#### THE PLEDGE ALLEGIANCE TO THE FLAG

I Pledge Allegiance
to The Flag of the United States of America
and to the Republic for which it stands—
one Nation under God, indivisible,
with Liberty and Justice for all.

-Francis Bellamy

#### THE NATIONAL ANTHEM

Oh! say, can you see, by the dawn's early light, What so proudly we hailed at the twilight's last gleaming. Whose broad stripes and bright stars thru' the perilous fight, O'er the ramparts we watched were so gallantly streaming. And the rockets red glare, the bombs bursting in air. Gave proof thru' the night that our flag was still there; Oh! say, does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

Oh! thus be it ever when free men shall stand Between their loved homes and the war's desolation; Blest with victry and peace, may the heav'n rescued land Praise the Pow'r that hath made and preserved us a nation; Then,\* conquer we must, when our cause it is just, And this be our motto, "In God is our trust."

And the star-spangled banner in triumph shall wave, O'er the land of the free and the home of the brave.

#### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom; equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag, and

to defend it against all enemies.

-William Tyler Page

#### OBJECTS OF THE NATIONAL SOCIETY DAUGHTERS OF THE AMERICAN REVOLUTION

(1) To perpetuate the memory and spirit of the men and women who achieved American Independence, acquisition and the protection of historical spots, and the erection of monuments; by the encouragement of historical research; by the preservation of documents and relics, and of the records of the individual service of the Revolutionary soldiers and patriots; and by promotion of celebration of all patriotic anniversaries.

(2) To carry out the injunction of Washington in his farewell address to the American people: "To promote, as an object of primary importance, institutions for the general diffusion of knowledge," thus developing an enlightened public opinion, and affording to young and old such advantages as shall develop in them the largest capacity for performing the duties of American Citizenship.

(3) To cherish, maintain, and extend the institutions of American freedom, to foster true patriotism and love of country, and to aid in securing for all the blessings of liberty.

#### INSIGNIA

The insignia of the National Society shall consist of a badge in the form of a spinning wheel and distaff. It shall be carried only on the left breast.-National By-Laws, Article XIII.

The insignia should be accorded the place of honor on all forms of stationery, programs, year books, and conference reports. It should be either at the top center or the upper left hand corner, without any wording whatever above it.—D.A.R. Handbook, Page 62.

#### CHAPTER OPENING D. A. R. RITUAL

Gavel.

Regent: To perpetuate the memory and the spirit of the men and women who achieved American Independence; to promote the development of an elightened public opinion, and to foster patriotic citizenship;—these are the objects of our Society, Daughters of the American Revolution.

Chaplain: Guard that which is committed unto thee.

Response: Yea, I have a goodly heritage.

Chaplain: Thou shalt remember all the way which Jehovah thy God hath led thee.

Response: Blessed is the nation whose God is Jehovah.—I Timothy 6:20, Psalms 16:6, Deut. 8:2, Psalms 33:12.

Chaplain (or collect) Our Father in Heaven, we thank Thee for Thy guidance and for Thy abiding presence in the life of our country. We thank Thee for all those yesterdays of our human race whose lessons and fulfillments have become a heritage to us. Continue, we pray, Thy blessings upon this nation, that all who are a part of it may learn true nobility of manhood and womanhood.

Grant us growth in understanding and increasing devotion to righteousness. Amen.

## THE BEAUTY OF THE LAND IS YOURS Read by Mrs. Baber at end of Speech

The Beauty of the Earth is a tremendous source of support A Resource of the Human Spirit
It is made up of many things . Fields, Streams, Plains, Woods Wildlife, Lakes, Waterfalls and Oceans
It is a Beauty that changes with the hours of the day With the Seasons of the Year
With Sunlight—With Fair and Stormy Weather
We, are the Trustees of the Beauty of the Out-of-Doors.
It is our obligation to pass it unimpared to Posterity.

To Me—The Maintenance of this Beauty is Conservation, for just as conservation of Soil, Water, Forests and Wildlife has for its purpose an adequate living, so the conservation of beauty has for its purpose a richer life.

#### MEMORIAL SERVICE

Organ Prelude Bugle Call

In this hour of remembrance, let us with quiet and serene hearts give tribute to our departed members. They have seen the light of God's presence, and have climbed the Great World's Altar stairs that slope through darkness up to God. In the book of Proverbs we are told that "The spirit of man is the Candle of the Lord." Those whom we honor today have given us the light of their candles which now shines over our shoulders from the past. The memory of their loyalty, of their willingness in service, of Christian example fills us with a glow and warmth that will never perish, and that we will ever cherish.

This time of remembrance would be but a hollow passing of an hour if we made no new resolves. As we seek to pay lasting tribute, and if this is to be a worthy memorial, may we find some new great adventure of love and giving for others. Thus we will create the finest of living memorials to those from whom we are separated for awhile.

Let us turn to the Scriptures:

"In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you.

"And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

St. John 14:2, 3 "And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and He shall dwell

with them, and they shall be His people, and God himself shall be with them, and be their god."
"Come unto me, all ye that labour and are heavy laden,

"Come unto me, all ye that labour and are heavy laden, and I will give you rest."

Matthew, 11:28

#### Let Us Pray:

Our Father, we are met here to place in hallowed memory the names of our departed members, and we ask for comfort in our loss. We dedicate this hour to those we have known and loved, and ourselves to renewed faith in Thy promises. We are grateful for the companionships and friendships we have shared, and pray that by Thy grace we may gladly give of our lives and our talents as have they. May we prove worthy of their inspiration and their endeavor. Exhalt each of us with the truth of Thy Divine Purpose, and lead us each in the way of that purpose. Reassure us of Thy eternal love, and that love can never lose its own. Teach us anew that these bodies of flesh are but garments of the eternal, and give us triumphant assurance that laying aside these garments give us a new freedom to put on fresh robes, eternally to wear Thy joy, forever to be clothed in completed understanding of Thy love.

This we ask in the name of Thy Son.

AMEN

Vocal Music

Meditation......Mrs. Nelson Kilbourn

There is a love far greater than you know,

There is a landscape broader than the one you see,

There is a haven where storm-tossed souls may rest-

You call it death; we call it immortality.

Immortality, like Love, cannot be defined. Because our friends have walked among us and with God here on earth, we are persuaded that they now walk with Him beyond the stars. For it is written:- "Eye hath not seen, nor ear heard, neither hath entered into the heart of man, the things which God hath prepared for them that love Him."

By the magnetism of faith, we can be lifted out of the lonely valley of desolation and shadow into the realm of heaven. And, with this faith, our weeping and our lament will be stilled by the holy hush that will encompass us under the stars, reminding us of our eternal origin and our far destiny.

Somewhere beyond the stars there is a Love

That is better than fate,

When night has unlocked her bars we shall see God-

And so we wait!

We look back in thanksgiving to those who have inspired us to better and more courageous living, whose love and service knew neither bounds of distance or labor. We look forward with expectancy and hope.

By the radiance of their daily living and by their gentleness and sensitiveness to the needs of others, our sisters have left precious memories and have released new impulses in our hearts. May this prayer by Dr. Peter Marshall be ours:—"Grant that this day of hallowed remembrance may be the beginning of a new day of life for each of us: a new kind of living that shall be the best answer to the confusion and to the challenge of evil in our day." The white purity of the flowers at the altar symbolize new hope and new life. Think upon their beauty, and message, and the promise of eternal life.

"So let not our sadness fill the air;

Rather in triumph, let our praise declare,

They live and love and serve

In realms where all is fair-

Taps

Benediction

"The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore."

-Psalm 121:8

Now may grace, mercy and love abide with you all, now and forever more. AMEN

#### For Evil To Triumph, Good Men Need Only Do Nothing

Today in these United States we are living in a new era. These are critical and dangerous times, urgent times. An alien philosophy imported from the old World has entered our land, a philosophy diametrically opposed to everything we hold dear, to our priceless heritage, to our constitutional government. This foreign ideology with the avowed intention of the domination and eventual enslavement of the entire world presents a clear and present danger to the security of the United States and the existence of free American institutions. This is a battle for men's hearts and minds, a battle as deadly as combat and more difficult to wage as the battle line does not run clear and sharp. This is a battle between light and darkness, right and wrong, freedom and slavery, religion and atheism.

The foe that besets us is the most diabolical and merciless ever to assail the human family. Never has the cause of freedom and the liberties to which our American forefathers dedicated their efforts been so endangered as now. The world revolutionary forces—the forces of the anti-God which communism has fashioned—are completely ruthless and cynical and violently fanatical in their atheism. By whatever methods required—from de-

ception to force—they purpose the conquest and enslavement of every free nation.

During the last 14 or 15 years, most of the continent of Asia, and most of the European land mass have fallen to the Communists. They have obtained foundations throughout the Middle East and have now entered the Caribbean and established a platform, a foundation for their military and political might in the Island of Cuba.

One fourth of the land surface of the world and One third of the people of the earth are now controlled by the world-wide Communist bloc. Consider how Communism has grown in our lifetime. In 1917 there were only about 50,000 Communists in the world. Today approximately one billion people are under the iron heel of these ruthless tyrants. They have only to double their present gains and practically the whole world will be theirs. No wonder Khruschev boasts that our grandchildren will live under Communism. Only America stands in his way.

Too, we are faced with that total war in a day of nuclear weapons, weapons that could destroy our civilization. Billions of dollars must be continually spent by us to increase and improve our defenses in order to keep in the race with the Soviet Union. No one who evaluates the threat of the Soviet, in terms of a military conflict, would under-rate the need for this development.

But, what happens to our Country from internal threats, in this battle of ideas? The struggle in this world today is not who is going to make more rockets and more missiles, though they will count for something. More important are the minds and the hearts of men. To be preoccupied with the danger of possible atomic destruction and to forget the deadly dangers facing us from within would be folly indeed.

We can lose if our people deny, through indifference and neglect, their personal responsibilities for our security. The greatest danger today is the apathy, the ignorance and the lack of interest of our citizens in the dangers around about us, dangers that could destroy our Constitutional Republic. Public indifference to this threat is tantamount to national suicide.

One of the important steps in the Communist program is to capture the minds of our Youth. As J. Edgar Hoover has said: "Our greatest asset is the youth of America, and whoever and whatever wins youth wins the future of America."

The problem we face is not for ourselves, it is for our children. We have not taught our children to love their Country. We have not given them a sense of belonging to a Country in which their forefathers and they have found and can find the freedom to live as they choose, to live as their hearts and their souls direct them to live.

What are the influences that direct our children, those future citizens who will someday guide our Country's destiny? They are primarily three fold—the home, the church and the school. Generally speaking, the greatest of these has become the school in that it controls a large part of the time of our Youth.

In a recent questionnaire, two thirds of 687 American teenagers answered "no" when asked "Is patriotism an important part of your life?" Now patriotism is not born in children. Patriotism,

like anything else, has to be taught and to be taught effectively, it has to permeate all of our school books and it has to be lived sincerely by both parent and teacher.

All nations worthy of the name have been built on the patriotism of their people, particularly their young people. Many nations have been quickly pillaged and destroyed, when their people lost the ideals of patriotism and service to their countries.

A few years ago a handful of educators affected a change in our schools in an attempt to undermine the "American Way of Life" through revolutionary educational doctrine. History, citizenship, geography, government, economics, sociology and other distinctive fields of knowledge, hitherto separate subjects, were fused into a hopeless maze of information called social studies.

These educators advocated a revolutionary change in the very purpose of public education—a shift from the educational objective of imparting factual knowledge, to the political objective of indoctrinating the child for the remaking of society. In other words, to bring about a new social order.

As a result our history texts are prone to emphasize America's flaws and faults, to accentuate the negative. American culture and achievements are talked down. Class struggle is highlighted.

The great strengths, accomplishments and potentialities of our government, our economic system and our social arrangements are minimized. The philosophy which has made America great—rugged individualism, private enterprise, pay as you go, live within your means, is rarely found in these texts.

One of our Country's strongest beliefs has been the local control of public schools. Thus at the local level, in the home town, it is the responsibility of parents and citizens to see to it that textbooks on American history be provided, textbooks that present American history in terms of free enterprise, that tell the story of our Constitutional Republic, of the American fact and of the American dream. When parents and schools ask for realistic textbooks in American history, the publishing companies will see to it that the schools get them.

Men and women should be perfectly free to write as they wish—that is a part of the price we have to pay for freedom. But we should exercise the right to protest if only a social interpretation of history is taught in our schools from textbooks in which patriotism and genuine nationalism are seldom, if at all, mentioned or if mentioned, are described as an eccentricity or a kind of extravagant emotionalism.

The Korean War dispelled many an American illusion, the greatest disillusionment being the sad spectacle of Americans taken as prisoners of war. Almost one out of every three American prisoners of war collaborated to some degree with the Communists. The American prisoners of war were at a disadvantage because they knew less about the ideals and traditions of their own Country than did their Communist interrogators. The Communists played upon the Americans' lack of knowledge of factual American history, political history and principles of government aside from their hazy knowledge of right and wrong.

The launching of the Sputnik by the Russians stirred the

American people to an examination of the subjects taught in our schools and brought home to them the growing need to stress not the social but the intellectual in education.

Many parents and too many teachers share the belief that membership on the dance committee or any student activity are matters of equal priority with the difficult business of achieving an education. Learning how to think is, in the minds of many parents, less important than learning how to be popular or how to get along.

A level of education based on average ability and ambition will produce a nation of mediocre citizens. During the past few years the Soviet schools have improved markedly in imparting foundation knowledge so essential to the training of engineers, scientists and other skilled leaders in a space age. While conceding Russia's output of scientists and engineers, United States educators are fond of a theory that Soviet schools suppress the humanities. In a recent book "What Ivan Knows That Johnny Doesn't," Professor Arthur S. Arace, Jr., member of the Russian Study Center at Cleveland's John Carroll University, argues that Russian children get "vastly more thorough training in the humanities."

In the United States there is the too prevalent high school system of allowing a 13 or 14 year old youth to choose most of his studies. Naturally he chooses the easy ones. Our Youth must be taught that success is only attained through hard work.

In 1959 the Communist Party launched a major campaign with youth as its target. A new Marxist youth organization, Advance, was organized in New York City, with a Marxist youth publication, "New Horizons." Immediately campuses and schools throughout the Nation became prime targets for Communist infiltration and recruitment. A lecture bureau with Communist Party spokesmen seized every opportunity to project their views on campuses across the Country.

How effective they have been is well illustrated by the student riots against the House Committee on Un-American Activities in San Francisco. Months before the committee arrived in San Francisco plans were drawn up by high-ranking Communist leaders and instructions were issued to the contacts on the college campuses in the area. What happened in San Francisco is told by the motion picture "Operation Abolition," which has been viewed by thousands and thousands of Americans—many of whom now realize for the first time that "it can happen here."

There has been a tremendous effort to discredit this motion picture "Operation Abolition." Communists, left-wing newspapers, fellow travelers, including churchmen, professors in colleges and even members of Congress, are promoting charges that the film does not present a truthful picture of the rioting.

George Christopher, Mayor of San Francisco, and an eyewitness of the riot, states in the San Francisco Examiner May 18, 1960, that in his opinion the riot was directed by trained Communist agitators.

Judge Albert A. Axelrod, presiding judge at the San Francisco Municipal Court, where those arrested at the riots appeared, made the statement that he very definitely agreed with the view of FBI Director, J. Edgar Hoover, that the city hall riot was instigated by Communist subversives.

The successful exploitation of youth and student groups by the Communists is a major challenge which the free world must meet and defeat.

