86.

Miss Seelye reported on the Kansas rooms in Memorial Continental Hall, stating new drapes and a lounge cover were provided.

The following recommendations, subject to the vote of the Conference, were offered:

1. Miss Knowles of Wellington recommended the State Conference Proceedings be published at the close of each State Regent's term of office. Seconded and carried.

2. On motion of Mrs. Dickinson, seconded by Mrs. Kirkpatrick, a budget committee be appointed by the State Regent and their report made at the next State Conference. Carried.

3. Motion by Mrs. Heffelfinger; seconded and carried; that the Executive Committee be empowered to change the date, if necessary, of our next (1940) State Conference in order that we may have as our guest the President General. Carried by the required two-thirds vote.

4. Mrs. Reese moved that we continue the Good Citizenship Pilgrimage to Topeka. Seconded by Mrs. Lunceford. On motion of Mrs. Houghton this was amended to read that we continue this pilgrimage if it conforms with the National regulations. Carried as amended.

5. Mrs. Crawford recommended for consideration the Good Citizenship drawing in Topeka be open to all girls selected as "Good Citizens." Seconded. Lost.

Miss Seelye announced Miss Ruth Irene Peterson, Everest, Kansas (first district), as the winner of the 1939 Good Citizenship Pilgrimage.

6. On motion of Mrs. Ferrell, seconded by Mrs. Kirkpatrick, that Kansas as a part of their Anniversary project, provide a lovely case for our National Museum, contributing this in honor and memory of Mrs. W. E. Stanley, Honorary State Regent. Carried.

7. Mrs. Shrewder recommended that a committee be appointed to investigate the present location and condition of the Santa Fe Trail markers placed several years ago along the route of the old Santa Fe Trail, by the Kansas Society, D. A. R. Seconded and carried.

8. Mrs. Stevenson recommended the State Society place D. A. R. markers upon the graves, or at the graves, of Mrs. George Thacher Guernsey, and Mrs. William E. Stanley, providing this meets with the approval of their family and the National Society. Seconded and carried.

Miss Seelye spoke of the recent request she received from the State Fish and Game Commission, and Scott County, Kansas, to move without cost to Kansas D. A. R., the D. A. R. marker at El Quartejejo. This request was made in order to build a reproduction of the original pueblo which stood upon

the site where the D. A. R. marker stands at the present time. Miss Seelye also explained that if this request was to be granted it would require deeding to the State two and one-half acres of ground now held by deed by the Kansas Society, D. A. R., and would leave two and a half acres of ground as property of Kansas D. A. R. The D. A. R. marker now standing on the site of the old pueblo to be moved, without cost to Kansas D. A. R., to the land retained by Kansas D. A. R. This request was explained in detail, discussion followed, and it was suggested that if this request was granted we ask that a tablet, or plate, be placed in the reproduced pueblo, or near by, stating the site for the pueblo was given by deed by the Kansas Society, D. A. R.

9. On motion of Mrs. Campbell, seconded by Mrs. Kirkpatrick, we grant the request and deed to the State the two and one-half acres desired in order for the old pueblo to be reproduced upon its original site. Carried.

Miss Seelye suggested consideration be given to a yearly pilgrimage to El Quartejejo, in Scott County.

10. Mrs. Shrewder moved that \$25.00 for the use of State D. A. R. Traveling Genealogy Library be annually included in the State Budget and set aside for that purpose. Seconded and carried.

11. Motion of Mrs. Berger; seconded and carried; the National quota for 1940, 32c, be allowed.

12. Mrs. Chaney recommended; seconded and carried; that \$25.00 be allowed for the Shawnee Mission Pilgrimage in September.

Miss Seelye spoke of our having as an honored guest at the State Conference, Mrs. Imogen Emery, National Chairman of National Defense through Patriotic Education, and a small cost to the state society for expenses of Mrs. Emery. By vote of members present the expenses in connection with Mrs. Emery's visit were allowed.

State Chairmen present were called upon to report briefly on the work of their committee.

Miss Ellen Allen, Regent, extended a very kind invitation in behalf of the Topeka Chapter, to hold the 42nd State Conference in Topeka, which Miss Seelye accepted, with grateful appreciation.

The recommendations of the Board of Management were acted upon as follows:

1. That the State Conference Proceedings be published at the close of each State Regent's term of office. Lost.

2. That a budget committee be appointed by the State Regent and their report made at the next State Conference. Adopted.

4. That the Good Citizenship Pilgrimage to Topeka be continued, providing it conforms with the National regulations. Adopted.

6. That Kansas, as a part of their Anniversary project, provide a lovely case for our National Museum, contributing this in honor and memory of Mrs. W. E. Stanley, Honorary State Regent. Adopted.

7. That a Committee be appointed to investigate the present location and condition of the Santa Fe Trail markers, placed several years ago along the route of the old Santa Fe Trail by the Kansas Society, D. A. R. Adopted.

8. That the State Society place D. A. R. markers upon the graves, or at the graves, of Mrs. George Thacher Guernsey and Mrs. W. E. Stanley, providing this meets with the approval of their families and the National Society. Adopted.

9. That we grant the request to move the D. A. R. marker at El Quartejeo and deed to the State two and one-half acres of the plot in the Scott County State Park in order that the old pueblo may be reconstructed upon its original site, providing that a contract be drawn up and signed which will make necessary the approval by the D. A. R. of every bit of the construction, or a reversion clause in the deed would allow the land to revert to the Kansas D. A. R.; and that a marker be placed on the reconstruction, stating that the Kansas D. A. R. had originally owned the land and had given it to the state. Adopted.

10. That \$25 for the use of the State D. A. R. Traveling Genealogical Library be annually included in the State Budget and set aside for that purpose. Adopted.

11. That the National Society's quota of 32c for 1940 be allowed. Adopted.

12. That \$25 be allowed for the Shawnee Mission Pilgrimage. Adopted.

The report of the Committee on Revision of the By-Laws, Mrs. R. B. Campbell, Chairman, was next considered and amended by sections. Mrs. Campbell's motion that the revised and amended By-Laws and Standing Rules be adopted, was seconded and carried. Miss Seelye thanked Mrs. Campbell and members of the Committee for the report.

In leaving, Mrs. Emery, National Defense Chairman, expressed her appreciation and thanks for the lovely time she had at the Conference.

Miss Seelye presented the idea of a Pilgrimage to El Quartejejo in the spring similar to the one to Shawnee Mission in the fall. Also mentioned the possibility of the dedication of the Kansas Bell at Valley Forge being made April 23rd, following Continental Congress, and urged that D. A. R. members attending from Kansas stay over for that day.

The Executive Committee was empowered to approve the minutes of Friday morning, on motion by Mrs. Weilepp, which was seconded and carried. The colors were retired; the State Regent thanked the members of Conference and wished them a successful year, and declared the 41st State Conference adjourned.

REPORT OF THE STATE REGENT

MARION SEELYE

I am happy to bring you the report of a year filled with many long hours of work and travel, in the interest of the State Society, but also of much pleasure and innumerable happy experiences.

I attended the Continental Congress last spring where, on the last day, I was installed as State Regent during an impressive ceremony. The Board Meeting which followed Congress was of much benefit, and the dedication of the Surrender Room at Yorktown, most inspiring and enjoyable. In October, I spent three days in the East, the first two in Washington attending the State Regent's and National Board Meetings, and the third in Baltimore, as the guest of the Maryland Daughters, in company with other members of the Board.

At this Fall Meeting, \$5.00 was pledged for the State Society, to be used by Lincoln Memorial University in buying books to bring its reference Library up to the required standard.

I attended the Southeast District Meeting held in Coffeyville in May, the Shawnee Mission Pilgrimage in September, and the Good Citizenship Pilgrimage to Topeka in February. Visits to thirteen Chapters were made, at several of which seven other Chapters altogether were represented. 6,200 miles have been covered within the State, in the work of the Society. Many delightful courtesies, too frequent to enumerate, have been enjoyed, and the contacts made will ever prove a source of great pleasure.

An invitation to serve on the Advisory Committee on Women's Participation in the New York World's Fair has been accepted.

In the interest of a definite Conservation program for the State Society, several interviews with the State Director of the U. S. Forest Service were arranged, which will lead, no doubt, to a better understanding between the two organizations in the future.

A special trip to Topeka, to urge the approval of the appropriation bill for Shawnee Mission was made, and two appeals to members of the House Ways and Means Committee, as well as cards to Chapter Regents for contacting their legislators, went out.

An article on the D. A. R. Rooms at Shawnee Mission, for a booklet published by the Kansas Daughters of the American Colonists was written, and a broadcast, "The Aims and Ideals of the D. A. R.," was given under the sponsorship of James Ross Chapter.

Five circular letters and cards to Chapter Regents, State Officers and others, in addition to the heavy daily mail, have been sent out, totalling more than 1,600 pieces.

Invitations to many State Conferences were received, but had to be declined because of the press of work. A large number of splendid Year Books from other State Societies, which contain sources of much helpful information, were gratefully acknowledged. Many fine Chapter Year Books were received, with great appreciation.

A memorial publication, in tribute to David L. Pierson of New Jersey, has been sent to the State Society, as a gift from his wife. Mr. Pierson, in his youth, spent some months in Kansas recovering his health.

I regret to report that it was necessary to allow the commissions of two Organizing Regents to lapse. However, another Organizing Regent has been appointed in Girard, and prospects there, as well as in several other towns, are very bright for new Chapters.

This year has brought great sorrow to our Society with the passing of our own Honorary President General, Mrs. Guernsey, an Honorary State Regent, Mrs. Stanley, and forty-six other faithful Daughters. While we mourn their loss, yet the example set by these fine, loyal women should spur us on to bring new members into the Society, who can assume the responsibility for carrying on the burden laid aside by those we have lost. I urge that every effort be put forth during the coming year toward increasing the membership in the State. A small loss must be reported this year, due to the longer list of deceased, and to the failure of papers pending in Washington to be approved quickly enough. It is a source of great gratification that a number of former members have been reinstated, but next year should show much improvement.

A request which has come to the State Society this winter regarding possible changes at our own property, El Quar-telejo in Scott County, should receive careful consideration by the Conference. A recommendation for proposed action is to be brought before you from the Board. Much investigation has been done, and material gathered for the State files.

Last spring, the Kansas Rest Room in Washington was found to be badly in need of refurnishing. The pongee curtains were in a sad state of repair, and the cover on the chaise lounge, worn through. By adding a small amount to a \$10 gift, from one of our members, and the help of a "Good Fairy" in making them, the curtains and cover have been replaced, adding much to the appearance of the room.

