FOREWORD

This Directory is intended to record full names, addresses and ancestral records of all members of the N.S.D.A.R. in Kansas on October 1, 1955. Those admitted at the October Board Meeting are listed in the Addenda.

Each Chapter Registrar has been responsible for the records of her own Chapter. The State Registrar wishes to express her appreciation to the Chapter Registrars and to the State Regent, Mrs. Abels, for their cooperation.

It is hoped that each member, and the Regents and Registrars of each Chapter will carefully examine this Directory and compare with their records and advise the State Registrar of any errors or omissions, in order that they may be corrected in the files.

Gladys Schmutz Beal (Mrs. Forast)
State Registrar, 401 W. 2nd St., Junction City, Kansas

CHAPTER REGISTRARS ATTENTION

The State Registrar has a card index system, listing in alphabetical order the record of every member of every chapter in Kansas. She asks that she be notified immediately of every change in your membership, whether a member is transferred from your Chapter, is dropped, resigns, dies, marries or changes address, or a new member is admitted, either by acceptance of her application papers by National or by transfer to your Chapter. If the information is copied from the application papers before being sent to Washington, it can be sent to your State Registrar as soon as the acceptance is received and not wait for the return of papers.