On June 28, 1961, the Senate Internal Subcommittee made public the testimony of Erving Fishman, Deputy Collector of Customs for the port of New York. Packages of Communist propaganda mailed to the United States in 1960 increased 137 percent over the previous year to a total of over fourteen million as against six million in 1959. These packages contained over twnety-one million items, newspapers, magazines, books, pictures, posters and other materials sent from Communist lands to subvert the United States. This material is directly aimed at young Americans, at college students, as well as Eastern European emigrants who are just beginning to put their roots down in America. A barrage of this propaganda flows through the United States Customs everyday and is then distributed throughout the Nation by the Post Office Department. And the barrage is intensified month by month. Cuba is now acting as a point of origin and a point of transmission for Communist material directed at the United States.

The little control that was being exercised over this Communist conspiracy literature was abandoned on March 17, 1961 when President Kennedy ordered an immediate halt to the practice of intercepting some of this propaganda. Congressman Frank T. Bow of Ohio said: "No other country in the free world permits Moscow's propaganda to be delivered at the expense of its own taxpayers." Is it any wonder Moscow is winning. To remedy this situation, on March 21, Congressman Walters introduced a bill in Congress to resume the interception program and create a controller of foreign propaganda in the Customs Service.

Particularly unfortunate is the fact that many youth and student groups in our Nation today are unaware of the extent to which they can be victimized. If our youth come to truly understand the value of the heritage given to us, bequeathed to us, I am sure that then they will realize the vital importance of defending and maintaining the wonderful freedom we have in this Nation and to fight against subversive activities of the Communist apparatus.

From the ranks of our young people will come our presidents, statesmen, members of Congress, professors, writers and churchmen. All our hopes for America and for freedom are bound up with our hopes for the future of the Nation's youth. We must not fail them. Only our apathy and laxity can cause such a failure—the apathy, complacency and indifference of parents and school administrators. We must understand the true import of this threat to our heritage and combat it with every weapon at our command.

A ray of hope in the college picture is seen by the formation of groups of conservative and anti-communist students on college campuses. It would seem to be that the young college generation of America may be at the beginning of a big swing, this time away from the state welfare idea and are looking with favor on more freedom and responsibility for individuals.

When the National Defense Education Act of 1958 was being attacked by university presidents because it required a loyalty oath from students availing themselves of government tuition subsidies, undergraduates responded by forming a National Student Committee for the Loyalty Oath.

At a conference in Sharon, Connecticut, on September 9-11, 1960, Young Americans for Freedom was founded. This is a nationwide conservative youth organization open to all conservative and anti-communist youth between the ages of 16 and 35. At present Young Americans for Freedom has active chapters in every state of the Union, on 115 or more campuses and in many communities and has already far surpassed initial expectations.

There is no need to emphasize that these young people are the future leaders of the Nation. Only a year or so ago the Left had a strangle hold on youth. There is now a growing determination amongst our young people to build America in the image of the Founding Fathers; a determination that more than lip services shall be paid to the dynamic and humanizing principles which made our Nation great and our people truly free. In these historically tragic days, this generation is our best and only true hope for the future. They must be made strong.

But there is a second great force in this picture concerning our youth and that is the church. The church, we are sorry to say, has failed in many respects. Its leadership in many cases has been so taken up with social and controversial legislative problems that they have neglected the first and all important task, that of ministering to the souls of men and women.

The church needs to turn its attention to the teaching of the Word of God and, above all, training our children in the things of God. The need for spiritual guidance is still the primary function of religion.

There was a time when our children received some moral and religious training in the public schools. In some states the recitation of the Lord's Prayer and the reading of Holy Scripture is forbidden on the ground that doing so would violate rights guaranteed by the Constitution. What would our Founding Fathers have though of these court decisions? Due to the protests of certain groups in this Country, school administrators have capitulated to the exiling of Christmas from the classrooms. No longer will Christmas pageants be presented or Christmas carols be sung.

During the latter decades of the last century, the McGuffey Readers molded the minds of millions of our children. Our children acquired a taste for the better things in literature but more important the McGuffey Readers had a moral effect upon the pupils who studied them. While they are devoid of preachments, the McGuffey Readers have a religious tone, and would still be in general use in our schools but for the influence of the late John Dewey and his followers.

This Country was founded upon a belief in God. In 1892 the Supreme Court ruled "this is a religious Nation." It reiterated this statement in 1951 when it said, "We are a religious people whose institutions presuppose a Supreme Being," and went on in this decision to reflect that the traditional concept of our Nation was

founded on a fundamental belief in God.

The Soviet has banned Christ and Religion from its youth. Are

we going to allow this situation here?

The third institution is the home. In America today our freedom is in danger. If our freedom is to be preserved, it must be preserved through the efforts of responsible adults and responsible youth.

Reports tell us that teenage crime and arrests have doubled in the past ten years; we know that something is happening to many

of the younger generation.

Many young people would answer quite earnestly and truthfully the question so often asked, "What is wrong with today's youth?" They would answer concisely with strong conviction, "Parents." And there may be a great deal of truth in that answer whether we like it or not.

If we can find good reasons for doing ourselves what we insist our young people do; if we can be consistent and mean what we say; if we can be companions and not merely disciplinarians, we will have gone a long way toward responsibily guiding our children. The parent who neglects the area of understanding, who fails to explain and demonstrate what loyalty, self-government and belief in God really mean to us in this world, is failing not only himself but his children as well.

Many parents concentrate so much on maintaining or elevating a "standard of living" that they lose sight of the basis of fulfillment. When a religious faith is lacking, when true values, moral principles and self discipline are unknown, a youth is in much greater danger than he would be if he suffered from economic deprivations. We must realize the importance of teaching our young people all phases of character and spiritual growth. We must demonstrate by example the principles and ideals which we cherish.

Our forefathers have given us a system of government under which we may govern ourselves through representatives of our own choosing. Because it is a government by the people, it can be no better than we, the people, are willing to make it.

It is important that we plan ahead and work toward preparing

our young people today to be leaders of tomorrow.

Never before has the need for our historical, patriotic and educational work been greater. So few of our people have made the understanding of government important enough for them to realize the dangerous forces from within, chipping away at our Constitutional form of government. It is our complacency—the desire to continually conciliate—to let well enough alone—while the hoodlum, nihilist, or well-meaning but misguided individual attempts to pull down or beat down our republican form of government, while assured of his own safety and security under this government.

There are still people who look upon the threat of Communism as a bad dream or as a huge balloon that will soon burst and disappear. We must recognize it as the greatest threat that has ever faced our nation from within and without.

An FBI agent, an expert on Communist tactics, recently said, "It is my sincere and honest opinion that never before in the

history of the Communist Party of the United States has the situation been more critical for our form of government. The Communist Party in the United States today is more influential in economic, political and social circles than ever in its history."

It is the hope of the Communists, judging from their words and acts, that they can take over the world and yet keep intact both their own property and that which becomes theirs by conquest. Revolution and atomic war are within the present program of Russian conquest of the world; but if Russia can bankrupt us, or destroy us by internal dissension and division, so much the better.

The Communists and the Communist movement stand for their evil cause determined, deeply convinced and fired with a zeal which we have not been able to match because of lack of will and (understanding of the greatness we have) and which we should be fighting for.

World War II showed the world what our aroused Republic can do. The time has come again when we must waken our sleeping Country. We must face the idea that we are fighting for our lives. It is hard to believe that something so wrong can prevail over something so right as our free way of life. Freedom fits us loosely and comfortably and so we forget that it was purchased dearly and that we, too, must work to preserve it. We must awaken again within ourselves that hot war urgency that has been our salvation in the past.

A young man who escaped from Czechoslovakia came to the United States to plead with Americans not to make the same tragic mistake as that made by his countrymen. Here is what he said: "The same conditions exist in America today that preceded the downfall of my country. Everybody took it for granted that because we were a freedom loving people we could never lose freedom. We paid no attention to repeated warnings that the Communists were infiltrating into the heart of everything that affected our destiny. The majority of us went on living in our smug little worlds, too busy with business, parties, ski trips and the rest to realize the frightful penalty we were soon to pay for our neglect. One morning our bitter fate came upon us like a shot out of hell. We were helpless to do anything about it. Machine guns lined the streets. The government, the Army, the Schools, communications—everything had been taken over by the Communists overnight. Our one ambition is to warn you Americans not to make the same mistake."

Firm morale is of crucial importance to survival but instead of being strengthened in spirit, Americans are being enticed to continue basking in luxury and easy living amid the peril.

To gain the Republic we now enjoy, our ancestors risked their lives, their fortunes and their sacred honor. If we of this generation do not unite and act—speedily—we will irretrievable lose our Freedom so dearly and bequeathed to us to held in trust. Let us fight as fervently to preserve this Republic as our forefathers founght to create this Republic.

Our obligation, our responsibility it is to pass on our heritage to our children better and greater than we received it in trust. Will we keep faith with those who place in our keeping this sacred heritage? Or will we meanly fail and so bring about the destruction of this heritage? Are we willing to make the sacrifices and to meet the crisis? Are our souls growing withered and flaccid in the face of danger? Each must answer for herself for as one of the greatest statesmen of all times, Edmund Burke of England, has said: "For evil to triumph, good men, and may I include women, need only do nothing."

### THRU ALL THE YEARS

Time is just a little fleeter Friendship just a little sweeter, And the fruits of Memory mellows as the years., and years go by. Old friends seem a little dearer; Hearts to hearts a little nearer, When the leaves turn red and yellow Underneath the Autumn sky. Dreams with recollection tender Fill the heart with richer splendor, As the light gleams soft in falling thru some old Cathedral dome. And, to faults a little blinder, We grow just a little kinder, Friends we cling to may be fewer, But the love for them is truer, For we know life's richest treasure To be friendship that endures. And the old friends all grow dearer As we see with eyes grown clearer That joy's gladdest, fullest measure Is a friendship such as yours. So I smile a little longer, And the Pull's a little stronger On my heart-strings as I sit and dream Of some old friends and true. My eyes a little brighter; And my heart a little lighter, for the mellow lights of memory gleam Along the trail to you. And if time's a little fleeter, Friendship's just a little sweeter, And the story of its splendor, always old and ever new. How the years make old friends dearer, Hearts to hearts a little nearer. Till with friendship grown more tender I am telling this to you. Poem read by Mrs. Kirkpatrick

### Commendations

WHEREAS, leaders in every field of endeavor, alert to communist threats, are putting forth supreme efforts to protect and preserve individual rights,

### REPORT OF STATE REGENT TO 1962 CONFERENCE

It is with mixed emotions that I make my last report as your State Regent to this Conference. I recall with gratitude the kindnesses heaped upon me on the occasion of my official visit to your Chapters. I recall, too, those interesting, but long, treks to all of the autumn District meetings. As these years come to a close I fully realize that many of our members are dedicated to the three fine aims of our Society-Educationally, Patriotically, and Historically. Let us review, in part, our past year. Our membership committees have worked hard—but apparantly not hard enough—to establish a net increase this year. At times it would seem we were winning, but deaths and resignations would erase our advantage. A new interest has been felt this year in our Society throughout the state. It is with this in mind that I strongly recommend to the incoming administration the appointment of an Organizing Secretary. We need this Secretary whose work is the formation of new Chapters. The State Regent's calendar is too full to accommodate this extra work. Our State Project, the Kansas Chapel will be realized. With the Dedication of this Room on April 15th, in our Buildings in Washington will be included a lovely colonial Chapel for the use of all who care to enter for meditation and prayer. Mrs. White, you have been an inspiration to me—thank you. Roberta Kilbourn

### STATE REGENT'S REPORT TO THE BOARD OF MANAGEMENT

I would like first of all to thank all of you for your attendance at our Board meetings; for your important role in carrying on our DAR work with its important three-fold aims: of education for our young; instilling patriotism in young and old; and for perpetuating the study of history.

Since we are constantly suffering losses in membership through deaths and resignations, please Board Members, set up your membership committee as one of your most important. Remember the National Membership Slogan, At least, one good new member for every lost member.

I am happy to report that Kansas will have 3 pages in Washington this year. One from the Emporia Chapter, one from the General Edward Hand chapter of Ottawa, and one from our babychapter, Good-Land.

Please remember that if you have a resolution to be considered by the Resolution Committee that it must be in this evening, Thursday, March 1st. Miss Edna Wheatley is the chairman of this committee.

We have several out of state guests with us this Conference. Please show them that Kansans are friendly and interested in them and their welfare.

I will not read my itinerary to you at this time; you will find it printed in our Proceedings.

May I thank all of you again for your cooperation these three

years. I shall always value the friendships formed at this time.

Roberta Kilbourn

# REPORT OF VICE REGENT, 1962

Attended the Board of Management meeting last fall and all the District meetings.

Acted as Conference Marshall at the State Conference, also in

Washington in the absence of the Conference Marshall.

Presented the District Directors on Regent's Night at State Conference, at which time the Chapter Regents reported on their Chapter's most outstanding accomplishment.

Gave a report of Continental Congress to the Jane Dean Coffey Chapter on May 19, 1961 when they had a picnic and entertained

prospective members.

Attended a Leadership Training Conference July 10th and 11th, 1961 as the guest of the Oklahoma Society on the campus of Oklahoma University, Norman, Oklahoma.

Attended the Shawnee Mission Pilgrimage.

Worked with the District Directors in planning The District Meetings last fall and made the arrangements for the State Officers for the trip.

Compiled a Handbook for District Directors.

Guest of Cofachique Chapter on Nov. 20, 1961 when they entertained the State Regent, Mrs. Kilbourn.

"Thank you" to all the Chapters who have sent me their Year Books. They are each one different and it is most interesting to see how closely the years theme has been carried out.

I regret it has been impossible to accept all the lovely invi-

tations which have been extended to me this past year.

It is with regret that this is to be my last year to work with you as we are moving to Texas.

Madam Regent, I am happy that I have had this opportunity to work with you and your wonderful group of officers.

Mrs. Howard G. Doyle, Vice Regent

### STATE CHAPLAIN REPORT

I have attended all executive board meetings. It was indeed a pleasure to meet with so many of you at the Board of Management, and as I visited the four districts in October. To those who extended gracious invitations I thank you, and regret that I could not accept all of them.

This my final report as your State Chaplain, a time of summary and reflection. As a measure of the vitality and depth of the spiritual life of our State Society, we point with pride to the completion of the worship center in our National Building. Let it be recorded in all annals that in this turbulent and confused twentieth century, a group of reverent and patriotic women took pause to evaluate the spiritual needs of our Society, and furnished this beautiful room for meditation and prayer.

As I review the past three years, and as I have heard the reports of our work, I have a growing sense that we are on trial. The way of life that we have known, the ideals and high purpose to which we are dedicated are on trial before a world that judges us

in the harsh light of instantaneous communication. So we must sask ourselves if we are strong enough to stand and be judged. The answer must be that we are, but only can we be if we re-emphasize the eternal virtues of faith, love and honor in all that we do. Sunday worship is not enough. This way of life must be a part of the everyday living of each of us if we are to be a worthy example of our heritage. These time tested virtues never impede progress, they have always been a part of any worthwhile scientific or artistic advancement.

Let us answer the ridiculous cartoons, the disparaging editorials, and biased reporting with honor so bright, deliberations so wise, with truth and fairness so evident, and faith so devout that our Society is truely worthy of our past, and adequate for the future.

Madam Regent, it has been a great priviledge to serve with you and your fine officers. I thank you.

# REPORT OF RECORDING SECRETARY, 1961

As State Recording Secretary of KSDAR, I submit the following report to the State Conference.

This is my third and last year to serve the State Society as their Recording Secretary. It has been a rewarding office for it affords one the opportunity to understand all the phases of DAR work.

Following the 64th annual Conference in Manhattan, I began assembling the reports for the State Proceedings. It is the State Recording Secretaries' job to have the proceedings printed and distributed to those entitled to them under Kansas Standing Rules. They were also sent to State Regents designated by our State Regent Mrs. Nelson Kilbourn.

I also had printed all stationery, envelopes, post cards, blanks,

and ballots used in State business.