I am happy to announce that the quota of Pages for Continental Congress this year has been filled, and that the six girls will serve. Two members on the House Committee

have been appointed. From all indications, the Kansas delegation this year will be unusually large, making especially appropriate the dedication of the Kansas State Bell at Valley Forge, probably on Sunday, April 23.

Mrs. Robert, President General, has made the suggestion that each Chapter, each State, and the National Society undertake some project which will, in 1940, adequately commemorate the 50th anniversary of the organization of the Society. Let every group carefully consider this request.

Letters which come to Chapters from National and State Officers, and State Chairmen should be brought to the members and receive their earnest attention. They are sent only with a definite purpose in mind.

With the recent agitation of a critical nature toward the National Society, it is well that we weigh all sides of a question thoroughly, before forming an opinion. The National Board may be depended upon to act in a manner which shows wise consideration of its decisions. We may well have the utmost confidence in their judgment. The Descendants of the American Revolution are using the initials of our Society to deride and ridicule the high ideals and principles which we hold dear. We should continue to staunchly support the objectives to which we are pledged.

I wish to express appreciation and gratitude to the State Officers and to the State Chairmen for the loyal support, continued interest and help which they have given to all phases of our work, and I wish to thank the Chapter Regents and members for their fine spirit of cooperation.

It has been a privilege to serve you this past year, as your State Regent — one which shows much accomplished through the efforts of everyone of you. May the coming year prove to be of great value in understanding and effort for the work of our beloved National Society.

REPORT OF STATE VICE-REGENT

(Mrs. A. J.) RUTH N. BERGER

State Regent, National and Honorary Officers, State Officers and Members of the 41st State Conference:

Again we stand on the threshold of our Annual State Conference, and we pause to take account of the progress made in the year that is gone. As we listen to the reports of the Officers, Chapter Regents, and State Chairmen, I am certain we will all be justly proud of the record of achievement.

As your Vice-Regent it has been my privilege to continue

the sale of the Kansas State D. A. R. Directories, and to serve as chairman of the Kansas State Bell in the Washington Memorial National Carillon at Valley Forge—of which you will hear more a little later.

As most of you know, the State D. A. R. Directories were placed on sale during our State Conference last spring, and the sale has been continued throughout this year. Our State By-Laws call for the publishing of a State Directory. I do not believe it is with the idea of any revenue that this is provided for in our By-Laws, but as more of a service and help to the chapters and state organization in the preserving of their membership records. Not to my knowledge have the State Directories published ever paid for themselves—and this year is no exception to the ones that have gone before. One hundred fifty copies of the State Directory were printed, the cost per copy being approximately a dollar eighty-five. These were placed on sale at one dollar, tho' we well realized that at this price they could not possibly pay for themselves. This price, we hoped, would make the Directories available to all chapters and members desiring a copy. It gives me great pleasure to report that all but four of our fifty-one chapters have purchased at least one copy of the Directory—a record which I find compares most favorably with former reports on Directories published. Approximately fifty-eight personal copies have been sold, and with the permission necessary complimentary copies have been given, including copies to our National and State D. A. R. Libraries, the State Historical Society, etc. I have with me ten copies of the Directory and if there is anyone present who desires a copy, or members present from any of the four chapters that have not yet purchased, I shall be most happy to supply them with a copy during the State Conference.

Last May it was my privilege to attend the Southeastern Kansas District meeting in Coffeyville as the guest of the Jane Dean Coffey Chapter. I shall always recall this day with most pleasant memories.

I was sorry I could not attend the Flag Day luncheon meeting of the Lois Warner Chapter in Junction City. This was on the same day as the Tri-City meeting of the Winfield, Wellington, and Arkansas City Chapters, which was a most enjoyable occasion with the Peleg Gorton Chapter as hostess.

The summer months were devoted to research—in an effort to locate some very elusive ancestors for prospective members.

The illness and the sorrow which entered our home last fall and early winter prevented my attending the State Board meeting at Shawnee Mission, and several luncheons and teas, including the very splendid meeting held in McPherson with the Henry Dawson Chapter as hostess.

On January 27th I had the pleasure, along with your State Regent and State Corresponding Secretary, of being

the guest of Mrs. Garland P. Ferrell, Regent of the Eunice Sterling Chapter of Wichita, at a lovely luncheon in the Innes Tea Room. Following the luncheon we attended the Eunice Sterling Chapter meeting where a brief talk was made on the Kansas State Bell at Valley Forge.

Due to a previous engagement I deeply regretted not being able to accept the kind invitation of the General Edward Hand Chapter of Ottawa for their George Washington party on February 22nd.

The close of the year was made sad when, as a member of the State Board and as a friend, I attended in Independence, the funeral services of our Honorary President General, Mrs. Guernsey.

I appreciate the many courtesies extended during the year, and wish to express to all my deep gratitude for the privilege of serving as your Vice-Regent, and for the opportunity you have given me for service--and above all--for friends.

REPORT OF THE STATE CHAPLAIN

(Mrs. Walter T.) AUDREY M. CHANEY

Madam Regent and delegates to Kansas Conference D. A. R.:

Because of illness it has been impossible for me to attend many meetings I was expected to attend and invited to this last year.

In September I attended the State Picnic at Shawnee Mission but was unable to be present at Girl Citizenship Pilgrimage in Topeka in January.

I wish to thank the Chapter Regents who kindly sent me their year books. They were very interesting. Have performed various services for different officers and hope in the future to be of more assistance to the organization.

REPORT OF STATE SECRETARY

(Mrs. Clarence S.) ADELAIDE C. LAIRD

Madam Regent, Distinguished Guests and Kansas Daughters:

Once more it is my privilege to greet you as your State

Recording Secretary. The past year has been a very happy one and as usual I have enjoyed the work. The duties of the Secretary do not vary much from year to year and yet each year brings its changes.

Stationery was mailed in July to all state officers and committee chairmen. In January the blanks for Conference reports were mailed to officers, chairmen and chapter regents. Then came the replies and each one brings the message of her year's work, activities, and achievements. It is one of the joys of this office to be one of the first to know how the year's work has progressed and to compare the reports. This is most interesting. Several projects begun in past years have been completed during the year but a few are still pending and for these we ask your co-operation. May the coming year be the finest and most progressive for our organization of any that we have had. The co-operation of everyone is the only way that we can accomplish this. The making and proving of friends is one of the joys of an organization such as ours and may I thank the friends who have worked with me through the years.

It is my joy in life to find at every turning of the road the strong arm of a comrade kind to help me onward with my load; And since I have no gold to give, and love alone can make amends, My only prayer is — while I live — God make me worthy of my friends.

**REPORT OF
THE STATE CORRESPONDING SECRETARY**

(Mrs. Charles) MAURINE MORLEY CRUSE

Madam State Regent, Honored Guests, and Daughters of

the American Revolution:

As your State Corresponding Secretary, I submit the following report:

On May 28 I assisted the State Regent in the mailing of letters to each Chapter Regent with a list of the various state chairmen, requesting that the regents send me a list of their chapter chairmen.

On July 2, I sent to the State Chaplain, Registrar, Treasurer and Historian a list of the chapter officers that corresponded to their office; also a list of all chapter regents with addresses.

On August 5, after sending 22 postcards reminding chapter regents to mail their lists of chapter chairmen I finished compiling a list for each state chairman, giving each chapter chairman of her committee. These 32 lists were mailed, with a list of all chapter regents and addresses included. There was also mailed a list of chapter National Defense chairmen to the National Chairman of that committee. The State Chairmen lists were not entirely completed until September 26, when I received the last chapter list making 100% response from the chapters.

On December 29, I sent information blanks and credential blanks with a letter from the State Regent to all chapter regents. The letter from the State Regent was sent also to the State Officers and Honorary State Regents.

I attended with the State Regent the Southeast District Conference at Coffeyville on May 18; the Flag Day meeting of Abilene Chapter on June 12; a luncheon and meeting at McPherson of members from Henry Dawson, Newton, Uvedale, and Sterling Chapters on November 19; a luncheon and meeting of Eunice Sterling Chapter on January 27.

I reported to the Organizing Secretary General any changes in chapter officers, and reported to the State Chairmen any changes in chapter chairmen that were reported to me from the chapters.

On February 7, I assisted at the organization meeting of six Junior American Citizens Clubs in Abilene.

During the year I mailed 112 letters and 97 cards.

Now for a few suggestions to incoming chapter regents: When compiling your list of chapter chairmen please use the list of committees which will be mailed to you soon after Continental Congress. A number of chapters are still using old names for committees. Some of these old committees haven't even been in existence for several years. So check your year-books and change the names.

Please compile your lists of chairmen and mail them to

me as soon as possible after receiving the state list. Don't wait until August to ask your members to be chairmen. You may ask them any time after you have been elected regent. So get your lists in to me early. It saves me worry and saves money for the State Organization, for I spent 22 cents in cards of reminder to regents and 62 cents on cards to State Chairmen giving names of chapter chairmen that were sent in after August 5.

I wish to thank those chapters sending me year-books. They were of great assistance.

I have enjoyed very much my work this year and hope that I may be able to serve you with increased efficiency in the coming year.

REPORT OF THE STATE LIBRARIAN

(Mrs. R. V.) DOROTHY B. SHREWDER

During the past year a concerted effort has been put forth to make the Kansas State Library more comprehensive and more useful to all Kansas members. This has been done

through a series of explanations of its functions and materials and by the compilation of lists of available books and other materials. Two indexes have lately been prepared toward this end. 1. A card file of the books, with descriptive notes of contents. As time goes on this list will be enlarged and the notations will be added to or revised to suit our needs. 2. A list of the books by locality. A copy of this geographic or locality list is available to every chapter and can be obtained from me during this Conference, by the Chapter Representative or Chapter Librarian.

This small but most excellent collection of genealogical data is not used enough by members and their friends. It is yours to use. You may borrow its books or you may call upon the Librarian to search out data in its books. It has been my hope that by making you more familiar with your library that I might increase its usefulness.

Thirty-two inquiries from or through 13 chapters have been received and answered.

Six additional inquiries have come from without the state.

The following titles have been added to the collection since the last report:

Berger, Ruth Norris, Comp. Kansas State Directory, Daughters of the American Revolution, 1938.

History of the Kansas Daughters of the American Revolution, 1894-1938.