I attended the State Board of Management in Wichita, in October, the four District Conferences and the Shawnee Mission Pilgrimage in September.

In January I sent out blanks for the Regent's yearly report, with a request for a two hundred word report on each chapter's

work for the "Proceedings."

The two weeks preceding this conference was spent in having the programs printed after being compiled by our State Regent, Mrs. Kilbourn and Conference Chairman, Mrs. E. Carruth Owens.

I wish to thank the 56 chapters who sent me their year books and was interested to note how faithfully they had followed Mrs. White's theme "Of What Avail If Freedom Fail."

It has been a pleasure to serve under our State Regent, Mrs. Nelson Kilbourn and with this fine corps of State Officers. I want to take this opportunity to thank each one of you for the privilege you have given me to serve you and to call so many of you my friends.

Corinne Pearson, State Recording Sec.

### REPORT OF CORRESPONDING SECRETARY

Another year is over. Chapter officer lists were compiled for the state officers. Official notices were sent to chapters and also a letter regarding our Kansas Chapel was sent to the complete mailing list.

Official mail for the past year totaled 494 pieces plus other notes and cards.

I have one more official duty, that of sending the names and addresses of your new state officers to all chapters. This will make a total of 1530 pieces of official mail for my term of office.

A few chapters—five to be exact—have not sent me names of their chapter officers for 1962. Please, may I have these names right away?

Thank you for the privilege of serving as one of your state officers for the past three years. It has been a real pleasure working with our State Regent, Mrs. Kilbourn, and her executive board.

Mrs. E. Lawson May

### AUDITOR'S REPORT

We have examined the financial reports of the treasurer of the Kansas Daughters of the American Revolution for the year ended January 31, 1962. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the enclosed reports present fairly the fund balances of the Kansas Daughters of the American Revolution at January 31, 1962, and the results of its operations for the year then ended on a cash basis consistent with that of the preceding year.

### REGISTRAR

# Martha L. Prichard (Mrs. J. R. Prichard)

This is my third and last report to you as your State Registrar. I attended the Fall meetings of the Executive Board and the Board of Management and the four District Conferences: the Southwest at Wichita, Southeast at Neodesha, Northeast at Topeka and the Northwest at Council Grove.

Forty yearbooks were received from the chapters, fewer than last year. On January 1, 1962 I mailed the annual report blanks to the sixty-six chapter Registrars and fifty-seven were returned. Using the previous reports of 1960-1961, the information cards from the chapter Registrars and the lists received from the office

of the Treasurer General as complete and accurate report as possible has been prepared. Completeness depends on prompt reports from the chapters. Accuracy depends on prompt notification sent by the chapters to the Treasurer General of the deaths, resignations and transfer requests of its members. Upon the acknowledgement of these changes by the National office the State Registrar may record them in her files. I believe that this procedure has been more carefully observed this year. From the lists thus received this report of the past twelve months reads as follows:

Increase:

Increase:		
New members by verification	139	
Reinstatements	8	
Members transferred into the State	14	
		161
Decrease:		
Resignations	80	
Deaths .	66	
Dropped	13	
Transferred out of the State	21	
		180

A loss of 19.

There are 26 new Junior members and 13 Members at Large. The Necrology report to be heard at the Memorial Service was prepared. It has been very difficult to maintain a correct mailing list for the D.A.R. NEWS. An unusually large number of copies were returned to me marked as "Unclaimed," "Moved, Left no address" and a few "Deceased." All addresses were checked and found to be correct in the files indicating that no changes had been reported by the chapters. This has necessitated much correspondence. Your chapter officers will appreciate the courtesy of prompt notification given by the member and can then report to the State and National officers.

A new State Directory has been prepared and published. Again every effort was made to verify changes in membership and addresses. And we are happy to announce that the Directory was accomplished at a less cost than had been allowed for it by the 1961 State Conference. The correspondence carried on during these three years has been a pleasure to me and greatly appreciated. Your careful and prompt replies to my requests have been most helpful.

It has been a very great pleasure to have been associated with Mrs. Nelson Kilbourn, State Regent and with the members of the Executive Board and it is one that will be recalled very often in the years to come.

### **HISTORIAN'S REPORT 1962**

The historical work of the Kansas Daughters of the American Revolution during 1961 was more than usually extensive. In order to reduce the bulk to printable length I'll try to keep this report strictly factual—much as I would like to brag.

Eight chapters gave money gifts to the Americana Fund: Captain Jesse Leavenworth, \$2.00; James Ross \$2.00; Lois Warner,

\$1.00; Mission Hills, \$5.00; Neodesha, \$2.00; Shawnee, \$5.00; Wichita. 5.00; Wyandot, \$1.00.

Emporia Chapter and Topeka Chapter each reported the location of one grave of a soldier of the American Revolution.

Cofachique Chapter and some of the descendants of Elizabeth Swigert Mitchell, a daughter of a soldier of the American Revolutionary War, marked her grave July 8, 1961. This is located in the Iola Cemetery at Iola, Kansas.

Thirteen graves of DARs were marked by Kansas Daughters. Atchinson Chapter placed a DAR Lay Member Marker for Amanda Bowen, (Mrs. A. E.) Betty Bonney Chapter placed a DAR Lay Member Marker for Rhoda Eldora Swan Courtright (Mrs. P. L.) Byrd Prewitt Chapter placed DAR Lay Member Markers for Florence Day Buckbee (Mrs. John T.); for Margaret Ethel Forshee (Mrs. David S.); and for Lelah Shaw Stubbs (Mrs. Herbert W.). Dodge City Chapter placed a Lay Member Marker for Susie Turley (Mrs. Elmer D.) Emporia Chapter placed a DAR Lay Member Marker for Miss Violet May Haynes. Fort Supply Trail Chapter placed DAR Lay Member Markers for Bernice Brown Severe (Mrs. J. Virgil); for Anna Taylor Petersen (Mrs. Nils C.); for Mary Ethel Cosand Cauthers (Mrs. T. R.); and for Nancy Annette McNickle Berryman (Mrs. J. W.) William Wilson Chapter placed DAR Lay Member Markers for Georgene Wilson Zirkle (Mrs. C. I.); and for Bertha Newby Hutchins.

(Mrs. C. I.); and for Bertha Newby Hutchins.

On June 14, 1961, Eunice Sterling Chapter placed a bronze tablet on the Munger House located in Historic Cow Town at Wichita, Kansas. The tablet reads: "The Munger House First Wichita Home Built in 1868, Given by Eunice Sterling Chapter Daughter of the American Revolution. Restored by Eunice Sterling Chapter and Historic Wichita Inc." This has been a long time project of Eunice Sterling Chapter and is indeed an example of one of the objects of our society: "The acquisition and protection of historical spots."

Several DAR Chapters have participated with other organizations in placing historical markers this past year. This is valuable work and should make for good public relations for DAR on the local level. We do not claim these as our own markers, however.

Two historical tours were conducted in 1961: the Abilene Tulip Time Tour in April to the Eisenhower Museum, and the Shawnee Mission Pilgrimage in September. Both were well attended. The Abilene Tour was the first one held there by the Kansas Daughters of the American Revolution, and it gave promise of other fine ones to follow. The Shawnee Mission Pilgrimage already is an annual one.

The Observance of February 1962 as American History Month will be reported by the State Chairman of the American History Month Committee, Mrs. Bernhardt Schreiner. Most—but not all—DAR Chapters in Kansas report some observance.

Abilene, Arthur Barrett, Emporia, and Eunice Sterling Chapters had interesting historical articles in our National DAR Magazine during 1961. These were in addition to the purchased advertising from Kansas. We had fine historical publicity all over the state in newspapers, and on radio and television.

The last item of this report concerns the book "DAR Historical

Markers in Kansas 1961." Many of you saw this during the District Meetings last fall and at the state conference in Kansas City in March 1962. This book contains photographs of the DAR historical markers in Kansas on December 31, 1961. It also gives the wording on the markers, their location, and the date the markers were placed. This book is to be placed in the DAR State Library if it is acceptable to the Library Committee. The work done by the Chapter Historians and other Chapter Members has been wonderful. Obtaining these photographs and the accompanying information in many cases was hard work and expensive. Sometimes repeated photographs were taken in an effort to obtain clear pictures. The cooperation has been fine, only a very small number of Chapters have failed to see that their historical marker work is represented in this project. The work, while difficult, has already been useful and worthwhile; and it is hoped that the compilation will be of future value to cur society.

# REPORT OF THE STATE REPORTER, 1961-1962

The office of State Reporter seems to us to be a most challenging one. Since we took office three years ago we have strived to tell the DAR story in all communications media, and to work effectively with the State Chairmen in order to spread the results of our efforts.

DAR indeed has a glorious story to tell. The State Reporter's job is to see that it is told often and well. It seems the more time and energy we put into this endeavor, the more avenues we discover are yet to be travelled if the DAR story is to be accurately and impressively told to the public.

During the past year special emphasis was placed on publicizing the Shawnee Mission and Abilene Tulip-Time pilgrimages; the naming of our State Regent, Mrs. Nelson Kilbourn, to the national society ticket for election as Historian General; American History Month; all District Meetings and the Annual State Conference. Functions and projects of the 66 individual Chapters were a responsibility of the Chapter Chairman who worked closely with your Reporter in assembling press clippings and pictures for the permanent DAR files.

The three years of serving on the State Executive Board have been most rewarding. To know and to work with such dedicated DAR members has been an irreplaceable experience.

Respectfully submitted, Dorothy Ingling MacConkey

# STATE LIBRARIAN REPORT

My past year's work as State Librarian has been very gratifying in many ways, but has fallen short of my goal. There is still so much to be accomplished. I wanted to complete our Lineage Books in full, but was unable to do so.

I deeply appreciate the co-operation of the State Library Board. They have helped me in many ways and have done much work in the D.A.R. State Library located in Dodge City, Kansas.

They have mended books, replaced covers on manuscripts, also mailed out many library books to our DAR members, upon their request.

The Dodge City DAR Chapter pays for the NSDAR National Magazine that is placed in the Public Library, and the State Library.

It is advisable for all chapters to keep said magazines.

Our Chapter has arranged for our members to be in the State Library in the afternoons to help and assist people that use the library. Also our D.C. Chapter has donated \$25.00 to the State Library for the Past three years., and hope to increase this amount in the near future.

The State Treasury shows a balance of \$105.97 as of Jan. 31,

1962 which will help buy new books, and rebind our books.

I attended the Southwest District Conference this fall held in Wichita, Kansas and made a report of our work. It was an in-

spiration to meet the State Officers.

I received twenty-five year books from the various chapters, and mailed out sixty Questionaire's and received 28 from the chapter Librarians, showing the following good works; Many chapters have contributed books and money to their local city libraries. They have donated money to the State and NSDAR Libraries. Binding the NSDAR Magazines and placing them in their city libraries, Girl Scouts, District Court Offices. Display of Historical Books in shop windows, during the town's birthday.

I wish to thank all the chapters and their members for their

nice letters, and greetings.

It has been a pleasure working with each and every one of them.

Mrs. Ile Schmidt, KSDAR Librarian

Some very interesting reports were made and some of the in formation in various catagories, important to the chapters, included the new 1960 DAR Manual, The Deadline of Nov. 30, 1961 for sending the DAR advertising fee to the Chairman, suggestions for ways and means to complete the fund-raising for the Kansas Room, the present outlook of El Quartelejo (and the fact that the cottonwood trees planted there by Boy Scouts had been cut down in their infancy thru the too-zealous mowing activity of the caretaker!)

The business meeting opened with the reading of the minutes of the 1960 District Meeting by the Acting Secretary. Minutes approved as written.

Treasurer's Report showed a total balance of \$24.95. All chap-

ters dues paid for 1961.

Bills presented in the amount of \$14.43. Leaving a balance of \$10.52 in the treasury.

Mrs. Foy moved the bills be allowed, Mrs. Ransom seconded

and carried. Treasurers report filed.

Since there was no old business, new business followed and consisted of the election of new district officers. The nominating committee, consisting of Mrs. J. Wesley Lucas, chairman, and Mrs. Don Spotts, Mrs. Earl Foy and Mrs. H. E. Stang, submitted the following slate:

Mrs. Robert Chesney moved that the Southwest District conribute \$5.00 to the Chapel Fund, honoring Mrs. G. P. Ferrell, Seconded by Miss Stanley and carried.

Mrs. Stewart moved the Southwest District endorse the candidacy of Mrs. Nelson Kilbourn for National Historian, seconded and passed.

Thanks were expressed by Mrs. Kilbourn and Mrs. Jurney for the money corsages from Eunice Sterling Chapter. Mrs. Huffman, general chairman, thanked all who assisted her.

The afternoon session started with Mrs. Jurney's introduction of the State Regent, Mrs. Nelson Kilbourn, who gave a very in-

teresting and instructive message.

The round-table workshops on Public Relations; Mrs. Joe Mac-Conkey, moderator; National Defense with Mrs. Jurney, moderator; and Genealogical Records with Mrs. Virginia McArthur, moderator; were very instructive, the state chairmen on the panel in each catagory furnishing many helpful suggestions for chapter betterment.

The new officers were installed by Mrs. Jurney with Mrs. Huffman, State Chaplain giving the installation prayer.

The secretary was instructed to send letters of appreciation to Eunice Sterling, to Mrs. Jurney from SW District, to the Schimmel Inn and to Mrs. Foy and her accompanist.

Work-shops by State Chairmen—led by Mrs. Schreiner, Acting Director.

Reports of State Officers given.

Mrs. Newman said of all the Indians, the Navajos were the most needy. In the schools they attend, they are shy and keep to themselves—do not get to go home for the holidays like the others. Others need clothing and food and all tribes need encouragement. Project—to save Buffalo nickles. This should be in each chapter budget. Help Bacone College and Schlacca School. The Government gives money to Indians and they are especially good in mechanics and scouting. The Osages sent 52 percent of their sons to the last war. She also spoke of a Mrs. Robinson, an educated Indian of Bartlesville who does much work.

Mrs. Kessler presented (her own personal gift) a DAR Manual to each chapter to be kept in chapter files. Chapters should search out aliens in their neighborhood. Manual may be secured of Mrs. Kessler to give copies to City Clerk, newspapers and others. May

get free manuals from Mrs. Kessler (furnished by National) for aliens. Books cost 25c for libraries and scout groups.

Mrs. Frederick, conservation slogan "lets plant flags." Plant trees with red, white and blue flowers, and have tree-planting ceremonies: Chapters asked to donate to the National Project. Kansas goal is \$660.00. If each member would give \$1.00. Have a conservation meeting each year.

Mrs. Brock, Good Citizenship Chm. was not present, but Mrs. Schreiner read her report—questions and answers. Any school can sponsor a good citizen, selected by the school can assist her in

writing her essay.

Mrs. John Harrison, Honor Roll Chm. said a regent should be a co chm. of each committee of the chapter. Last year chm. should pass on her file to the new chm. Must send in report forms, even if do nothing. Must claim all points the chapter has. Some points overlap so can be claimed. Point 9 and 12 were easy she said.

Mrs. Ralph Ralston, Insignia chm. asked Mrs. Ralston for history of insignia and also consult DAR handbook. Wide ribbons only for official pin. Recognition may be worn with narrow ribbon. Insignia on charm bracelet is not embossed in blue enamel, may be ordered from Caldwell. She cited Mrs. Huffman's pin, the state stones instead of stars used in pin. Insignia not to be used in newspapers and only to be worn by active members.

Mrs. Kilbourn in her speech, advised that the Kansas pledge of \$1000.00 for approved schools was raised in four months, for

the Doris Pike White gymnasium.

Report from Lena Smith, DAR Magazine Chm. advised that each chapter's share for advertising is \$7.50. Miss Smith has \$109.00 and needs \$300.00 more for the Kansas ElQuartelejo project for the February magazine.

Museum—\$1.00 is asked from each chapter for the care of

grounds in Washington.

Junior Members each chapter should try to get two good mem

bers for each member lost.

Mrs. Chester Davis, National Defense Chm. not there but her report was read, and she suggests we read and study immigration law, various patriotic magazines, American Legion and other good ones besides our DAR.

Resolution for American History Month is not yet a bill, but is to be approved, it is hoped, but now buried, and we are asked to write to senators and congressmen on Resolution No. SJ22, Mrs. Schreiner, Chm. suggests.

Morning meeting was opened with a group of girl scouts presenting flag and led Pledge of Allegiance, and one verse of Star Spangled Banner sung by group.

### AMERICAN HISTORY MONTH

# Mrs. B. Schreiner, State Chairman

The Kansas Daughters joined to make February a Memorial Month with George Washington Teas; Essay contest on a Historic Figure In My State; Reviews of the Life of Abraham Lincoln; fine news coverage from newspapers, radio and TV; and presentation of many awards.

Governor John Anderson Jr. issued a Proclamation designating February as American History Month in the State of Kansas. He promised support in securing permanent legislation on the Kansas Statute Books to have the Kansas Governor annually proclaim February as American History Month. He will support the Senate Resolution S. J. No. 22 as presented by Senator Keating for the National Society DAR, to have the President of the United States to annually proclaim February as American History Month. Our Governor is greatly interested in American History, the past, present and future.

Miss Kathy Kelly, of the Mead Intermediate Schools Wichita, was the State Winner in the essay contest. She was sponsored by the Wichita Chapter, with Mrs. Robert Chesney as Chairman. Honorable mention and a bronze medal goes to Don Strong of the same school. Honorable mention and a bronze medal goes to Kenneth C. Dickson sponsored by the Topeka Chapter with Mrs. Horace T. Wilkie as Chairman. Honorable mention and a bronze medal goes to Miss. Linda Kay Lucas of Columbus, sponsored by the Dana Chapter with Mrs. V .A. Miller as chairman.

Outstanding publicity mention goes to Eunice Sterling and the Wichita Chapters. Outstanding reports were from the Topeka Chapter, Randolph Loving, Dana, Nathan Edson, Arthur Barrett, Hannah Jameson, Emporia, Samuel Linscott, Isabella Weldin, and the Atchison Chpters.

### AMERICAN INDIANS

### Tillie Karns Newman

In November, 1961, letters and a buffalo nickel were sent to each Chapter that claimed to have a Chairman of Indian Affairs. Much interest developed in the pursuit of buffalo, or Indian-head nickels, because they are quite scarce. However local post offices afforded the largest finds, with banks somewhat behind.

Your State Chairman gave three talks on Indians and two more scheduled in March and April. 16 Indian programs were carried out and the Review of the book Black Dog Trail was given by a member of one Chapter.

Forty-seven Chapters returned questionnaires and it was found that Bacone had received \$124.49, besides a personal gift from a member of \$50.00 at Christmas. St. Mary's had received \$58.00 in money and many, many boxes of clothing, also jewelry and Christmas gifts totaling \$25.00. The National Indian fund amounted to \$58.60. Several Chapters had sent gifts to the orphans at Chilloco and the Mission near Wichita.

Thanks, to everyone who helped with this most worth-while project.

## AMERICAN MUSIC Miss Florence Armstrong

The project for this administration was to make a Bibliography of MUSIC USED IN THE EARLY DAYS OF KANSAS. This bibliography, 6 pages in length, is presented to the Kansas Society by the State Chairman. She hopes that it will be of value to the people of Kansas who are interested in history.

35 Millimeter color slides of four famous Kansas composers were sent to the National Chairman for program use.

We are pleased to report that 48 Chapters reported on musical activities for the past year. 39 of these sing the STAR SPANGLED BANNER or AMERICA at each meeting. 10 observed National Music Week last May. Two used color slide programs. Two Chapters have ensembles and two have members who will sing in the National Chorus, 19 actively promoted American music in their community and 20 encouraged contemporary musicians. 33 Chapters had one entire program on American music. 14 had programs on Kansas music and 31 observed the Kansas Centennial with a program. 3 chapters have sent clippings to the National Music Scrap Book Chairman. One Chapter member gave four months of service as a volunteer musical therapist in a mental hospital. One member gives music lessons to under-privileged children one afternoon each week. And one Chapter member wrote the libretto to THE THIRTY-FOURTH STAR, a grass roots opera about Kansas which was performed 26 times last year. The State Chairman of American Music expresses appreciation to those who promoted Chapter musical activities.

## AMERICANISM AND DAR MANUALS FOR CITIZENSHIP Mrs. Lewis Hanford Kessler

Last September, your chairman of Americanism and DAR Manuals for Citizenship Committee sent a letter of information to all Chapter Regents and to the 52 chapter chairmen whose names were in her files. She attended the October State Board of Management meeting and the four district meetings, at which she presented a citizenship manual to each of the 66 chapters.

The chapters have placed approximately 1400 manuals in Naturalization Courts and citizenship classes. Another 100 went to schools, public libraries and youth groups. Tomahawk and Mission Hills chapters again cooperated in supplying the Shawnee Mission High School District with 60 manuals for use in Civics classes.

Eunice Sterling, Lois Warner, Polly Ogden, and Topeka chapters have done outstanding work with the Manuals in the Naturalization Courts and with welcome to citizenship ceremonies. The six chapters in Wyandotte and Johnson counties are active members of the Naturalization Council. They co-sponsor a Washington Birthday Tea for the new citizens and their families, and also present Flags, Flag Codes and Pledge Cards. The Council president, Mrs. Mayme Farmer of Shawnee chapter has organized and teaches two English classes; and Mrs. R. H. Resseger, James Ross Chapter has procured a gift of 200 text books for use in the Council sponsored citizenship

classes. Olathe chapter also had a tea for new citizens of their city. Five chapters reported Americanism essay contests in the

schools with silver medals and cash prizes for the winners. Eighteen chapters had Americanism programs and six used films or slides. Ten chapter chairmen gave a talk to their chapter on the work of this committee. Ten chapters used the Americans Creed as part of the chapter ritual.

Several chapters reported doing Red Cross work, but were unable to report total hours; Martha Loving Ferrell Chapter re-

ported 1190 hours.

Many chapters reported publicity for the work of this committee. Topeka, Tomahawk, and Mission Hills sent clippings. Your chairman will incorporate these into a poster to be dsplayed during Continental Congress. Any material received before March 15 will be included on the poster.

It is urged that next year more chapters participate in the work of this interesting committee. Serving as your chairman for the past three years has been an enjoyable and very worthwhile experience.

#### D.A.R. SCHOOL COMMITTEE Mrs. Bill E. Smith

It is with reluctance that I relinquish my Chairmanship of the D.A.R. School Committee. My work with the Schools the past three years has been an experience I shall not easily forget. It has been both challenging and rewarding. To all who have helped me I am sincerely appreciative—our National Chairman; our State Regent and other Officers who have been most cooperative and helpful. My heartfelt thanks to to the Chapter Chairmen who have given so generously of their time and who have labored so faithfully for the work of this Committee during my tenure of State Chairmanship.

Many of the Chapters have increased their gifts to the Schools in the last three years—others have initiated Programs on the Schools and have promoted special Projects in the interest of the

children attending the D.A.R. Schools.

Three years ago the building and construction of the Doris Pike White Auditorium-Gymnasium at Kate Duncan Smith was the most urgent and important project of our National Society. Today that project is a reality and the Auditorium-Gymnasium is now in daily operation serving the needs of the children and many adults of Gunter Mountain. Although there is still an indebtedness of \$20,000.00 the response to the National Chairman's request of 20c per member has been very good. Let's have one hundred per cent from our Kansas Chapters! Every effort is being made to have this building completely paid for by Congress time. By populer request the D.A.R. School Committee will again have the Benefit Tea for the Doris Pike White Auditorium-Gymnasium at Continental Congress. The Tea will be held on Tuesday, April 17, 1962 at the District of Columbia D.A.R. Chapter House. Tickets will be \$2.50 and all proceeds will go to the building fund. All Kansas delegates are invited to attend and to bring a friend. Do plan to be present.

Regular contributions to the Schools should be included in each Chapter's Budget for the needs of the children and the Schools must be met annually. Daily operating expenses continue to mount at both Schools. Some fifty-nine Chapters included the

Schools in their budget this year, contributing a total of \$1,942.85. Crossnore received \$15.00; Kate Duncan Smith \$578.20; Tamassee \$972.05 and \$377.60 were contributed toward the Doris Pike White Auditorium-Gymnasium fund.

Letters were mailed to all Chapters in September, 1961 and again in February, 1962. All chapters responded with the appointment of a Chairman for D.A.R. Schools. Chapters were urged to sponsor at least one Program on the Schools and the State Chairman presented seven programs in the State in the last year.

The continuance of sending good used clothing to the Schools was urgently stressed since the remuneration derived from the sale of these clothes is necessary in defraying the expenses of the Schools. Several Chapters reported sending Christmas gifts and money to the two Schools.

## GOOD CITIZEN COMMITTEE Iva Brock (Mrs. C. E.)

It has been a pleasure to serve as State Chairman of the Good Citizen Committee. Thank you for the privilege.

I wish to express appreciation to the Regents and Chapter Chairmen, who have responded so graciously to suggestions for extending the work of this committee. The results have been encouraging. We have made progress. It is my hope that you will continue to give this support to your next Good Citizen Chairman.

In my opinion, the work of this Committee is of vital importance to our Society. It affords us the opportunity of acquainting these young women, leaders of their class groups, and who, within the year, will be of eligible age to become members of our Society, with its ideals and aspirations. The impression we make upon these young women today will be a lasting one.

This year the 580 four year accredited high schools of our State were invited to enter our Good Citizen Contest. One hundred and twenty-five responded.

Of 66 Chapters in the State, 50 have sponsored Good Citizens. Ninety Good Citizens will receive pins. All sponsors have entertained or will entertain their Good Citizens and their mothers at a social meeting.

Chapters sponsoring two or more Good Citizens are: Emporia, 6; Topeka, 6; Tomahawk, 6; Mission Hills, 5; Concordia, 3; Peleg Gorton, 3; Courtney Spalding, 3; Oceanus Hopkins, 3; James Ross, 3; Atchinson, 2; Captain Jesse Leavenworth, 2; Henry Dawson, 2; Jeremiah Howard, 2; Desire Toby Sears, 2; Minisa, 2; Newton, 2; Nathan Edson, 2; Rhoda Carver Barton, 2; Wyandot, 2

Miss Rachel Unruh, a senior of Independence Community College High School, has been selected as State Winner of Good Citizen Contest for 1962. Rachel is the daughter of Mr. and Mrs. Earl W. Unruh of Independence, Kansas.

She has an excellent rating as a student, having earned a place on the Dean's honor roll each semester for the past six years. She has held many elective offices in her school organizations and has taken part in many school and community activities. A member of the High School Choral Club, Orchestra, Band, High School Choir, and has served as accompanist to soloists and Choral Groups of her High School.

For the past two years Rachel has served as organist for the Presbyterian Church of Independence.

She is interested in athletics and this year has been elected as attendant to the Football Queen and also the Band Queen. She is also a member of the Independence Community Players.

We feel that Rachel is an all round Good Citizen. Rachel and her parents were entertained at the President General's Banquet, in Kansas City, Kansas, March 2, at which time she was presented the State Good Citizen Pin and a U. S. Savings Bond.

The three higest ranking Essays of each District are as follows: Southeast District: First place, Rachel Unruh, Independence Community High School, Independence. Sponsor, Esther Lowery,

Independence. Second Place, Bernadine Hale, Girard High School, Girard, Kansas. Sponsor, Oceanus Hopkins, Pittsburg, Kansas. Third Place, Nancy Kathleen Barrier, Labette County Community High School. Sponsor, Hannah Jameson, Parsons, Kansas.

#### D.A.R. MAGAZINE Mrs. Clair Lindahl

My goal this year was 1000 subscriptions to the DAR Magazine in Kansas. We came close, but we failed by approximately 40 subscriptions. A great many chapters reported new subscriptions, but failures of others to renew, brought our total down. However, it was most gratifying to find that almost every chapter had at least 20 per cent of their members taking the magazine. This is one of the easiest points to make for the Honor Roll, and it is also as easy for a small chapter to attain as a large chapter since it is determined percentage-wise.

Many chapters did better than the 20 per cent. Twelve chapters had 30-40 per cent of their members subscribing. These are: Baxter Springs, Dodge City, Dana, Polly Ogden, Isabella Weldin, Kanza, Lucretia Griswold Latimer, Martha Loving, Ferrell, Randolph Loving, Rhoda Carver Barton, Shawnee and Good-Land. (Good-Land with only 18 members, has 38 per cent subscribing.) Chapters having 40 per cent or more subscribing are: Byrd Prewitt, Eunice Sterling and Neodasha. (Neodasha is another very small chapter which has 40 per cent of their members reading our

magazine.) And always we sing the praises of Mission Hills chapter which has every member subscribing.

Eachyear we offer \$5.00 prizes to chapters in each of four classes of membership. At least five new subscriptions are required and the chapter which has the most new subscriptions per membership wins. This year we did not have a chapter with membership under 30 which had the required five new subscriptions—or, oddly enough, in chapters from 30-49 members. In chapters from 50-69 members, Polly Ogden will receive the prize. In chapters over 70 members, Mary Wade Strother is the winner.

Just one last plea as I turn my office over to my successor—1000 subscriptions in 1963.

### D.A.R. MAGAZINE ADVERTISING Miss Lena Smith

Your State Chairman, for DAR Magazine Advertising had hoped that the ultimate goal of 100 per cent chapter participation would be accomplished this year. This goal was not attained, but your chairman does hope that her successor may achieve that pleasure.

54 of the Kansas 66 chapters contributed to the February 1962 sponsored advertising in the DAR Magazine, in contributions for the cooperative pages or individual or secured commercial advertising. Fort Larned failed to meet the deadline for the cooperative sponsored pages, so their individual ad will appear in the March issue of the Magazine. This brings the total number of chapters receiving contribution recognition to the total of 55 for the 1961-62' year. These chapters are: Abilene, Arthur Barrett, Atchinson, Baxter Springs, Betty Bonney, Betty Washington, Byrd Prewitt, Capt. #### D.A.R. MUSEUM REPORT Mrs. M. R. Blackhall

May I take this opportunity to express my sincere appreciation to all Kansas Chapters and Chapter Chairman for their fine interest and cooperation in the work of this committee for the past three years. Each year the response has been most gratifying.

Making this report possible were the 50 answers to the ques-

tionaires sent to all Chapters. 44 Chapters have Chairman.

Money contributions in the amount of \$74.00 have been given to the Museum Fund and the Art Fund within the Museum Fund. Sixteen dollars of this amount was from individual gifts.

Many Chapters have had interesting programs concerning the Museum. Family heirlooms were displayed and several Chapters reported trips taken to Museums. Slides of the Museum and State Rooms were also used.

Through Mary Wade Strother Chapter of Salina a "walking cane" bearing the inscription B. P. Fifield, June 17, 1775 has been sent to Washington for approval as a gift to the Museum. It was my hope that I would be able to report the acceptance of this gift in this report.

It has been a pleasure to serve you as your State Chairman and again may I say "thanks" and express a wish for increased interest in the Museum.

## D.A.R. STUDENT LOAN Mrs. Elbert Naugle

This committee awarded in August, 1961, the first annual DAR

scholarship of \$150 to Ann Elliott of Clay Center.

Regents and Student Loan chairmen of all Kansas Chapters submitted names of girls whom they thought could qualify for this first award, based on the following conditions:

1. The girl must have DAR background, e.g. CAR, mother, aunt, grandmother, etc.

grandinomer, etc.