O'Byrne, Mrs. Roscoe C., Comp. Roster of Soldiers and Patriots of the American Revolution buried in Indiana.

Arderly, Mrs. William Breckenridge, Comp. Kentucky Records. Early Wills and Marriages, Old Bible Records and Tombstone Inscriptions.

Bobbie, William Willis, Comp. Marion's Men: A list of Twenty-five Hundred (South Carolina).

National Library announces the acceptance of the following from the Kansas "Daughters".

Kansas State Directory, D. A. R., 1938.

History of the Kansas D. A. R., 1894-1938.

Thirty-ninth Annual State Conference Proceedings, N. S. D. A. R. of Kansas, 1937.

Fortieth Annual State Conference Proceedings, N. S. D. A. R. of Kansas, 1938. (2 copies.)

Prentiss, Noble L. History of Kansas.

Six volumes of the Kansas State Library have been repaired or rebound.

Three volumes of the D. A. R. Magazine have been bound.

These three bindings are the gifts of Dodge City, Fort Supply Trail and Martha Vail Chapters. I am especially glad to make the report of this item because I feel that the binding of our magazines into permanent form is important. These magazines have a great deal of use and the wear on them in their paper covers and the danger of loss of single numbers is great. This last came forcefully to my attention when I was preparing the magazines for the bindery. Throughout the file where the sets were marked "complete," a copy or number would be found missing. This means that that volume has to be laid aside until the missing numbers can be recovered or replaced. Filling in the gaps of a magazine file is a real problem. Especially is it difficult to procure older numbers. Chapters have been generous in contributing back numbers but we still have need for more magazines. In our own collection our files go back to the year 1907. There are still, however, some gaps in it and it is always desirable to enlarge or complete a file, in our own case this will mean procuring the magazines for the years prior to 1907 and keeping up with the current years.

I am eager for other Chapters to follow the lead taken by these three Chapters who have given bindings to the library. I would like to suggest that you take for a Library project this coming year the binding of the State D. A. R. Magazine files. The cost of having one volume of 6 months or numbers bound, is approximately \$1.50. Details will be furnished to those interested.

I make this special plea for this specific gift because our funds have never been sufficient to allow us a buying program and a repair and binding program. Both are essential for our growth and maintenance. Because there always comes a time when the addition of new material cannot keep pace with the wear on the old, we have to provide for adding new material, replacing and repairing old; and into this repair comes the problem of providing suitable bindings or containers for the material which comes to us in an unbound state.

To the following chapters we are indebted for a large number of D. A. R. magazines: Eunice Sterling (Wichita), Wichita, Fort Supply Trail, Baxter Springs and Topeka.

From these and magazines already on hand in the Library the following disposition has been made:

To the D. A. R. shelf, Ashland City Library, files nearly complete 1915-38.

Cooperation with the Libraries of Dodge City, Medicine Lodge and La Crosse in filling in and completing their files.

Capt. Jesse Leavenworth, Hannah Jameson (Parsons), Martha Vail (Anthony), James Ross (Kansas City), Wichita, Baxter Springs, Betty Bonney (Arkansas City), Esther Low-

ery (Independence) chapters responded generously to the request for the State Bulletin, which from the wide recognition would point to its being a unique piece of work. The Bulletins were sent to Mrs. Rex to complete files to fill requests received by her and to the Cleveland Public Library, Evanston Public Library and to a Kansas member joining a chapter in Los Angeles.

32 chapters sent chapter year books.

Mrs. Rex sent Annual Reports from other states.

Mrs. Beeler sent from her Committees Photostats, census, Cemetery and Marriage Records bound in substantial form and one beautifully bound volume of Cemetery Records from Ellsworth County.

Manuscripts, Bible Records and Cemetery and Tombstone Inscriptions were received from Wichita, Esther Lowery (Independence), Baxter Springs and Topeka chapters.

Newton chapter sent a collection of obituaries from the Newton Kansan.

Eunice Sterling sent another of Mrs. Garland Ferrell's lovely scrap books, containing historical data clipped from the Howard Courant, the fourth to be made and presented by her, and 11 numbers of the Proceedings of the Illinois Historical Society.

Oceanus Hopkins National Defense Chairman sent two years of the National Defense News.

Oceanus Hopkins (Pittsburg), Courtney-Spalding (Russell), Susannah French Putney (Eldorado), report gifts of money on the amounts of which the Treasurer will report.

The following questionnaire was sent to all chapters:

1. Have you a chapter librarian?

Yes, 30. No, 8.

2. Is she familiar with the duties of her office as listed in the State By-Laws, Art. VIII, Sec. 8?

Yes, 19. No, 5. Unanswered, 14.

3. Have you made a gift of—

Money, 3. Books, 3. Magazines, 4. Other material, 7.

Or sent chapter year-book to the State Library?

32 received.

4. Have you made a gift of money, books, other material, to the National Library?

Yes, 7. No, 30.

5. Have you given books or magazines to local libraries, hospitals, schools, etc.?

Yes, 23. No, 12.

6. Have you a chapter library or genealogy shelf?

Yes, 22. No, 12.

Have you sent an up-to-date list of these books to the State Library?

Yes, 4. No, 20. Will send soon, 7.

7. Does your chapter seem to have a definite library interest?

Yes, 22. No, 14. No response, 2.

8. Have you any problems?

Yes, 11. (Most of these were listed as financial.) No, 12. No response, 15.

9. Have you used the D. A. R. State Library this year?

Yes, 11. No, 25. No response, 2.

The questionnaire is interesting. Answers are counted on the basis of the 38 questionnaires that were returned rather than on the total number of chapters. Space has prevented giving the answers in detail. The answer "Yes" outnumbers the "No". This indicates definite service having been rendered by the chapters. A glance through the 1938 Kansas State Directory will show how many of the chapters have a small membership. A small membership usually means limited chapter treasuries. In view of this fact, I believe that you will all agree with me that the Library interest and service being done in the Kansas chapters is indeed gratifying. As State Librarian, I am proud of your achievements and your record, and I am deeply grateful to you for your splendid response to me and for your cooperation.

I would especially urge all chapters to appoint a chapter librarian. I would further urge that every chapter librarian make herself familiar with the duties of that office as set out in our State By-Laws so that she may be able to pass on to her chapter the explanations or the pleas that come from the State or National Libraries. Every chapter cannot afford to actively participate in every committee activity project of our society, but every chapter can afford to be familiar with every phase of our D. A. R. work, and often through familiarity, opportunity to do some inexpensive, creative or cooperative work presents itself.

I cannot close this report without paying tribute to my predecessors. To Abilene Chapter who through its interest and contribution of the first books and money made possible a State Traveling Genealogical Library for Kansas; to Mrs. Klayder, whose organization and work as first Librarian of this collection, speaks so eloquently through the pages of the

books selected by her; and to Mrs. Dickinson, whose tireless work of sorting, conditioning and listing miscellaneous materials, extends back even into Mrs. Klayder's administration. I am not unmindful of the splendid efforts of all those who went before in educating and in preparing the way for this project, but to my two predecessors I would pay special tribute. In their honor therefore, I beg leave to have placed, the Kansas State Book Plate in every volume now in the possession of the Library.

REPORT OF KANSAS D. A. R. REPORTER

(Mrs. John C.) CORNIS REESE

Madam State Regent, Members of the Forty-First Annual State Conference of Kansas Daughters of the American Revolution and Honored Guests:

It is a very pleasant privilege to report the activities of your Committee of Press Relations which include the duties of State Reporter. It is a joy to report a large increase in activity of this committee.

I have written a letter outlining the work to each of the 51 chapters. Many cards and letters have been sent to the chapters during the year. Thirty-one year books have been received and are filed. Many of these year books were reviewed in the State papers. I have written close to eight hundred letters and cards for this committee. I have answered every letter received. Twenty-six photographs were used in the State papers and three in the D. A. R. Historical Magazine.

Promoting all D. A. R. projects has been my objective as State Reporter. Accounts of National Congress and State Conference has been written in advance for the state paper. All this and the publicity and fifty-one (51) chapters I have carefully compiled in an indexed scrap book.

Historic events, death of D. A. R. members, activities of all State Committees have found space in the state papers.

The club editors have been most kind in granting space. Almost without exception every Sunday edition in Kansas has carried a D. A. R. news item.

All state chairmen were invited to write articles on their committees. Many of the articles regarding the National Society have found space in Kansas papers. Approximately 6,000 inches of D. A. R. publicity was printed in Kansas last year.

I sent an annual publicity report to Mrs. Francis H. Kurtz, Minneapolis, Minn., and Mrs. Sterling Bockover, Washington, D. C., and a report to our State Regent and State

Secretary. All chairmen have responded well. Wellington Chapter leads with 1,090 inches, Peleg Gorton 347, Betty Bonney 287, Abilene 253 inches at the time of sending this report. This fine cooperation has helped me to get dignified D. A. R. news before the public.

Last spring our Kansas D. A. R. scrap book had a prominent place in the display of State scrap books at D. A. R. Congress and was much perused, according to Mrs. Garland P. Ferrell, regent of Eunice Sterling who has charge of the book.

The June, 1938, National Historical D. A. R. Magazine carried a 1,500 word story of the fortieth Kansas State Conference that I wrote. The article was not cut or changed.

ADVANCEMENT OF AMERICAN MUSIC

(Mrs. Glenn) LUCILE GEORGE ZIMMERMAN

Last spring I sent letters to all Kansas chapters telling of the plans of this committee and asking for chairmen.

Forty-one chapters have chairmen.

Almost all chapters open their meetings with the Star Spangled Banner, America, or America the Beautiful.

Forty composers of Kansas sent in with date and place of their birth, date of their death (if deceased), with a list of their published compositions.

State Chairman broadcast over KFBI on American Music presenting two American composers who played two of their own compositions.

Wellington: Reports Mexican club sponsored by them, gave several selections by American composers at one of their meetings. Mexican club sing "I Pledge Allegiance to My Flag" at all their meetings.

Smoky Hill: Chairman conducts three Ballet dancing classes each week in the Girl Scouts and credit goes to D. A. R.

Betty Washington: Presented Prof. Charles S. Skilton, an American composer who gave a talk on Indian music. Alex Fielder, flutist, played some of Mr. Skilton's compositions.

Martha Loving Ferrell: Presented Mrs. Wm. Krone, formerly of Wichita, who has appeared on the concert stage, gave the entire program of piano selections.

Desire Toby Sears: Had one program on Civil War songs when they entertained the G. A. R.

Susannah French Putney: Chairman directing a Business and Professional Women's club chorus — singing American compositions.

Olathe: Used "The Spirit of Christmas," a paper written by Mrs. Mead, National Chairman, at December meeting. Also used the paper "Advancing American Music" from the Filing and Lending Bureau.

Henry Dawson: Chairman made an index of American compositions and musical articles. Book review, "Jehovah to Jazz."

Eunice Sterling: Reports American compositions at every meeting this fall, including songs composed by Mrs. Hinkle and Dean Lieurance, both of Wichita.

Many chapters report papers and programs on America. Many cooperating with churches, schools and clubs.

Chapters report performances by string trios, string quartettes, male quartettes, vocal and piano solos, vocal trios and group singing.

I wish to thank the American Music Chairmen and Chapter Regents who have worked so faithfully with this committee during the past year. It has been a source of real pleasure to me.

AMERICAN INDIAN COMMITTEE

LOLA GERTRUDE GEBHARDT

The work of this office consisted of sending letters to each Chapter having an Indian Committee Chairman. In this letter, the main effort was to encourage and aid both personally and financially the Indian youth in our three Indian schools, Haskell, at Lawrence, Potawatomie Agency at Horton and Mayetta, and the American Indian Institute at Wichita.

The chairman visited the Indian Institute at Wichita and found much of interest and commendation in the work there. The Superintendent, Robert Muir, is grateful for D. A. R. encouragement and aid. (For financial report, see Approved Schools.)

Chapters reporting American Indian Chairman in their Chapters are:

1938-1939: Abilene, Atchison, Betty Bonney, Courtney Spalding, Dana, Fort Supply Trail, Frederick Funston, Hannah Jameson, Isabella Weldin, Jane Dean Coffey, Molly Foster Berry, Peleg Gorton, Sarah Steward, Smoky Hill, Topeka, Betty Washington.

AMERICANISM

MISS ADELAIDE JANE MORSE

The work of the Americanism Committee is citizenship training for the foreigners in our country. One of the great problems confronting America today, is the foreign-born in our midst and there is much opportunity for study and action. Some of these problems are: the giving of special assistance to foreign-born adults and children with much attention to juvenile delinquency, with proper education designed to reduce illiteracy among the foreign-born, a preparation and assistance at the Naturalization Court and giving aid to the newly naturalized citizens. With these problems in mind, your Committee has tried to urge all Chapters to present programs demonstrating the work of the Americanism Committee. Problems vary in different communities. However, chapters in communities of foreign-born have a definite work and I realize that in Kansas we do not have as many foreign communities as in other parts of America.

A very comprehensive outline of work was sent out by the National Chairman on Americanism. In the fall, I sent letters about our work with a separate page of twelve suggestions of Americanism work which could be done in Chapters. Twenty-five chapters reported and I give you a brief summary of the work they reported. Several have observed all patriotic days and have taken an active part in civic relief in families, many of whom are foreign-born. Several chapters have done definite work to prevent juvenile delinquency and individually have used means to counteract subversive teaching in the schools, as well as doing a definite work in encouraging teaching of Americanism in the schools. James Ross Chapter, Isabel Weldin Chapter, Dodge City Chapter, Emporia Chapter and Mary Wade Strother Chapter report the attendance of members of their chapters at the Naturalization Courts, giving D. A. R. manuals and flags to the newly naturalized citizens.

A few chapters did outstanding work which should be reported. Molly Foster Berry Chapter gave two prizes to 4-H students of the High School for essays on the Constitution and Americanism and invited the winning students to attend a meeting of the chapter and read the essays.

Newton Chapter has organized Mexican J. A. C. Clubs and Scout troops and taught them Americanism. At the Naturalization Courts, several members attended, gave flags to new citizens and made talks. Wellington Chapter is sponsoring a club of thirteen Mexican girls, meeting once a month, singing and playing games with the girls, teaching them to read, spell and write and to knit and inviting them to sing at the chapter meetings.

Topeka Chapter reports that four members attended the Naturalization Court on November 26, 1938, at which time

there were 24 applicants for U. S. Citizenship; five from Mexico, one from Poland, two from Germany, one from Sweden, one from France, five British subjects and nine from Russia. Flags were presented them.

Members of the Topeka Chapter have cooperated in the work done by the Topeka Night School where three teachers are employed and 50 Mexicans are enrolled. The work in the school is gratifying and a number of foreign-born students attending have qualified for American Citizenship.

Several Chapters are in communities where there are no foreign-born and Americanism is carried on by patriotism and civic relief. Emporia Chapter was represented at the Naturalization Court where one man received his Naturalization papers. Three dollars was given to carry on a work begun several years ago at our Mexican Center and a Mexican Center Committee from our chapter have plans for more definite work among our Mexicans.

Forty-four chapters have Americanism Chairmen and twenty have had programs on Americanism. While this is a good report, we hope a better one can be given next year.

CONSERVATION

MRS. LEO STEINKIRCHNER

Last fall I sent out a lengthy and important letter to each D. A. R. Chapter in the state, including those who do not have Conservation Chairmen, outlining the work of this committee in regard to the wishes of our President General, Mrs. Robert, toward the celebration of the Golden Jubilee Anniversary of the founding of the National Society. Out of the fifty-one chapters in the state all but a few have Conservation Chairmen. Some chapters sent no report at all, others said the National and State letters had been read and discussed but no action had been taken. One chapter reported that all work in their city is taken care of by other organizations, clubs, bureaus and individuals such as the Red Cross, Y. M. C. A., Garden Clubs, Farm Bureau, Schools, Preachers, Sunday School Teachers, the C. C. C., the Government and the Alphabets. Some chapters are striving hard to keep their organizations alive and some of the smaller and comparatively new chapters reported that they were unable to do anything at this time.

The following lists show what some of the chapters have accomplished along the lines of both Human Conservation and Conservation of Natural Resources during the past year.

Abilene: Number of trees planted 83, shrubs 405, bulbs 1078, hollyhook seed 2 cups, walnuts 50, chestnuts 25.

Atchison: Chapter planted a pin oak, Sesquicentennial Tree in one of the city parks. Individual chapter members cooperated 100 per cent as Red Cross members and in contributions to the Community Chest. Groups aided in mental conservation of Youth. Gave a donation to the Public Library. Gave canned fruit, jelly and vegetables to the amount of 2,000 quarts. Planted trees, bulbs and shrubs in their yards. Number of trees planted 50, bulbs 850, shrubs 60.

Betty Bonney: Members have been active in helping local agencies for Human Conservation such as the Red Cross and in personal contacts. Several members gave much time and effort at the Annual Red Cross roll call in November. Chapter has not sponsored any special project this year but has worked with other agencies for the same end. Chapter contributed \$10 for local relief during the holiday season. One member gave to U. S. Government agents three bushels of native walnut seeds to be used in their reforestation work. Another member was chairman of a local committee which had for their project the planting of 300 redbud trees in our city. Also a large number of Azaleamums valued at about \$15. Number of trees planted 75, shrubs 50, bulbs 35 dozen.

Betty Washington: Planted 150 trees, 60 shrubs and 200 bulbs. There has been much interest and activity taken by members to conserve the trees and shrubs in Douglas County. The George Washington tree planted by Betty Washington Chapter in South Park survived the drouth. A large number of Betty Washington chapter daughters are active in the Lawrence Historical Society and interested in collecting and preserving historical papers and articles. Their Chapter Regent is the president of this association. The chapter chairman of Conservation sent a clipping relative to the marking of the Signal Oak. The article is from the Lawrence Daily Journal World of February 4, 1939. The marking took place February 3rd. This chapter gave to Girl Scouts \$5.00, Boy Scouts \$5.00, Tuberculosis Association \$5.00, Red Cross \$5.00. Also personal gifts, Social Service by one member \$5.00, to the shoe fund \$3.00. One member paid the American Legion dues for one member who could not, amounting to \$5.00. One member served hot chocolate to undernourished children at school. Another helped with the Crippled Children's Clinic. A number assisted in the Red Cross Drive, others helped with the Political Survey, some on one side, some on the other. Two members teach in Sunday School. One member scattered seed along the highway in the spring. Shawnee Mission was visited last fall. Betty Washington Chapter observed Constitution Day with a talk by Prof. R. M. Davis of the University Law School.

Captain Jesse Leavenworth: Planted 15 trees, 100 bulbs and 25 shrubs. Members gave to Red Cross and new clothing to underprivileged children in the Public Schools.

Concordia: Planted 200 bulbs, 125 trees and 23 rose bushes. Ten trees were treated by a tree surgeon.

Dodge City: Members have planted \$50.00 worth of trees, shrubs and bulbs. Donated \$5.00 to the fund for an iron lung sponsored by the local Junior Chamber of Commerce. The iron lung is for the free use of anyone who needs it, so it comes under the head of "Human Conservation."

Eunice Sterling: Gave a scholarship for one child at the Flo Brown Speech Laboratory at Wichita University, costing \$60.00. 1,500 Christmas cards given to patients at the Veterans Hospital, amount spent \$30.00. Planted 424 trees, 422 shrubs, 2975 bulbs.

Ft. Larned: Members assisted in Red Cross Drive, joined other organizations in giving Thanksgiving baskets to the needy, also in giving Christmas cheer where needed. Gathered silk stockings and underwear to be sent to Federal Hospital. Work with the U. S. Forestry Dept. in planting trees. Have members that own farms where Shelterbelt plantings have been made and these number into the hundreds. Celebrated Constitution Day and Flag Day with picnics, inviting eligible members. Also a Colonial Tea in costume. Planted 28 trees, 30 shrubs and hundreds of bulbs.

General Edward Hand: Chapter members planted 225 trees, 40 of these were set out on the grounds of the Ransom Memorial Hospital. The chapter gave a jelly and tea towel shower for the same hospital. Fifteen members assisted in the Welfare Drive. One chapter member served on a committee of two who packed 250 Welfare baskets for distribution. Chapter contributed \$10.00 to Ransom Memorial Hospital, \$5.00 to the School Milk Fund and \$2.00 to the Scout Drive.