2. She should be an entering freshman in a 4 year college, junior college or nursing school.

3. She should have good quality academic rank.

Of the 17 girls who applied, with excellent qualifications, the choice was Ann Elliott for this first award.

We feel that this scholarship, a true DAR project, is thoroughly worthwhile and we hope that it will be continued and expanded as money becomes available. For this year, we used the accrued interest on the invested money in the Fund.

Quoting from Ann, "I hope that in the future your scholarship program will give more girls the benefits of college, as it has done for me. I think it especially nice to allow the recipient to use the funds to attend the college of her choice and to spend the money as best suits her college needs."

The current balance in the Student Loan and Scholarship Fund is \$4436.87, which includes the most welcome contributions from the following chapters: Arthur Barrett, \$2; Dodge City, \$1; Henry Dawson, \$1; James Ross, \$1; Nathan Edson, \$5, gift of the family of Mrs. Anderson, grandmother of Ann Elliott; Wyandot, \$1.

#### FLAG OF THE UNITED STATES OF AMERICA Mrs. Mayme Farmer

I want to report that I purchased some Flag covers as I was instructed at the last State Convention. We now have another problem concerning our Flags, and that is that two of our Flags are now out of date. It is probably all right to continue using them, but I want to point out that our American Flag is of the old 48-star vintage, and that the Kansas Flag has been changed slightly the past year. You may want to do something about replacing these two Flags later on.

Reports from Chapter Flag Chairmen did not come in as readily this year and the State as a whole did not participate in as many Flag activities as it did the two previous years. Numbers of Flag programs, newspaper artcles, Flag programs presented, etc., were greatly reduced this year. This let-down was perhaps to be expected since 1959 and 1960 were the years new stars were added to the Flag, with the resulting increased activity of presenting new Flags and having programs concerning the change-overs. Tomahawk Chapter presented several large flags and had splendid publicity on these projects. They also have an unusually large percentage of members displaying Flags on Flag Days. Atchinson and Polly Ogden Chapters report that they have a Flag talk at each meeting and both report good Flag publicity. Shawnee Chapter gave two books on the History and Symbolism of the Flag, one to a library and one to the Girl Scout Organization of Kansas City. Otherwise, we were all much the same, we say the Pledge of Allegiance, we sometimes sing the Star Spangled Banner, and now and then we present a Flag-or maybe 887 small ones as did the John Haupt Chapter. Best report was made by Olathe Chapter and for that I want to give them this award for \$5.00. I want to thank all my Chapter Chairmen for their help these past three years, and I want to tell you too, Madam Regent, I have been pleased to be your State Flag Chairman.

#### GENEALOGICAL RECORDS Pauline Cowger, Chairman

During this past year we have record of Chairmen, or the Registrar serving as Chairman in each of our 66 Chapters. They have

been busy, alert and active, as indicated by this report.

Your Chairman attended the October and March Board of Directors meetings, as well as the Conference in her district. She sent letters to all chapters in the fall outlining suggestions for service and their opportunities to cooperate in this program. Again in January a letter was mailed. A questionaire was not used, but last fall notation was made to each chapter of the genealogical record forms and source materials received from them. Also, letters were sent to the District Directors informing them of the record of the chapters in their respective districts, and many, many individual letters have been written. The results are heartening.

For this year, to NSDAR, source material 371 pages, Genealogical

For this year, to NSDAR, source material 371 pages, Genealogical record forms 3437; Kansas State Historical Society, source material 384 pages; KSDAR Library source material, 234 pages; Wichita

City Library source material, 290 pages.

All chairman have been outstanding-one suggested additional sources for research; Kansas Reports, yearly law books, noting especially their index of names, census reports and tax reports, and volumes of Who's Who in America. Bound volumes of Kansas State Historical Society containing sketches of early settlers which do have much genealogical data.

These are found at the Historical Society, City Libraries, Law

offices, Court House, etc.

Summary for 1959-1962 shows National Society DAR: 53 chapters reporting sent 10960 Genealogical Record Forms; 16 chapters sent source material, 698 pages. Kansas DAR Library: Source material. 614 pages. 2 chapters sent direct an additional 184 pages. Kansas State Historical Society, 732 pages of source material. Wichita City Library: Source material, 540 pages. 1 chapter sent direct an additional 38 pages.

It was interesting to watch the alertness of the Genealogical Records Chairman in sending in the forms for their new members

this past year.

Eunice Sterling Chapter sent in the most Genealogical Record Forms, 394. North East District sent in the most forms, as a district 1645. Northwest District, 18 chapters responded 100 per cent with 1586 forms and Northeast District lacked only 2 chapters, Olathe and Wyandot. Dana Chapter, in Southeast District sent in the most source material, 290 pages.

District wise, we broke down the figures. Northeast, 12 chapters out of 14 sent 1645 Genealogical Record forms, 4 sent source material. Southeast, 10 chapters out of 16 sent 990 Genealogical Record Forms, 6 sent source material. Southwest, 13 chapters out of 18 sent 1254 Genealogical Record Forms, 4 sent source material. Northwest, 18 chapters out of 18 sent 1586 Genealogical Record Forms, 2 sent source material.

Since this report was written, several items have been received, which were air mailed to our national chairman--hoping they will be included in her report. And, as others are received, records will be kept. We ask permission to make a supplement to this report, which will include these additions, so a true report may be included in the Proceedings.

In this presentation we've only summarized the results--to read them all would take much time from others.

May we ask that a complete and detailed report of the Genealogical Record Forms and Source Materials received from the different chapters be printed in the Proceedings of this meeting.

As this year draws to a close, I want to thank the Kansas Society for this opportunity of service. It has been interesting, facinating, a great pleasure and, we feel, a vital service to future members. And, a special thanks to those chapters for their wonderful friendship, and cooperation which has made this report possible. A big Thank You to each and every one of you.

#### HONOR ROLL REPORT 1961 - 1962 Mrs. John L. Harrison, Chairman

This year I will be unable to attend the State Conference becouse of a date with my husband which takes me out of town on February 23rd. In my January letters I asked all Chapter Regents to "PLEASE NOTE:—Although the Questionnaire states merely that reports are due before March 1, it will be necessary for me to have your reports by February 15th in order for me to make a complete compilation in time for the State Conference, which begins March 1st this year."

William Wilson

All except eight Chapters reported within the time I requested and of course, I hope to hear from those eight by the time I return from my trip, which will be after March 1st.

Of the 58 Chapters reporting, I am happy to say that the number of Chapters answering NO to more than 2 questions was only 13. This means that at least 45 Chapters are anticipating Honor Roll and of the 8 from which I have as yet received no report, at least 2 should be on Honor Roll.

Again this year National has asked that I mention the difference between Good Citizenship Medals and Good Citizens Pins. The Good Citizenship medals are described and awarded under National Defense. They may be awarded to boys or girls or both. They may be awarded to 1 boy and 1 girl in both Junior and Senior High. Such awards qualify you for Point 10. The Good Citizen Pin is awarded to only 1 girl in each High School and she must be a Senior. This instruction comes under D.A.R. Good Citizens Committee and the awarding of such a pin qualifies you to check that committee under Point 9.

May I again stress the fact that all points on Your Honor Roll Questionnaire must be awarded with either YES or NO, on the lefthand side of the paper. Also please take time to check your report and be sure the name of the State and Chapter is filled in at the top. Special points to double check are 7 and 10.. Under Point 7, be sure and give the number of magazine subscriptions. Under Point 10, if you answer YES, be sure and describe your projects on the back of the report. Please do not leave any blank answer spaces. This entails additional correspondence. This is my last year as Honor Roll Chairman and the work has been a pleas ure because of the cooperation and correspondence I have had with individual Chapter Regents and Honor Roll Chairmen and the wonderful understanding of our National Honor Roll Chairman.

Paradoxically, if I have learned anything within the last three years, it is that all Chapter Regents should be their own Honor Roll Chairman and should really read and re-read their letters of instruction from National and State Chairmen, give themselves credit for the points they have actually earned, leave no blank spaces or X's for answers to questions. This would avoid much of the correspondence which I have actually enjoyed because many Chapters would fail to make Honor Roll if the Honor Roll Chairman did not follow up their omissions.

Congratulations to Chapters which made Honor Roll or increased their Point rating this year!

#### **INSIGNIA**

I received response from 39 chapters with these totals: 16 chapters had programs on Insignia. 8 large official Insignia pins were purchased, also 15 recognition pins, 2--50 year pins, 5 Ancestral bars, 4 Supplemental bars, 1 service pin, 1 state pin, 1 chapter pin, 1 charm, 2 seals; 12 chapters gave pins to retiring regents. 85 members purchased new blue hand books.

I attended the board of management meeting in Wichita, and 3 district meetings. This is my 11th consecutive State meeting that I've attended. I've enjoyed working with Mrs. Kilbourn as her Insignia Chairman.

#### JUNIOR AMERICAN CITIZEN'S Bertha E. Peak

At the beginning of this term of office, there were only 7 chapters who had J.A.C. chairmen. At the present time there are 47 chapters responding to requests, and we have 6 active J.A.C. Clubs in our State.

One reward pin has been given.

One chapter took their J.A.C. Club on a tour of the Eisenhower Museum.

Twenty chapters have promised to increase their J.A.C. efforts. Ten dollars has been donated by chapters for State J.A.C. work. Polly Ogden chapter now has 7 J.A.C. members and 5 prospective ones. We are hoping one day to form a club.

It is this chairman's hope for greater cooperation for the new chairman even than she has received—and she is very grateful for the help that she has had. If each chapter would remember to put \$1.00 at the least, in their budget for the coming years to be used toward expense of the clubs in our state, this would show real progress.

#### KANSAS JUNIOR MEMBERSHIP Mrs. O. M. Stansbury

Your chairman assumed her duties last October. Since that time letters and annual report forms were mailed to every chapter regent and to her listed chapter chairman of this committee. A second letter was sent to chapter regents in January this year.

36 chapters returned their reports showing a total membership in Kansas of 119, with 32 new juniors the past year. Tomahawk chapter leads in the state with 15 members among which was 1 new member. Minisa chapter report indicates the greatest effort

made to increase Jr. membership with new members, then helping them transfer to other chapters if they move from the area. For this effort your chairman is awarding the \$5.00 prize to Minisa

Chapter this year.

This committee held their first conference banquet the evening of February 28th for the Juniors. Conference Pages and interested Kansas Daughters. We were honored with the presence of our President General, Mrs. Ashmead White, who spoke to us. The program was given by Miss Marian Cault on the subject of Heral dry and was excellent. It would be nice if this banquet plan

could be followed at state conference in future years.

The Juniors are holding their annual bazaar here during this conference and invite your patronage. Official DAR note paper, post cards and stationery are also on sale and we suggest each chapter representative drop by and make a purchase for which your chapter will receive credit as a donation to the Helen Pouch Scholarship Fund, the only national fund raising project of the

Juniors.

Madam Regent, I have been happy to serve you.

#### LINEAGE RESEARCH COMMITTEE Grace Ransom

I was appointed State Chairman of Lineage Research in May 1961. In August I sent letters to each of the 66 Chapters in Kansas, telling of this new committee as set up by NSDAR at Continental Congress. I asked each Chapter to appoint a chairman for Lineage Research and of the 66 Chapters 29 responded and sent names of their Chapter Chairmen.

In September a column was sent for publication in the State D.A.R. News. Many letters and queries have been received for information about this committee and asking for help in establishnig lines. Each one was answered to the best of my ability.

Papers for 15 potential members were received and I carefully looked over each one, adding dates and information where possible and then sent them on to the National Committee in Washington. Not all papers could be completed by the National Committee but they offered suggestions as to where help could be obtained and we hope these have been beneficial.

One set of papers was completed and approved by NSDAR. One set of papers was approved by the Lineage Research Committee and is now pending approval by NSDAR.

Six sets of papers are now in the hands of the National Research Committee awaiting processing. Two sets of papers were sent to the State Chairman of Kentucky for help in completing them. No reply as yet.

I attended the Fall Board of Management Meeting and the

Southwest District Meeting and gave reports at both.

I have sent the Kansas State report to Mrs. Kenyon, the National Chairman and to Mrs. Kirby, Vice-Chairman of South Central Division.

Quote from letters from Mrs. Dandom to Mrs. Dandom, July 26. On Question No. 4 on your report a number of new members acquired through the efforts of the Committee-you state 1 (1 pending).

In the Kansas file at the office of the Committee in Washington we find 9 applicants whose papers were verified through the assistance of the Committee.

I am sure you will wish to add these 9 to your report for we will credit you with them. Ten acquired, out of 15 assisted, is a very good average in the first year of the work of this Committee.

#### Mrs. W. Harold Hawkins (Elizabeth)

As State Membership chairman I have issued letters to all Regents and Chapter Chairmen, conveying informative material received from the National Office, suggestions for making memberhsip grow; giving price lists and other material gleaned from reading and a survey of the membership problem. I have also answered personal mail and tried to help whenever I have been asked.

It has been a pleasure to serve as your membership chairman for the past three years. Thank you Mrs. Nelson Kilbourn, State Regent, for your confidence in me and for your personal friendship. The cooperation of my Chapter Chairmen has been wonderful and I appreciate each one of you.

My only regret is the loss in membership in Kansas. I hope each member will consider this her task to personally secure good new members for her chapter. It is my sincere wish my successor will bring to Kansas a good gain next year.

Award goes again to Mission Hills Chapter with increase in membership.

#### MOTION PICTURES Miss Irma L. Nixon

The purpose of this Committee is to enlist sufficient nationwide cooperation to insure more wholesome films for educating and entertaining people; to teach history and to preserve for posterity all pictures having historical significance; to emphasze parental responsibility in motion picture selection and to urge more showings of educational and travel films in community theatres. Quite a challenge:

With this in mind questionnaires and letters were sent to the 66 chapters-51 chapters having sent names for Motion Picture Chairmen, 15 were sent to the regents of the other chapters. Enclosed was a separate blank asking all chapters for subscriptions for the MOTION PICTURE REVIEW, asking them to place them in the school and public libraries. The letter asking the chapters to give attention to the entertainment provided for the young people and helping them in their choice of recreation, to urge more showings of historical and travel films in the local theatres. The response was better than last year--was happy to receive reports from eight chapters that had not reported before.

6 chapters had reports at each meeting; 8 chairmen gave recommendations at each meeting of the best pictures; 3 chapters were using Motion Picture Review articles as program material; some use them as Roll Call; other chairmen reported that there was not sufficient time for them to give their reports; 5 chapters were using special patriotic pictures recommended by our Natonal Society; 8 reported urging teachers to use our approved list of films; 4 reported using films for other chapter committee work mentioned they had been used for the National Defense Committee. Several had voted for the "Best Children's Film in 1961"—"Babes in Toyland" receiving the highest number of votes.

Other films mentioned were: "A Midsummers Nights Dream," "Swiss Family Robinson," "The Trapp Family" and Walt Disney films.

21 chapters reported the special matinee programs for the children. 22 chapters subscribe to the MOTION PICTURE REVIEW 5 report placing them in libraries and schools; 8 have members serving on the councils for Better Films. Several have spoken on Good Citizenship in schools, before Scout meetings and have presented flags.

The film "OPERATION ABOLITION" hal been shown by some chapters; one chapter has a member who owns and operates a theatre who is using the REVIEWS to help in the selection of films. One chapter suggested that the T.V. had taken over in place of moving pictures, and we should work to see what we could do to improve T.V. programs.

I wish to express my appreciation to our State Regent, Mrs. Nelson Kilbourn and to all Chairmen and Regents for their cooperation.

## NATIONAL DEFENSE Maude Haver Davis

66 chapters in the state, 59 chapters reported.

51 chapters devoted 10 minutes or more to the discussion of the National mailings and literature.

46 chapters had one or more complete programs on National Defense. 18 chapters contributed to National Defense.