Henry Dawson: Members have planted 1200 tulips, 94 trees, 90 rose bushes, 75 shrubs and 150 perennials. Had one program on "Conservation" and a paper on "Trees." The chapter chairman of Conservation is President of the McPherson Garden Club and last spring they observed Arbor Day by planting a noted pine in their new City Park with fitting program. The President of McPherson College gave an address on Trees and the committee turned the tree over to the Mayor who made an appropriate talk. Chairman has called the attention of tree and shrub planting in new City Park and in the Cemetery where many hundreds have been planted. Chairman sponsored a "Garden Club Project" and the Garden Club bought 1000 tulips and planted them in two of the City Parks. These did not include the 1200 given to Henry Dawson Chapter by the President of the Garden Club. A house to house canvas was made last spring and 4000 trees and shrubs were planted and 1000 rose bushes. These were planted by individuals and were separate from the ones planted in Parks and Cemetery. The Henry Dawson Chapter Chairman of Conservation was responsible for a permanent date for Arbor Day in Kansas in 1938 which is March 25th by taking it up with the President of the newspaper who wired into Topeka and the Governor set the date of March 25th. Before that, no official date had been set.

Isabella Weldin: Members planted 75 rose bushes, 25 lilac bushes, 35 trees (fruit and shade), 38 shrubs, 1317 bulbs, 270 other perennials, 1 lily pond constructed. Had an Arbor Day program last April. Participated in Red Cross Drive, also T. B. Seal Sale. Sent books to Indian Institute. The February, 1939, Program was a history of Augusta showing old pictures and newspapers. Talk by outside speaker, Jonathan Gilbert. Had one entire evening program devoted to "Conservation and Thrift." Tried to instill in their members more interest in planting trees and shrubs.

Lois Warner: Members have planted trees and shrubs this year, also last spring and fall but the number not known.

Martha Vail: Gave \$5.00 to Cancer Control Fund.

Martha Loving Ferrell: October, 1938, meeting devoted to a talk on Conservation by Mr. Goodsum.

Mary Wade Strother: Planted trees, bulbs and plants 100 per cent. Keeping trees renewed as they die out. Activity mostly in the class of "Human Conservation." Great stress is laid on Parent Teachers Association and that is a study of character building for our youth. Salina Clubs study the Home, Public Welfare, Public Health and many chapter members work there. As a D. A. R. chapter they study along the lines of history and research. Members vitally interested in all civic work such as Red Cross, American Legion, Clothing given, Community Chest, Americanization Center. About \$75.00 in individual gifts given to the Red Cross. Cooperate with War Veterans, giving money and gifts, serving for Red Cross (making layettes). Furnish carpet rags for soldiers in rug work and all members cooperate in tree planting and bird baths for birds.

Nathan Edson: Planted 130 trees, 11 shrubs.

Newton: The October, 1938, meeting of the Newton Chapter was devoted to a Conservation Program with Carl Ziegler, Junior Forester of the Forestry Department at Hutchinson giving a talk on "What the U. S. Forestry Department is Doing in the Nation and in Kansas." A talk was also given at this meeting on "Conservation" by the State Chairman of Conservation. The Newton Chapter has cooperated with Scouts and Junior Americans, Public Health Nurse and Doctor. One member was chairman of a committee who sponsored a dinner having on the program Mrs. Henry Roe Cloud as speaker, who spoke on "The Bird Woman." Our regent was chairman of a D. A. R.

dinner meeting which included the men at which time Mr. Roy Bailey of Salina gave a fine talk on "Kansas." One organization to which a large number of D. A. R. members belong had a talk given on Fire Protection and Prevention by a representative of the Chamber of Commerce. One member is at the head of the Needlework Guild in Newton and has charge of the distribution of gifts to the needy. Last fall she held a garment display and Tea assisted by many local chapter members. One member owns a farm near Newton on which a P. W. A. project was promoted. A Park was laid out and beautified by planting trees and constructing a large lake. The State Chairman of Conservation is completing a scrap book pertaining to the work of her committee. Gave \$5.00 to Scholarship Loan, \$4.00 to Approved Schools and spent \$5.80 for a marker.

One member is especially interested in beautifying a new addition and has spent \$18 for seeds for that purpose. Another member has had a 20 acre place terraced and planted in soil-building legumes to prevent erosion. The Olathe chapter hopes to replant Memory Lane, consisting of 42 hard maple trees that were killed by the drouth.

Peleg Gorton: Chapter planted 13 trees, number of tulip bulbs planted by individual members 28,550. Mrs. Curtis 500, Mrs. Calvert 1,550, Mrs. Sponenberg 100, Mrs. Kate King 3,000, Mrs. Alfred Owens 10,000. Total 28,550.

Also rose bushes, lilac bushes, Azalea-mums, peonies, phlox and border hedge. Seed planted, hollyhock, walnut and chestnut. Many chapters have done outstanding work. I thank every one who has cooperated.

CORRECT USE OF THE FLAG.

(Mrs. J. N.) M. BLANCHE RYAN

Prior to May 30th, a notice was published urging that the Flag be flown from the house or yard of every home May 30th, June 14th and July 4th, with special instructions for display on Memorial Day.

A letter was sent September 10th, 1938, to each Chapter Chairman, enclosing printed questionnaire.

By request, Sen. Hattie W. Caraway, and Senators and Congressmen from Kansas were written regarding Flag Code Resolution adopted by the 1937 Continental Congress.

Each of the fifty-one chapters has had a Chairman of this Committee this year. Forty-one reports were received before March 1st. 242 Flag Manuals have been placed in Chapters; 21 Chapters put Flag Manuals in schools, libraries and elsewhere. 671 Flag Codes and 13 Framed Flag Codes, 168 Flag Leaflets and 726 small Flags were distributed; 9 large Flags have been presented to Public Buildings, and 3 large silk Flags purchased for Chapter use. 79 Flag talks and 5 formal addresses on the Flag were made; 4 talks on the Flag given by request of Civic organizations and one to a Sorority. Three Radio talks on History of Flag and Its Correct Use have been made. Fifteen Chapters report papers or drills on the Flag, and seven had papers or talks printed in local papers. Twenty-five Flag Day celebrations, mostly picnics with programs, were held. Fourteen Chapters have had articles or columns on Flag etiquette printed in their local paper. Eight Chapters report a scrap book of publicity. Three sponsored a Flag play and one conducted an essay

contest. Three had members who had written Flag plays. Nine reported Flag education among the foreign born. Thirty-two Chapters know and sing the National Anthem; a large majority of them report 100 per cent of the members own Flags. All state the Pledge of Allegiance is correctly given at Chapter meetings and that they can lead a Flag Salute properly. Ten have had troublesome questions of Flag etiquette come up in Chapter and 23 have made corrections of breaches of Flag etiquette.

Items of Flag education which the Chapter Chairmen think should be emphasized most are: Flag Salute; Pledge the Display of Flags on Patriotic Days; instill patriotism; non-use of paper napkins with Flag on them; hanging of Flag correctly. Respect for Flag at public gatherings, such as parades. Not to display soiled or torn Flags; a Flag in each class room in city schools, instead of invisible, and prizes for Flag essays.

Mrs. H. A. Kunkle, Chairman of Smoky Hill Chapter, Ellsworth, deserves special mention. She had a splendid series of articles published in the Ellsworth Messenger, free of charge, with a cut of the Flag at the top. One dealt with our Flag Code recommendations for suggested legislation concerning the use of the Flag. Representative Fred Cross read it, and in direct consequence thereof, prepared and presented House Bill No. 207, relating to the Flag of the United States of America, providing for the observance of Flag Day, requiring the display of the Flag on certain buildings and other places; declaring certain uses of the Flag unlawful, and providing penalties for violation thereof, etc. I am happy to report this Bill has been passed by the House and Senate.

Of the above, Atchison Chapter had an essay contest. Susannah French Putney gave three large flags, Desire Tobey Sears and Wichita Chapters, two each. At Samuel Linscott's request, new Flags were secured to replace soiled and ragged ones on Court House and Post Office. Randolph Loving distributed 463 small Flags to institutions on patriotic days, and Mrs. R. V. Shrewder, of Fort Supply Trail, wrote a Flag play.

I have read two Flag Histories; assisted Charmen when asked to do so; attended Shawnee Mission picnic, and supplied Flag Codes to Irving School, at Garnett. I am deeply grateful for the year books received and for the fine cooperation of Chapter Regents and Chairmen.

REPORT OF THE GOOD CITIZENSHIP PILGRIMAGE COMMITTEE FOR 1938-1939

(Mrs. C. F.) JULIA B. ECKELMAN

The Good Citizenship Pilgrimage, in its fourth year, followed the plan of the last two years — carrying out the

suggestions of the National Society, with the additional feature of the State Pilgrimage. Early in the fall, letters were sent to each Chapter Regent and Chapter Chairman, explaining the details and asking full cooperation. A District Chairman for each Congressional District was appointed and her duties outlined.

The general plan was this — during December the senior students of each four-year High School were asked to choose by vote, three senior girls of their class who excelled in the four qualifications of a good citizen — Dependability — Service — Leadership — Patriotism. From these three, the Faculty selected the one who would represent her school. Her name was sent to the chairman of that district and entered in the district drawing held between February 1-10. The seven district winners were awarded a Pilgrimage to Topeka on February 25, as guests of the State Society. These seven girls were Ruth Irene Pederson, Everest; Betty Brown, Humboldt; Mary Ann Budd, Chanute; Leora Adams, Clay Center; Mildred Fries, McPherson; Joan Burkhead, Beloit and Joann Richardson, Medicine Lodge.

Upon arrival in Topeka, accompanied by the State Chairman and several other members of the Society, they visited the State House, where an official guide conducted them through various departments, including the Senate, the House of Representatives, Supreme Court, State Treasurer's office and the State and Law Libraries. The girls then visited the Topeka High School and returned to the Hotel Jayhawk for luncheon. Here they met the State Regent, Miss Seelye, who presented each with a lovely corsage, the First Lady of Kansas, Mrs. Ratner, who was a guest at the luncheon, and the other officers and state chairmen who attended. Following the luncheon, the girls called at the Executive Mansion, where Mrs. Ratner gave each a gift as a souvenir of the occasion.

The State Drawing was held in the Governor's Office at three o'clock that afternoon to determine which girl would represent Kansas on the National Pilgrimage to Washington in April. The Governor drew the name of Ruth Irene Pederson and those of Joan Burkhead and Joann Richardson as first and second alternates.

Much credit is due the District Chairmen, Mrs. John Fulton, Atchison; Mrs. James Redpath, Olathe; Mrs. J. D. Conrad, Baxter Springs; Mrs. F. L. Durland, Junction City; Miss Ruth Payne, Wellington; Mrs. J. B. Carter, Wilson and Mrs. J. C. Denious, Dodge City, who served in their respective districts, and whose untiring efforts were greatly responsible for the success of the year's work. The Committee is deeply indebted to Mrs. Chaney, State Chaplain, who served as chairman of the Hostess Committee at Topeka; to Mrs. Beeler, Mrs. Shattuck, Mrs. Yarnell and others who assisted with the necessary arrangements.

An increasing interest was shown by the High Schools this year — 82 schools sending names of representatives. The sixth district led with 22 girls entered in the district drawing. Publicity has appeared from time to time in various newspapers and on October 6, your State Chairman presented the plan of the Pilgrimage in a 15-minute broadcast over Station KFBI.

Recognition of the qualities of good citizenship in our young women is one of the finest and most worthwhile responsibilities of the Daughters of the American Revolution, and the Good Citizenship Pilgrimage is a forward step in carrying out that responsibility.

I wish to urge every Chapter Regent to appoint a chairman for this committee next year and to interest her chapter members in the plan of the Pilgrimage that it may continue to grow and hold its place as one of the most outstanding projects of the National Society.

D. A. R. MANUAL FOR CITIZENSHIP

(Mrs. Dan) RUTH HOPSON

The Daughters of the American Revolution publish a pamphlet entitled "Manual of Citizenship." It is printed in English and in other languages. It is designed primarily to be of assistance to those desiring citizenship; but it is well worth the attention of anyone who desires to be informed on civic questions.

This year, the distribution of the manuals was restricted to use for naturalization; and Kansas was given a quota of 2,000. The Clerk of the District Court is the official in Kansas who has charge of applications for citizenship. So to every District Court Clerk were sent ten manuals, to be distributed by him to prospective citizens. 1,110 manuals were so placed. The response was so enthusiastic that re-orders of 231 manuals were sent upon request of the Clerks; and since March 1st, requests for 70 more have been complied with.

Many D. A. R. chapters in Kansas make a point of greeting new citizens and attendings Naturalization Court. Thirty-one chapters have been supplied with 1,237 manuals for this purpose.

There have been distributed 2,525 manuals in English and 123 in foreign languages — German, Spanish and Russian predominating. In all, 2,648 manuals have been used in Kansas this year for Naturalization work.

D. A. R. MUSEUM

MRS. GARLAND P. FERRELL, Chairman.

While your State Chairman of D. A. R. Museum cannot report many gifts this year, by no means does she feel discouraged. When she was first appointed State Chairman there were no chapter chairmen for D. A. R. Museum. Now in our 51 chapters we have 19 chapter chairmen, and many have expressed the hope of making a good report for next year.

But one gift has been accepted by the museum since closing my report last March. This was a sewing box containing many small compartments and numerous articles. This box was displayed at Conference in Pittsburg and taken to Washington by the State Chairman and presented to the Museum.

This sewing box was presented through the Topeka Chapter by Mrs. William Barnett and had belonged to the wife of her Revolutionary ancestor, Thomas Brown.

Your State Chairman has sent letters to each chapter explaining the requirements and also conveying the message of our President General in which she said, "Against our Jubilee we have work to do."

It is the wish of our Curator General that each state may be represented in Memorial Continental Hall by a case in celebration of our Golden Jubilee and she has suggested that Kansas provide a case to care for rare documents and manuscripts which may be offered to the Museum. The Museum has not been able to accept such vital evidence of our early history as it had no place to house them.

Four contributions have been made for this purpose:

Oceanus Hopkins Chapter	\$ 5.00
Eunice Sterling Chapter	10.00
Polly Ogden Chapter	3.00
Smoky Hill Chapter	1.00

It would be a fine thing to give this case as a tribute to some woman identified with the development and growth of D. A. R. interest in Kansas, and one who has done outstanding work.

Won't all of you who go to Washington take time to become acquainted with our fine museum, where each of the more than 3,000 articles are authentic and genuine — no reproductions. Then visit the state rooms which depict various periods of our country's development. This will give you a better understanding of what we are trying to accomplish. You will come away with a feeling of justified pride that you are a member of an organization which upholds such a high standard of American traditions.

D. A. R. STUDENT LOAN FUND**JENNIE L. CAMPBELL**

In submitting this, my sixth, report it is a privilege to be able to continue to report a slow, but steady annual growth in the Kansas State Student Loan Fund.

This year we can report the largest net gain, \$358.52; by far the largest payments by borrowers, \$1440.58; also the largest Chapter contributions, \$268.35.

Honoring the memory of Mrs. Lillie Holbrook Boardman, Hannah Jameson Chapter of Parsons established the first Memorial Scholarship fund of \$100.00. The money was raised by an heirloom tea and two rummage sales. It is our fervent hope that other such splendid memorials may soon be added to the fund.

Seven borrowers graduated in May, Marguerite Hopkins from the College of Emporia with magna cum laude rank.

Nine senior girls were given loans. One is the niece of our deceased State and Division Historical Research Chairman, Miss Nettie Cox, another endorsed by our hostess Chapter Chairman is a cadet teacher here preparing at Bethel College to receive a state certificate.

The amounts loaned are: One of \$200.00, one of \$107.50, six of \$100.00 and one of \$85.00. An additional loan of \$50.00 and one of \$100.00 was authorized, but notes could not be presented before March first.

Two borrowers each attended K. S. T. Colleges at Emporia and Pittsburg, two Friends University, one each Bethany, Colorado College and Bethel.

On March 1, 1938, there was a cash balance of \$399.10 in the fund and notes receivable, \$3017.06. \$1350.00 has been paid on principal. New notes for \$992.50 issued, \$90.17 interest received from borrowers and \$268.35 from Chapters. On March 1, 1939, your fund contained a cash balance

of \$1115.53 (on which notes for \$150.00 had been issued) and notes receivable \$2659.15, making \$3774.68, a gain of \$1531.60 since March 1, 1933, or an average annual gain of \$255.26 with interest reduced from 6 to 4 per cent, in troublous times like ours, it seems that your faith in Kansas senior girls is entirely justified for in the last six years borrowers have repaid \$4930.71 in principal and interest.

Notes fall due November first after graduation and on the following February. Your Chairman appealed by post card in April for early chapter contributions for Kansas girls, in Kansas Colleges by Kansas women. Mrs. Lester Beeler, clerk of the committee, wrote to each chapter chairman in September.

Your chairman has written friendly letters, firm insistent letters — letters of advice and suggestions, New Year's Greetings to girls in Colleges. She has tried to be shrewd in her investigations and kind to the unfortunate. On her Honor Roll for this year are the names of 23 young women who have put back into your revolving fund \$1440.58 and the names for 31 contributing chapters.

\$1.00 Each: Arthur Barrett, Molly Foster Berry.

Mrs. Dorothy Houghton, State Treasurer, Mrs. Lester Beeler, Clerk, and Miss Helen Stafford, Treasurer of the Committee, Chapter Chairmen and Regents, who have cheerfully assisted us.

The National Chairman asked for a photograph of some Kansas Student Loan Fund activity. The picture was taken in Mrs. Houghton's office in February. It showed the treasurer and the chairman with two Friends University borrowers, who were exchanging for the treasurer's checks the notes signed by their fathers and themselves.

THREE LOCAL CHAPTER FUNDS

Betty Washington\$1490.09

Polly Ogden 763.77

Topeka 1250.00

\$3503.86

Gain by Betty Washington 9.75

These three local funds have been used by 18 girls and three boys.

The sums of the state and the three local funds is \$7278.54.

These four funds have together been used by 52 girls and three boys.

The goals for the future are — More repayments from the few slow borrowers, some contributions from each of the 20 chapters that have not been able to enjoy giving this year and the establishment of one or more Memorial Funds.

ELLIS ISLAND

(Mrs. D. B.) BERNICE LUDWICK

Madam State Regent, Honor Guests and Members of the Forty-first Annual State Conference:

In September a letter was sent to the chapters giving the plan of the work on Ellis Island as outlined by the National Chairman, Mrs. Smith H. Stebbins, and asking the cooperation of the chapter chairman. Many chapters do not have a chairman for Ellis Island, but I feel every chapter could have had a short program at least, on this worthwhile project, so as to keep before the members the vital importance of this humanitarian work begun by the N. S. D. A. R. about 1924, as also to know of the progress being made.

A very unique Ellis Island program was given for the Atchison Chapter by their Junior D. A. R., which included the Ellis Island Film.

Fifteen dollars of the cash contributed above the quota will be used for one year's warping of the loom, purchased last year by Kansas Daughters and given in honor of Mrs. Chas. Adams.

I wish to thank each and every one for the fine cooperation given me, also, to express my appreciation for the many splendid year books.

REPORT OF GOOD CITIZENSHIP PILGRIMS CLUBS COMMITTEE

(Mrs. John) BESSIE FINK

The seven District winners were in Topeka February 25 for their day of entertainment in the State Capitol. After the drawing in the Governor's office at 3:00 o'clock these seven girls met with the State Chairman in the parlors of the Jayhawk Hotel and organized The Kansas 1939 Good Citizenship Pilgrims Club with Ruth Irene Pederson of Everest, Kansas, as the President. Each girl was given a D. A. R. flag manual, a D. A. R. manual for citizenship and a hand-book for Junior American citizens. Each girl was made District President of her district and given the names of the girls in her district who had been chosen to represent their high school.

Each girl pledged herself to help the D. A. R. in its educational program and to organize a club in her district if possible. Also each one promised to try to organize a group of Junior American Citizens and the State Chairman promised she would see that some chapter sponsored this group when it was organized.

Plans were made to keep in touch with each other and the chairman by a round robin letter every few months and each girl is to write the State Chairman a letter in June telling her plans for the coming summer. A county club will be organized at Abilene in April.

JUNIOR AMERICAN CITIZENS

(Mrs. Wesley) ARVILLA E. PROSSER

At the present time we have 2267 Junior American Citizens in our State.

Henry Dawson Chapter at McPherson with Mrs. H. A. Quiring at Chairman, reports 27 new clubs and 17 active clubs from last year making a total of 44 active clubs.

Abilene Chapter at Abilene with Mrs. L. J. Brenneman as Chairman, reports 26 new clubs. This is the first year that the Abilene Chapter has done any work with the Junior American Clubs and I consider it quite an achievement for Mrs. Brenneman to organize so many new clubs her first year of work

Desire Tobey Sears Chapter at Mankato with Mrs. Joe Beeler as Chairman reports 2 new clubs.