40 chapters arranged for special observance of Constitution Week.

48 Good Citizenship Medals were presented in the state from February 1, 1961 to February 1, 1962.

Many chapters had written to their Congressmen and Senators

concerning current issues.

33 chapters reported the local churches and other groups in the community supported UNICEF through Halloween collections and sale of greeting cards. Serving as state chairman of National Defense has required considerable time and study, but it has been rewarding. In these three years I have given something like thirty full programs to local chapters on this subject.

I have traveled as far away as Goodland and as near as my own chapter to give these programs. I feel that there has been good interest in Kansas on the subject of National Defense.

I enjoyed and appreciated these many contacts with the various chapters also the special meetings, reception, teas, etc., to which I was invited.

To all the local chapter secretaries of National Defense and to our State Regent, Mrs. Nelson Kilbourn, I am indebted for their splendid cooperation.

#### PUBLIC RELATIONS

During the past year the work of this committee has been greatly expanded. In former years two state committees functioned in the area of publicity: 1) press relations and 2) radio and television. Activities of both are now handled through the Public Relations committee.

Many Chairmen were most successful in placing radio and television announcements during the past year. Some Chapters were mentioned in radio and television spots while some were the subject of editorials or newscasts.

Newspaper publicity during the past year reflects a new enthusiasm on the part of Chapter Chairmen to release stories on a wider variety of D.A.R. topics. Also, pictures were on subjects of greater scope, and more pictures were run this past year than in former years.

Represented in the annual scrapbook of press clippings were 48 Chapters (as of State Conference) which is somewhat higher than in the past few years.

Awards to Chapters for 1961-1962 were presented to:

 Most publicity in daily papers—Eunice Sterling Chapter of Wichita—Mrs. Leslie Parks, Chairman.

Most publicity in weekly papers—Fort Supply Tra Chapter of Ashland—Mrs. J. C. Harper, Chairman.

3. Best all-around publicity—Tomahawk Chapter of Kansas City—Mrs. A. B. Baldwin, Chairman.

Mrs. Ruth Vawter Rankin, Society Editor of "Wichita This Week," headed the 1962 judging team and to her ge the thanks of your Chairman.

The scrapbook is on file in the D.A.R. Library at Dodge City.

## PRESS RELATIONS AWARDS Dorothy Ingling MacConkey, Chairman

Most publicity in DAILY papers—Eunice Sterling Chapter,

Wichita. Mrs. L. Parks, Chairman.

Honorable mention to Mary Wade Strother Chapter, Salina, Mrs. Thomas Kutina, Chairman.

Most publicity in WEEKLY papers—Fort Supply Trail Chapter, Ashland, Mrs. Jesse Harper, Chairman.

Best all-around coverage in newspaper, radio and television media—Tomahawk Chapter, Kansas City, Mrs. A. B. Baldwin.

The committee is proud to report a record—this year there are 46 Chapters in the Public Relations scrapbook which will be permanently housed in the D.A.R. State Library Reports from the other 20 Chapters are being sought and a complete record is expected this year.

#### PROGRAM CHAIRMAN

#### Theo. Stebbins, Chairman

This report is from 61 Chapter year books and returned questionnaires. The Program theme, "For Evil to Triumph, Good Men Need Only Do Nothing," was very well carried out; the three objectives of NSDAR, Historical, Educational and Patriotic subjects were widely used.

Here are some of the ways these objectives were stressed: Use of non-member speakers; tours; teas; book reviews; programs on DAR Schools; Report of CAR activities; presentation of good citizenship pins; winners and awards for prize essays written for History Month; Conservation and insignia themes. All of these were part of many outstanding programs given in Kansas this year.

Madam Regent, I thank you for the privilege of working with your administration these part three years and my thanks, also, to the Chapter Regents and Program Chairmen for their co-operation in sending in their year books and questionnaires.

#### TRANSPORTATION AND TRAFFIC SAFETY REPORT Ruby Pruitt White (Mrs. Paul H.)

Your Chairman of the Transportation and Traffic Safety Committee is pleased to report an increase of interest and activity in this program as recorded from the reports sent in by the Chapter Chairmen.

This year we had 1,475 persons transported who otherwise would not have attended meetings. There were 29 Historical Pilgrimages made with an attendance of 108. A number of Chapters reported the use of Safety Films and special programs on Traffic Safety at their meetings. One Chapter has Roll Call on Traffic Safety at each meeting.

Letters were sent to each Chapter the first of September, giving suggestions and outlining projects for the coming year. In January blanks were sent to the Chapter Chairmen to be filled in and returned for our State and National Reports.

It has been a pleasure to serve as your Chairman and I hope we have been able to create more interest in this important project "Traffic Safety."

## REPORT OF THE CONSULTING GENEALOGIST Mrs. Harry M. Ives

It has been most stimulating and gratifying the past three years to watch the mounting interest of our members and Chapter Registrars in their genealogical research. Two women of Kansas must be congratulated on their intelligent and accurate study to say nothing of their perservance. By sharing our knowledge and research, many have benefited and several new lines have been established and approved by the National Registrar. For me it has been a most enjoyable and awarding three years.

Additional Geneagolical material and Census Records are being added constantly to the State Historical Library in Topeka and to the Libraries in Kansas City and Wichita. For those n the Western part of the State, the Southwest Genealogical Society is expanding rapidly with many unpublished Cemetery records and unpublished records of members and friends as well as many gifts of books and loans of books. Along with our D.A.R. Library which is housed at the Dodge City Library, doors are opened to a great deal of research material. The women in the Southwest must be commended for this wonderful contribution and service to their community and state.

Again I urge you in the small towns and communities to establish a Genealogical Bookshelf in your local Libraries or Chapters. I have asked Miss Pantle, the State Librarian of the Kansas Historical Library to prepare a list of books that would make a good foundation. I have had this list mimeographed and have copies available to those Chapters wishing them. I have found Libraries most happy, cooperative and even eager to establish Genealogical Bookshelves and even buy some of the books when their funds permit. Others upon learning of the project will gladly denote County and Town Histories and unpublished family and other records. Encourage your friends to make Memorial gifts of Genealogical or Historical books for their friends and relatives. Soon a sizeable Genealogical Bookshelf will be established and you will have contributed a growing and useful service to your community. TRY IT!

## D. A. R. NEWS EDITOR Dorothy Ingling MacConkey, Chairman

Every Kansas D.A.R. member has received three issues of the D.A.R. News during 1961. In each of the issues we have attempted to cover those facts which would be of widest interest to the entire membership.

Your Editor has welcomed items from Chapters and from individuals as well as from officers and Chairmen of the State Society. Space limitations often necessitated cutting the length of articles and it is hoped that no facts of importance was omitted because of this deleting.

At the end of the third year of this appointment, it seems appropriate once again to thank our State Regent, Mrs. Nelson Kilbourn, for her wise guidance in selecting the content of each issue. Also, we wish to commend the State Registrar, Mrs. J. R. Prichard, for her conscientious and detailed handling of the mail-

mg list, which entitled our Society to spare the costs of mailing. We are hopeful that members will continue to file copies of the NEWS so that precious space will not need to be used to repeat news items.

## KANSAS CHAPEL DEDICATION Beulah Chasney

A new Chapel, the only one in Constitution Hall or Memorial Continental Hall as D.A.R. headquarters, 1776 D. Street, Washington D.C., was dedicated Sunday, April 15th, at 4:30 p.m. Located on the third floor of Memorial Hall, the Chapel is a reposeful room of soft blue walls white wainscoated, with altar of white with velvet dosal curtain of dull blue, and textured blue drapes at the two windows. The blue carpeting backgrounds the six white walnut-trimmed pews. This intimate Williamsburg blue and white prayer room was designed for Kansas Society of the Daughters of the American Revolution by a Kansas architect,

and formerly presented to the National Society D.A.R.

The dedication service attendance overflowed into hallways for the brief and dignified ceremony. The lighting of the altar tapers signaled the entrance of Mrs. Ashmead White, President General, NSDAR, Mrs. Thomas E. Stribling, Chaplain General, Mrs. Nelson Kilbourn, State Regent of Kansas, and Mrs. Robert Chesney, State Chairman for Kansas Chapel. The pledge of allegiance to the Flag, a plea for peace, scripture reading and prayer preceded Mrs. Kilbourn's presentation of the Chapel to NSDAR. She said in part "Our Chapel has now become a reality. This room in which our Kansas members are so vitally interested. It is our hope that all D.A.R. members freely use this room in which so much thought has gone in its preparation. The gift without the giver is bare—the National Society has both. We present the Kansas Chapel to the National Society . . ."

Mrs. Ashmead White, President General, in acceptance: "Our Society, the Daughters of the American Revolution, like our Nation, was founded on religious faith. We know that the Church performs the greatest of all services to mankind and we recognize man's necessity for a place of quietness to be set free from all restlessness and anxiety. The need of a spiritual retreat in our buildings has long been evident and I accept this Chapel which has been so effectively produced in accordance with a careful plan, for the National Society, Daughters of the American Revolution, with reverence and humility. The gratitude of the entire membership for your generous gift is expressed not only for the present members but for those who will follow in the years to come."

The prayer of dedication and the extinguishing of the altar candles concluded the service.

The transition of an unattractive unused room into a tranquil room of beauty is among the finest accomplishments of Kansas D.A.R., and during Continental Congress a steady stream of visitors expressed admiration and appreciation of the Chapel. It is good to know it is all paid for; more than \$8,300.00 was involved, in it's completion. Two more items are needed—a lectern for the Bible, and a suitable small table or stand to be

placed in back of Chapel for our white leather Remembrance Book and for the Chaplain General's Book. The altar cloth of heavy velvet will soon be completed and placed in the Chapel.

heavy velvet will soon be completed and placed in the Chapel.

This Kansas Chapel was made possible through the efforts of almost every Chapter in the State, plus hundreds of names in the Remembrance Book, and gifts both great and small, including those under the heading of special gifts. Listed are those in the Remembrance Book.

Much appreciation and credit are due Mary Lempenau who produced the handsome Remembrance Book, with its protected pages, beautiful lettering and hundreds of names, in addition to the task of almost daily consultations with the architect as the Chapel neared completion.

### STATE CONFERENCE D. A. R. Parliamentarian, Mrs. O. M. Stansbury

As we complete our term of office your parliamentarian wishes to thank the Chapters of Kansas for their splendid cooperation in submitting the names of their parliamentarians, sending their Chapter yearbooks and accepting any ruling of this office. It has been a worth while experience to work with all of you and a real pleasure to serve our State Regent, Mrs. Nelson Kilbourn.

Your parliamentarian attended the State Board of Management meeting last October and has approved the revised by-laws of one Kansas Chapter. A request for one ruling was received and passed on since our last state conference.

## D. A. R. PYLONS AT EISENHOWER FOUNDATION Beulah W. Chesney (Mrs. Robert)

1961 has wrought several changes at the Abiline Eisenhower Foundation. First and foremost is the addition of the handsome Library Building and the extensive remodeling of the grounds. All open pools were removed and, of importance to Kansas D.A.R. the Pylons in the main entrance pool were dismantled. The Spring of 1962 will see them again rising in all their dignity and beauty to add distinction to this historic place. They will be placed in a circular plot circled by a cement driveway at the extreme east of the landscaped area. This central arrangement will place them in an impressive position along with the adjacent placing of the huge flag pole.

placing of the huge flag pole.

A dedication date of May 1, 1962, has been set for the new Library, and at this time many Kansas Daughters will join the throngs for this special event, and to see their pylons again rising against the Kansas sky!

It is my understanding that the spring of 1963 will mark the second of the three-year pilgrimages of Kansas Society D.A.R. to Abiline.

## EL QUARTELEJO Mrs. Chester Davis, Chairman

The sum of \$25.00, which by vote was included in our State Society budget for the year 1961-62 for the upkeep of the grounds surrounding the El Quartelejo monument in Scott County Park, was sent to the Scott County Historical Society for the purpose.

An interesting and informative spread of two papers in our February 1962 issue of the D.A.R. magazine was written by Mrs. Robert H. Chesney, a member of this committee.

It is our hope that many of our members will stop to see this beautiful marker as they travel this summer to Colorado and other western places.

### JUNIOR MEMBERSHIP COMMITTEE Mrs. O. M. Stanbury

The responsibility of this chairman has been to supervise the work of the Junior Membership Chairman of the six South Central States, accept their state reports and compile a report for the National Chairman, Miss Lynn Brussock. This report has been completed and sent to National.

The South Central states have been working on their State Directory of Junior Members, and I am happy to announce the states of Arkansas and Oklahoma have completed this work. The other four states are working on their directories at this time and it is the hope this project may be carried to completion.

All six states have had projects to raise money for the Helen Pouch Scholarship Fund, the only National fund-raising project

of the Juniors.

It has been an honor and a pleasure to serve on this committee the past three years.

# REPORTS OF STATE REGENTS ABILINE CHAPTER REPORT Mrs. Harry Patton, Regent Abiline—Organized, February 5, 1916

The Abiline Chapter, Daughters of the American Revolution reports 48 members. This number includes two members, one of which is a junior member. We have lost three members, two by death and one by resignation.

The past year our Chapter has had many interesting programs and will continue through 1962. We have observed special dates, months, etc., in some way or another. Of course the most important project of the year was our first annual Tulip Time Tour which included a morning coffee, a visit to the Public Library to see the Eisenhower doll collection, old Abiline Town, a tour of the Eisenhower Museum an home and a luncheon at the hotel. Among the distinguished guests present was our State Regent, Mrs. Kilbourn, and our speaker, Mrs. Henry Jameson, Editor of the Abiline Reflector Chronicle. The Chapter cooperated one hundred per cent to make it an interesting day for everyone. There were eighty-seven members from twelve Chapters present.

Publicity was excellent preceeding the tour and an article was sent to the D.A.R. Magazine, published in the August-September issue.

At the State Conference in Manhattan our Chapter pledged \$25 00 to the Kansas Room. We have filled all twelve points on the Honor Roll and feel we have had a successful year.

#### ARTHUR BARRETT

## Winifred Berry (Mrs. John L.), Regent Marysville—Organized, July 26, 1928

Arthur Barret Chapter has 31 members—losing two by death and one by resignation and gaining one (11 inactive).

Our opening meeting of the year was a Constitution Day

luncheon. Business completed, a tour of Swims' Pony Express Museum, by invitation, proved both delightful and instructive. This building is the original barn of the Pony Express.

Constitution week was noted in three newspapers, and the Regent and two members made the annual Shawnee Mission Pil-

grimage and the District and State Conferences.

Money was sent to all D.A.R. Schools, with clothing to Cross nore, money and clothing to St. Mary's National Museum, State Library, Student Loan, St. Francis Boys' Home. Also \$25.00 to the Kansas Chapel, \$1.00 each to the Marie Abels Memorial and Memorial Gardens. We are also collecting buffalo nickles for Bacone and Chilacothe.

We sponsored a Good Citizen and C.A.R., Magazine subscriptions

20% plus-also \$7.50 to magazine advertising.

Copying of the Genealogical Records was completed.

A report of Youth Pilgrimage to U.N. and Washington, D. C. was given by a guest student.

The Christmas luncheon guest speaker, Rev. Kent Bates, home on furlough from nine years in India as missionary, spoke forcefully on the political and economic situation there. He reported, incidentally, that CROP packages arrived in much better condition than CARE.

January guest speaker, Mrs. Frank Hunninghake, Frankfort, displayed her 36 authentically costumed dolls representing the wives of Kansas governors. Each doll was shown in lifted hand, as outstanding characteristics and accomplishments of the First Lady it represented, were told.

Our two projects were moving the D.A.R. Oregon Trail marker from Barrett, menaced by the Tuttle Creek Dam, to the city park of Frankfort, and aiding in the preservation and development of the Alcove Spring Area near Marysville, for historical and recreational purposes. This was the campsite of the Donner Party in 1846 where Sarah (Grandma) Keyes died and was buried. A granite monument to her memory was placed by Arthur Barrett Chapter in 1949.

## ATCHISON CHAPTER Mrs. Arthur A. Weinmann, Regent Atchison—Organized, January 28, 1908

Atchison Chapter has a membership of forty-six, a gain of two for this year. Papers are pending for three, one a Junior.

Meetings are opened with the Ritual Service. A Flag lesson is given at each meeting. Programs have followed the theme "For Evil to Triumph, Good Men Need Only Do Nothing."

Constitution Week was observed by promoting radio and news

paper publicity, including the Mayor's Proclamation.

Communism was discussed by a guest speaker for a National Defense program.

We were honored by having our State Regent, Mrs. Nelson Kilbourn, as our guest at a dinner meeting in November.

A Good Citizen pin was presented to a local high school senior girl.

A box of clothing was sent to St. Mary's School. Indian Head

nickels were collected for a contribution to Bacone. Contributions were made to Kate Duncan Smith, Tamassee and St. Mary's Schools, and St. Francis Home for Boys. Contributions were made for magazine advertising, C.A.R. Patroness Fund, and Kansas Chapel room.

A marker was placed at the grave of a deceased member, Mrs.

Amanda Bowen.

#### BAXTER SPRINGS CHAPTER Mrs. C. Y. Semple, Regent Baxter Springs-Organized, July 17, 1928

The Baxter Springs Chapter was organized July 17, 1928, has 26 members. Meets second Friday of each month at 7:30 p.m.

October through May with Flag Luncheon June 14.

Meetings opened with D.A.R. Ritual, Pledge of Allegiance;
Daughters Pledge and National Anthem. The President General's Message is read at each meeting, also talks on National Defense. Our programs planned from suggestions sent by National Chairman of Programs. We had a book review "The Black Dog Trail" by Tillie Karns-Newman. Historic Trees of America was another very interesting program.

The Good Citizenship Award Ceritificate was given a senior high school girl. All meetings have been reported in local papers.

Many of our members were present at the unveiling of Black Dog Trail Marker placed by D.A.C. members; then we entertained them.

We contributed to the Prayer Room Continental Memorial Hall in Memoriam of Irene Dent Kendall, Anna Landrum and Harriet Simmons.

Two large boxes of clothing and Christmas gifts were sent to Tamassee. Nine subscriptions to D.A.R. Magazine; one copy given to the City Library. We were saddened this past year by the death of Harriet Simmons, one of our beloved members.

#### BETTY BONNEY CHAPTER Miss Edna Wheatley, Regent Arkansas City-Organized, April 18, 1908

Betty Bonney regrets that she has been no help in increasing the membership in Kansas. We did try to support the projects, however. We did additional work to raise a bit of money for the Kansas Room; we gave a Manual for Citizenship not only to the Junior High School Citizenship classes but to a naturalized citizen; we "pinned" the Good Citizen and the local D.A.R. Chairman will present the certificate at the high school awards assembly this spring. This is good publicity.

Betty Bonney is proud of the year's programs: The State Chair-

man of Conservation and D.A.R. Schools spoke interestingly of their areas. We did well by our D.A.R. Schools, sending 150 pounds of used clothing to Tamassee and a Christmas gift to Kate Duncan Smith. We save Buffalo nickels for the Indians and remembered the boys at St. Francis Boy's Home with a Christmas check. A former teacher from the interior of Alaska brought a back-country Christmas to us with history, slides, and articles of clothing, jewelry, toys, and cook books featuring walrus steaks.

We recommend that Chapters follow our plan of giving the D.A.R. Magazine to high school libraries. The historical articles help make early America live for our mid-west students

help make early America live for our mid-west students.

Betty Bonney says "Thank You" to Kansas officers and Chairmen who have been very helpful in the past two years.

## BETTY WASHINGTON CHAPTER (Miss) Barbara E. Clason, Regent Lawrence—Organized, October 17, 1896

Betty Washington Chapter missed the Honor Roll by two points this year. An increase of eight was offset by a decrease of eleven, seven of these through death.

Our programs have been outstanding, we feel, because they used many subjects suggested by the National Society and in volved many of our own members in panels and addresses. Subjects included: "How to Raise a Generation of Patriots," "Our God-Given Rights—Their Necessary Obligations," and "Who Makes Today's Laws?" Other programs dealt with American Music, Indians, Conservation, the Flag, and National Defense, which also took five minutes each meeting. Mrs. Kessler reported to us in May on Continental Congress. In February our Good Citizen will be honored, and we plan to tour the new buildings at Haskell Institute in March. Many newer members are serving as committee chairmen this year.

Among our projects were: typing 406 genealogical forms; relocating and repairing our lineage research materials in the public library; arranging an antique show during the Centennial celebration; having announcements on station KLWN all during Constitution Week; helping other patriotic groups sponsor the Veteran's Day Tea; sending money and clothing to Tamassee and Kate Duncan Smith; and donating again to White Auditorium.

17 attended the Shawnee Mission Tour, 14 the Northwest District Meeting. We plan to have a good number at the State Conference. The Regent plans to attend Continental Congress.

## BYRD PREWITT CHAPTER Mrs. R. B. Harkins, Regent Ulysses—Organized, December 4, 1940

Byrd Prewitt Chapter of Ulysses has a membership of 48. Two members died and one new member gained by confirmation.

The Chapter contributed to Indians and to the D.A.R. Schools. All Patriotic Days were observed and the Pledge of Allegiance given at each Chapter meeting. We have followed the suggested theme "For Evil To Triumph, Good Men Only Need Do Nothing."

We have had good press reports of our meetings. At present we have four applications being processed.

#### CAPTAIN JESSE LEAVENWORTH NO. 720 Gladys Baum Davis (Mrs. Joseph Ray), Regent Leavenworth—Organized, October 23, 1906

Captain Jesse Leavenworth Chapter has 58 members, a gain of one.

The American History Medal was presented by the Regent at the Junior High School Annual Awards Assembly. Four competitive drill medals were awarded Leavenworth

Senior High R.O.T.C. Cadets at their annual competition.

For Constitution Week and History Month the Mayor of Leavenworth issued proclamations which were published in local newspapers along with editorials.

Three copies of "Little Stranger Christian Church Cemetery Records" were sent to the State Chairman of Genealogical Rec-

ords. Two books were added to the local D.A.R. Library.

D.A.R. Citizenship Manuals were given parents of foreign-born adopted children as well as to parents of American children born overseas whose children must be naturalized.

Captain Jesse Leavenworth Chapter was on the Silver Honor Roll.

## COFACHIQUE CHAPTER Miss Kate B. Shields, Regent Iola—Organized, December 19, 1949

Cofachique Chapter has 9 meetings a year (not meeting July, August and December). We have a two year term of office; new officers elected in January 1961 and installed in May 1961. The Regent and two delegates attended all of the State Conferences in Manhattan. The June meeting is always a picnic at the Farm, with visitors.

In July 1961, Cofachique Chapter assisted with a program, in the placing of a bronze marker on the tomb of Elizabeth Swigert Mitchell, daughter of a Revolutionary soldier, Philip Swigert, who is buried on the Funston lot in the old Iola cemetery here. Elizabeth Swigert Mitchell, was the mother of General Frederick Funston, Mrs. Frank Albert Eckdall of Emporia Chapter, grandchildren, and great-grand-mother of Lida Funston Lees of Wyandot Chapter. Mrs. Eckdall and Mrs. Lees planned the meeting and asked Cofachique Chapter's permission to have their name on the marker. Elizabeth Swigert Mitchell died in 1894 and there was no D.A.R. Chapter available for her to be a member.

Celebrated Consitiution Week with a luncheon; also had window display and spot announcements at KALN radio station here; notices in Register; announcements from church pulpits and mention on menus at 3 Iola restaurants.

We cooperated with the National D.A.R. Program Chairman in

planning patriotic, historical and educatonal programs. Had the following programs: pictures of our 59th State-Hawaii; Flag program, 14 girl scouts gave a Choral Reading "Our Flag and Country" and a Flag ceremony to demonstrate the proper procedure of destroying a worn Flag by burning. At our November meeting Mrs. Kilbourn made her official visit and we also had guests, Mrs. Howard G. Doyle and Mrs. Tillie Karns Newman who spoke to us about Indians and collection was taken of 45-Indianhead nickles (and more—not these nickles) which was sent to Bacone Scholarship fund. Also celebrated Cententennial with program "Review of 'Dordelia'." Also had a program for National History Month and historical pictures of South America.

We have 5 minutes of National Defense at each meeting and pledge of allegiance, using Star Spangled Banner, record or sung. Donations to Tamassee; Kate Duncan Smith. Also \$2.50 to C.A.R. and \$7.50 for advertising in D.A.R. Magazine. Also \$35.00 not

reported to the Kansas Chapel.

#### CONCORDIA CHAPTER Mrs. C. W. Inge, Regent Concordia-Organized, March 21, 1921

Concordia Chapter D.A.R. has reached its fourteenth year. There are two Charter members with us. The Chapter has had its ups and downs through the years. Membership at this time is twenty-eight. Only one-half of these are local members. We feel we are on the upward trend, as we have obtained three new members this year and two prospective members are working on their papers. Last year we added two members who are active workers.

Most of our programs are as outlined by the National Society.

They are interesting and well attended.

The highlight of this year was the visit and report of our State

Our D.A.R. Schools have received large boxes of clothing from our Chapter. Conservation has been our project this year. Members have planted trees, shrubs, bulbs and flowers.

Three fine girls have been our Good Citizens this year. Publicity from our two local newspapers has been good.

Best wishes to all incoming officers.

#### COUNCIL OAK CHAPTER Elizabeth Snider, Regent Council Grove-Organized, December 14, 1825

Council Oak is a Chapter of 32 members, 6 of whom are non-

resident. We hold ten meetings each year with special emphasis on Con-

stitution Day, Pilgrimage at Shawnee Mission. We were represented at Continental Congress.

We support our D.A.R. Schools and make a contribution to the Chapel project.

We have ritual, Flag salute, National Defense and Magazine reports at each meeting. These meetings follow suggestions made by the National Program Chairman.

This year we cooperated with our city in making our Centennial celebration a success. We have repaired the memorial marking the grave of Seth Hays, the first white settler in Council Grove. We furnished our State Historian with pictures of the D.A.R. markers in Council Grove.

Last November we hosted the largest district meeting to have been held in the Northwest District. We wish to thank the members for their cooperation and their many words of appreciation

making it a pleasure for us to serve.

We received Honorable Mention for our work in the past year. Our members feel we have had a rewarding year.

#### COURTNEY SPALDING CHAPTER Mrs. E. B. Breneman, Regent Hays—Organized, April 22, 1926

# MINISA CHAPTER Wichita—Organized October 17, 1946 Mrs. Joseph W. MacConkey, Regent

During the past year, our major effort has been directed toward having each committee active on new projects.

Outstanding results were achieved by the committee on Flag of the USA. Chapter representatives talked with downtown building owners and with shopping center proprietors in an effort to increase the number of flags flying on the grounds or tops of commercial buildings. More than a dozen flags have been added to the Wichita scene as a direct result of this project. Mrs. Carl Hoofer headed this committee.

The committee on DAR Good Citizen strived to obtain Good Citizen winners in high schools which had not heretofore been represented in this competition. Two senior girls from Southeast High School in Wichita, and from Derby High School, Derby, were selected and the Derby winner, Miss Verna McQuilliams was also named winner of the Southwest District. Chairman of the committee is Mrs. Paul Woods.

Minisa members were proud to have one of their members be elected to the State Board. She is Mrs. Bill E. Smith, formerly State Chairman of the DAR School committee, and a former Minisa Regent.

Forst Scott—Organized October 19, 1911 Mrs. Helen A. (Ed. R.) Strader, Regent

Our membership is now 49. We have 4 new members to take the place of those we lost. The death of Mrs. Edith (L. E.) Thomas was a severe blow as she was a very active member. Our goal is at least 5 new members for 1962. Mrs. J. R. Prichard, State Registrar, is also our Chapter registrar and gave a detailed, informative lesson on the methods and places of getting data. Also the type of material to look for in aiding prospective members seeking information. We made the usual donations to the schools, opened with the ritual, read the President General's message and at least 5 minutes of National Defense. Besides a Chapter donation of \$10.00 to the Kansas Chapel we collected \$25.00 from the members for a special memorial to Mrs. Thomas, also to go to the Chapel. We sent \$7.50 for magazine advertising.

This was our fiftieth anniversary year so we had a program on our history and honoring our 5—50 year members. A program on Kansas Indians and Early Days in Kansas carried out the Kansas Centennial theme. June is always our Flag month and we netted \$18.00 from the sale of 50-star flags. In gaining one of our members we opened the door for her brother and his son to become members of S.A.R. in Tennessee.

# PHEBE DUSTIN CHAPTER Phillipsburg—Organized December 19, 1924 Mrs. W. D. Smith, Regent

This year would seem like an uneventful year for Phebe Dustin Chapter. However, much time was spent on items that would strengthen the organization for future years.

This year was spent on local activities and not much participation in national activities. The biggest and most time consuming project was the revision of the By-laws of the local organization. This was the first time in heaven knows when that the by-laws have been brought up to date and in agreement with the National and State by-laws. It would seem that perhaps each local unit should submit their by-laws to the State organization every five years for approval and revision thus making all by-laws current.

Since their has been many changes in the membership of Phebe Dustin, we reveiewed the history of Phebe Dustin. We also devoted one meeting to a report on the District Convention.

We participated by proclamation and radio announcements in

Constitution week.

Provided clothing and White Elephants for bazaar of an approved school. Participated 20c per member in the fund for the gym at Kate Duncan Smith School. Purchased cards for the Chapel at National Headquarters. Continuing to keep a file of genealogical records at the local library.

# POLLY OGDEN CHAPTER Manhattan—Organized April 3, 1912 Mrs. John Peak, Regent

Our biggest project for this year was the KSDAR Conference in our city March 6th, 7th and 8th, 1961. We feel that it was a success so we wish to thank all of you for your help. Our programs have been outstanding and the attendance and interest has held up wonderfully. We had the usual complete cooperation from our city officers and our radio station KMAN during Constitution Week. We had National Defense and a Flag Briefing on each program. In November we donated a large flag to our Riley County Historical Museum. We began the year with 63 members. We have

lost 7 due to death and resignations; have received 2 by transfers (one a Jr. member) 4 by confirmation (one a Jr. member) and have 3 papers pending (one a Jr. member) so that our membership now numbers 65 and assures us the Gold Honor roll for the 4th year in succession. Our gifts to St. Francis Boys Home, American Indians and Approved Schools was cash, \$46.00 and white goods, clothing and jewelry. We gave \$19.00 in other gifts making a total of \$65.00 in gifts for this year. We are looking forward to our Golden Jubilee which we will celebrate April 2, 1961.

# RANDOLPH LOVING CHAPTER Wichita—Organized February 4, 1935 Mrs. Dorothy Lucas, Regent

We have participated in the observance of Constitution week with a proclamation signed by the Mayor, Editorials in newspapers, radio and television announcements and displays in four store windows. We have participated in the American History essay contest through the schools. Two delegates attended National Defense Seminar at McConnell Air Force Base, May 1961.

Our chapter pledge of \$80.00 to the Chapel has been paid in

Our chapter pledge of \$80.00 to the Chapel has been paid in full and in addition two members gave individual gifts of \$100.00 each. We have completed and returned all Genealogical forms. We were represented both at the State Conference at Manhattan and Continental Congress.

What the members feel is a most rewarding project is the restoring and placing in Historical Wichita, Inc., (Cowtown) of the Carric Nation drinking fountain, a Marble Landmark which for many years stood in front of Union Station ni Wichita. Several years ago it was damaged extensively and has since reposed in the city warehouse, dust-laden and all but forgotten.