Fort Supply Trail Chapter at Ashland reports 1 new club, with Mrs. R. V. Shrewder as Chairman.

Nathaniel Pendleton Chapter at Newton with Miss Margaret Dickey as Chairman, reports 2 active clubs from last year.

This brings the total to 75 clubs with 56 new clubs and 19 clubs active from last year.

Your State Chairman gave two 15 minute radio talks about the Junior American Clubs in the month of December. One talk was given over Station KGNO, Dodge City, Kansas, and the other was over Station KCKN, Kansas City, Kansas.

Mrs. John Fink, State Chairman for the Good Citizen Pilgrim's Clubs distributed Junior American Citizen Handbooks to the contestants in Topeka and asked that they organize Junior American Clubs when they returned to their homes.

Many of the clubs have kept scrapbooks. Special programs on all holidays are planned and given by the members. Club work in many instances is conducted on a merit system. The Abilene Chapter gave each club a small desk flag (silk, 8 by 12) on a small ebonized standard.

I have prepared a scrap book for State Conference containing the pictures of 30 different Junior American Clubs. The Chapter Chairman have been very kind in answering my request for these pictures of the clubs. We sent the negatives of these pictures to the National Chairman to be used as place cards at the Junior American Club Breakfast at the National Convention. In my scrap book I also have clippings sent me by the Chapter Chairman which have appeared in the local papers concerning the Junior American citizens.

Much interest is being shown in the Junior Clubs and more clubs are being organized.

JUNIOR MEMBERSHIP COMMITTEE**MARIE SELLARS**

Madam State Regent, guests, and members of the Daughters of the American Revolution:

Junior Membership was emphasized at the Annual D. A. R. Conference held at Pittsburg in 1938 by an exhibit of Junior Membership material and by having the National Chairman, Mrs. W. H. Pouch of New York City, present at the Conference meeting.

At this time Mrs. Pouch gave the Kansas Junior Membership Committee five dollars to "further the Junior work in the state." This money was turned over to the D. A. R. State Treasurer for a fund to be known as the "Helen Pouch Junior Fund of Kansas" and used for some state project of the Kansas Junior Groups. Annual contributions of any amount are made to the State Treasurer for this fund, and when there is a sufficient amount, a project of state interest, such as a Traveling D. A. R. Banner to be presented to the chapter gaining the most Junior Members each year, or some Conservation C. A. R., or other committee work, will be adopted and the necessary money—which must not exceed seventy-five per cent of the total amount on deposit—will be appropriated. As the Junior Groups grow in number and in membership, this fund will increase more rapidly, and it is hoped that within two or three more years, a Kansas Junior project will be an actuality.

Nationally, the Juniors adopted at the Assembly in Washington last April, a Scholarship project for the D. A. R. Approved Schools. Each state has a member on the "Scholarship Board" and Miss Dorothy Ashmun of Atchison has been appointed from Kansas.

In our state many D. A. R. Chapters feel they are too small to consider separate groups formed only of Juniors. There are many Juniors who are members of the chapters, but they do not hold separate meetings apart from the chapter. Atchison has the only Junior Group, and Wellington the only Junior Committee, but the Eunice Sterling Chapter of Wichita plans to organize a Junior Group in the very near future.

The members of the Atchison Group have been quite active the past year. They held a rummage sale in the fall and cleared around eighteen dollars; gave five dollars to the County Home to help with Christmas plans; sent contributions to the Pouch Fund of Kansas and to Tamasee; and distributed citizenship manuals. The Wellington Junior Committee has assisted with various chapter projects, especially helping with the C. A. R. Society and with the Mexican Girls' Club.

Chapters sponsoring C. A. R. Societies have prospective members for Junior Groups, and it is hoped that when

these girls are old enough to transfer to D. A. R. Chapters, that Junior Groups will be formed to hold their interest so they will carry on their C. A. R. enthusiasm and training to the advantage of the D. A. R.

KANSAS CREED

MRS. H. E. DON-CARLOS

300 small Creeds printed by Betty Washington Chapter of Lawrence, Kansas, and distributed at the meeting of the State Federation of Women's Clubs at Independence, Kansas. These cards were beautifully printed with a border of blue stars and were much admired and commented on at the State Banquet table.

Framed copies of the Creed have been presented to the Governor, Lieutenant Governor and the Representative from Douglas County.

Betty Washington Chapter offered a prize of five dollars to the pupils of the grade schools in Lawrence for the best essay on the Creed but owing to a very full schedule, the Superintendent of Schools, felt that the teachers could not undertake the work this year.

In a recent interview with Mrs. Charles Spencer, one of the Commissioners on the Lillian Munn Memorial committee, she declared her desire to have the Kansan's Creed inscribed in this memorial.

Owing to a misunderstanding about this Kansan's Creed conflicting with an earlier written Kansas Creed, the work of this committee has been stopped and the chairman must regretfully present this meager report.

Respectfully submitted.

MOTION PICTURES COMMITTEE

MRS. HAZLE M. HALL

A letter written to each chapter asking that the chairman recommend worthwhile pictures, especially those of historical and patriotic value. Also asking that the chapter use its influence in the local playhouses to urge the showing of one feature with good shorts instead of double features. The State Chairman suggested that each chapter devote one meeting a year to motion pictures

Every chapter was asked that members and their friends write to the editor or to our President General asking that the previews be replaced in the D. A. R. Magazine. They

were also notified that the Postcard reviews could be secured from the West Coast Preview by sending twenty-five self-addressed postcards to Mrs. Mildred Lewis Russell, care Hollywood Citizen News, Hollywood, California.

Later a postcard was written to all chapter chairmen or regents advising them of the desire of our National Chairman, Mrs. Montgomery, to establish Photoplay Appreciation courses in our schools. The State Chairman further urged that all chairmen or a representative attending Congress in Washington this year meet with Mrs. Montgomery on Tuesday, April 18, at 4 p. m., at the Mayflower Hotel.

Several chapters have no Motion Pictures chairman. Of the fifty-one letters sent to chapter chairmen or regents less than half were acknowledged. Many excellent and worthwhile reports were received which were very much appreciated and were very encouraging to your State Chairman.

Several chapters have sponsored patriotic pictures in their local playhouses. One chapter sponsored the "Story of the Star Spangled Banner" for school children on Armistice Day. A few chairmen report that the newspapers carry detailed reviews in the Sunday papers and during the week they often give very good criticisms of the plays.

Several chapter chairmen reported that they had sent for the previews. One chairman places these postcards on the bulletin board of the local high school. Some of the high schools show these valuable historical shorts in connection with their school work, also travel pictures of foreign countries and of our own beautiful parks and forests. In some towns the P. T. A. organizations sponsor these worthwhile pictures.

One chairman who sent the self-addressed cards for information concerning future pictures and shorts expects to have an article in the local paper each time telling of the value to the adult and child of seeing the suggested film. She also spoke of the historical shorts being done in technicolor and believes that this should be urged and appreciated.

Perhaps if each chapter chairman of Motion Pictures were to write to the different studios and tell them of their appreciation for these beautifully presented shorts, we should have more of them.

NATIONAL DEFENSE THROUGH PATRIOTIC EDUCATION

(Mrs. Carl) KATHRYN ANDERSON

Twenty-one Chapter Chairmen of National Defense returned questionnaires sent them by the State Chairman. Nineteen chapters have an active National Defense Commit-

tee. Fifteen chapters have a report of National Defense at their regular meetings. Thirteen have had at least one program exclusively devoted to National Defense.

Eighteen chapters use the National Defense Handbook for reference and study.

There are twenty-four subscribers to the National Defense News and much interest seems manifested. Eleven chapters have placed the National Defense News in school and public libraries. Seven chapters report the distribution of National Defense Literature in schools, railroad stations, clubs, camps, etc.

Eleven chapters are sponsoring Good Citizenship Medal Contests; two in rural schools and nine in city schools. All chapters sponsoring these contests report splendid cooperation from the schools.

Mrs. Sam Heller of Abilene chapter, Abilene, Kansas, gave a radio address on National Defense; receiving much favorable comment.

A member of Molley Foster Berry Chapter, Ft. Scott, Kansas, influenced their Mayor to stop a "Red Mass Meeting."

Two chapters appealed to the Rules Committee U. S. House of Representatives to report out House Resolutions authorizing continuance of the Dies Committee. Seven chapters reported that members had appealed personally to their Congressmen and seven other chapters sent petitions to the Speaker of the U. S. House of Representatives urging the support of the Dies committee.

One chapter distributed National Defense Literature in the C. C. C. Camps.

Seventeen chapters have sponsored special Patriotic programs and nine have cooperated with other organizations in like programs. Seven have cooperated in the celebration of the U. S. Constitution Sesquicentennial by pageants, plays, lectures, programs, etc.

A very interesting and outstanding fact in this report is that over 90 per cent of the members of these twenty-one chapters cast their ballots at the November 1938 election.

REPORT OF D. A. R. MAGAZINE CHAIRMAN

FRANCES W. HAWES

It is with great pleasure I wish to report the interest in the National Historical Magazine of the D. A. R. is constantly increasing. This has been shown by the chapter chair-

men reporting the study of the Magazine regularly in their meetings, and the increase of the number of subscriptions going into the public libraries so not only our organization can take advantage of the reading material, but also the public in general. That has been one of the goals of the state chairman for this year. There have also been more members subscribing together than reported previously. All this has been due to the constant improvement of the Magazine, and the cooperation of the chapter chairmen.

From the records and reports there are a total of 182 subscriptions in the State of Kansas. The number of each chapter is as follows:

Peleg Gorton	15
Emporia and Topeka	10
Newton and Oceanus Hopkins	8
General Edward Hand, Susannah French Putney, and Betty Bonney	7
Desire Tobey Sears, Jane Dean Coffey, Phebe Dustin, Wellington and Wichita	6
Capt. Jesse Leavenworth, Mary Wade Strother and Uve- dale	5
Betty Washington, Courtney-Spalding, Eunice Sterling and Polly Ogden	4
Abilene, Atchison, Concordia, Council Oak, Molly Foster Berry and Smoky Hill	3
Ft. Larned, Ft. Supply, Henry Dawson, Lois Warner, Nathan Edson, Samuel Linscott and Sarah Steward	2
Christiana Musser, Esther Lowrey, Frederick Funston, Hannah Jameson, Isabella Weldin, Neodesha, Olathe, Randolph Loving, Rhoda Carver Barton and Ster- ling	1

I regret very much I must report seven chapters without one subscription: Arthur Barrett, Baxter Springs, Dana, Jonathan Gilbert, Martha Loving Ferrell, Martha Vail and Dodge City.