### RHODA CARVER BARTON CHAPTER Fredonia—Organized October 13, 1909 Mrs. Giles Creager, Regent

We have celebrated Kansas Centennial Year with programs and cooperating in local activities. Many members have worn their centennial costumes to chapter meetings. Our Chapter scrapbook was displayed in the city library. This scrapbook covers the period from 1910 to 1960 and is very interesting to local people. We have supported the project to preserve the old town clock and are actively helping to establish a county historical museum in Wilson County.

We have completed the genealogical forms for the Genealogical Records Committee, NSDAR this year.

Our programs have been very interesting using National Program material, committee work and DAR magazine. We find an interesting roll call that stimulates discussion very helpful.

# SAMUEL LINSCOTT CHAPTER Holton—Organized January 29, 1909 Mrs. Wilbur Stoll, Regent NO REPORT

SARA STEWARD CHAPTER
Smith Center—Organized April 18, 1931
Mrs. H. W. Hannan, Regent

A box of clothing was sent to the Indians, also a box of clothing and a cash donation was sent to Kate Duncan Smith. A Cash donation to St. Francis Boy's Home. The chapter observed all Patriotic days. The Pledge of Allegiance was given at each meeting. The programs for the year followed the program prescribed by the DAR program committee.

# SHAWNEE CHAPTER Mission—Organized December 1, 1949 Mrs. E. Carruth Owen, Regent

Shawnee Chapter has four new members. One of the four is a junior. We lost one member by death and one resigned. This gave us a net gain of two and a total of fifty-one. We believe we have attained the Gold Honor Roll requirements for the sixth consecutive year.

Our programs have been excellent and entertaining. Five out of ten have been given by our own talented members—a play by the junior members, color slides on the D.A.R. Museum, Civil Defense, color slides on the Santa Fe Trail, music and a book review. In February, we had a Colonial Tea when "The President's Lady" was reviewed by a guest speaker: In May, Mrs. Bill Smith, State Chairman of D. A. R. Schools, was our guest speaker.

Six members attended the State Conference. As Regent, I have attended all board and district meetings, State Conference and Continental Congress.

Shawnee Chapter has been active in all group meetings with local chapters. Our junior members have been very active—one is Vice-Regent, one is Registrar, and five are Chapter Chairmen. It is a pleasure to work with them.

We contributed, as a chapter, to the Kansas Chapel and several individuals placed names in the Memory Book.

Much time has been spent in getting ready for the State Conference in March, 1962. We expect this to be an outstanding conference.

Shawnee did not win any awards but we have grown in many ways. I am proud of the record and to have been the Regent these past two years.

# SMOKY HILL CHAPTER NO. 1879 Ellsworth—Organized May 11, 1937 Mrs. Hector Campbell, Regent

Smoky Hill Chapter with its small membership was proud to

have been awarded an Honorable Mention Certificate by the Honor Roll chairman last year. If we do not meet the requirements for the award again this year our report shows we have met the major part of our obligations. We had nineteen members, five of whom are non-resident.

The chapter made cash contributions to Approved Schools; CAR; Co-operative Magazine Advertising; Museum Fund; Landscaping Project; Doris Pike White Aud. Fund and St. Francis Boy's Home. Honored its Good Citizen with a tea and presented her a Good Citizen pin; assisted with a luncheon at State Convention at Manhattan; gave prizes to two eighth grade students who were winners in Historical Essay contest; decorated two windows for display during Ellsworth's Centennial Week celebration giving prominence to our year's theme, "For Evil to Triumph Good Men Need Only Do Nothing;" observed Constitution Week with a special meeting and speaker, decorated a window and presented a framed picture, "The Signing of the Constitution," to the Lorraine High School; helped in the organization of the Ellsworth Historical Society.

Smoky Hill Chapter is looking forward to being host to the Northwest District Meeting this fall and sincerely hopes there will be a large attendance.

#### STERLING CHAPTER

Sterling—Organized May 26, 1905 Mrs. J. D. Zimmerman, Regent

The Sterling Chapter DAR has had a successful and interesting year with outstanding programs associated with DAR ideals and following the suggested theme.

One most interesting paper "Centennial Kansas" gave Kansas history from aboriginal times to the completion of one hundred years of Statehood. Another that might be mentioned referred to the ancestral background of our members in the discussion "What's in a Name?," and a book review "Roses in December" was most enjoyable. Our annual celebration of George Washington's birthday with members in appropriate costumes is always a pleasant affair combining a guest dinner and program.

Being a small chapter with less than twenty present as an average we feel proud to have our State Regent, Mrs. Nelson Kilbourn, as one of our members. Her interest has helped put us again on the Honorable Mention list this year.

Special interest has been directed to the Kansas Room project. The Kansas Room, located in our buildings in Washington, is a Chapel for the use of all who come for prayer and meditation. Much interest is given to the DAR Schools, the Museum, and our CAR chapter, the Coronado Society.

# SUSANNAH FRENCH PUTNEY No. 919 ElDorado—Organized July 19, 1910 Mrs. John L. Higgins, Regent

Our chapter was organized with 12 members. We now have 117 members. We are honored to include in our membership: Mrs.

J. W. Kirkpatrick, Mrs. O. M. Stansbury, and Mrs. John Harrison. It is felt that our programs this year have been particularly stimulating. Programs included one on "Constitution and National Defense," by Mrs. Maude Haver Davis, State Chairman for National Defense, at our September meeting. Our November meeting featured a program by Mrs. Bill Smith, State Chairman for Approved Schools. Her discussion motivated our chapter to wrap Christmas gifts for students attending the two approved schools—also and additional cash donation to the Doris Pike White Auditorium Fund. Our October meeting demonstrated the ability of our youth. David Snyder, local high school senior, presented a powerful story on Communism. He had attended a seminar on Citizenship co-sponsored by DAR and other patriotic groups. Included among the speakers he heard was Dr. Nyardi. January was highlighted by a well informed presentation on Civilian Defense by Mr. Robert Metsinger, local Civilian Defense Director. The month of February, History Month, featured our annual Colonial Tea. At this meeting awards were presented to students with prize-winning American History notebooks.

Many chapter members contributed to the success of the sixteenth annual conference of C. A. R., held in ElDorado March 18, 1961.

Our Chapter took part in our local Centennial Day Parade. On the same day we sponsored a successful quilt display at the Butler County Historical Society Building. Chapter participated in the Flag Day Celebration, by furnishing a properly decorated car in which members rode in the parade.

Every grade school room in the north half of Butler County received Kansas maps from our chapter during this year.

#### TOMAHAWK CHAPTER

# Prairie Village—Organized April 21, 1954 Jeanne B. Bunn (Mrs. Stuart E.), Regent

Tomahawk has added a net of four new members, one of whom is a Jr. Member. We have made the Gold Honor Roll for the 6th time in our 7 years of existence.

This year we concentrated on the Kansas Room Chapel. April 13, we presented a Fashion Show to raise funds. We sold 550 tickets and prepared all of the food. Our star model was our lovely State Regent, Mrs. Nelson Kilbourn. Including personal gifts, we were able to give over \$325 toward the Chapel. We have sent \$25 each to Tamassee and Kate Duncan Smith as well as clothing, and \$87 to the Doris Pike White Auditorium.

Other presentations include: a 3'x5' taffeta flags to Linwood and Brookwood Schools, which are part of the oldest school district in Kansas; also a flag to the class room at the Naturalization Center in Kansas City, Kansas. Our Americanism Chairman, Mrs. Bert Moherman, arranged for pictures of the presentation to be given to each prospective citizen; We cooperated with Mission Hills Chapter in presenting 40 DAR Citizenship classes; 300 DAR historical maps to Prairie School District and a print of Howard Chandler Christy's Singing of the Constitution. We sponsored, entertained, and presented pins to five Good Citizens, and presented manuals to the Deputy Clerk of the Federal Court.

#### TOPEKA CHAPTER

### Topeka—Organized April 2, 1896 Mrs. Erma Tebben, Regent

The Topeka Chapter has had a pleasant and successful year with activities within the group and in the community.

In April, 1961, we planted a sweet gum tree on the Crestview Elementary School grounds. The State Conservation Chairman, Mrs. Hobart Frederick, attended and this event included student participation. We were delighted with the creative expression and research shown when the children presented their poems, essays, and talks. Following the ceremony, and a luncheon, this same meeting continued with a talk on conservation along our highways by a representative of the State Highway Department. The tree-planting had good publicity in newspapers and was shown on television.

Constitution Week was observed by the presentation of information to the public in various ways—through newspaper articles, spot announcements on radio and television, a downtown window display, and displays for church groups.

In January, 1962, twenty-three students from two junior highs submitted entries in the historical essay contest.

A radio station accepted and used six spot announcements which mentioned the D.A.R.'s promotion of American History Month even before the month began, and is expected to use others.

Besides these activities, we had ten guest musicians from a junior high on our December program, and will have the Good Citizen and essay award winners present in February.

Two rummage sales have netted two boxes of clothing for the D.A.R. schools and additional money to add to the Chapel fund which has now reached \$500.

We are giving the Memorial Book for the Chapel in honor of our past regent Mrs. B. J. Lempenau.

Other projects for the year include a beginning on our copying of genealogical records, beginning photographing monuments, supplying manuals to the Naturalization Court, giving approximately fifty-eight flags to new ctizens, being co-hostess for the Northeast District conference.

Next year we hope to emphasize the areas of the DAR we have been unable to cover adequately this year.

# UVEDALE CHAPTER Hutchinson—Organized February 22, 1908 Mrs. Earl L. Foy, Regent

Uvedale Chapter, Daughters of the American Revolution, had a guest day program last February, combining guest day and American History month. The program was a musical presented by the Regent, Mrs. Earl L. Foy, in her home, entitled "America Sings as History is Made." Songs, dating from the earliest beginnings, of our National History and brought up to the present, were sung.

Another outstanding program was presented in October with Mrs. Calvin Openshaw, as guest speaker. Her subject was "Mental Health" and we all felt we were better informed after her talk. In November, our State National Defense Chairman, Mrs. Maud Davis, visited our Chapter and gave us a most outstanding talk on National Defense.

As to membership, we have just about held onto what we have. That has been the great problem. We had our regular Flag Day luncheon in June and reports from the various committees at our meetings.

#### WELLINGTON CHAPTER

# Wellington-Organized January 29, 1923

Mrs. J. W. Little, Regent

Wellington chapter has a membership of 37. One member was gained by confirmation, two were dropped, and one resigned making a loss of two for the year. Contributions of \$10.00 were made to Tamassee and Kate Duncan Smith Schools.

An outstanding Program on Conservation, entitled "America the Beautiful," was given on March 13, 1961.

The President's message was read at each meeting and the Pledge of Allegiance always given. National Defense was stressed at meetings.

Wellington chapter contributed to the Kansas page in the Nat. Magazine. A calling committee, called all members for each meeting, offering transportation to those needing it.

Both of the Wellington papers have given us fine coverage of our meetings. The program committee has had outstanding programs patterned after those suggested by National.

The Wichita Chapter has bought a new Kansan flag (four feet by six feet) with stand, pole and eagle to be presented to a large high school early in February for American History Month. Favorable publicity for DAR of this event has been planned.

Three new members have been invited to join our Chapter to replace one member lost by death. The new members have accepted but their papers are not in yet.

## WILLIAM CREEKMORE CHAPTER Pleasanton—Organized January 12, 1942 Mrs. H. D. Evans, Regent

The William Creekmore Chapter D.A.R. of Pleasanton, Kansas is located in the heart of a historic section that played an important role in the early history of eastern Kansas. Two miles south a marker stands commemorating the Battle of Mine Creek. A few miles north a marker is placed at the site of the Marias Des Cygnes Massacre. Several miles northeast is John Brown's State Park.

What we lack in numbers we try to make up in enthusiasm. We proudly ride in cars decorated with DAR banners and flags in local parades in order to keep D.A.R. before the public.

We sent \$5.00 to Kansas Prayer Room, \$5.00 each to Tammassee and Kate Duncan Smith, \$3.00 to Saint Mary's School for Indian Girls, besides bundles of clothing to each and \$2.00 to St. Francis School for Boys.

....Wyandot Chapter has had a year of very interesting programs. The National theme "For Evil to Triumph, Good Men need only do nothing," has been our theme.

We were represented at the State Conference in Manhattan and at the Continental Congress in April. One of our delegates to the Continental Congress compiled a most interesting scrap book of events at the Congress, including newspaper pictures, articles and cartoons. We all enjoyed reading and discussing the book at our meeting about Continental Congress. We were also represented at the Board of Management and Northeast District meetings.

We contributed to the Kansas Room in Constitution Hall, Washington, D. C., and to the memorial for Mrs. Abels. We have sent

boxes and made cash contributions to D.A.R. Schools.

We were again one of the Hostess Chapters for the Shawnee Mission Pilgrimage. With the four local Chapters, we sponsored a community showing of "Operation Abolition."

For the last two years, our May meeting has been held at historical Grinter House. Members of all Chapters who participated in the erection of the Grinter Memorial are our guests. Last year, Mr. Donald Little, National Registrar of S.A.R. addressed us on that occasion.

We plan another meeting there this year and we would be happy to see more D.A.R. guests.

#### CONTINENTAL CONGRESS

#### April 16-April 20, 1962

Kansas was well represented at Continental Congress in Washington at the 71st assembly of the Daughters of the American Revolution .At least twenty-five chapters were represented by more than forty-six members.

Two pre-Congress affairs were of much interest to Kansans. On Sunday, April 15th at 4:30 o'clock the Dedication of our Kansas Chapel took place. In a beautiful and quiet ceremony the usefulness of this room was described and accepted as a great contribution to the buildings. Mrs. Ashmead White, President General, Mrs. Earle Stribling, Chaplain General; Mrs. Robert Chesney and Mrs. Bertram Lempenau, Co-chairman of this project, and Mrs. Nelson Kilbourn, State Regent took part in this ceremony. On Monday morning, April 16th the Kansas Society had a Coffee, honoring Mrs. Kilbourn, candidate for Historian General, in the District Chapter House.

The theme for Continental Congress was taken from 1st Thessalonians 5:21; "Prove all things; hold fast that which is good." This verse will be the theme for chapter programs this coming

vear

The first evening, opening evening, on Monday April 16th was colorful and exciting as the Marine Band opened its concert leading into the march when our lovely pages entered with the flags; and the final moment when the President General enters and the huge flag flutters down.

Kansas had three lovely pages this year. Mrs. Paul Enger of the Tomahawk Chapter who served as one of Mrs. White's four personal pages; Miss Elaine Gaddis of the General Edward Hand Chapter and Miss Angharad Jones of the Emporia Chapter.

The Resolutions were first read on Tuesday morning. It is recommended that these Resolutions be secured and studied during

the next year.

On Thursday afternoon with television cameras set up in the balconies Major Arch Roberts gave his off-the-cuff talk. He is an excellent speaker.

During the week other distinguished persons spoke: Arleigh A. Burke, Admiral, USN (Ret.). Honorable Strom Thurmond, U.S. Senator South Carolina. Dr. Kenneth Wells, President Freedoms Foundation at Valley Forge. Fulton Lewis, Jr., Mutual News Commentator. Major Edgar C. Bunday, former U.S. Air Force Intelligence officer.

It was brought out during the week that: 1. There has been a slight net gain in membership during Mrs. White's administration. This in spite of raise in membership dues. 2. American History Month over our country has proven very effective. The bill to make February American History Month passed the Senate, but is still buried in the Judiciary committee of the House. 3.The magazine chairman stated that our excellent magazine now has 38,651 subscribers. It costs \$2.00 to buy, but it costs \$3.50 to print. Our advertisers keep us in print.

The election on Thursday morning resulted in the Duncan associates being well received.