As you observe above, the largest number of subscriptions goes to Peleg Gorton, and I want to congratulate Mrs. Nell Cloud Curtis for her outstanding work as Magazine Chapter Chairman. Mrs. Frank L. Gilson, 801 West 12th Street, Emporia, is still subscribing to the Magazine after 22 years.

Next year we hope to report increase of subscriptions; every Chapter subscribing to the Magazine, and each Regent receiving it personally. This keeps us so much closer in touch with the National Society of D. A. R.

RADIO

MRS. CLARENCE H. ENGLE

Another year has been completed on Radio and many interesting and varied programs presented.

On September 17, Constitution Day, Judge Hugo D. Wedell spoke on the "Constitution" over WIBW. A transcript of this talk was sent to Mrs. F. Leland Watkins, Vice-Chairman of the National Radio Committee.

On October 6 Mrs. C. F. Eckelman, Chairman of Good Citizenship Pilgrimage, spoke over KFBI.

Mrs. Wesley L. Prosser, Chairman of Junior American Citizens, spoke over KGNO on December 9 and repeated the talk on December 29 over KCKN.

A talk on "Occupational Therapy of the D. A. R. at Ellis Island" was given by Mrs. J. W. Kirkpatrick over KFH on December 14.

On March 4 Mrs. Glenn Zimmerman, Chairman of Advancement of American Music, had charge of a musical program over KFBI which featured the work of a Kansas composer.

I am sorry the notices of national programs do not arrive in time to give them statewide publicity.

I wish to commend the work of Miss Mary Ellen Parker, Radio Chairman of the James Ross Chapter, for the series of programs she arranged over KCKN.

I wish to express my appreciation of the splendid cooperation of the Regent and the chapter radio chairman, the speakers, and the courtesy of the radio stations which have made these programs possible.

REAL DAUGHTERS

EFFIE HIATT VAN TUYL

It is with deep regret that I report the passing of one of our Real Daughters; Mrs. Mary Poole Newsome; which occurred at her home in Gibson, Georgia, February 11, 1939. One more link with the past has been severed and we have only two of our Real Daughters left. I had a notice of her death, published in our local newspaper.

I have attended to the correspondence connected with this committee and written to each Chapter in Kansas, giving a complete outline of this work. Have had names and addresses of our Real Daughters published.

In reply to my 51 letters to Chapters, have received reports from 12, as follows:

The Regent of the Emporia Chapter gave a talk and short biography of each Real Daughter at the November meeting, also sent Christmas cards. Birthday greetings were sent by the Regent of the Molly Foster Berry Chapter. Christmas cards, Birthday greetings and Easter cards sent by the Regent of Eunice Sterling Chapter. The Regent of Peleg Gorton sent notices to her members asking cooperation and sent cards at Christmas and Birthdays. Smoky Hill Chapter remembered them at Christmas, Easter, Birthdays and Valentines Day. Jane Dean Coffey Chapter sent Birthday greetings.

The Chairman of the Captain Jesse Leavenworth Chapter sent 20 postal cards to members, with the following response: 3 Christmas gifts, 30 Christmas cards, 20 Birthday greetings and 3 New Years cards.

Received letters from Kansas City, Kansas, Fort Supply Trail, and Martha Loving Ferrell Chapters, recognizing my communications. Kansas has contributed 101 cards and 3 gifts.

I want to thank the members of the Chapters who have responded, and have helped to brighten the last days of our honored and beloved Real Daughters.

I have enjoyed the work, and hope for a better report next year. Each Chapter in the State has an outline of the work and it will not be necessary for me to send further instructions, unless notified by our National Chairman.

SHAWNEE MISSION

MRS. WAYNE F. SHAW

At the Sixth Annual Pilgrimage to the Shawnee Mission on September 21st, 1938, and through the year the following gifts were presented, dedicated and placed in the Daughters of the American Revolution rooms.

Mrs. Loren E. Rex presented a framed piece of the dress Mrs. Guernsey is wearing in the picture that hangs over the mantel.

Two Shawnee Mission pitchers honoring Miss Louise Scott and Mrs. Wayne F. Shaw.

A copy of the History honoring Mrs. R. B. Campbell.

A framed Centennial Map of the Mission hung in honor of its compiler, Mrs. Dorothy Berryman Shrewder.

A hand-lettered copy of a Kansas Creed which was written by Mrs. H. E. Don Carlos, given by the C. A. R. Chapter to Mrs. Rex. The hand work was done by their director.

A framed copy of the Mission postal card and a deck of Mission Centennial playing cards.

The Wichita Chapter is very grateful to the State Officers who joined together to secure the funds to frame the picture of Mrs. Loren E. Rex, State Regent 1934-1938, Chaplain General 1938-1941.

The General Edward Hand Chapter of Ottawa presented a portrait of Miss Catherine Campbell, State Regent 1921-1924.

A patch work quilt made during the Civil War by the mother of Miss Jennie Brooks.

The Oceanus Hopkins Chapter in Pittsburg, through a member, Mrs. R. R. Emmett, presented to the museum an old coffee grinder. This coffee grinder belonged to Thomas and Mandy Northup. Mr. and Mrs. Northup were newly married when they came to Kansas in 1874 from Illinois, bringing this coffee grinder with them in a covered wagon. They settled on a farm near Pittsburg.

The Olathe Chapter in Olathe presented a canteen and knapsack which were carried in the Civil War, six hand-made caps, one lace fischu, one silk fischu, a pair of lace mitts and a dress which had been worn by the mother of Miss Andria Granger of Fairbault, Minnesota, who gave all the above-mentioned articles to the Olathe Chapter. The garments are of the period 1830-1870. Also two newspapers dated 1830 and 1831.

The Betty Washington Chapter in Lawrence through Mrs. S. W. Atkinson, placed two hand hooked rugs in the rooms.

Fort Supply Trail Chapter in Ashland gave \$1.00 in cash.

The greatest need at this time for our Shawnee Mission rooms is glass display cases to protect and exhibit the smaller gifts that are now in our possession.

The committee is working on a complete listing of all gifts that have been donated since the exhibition of articles in the Daughters of the American Revolution rooms at the Shawnee Mission.

TRANSPORTATION COMMITTEE

(Mrs. Lou B.) EDITH CARR NAYLOR

This committee work is not burdensome. Most of our members drive to the State Conference.

I will be glad to assist anyone going to Washington plan their trip. We have been asked to join the Missouri delegates in St. Louis or the Illinois Delegates in Chicago. It is always interesting to travel with a group.

VALLEY FORGE BELL

(Mrs. A. J.) RUTH N. BERGER

As State Chairman of the Kansas State Bell in the Washington Memorial National Carillon at Valley Forge, I submit the following report on contributions received since June 1st, 1938. Several splendid contributions were received by the State Treasurer after the close of our State Conference last year and prior to June 1st. I believe almost all of these contributions were reported by the Chapter Regents in their reports given last spring at State Conference and the contributions were made during the time Mrs. Hutchins served so efficiently as Chairman of this committee.

Last July the Washington Memorial Association advised us that it would require \$251.39 to complete the fund for the Kansas State Bell, so this amount was set as our goal. Miss Seelye, it gives me great pleasure to report this project completed during your first year as State Regent, and I trust the day will be one of joy and happiness for you when you dedicate the Kansas Bell at Valley Forge.

KANSAS SOCIETY CHILDREN OF THE AMERICAN REVOLUTION

MARIE SELLARS, State President

The C. A. R. is not "just another club"; it is essentially a training organization — training for patriotism and American citizenship just as our Sunday Schools train for Christian citizenship.

The Kansas State Society, composed of the five Societies of the state, was organized March 29, 1938, at Pittsburg, with the National President, Mrs. W. H. Pouch, present and presiding. The year of 1938-39 has been mostly one of organization. Four State Promoters have been appointed and two Organizing Presidents; and one new society has completed organization. This is the "Kickapoo Corral Society" of Winfield with Mrs. J. W. Lane as Organizing and Senior President. State Chairmen for eight committees have been appointed also, and a card index of all present and past C. A. R. members started. The present membership of the Society is eighty-two.

On March 12, 1939, the National President, Mrs. W. H. Pouch of New York City, visited the Kansas Societies and was guest at a luncheon held at Wellington at which time all adult leaders, C. A. R. members and their parents were invited to hear Mrs. Pouch speak. Those present were interested in the many activities of the organization that she outlined, and found her a very entertaining and charming speaker.

During this past year the six Kansas C. A. R. Societies have donated to the Kansas Bell at Valley Forge Chapel, thus making a 100 per cent response to this worthwhile project; two Societies contributed to Tamassee, and two to the C. A. R. Building Fund; and five contributed to the "corsage" of money presented to Mrs. Pouch at the luncheon. This was donated by her, in the name of the State President, to the Milk Fund at Kate Duncan Smith School in Alabama. Two Societies donated to local projects, and three Societies had programs on the U. S. Constitution for the Sesquicentennial Celebration.

The first State C. A. R. Conference is planned for fall, and it is hoped that since the State Society is now organized and on a functioning basis, the C. A. R. will advance rapidly in Kansas with an active participation by all local groups in the program and projects of the National Society.

APPROVED SCHOOLS COMMITTEE

LUCINA JONES, Vice-Chairman

As National Vice-Chairman of the Approved Schools Committee in the Western Division, my work is with the Chairmen of five states, namely—North and South Dakotas, Nebraska, Colorado, and Kansas.

It has been my hope to interest the chapters of these western states in contributing toward some definite objective at the schools rather than just sending the total amounts to be placed in a more or less general fund, especially at Tamassee D. A. R. School and the American Indian Institute. This is being done, I think, at the Wichita, American Indian Institute, and the boys known as the D. A. R. boys are Henry Cook and Theodore Boles. Henry is a junior at the University and Theodore, a freshman, is enrolled in the College of Fine Arts with Dean Lieurance. I am informed his grades are excellent. They are one A, four B's and one C. Mr. Muir thinks it exceptionally fine from a boy of the Kickapoo tribe, a tribe that has been slow to accept the advancement in culture.

I have given one radio talk for the Kansas Society, and it is my hope to visit one or more of the schools this summer.

To Miss Seelye, Regent of the Kansas Society, I wish to express appreciation for the many courtesies extended to me. Thank you.
