## Our DAR CREED

We believe in a patriotism which loves one's country as the dearest and best in the world and does not refuse to defend it.

We believe in a loyalty to its government which leaves no room for

socialism or communism.

We believe in a love of peace which leaves no room for pacifism that would buy peace at any price, even at the sacrifice of truth, honor and righteousness.

We believe in a living faith in God that leaves no room for atheism. Such ideals have a vital, spiritual appeal. Linked with memorials to America's past, they seek the perpetuation of the noblest and best for America's present and future.

## The American's Creed

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedm, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it

against all enemies

## Pledge Of Allegiance

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, One. Nation under God, indivisible, with Liberty and Justice for all."

## The Daughters Pledge

We, the Daughters of the American Revolution, who find rest under thy folds, do pledge our lives, our hearts and our sacred honor to love and protect thee, our country and the liberty of the American people forever.

## Our Aim

"To prove worthy of our national heritage and be willing to assume and discharge our full duties in American Citizenship. To teach posterity loyalty to our country and reverence to ancestry."

### The Kansas Creed

I believe in the state of Kansas as the highest exponent of what a commonwealth should be. Revering her venerable past and glorying in the promise of her future, as she pulls in the Nation's Trace for Freedom, Justice and Equality, through travail to the stars.

I promise to defend her against all enemies; to obey and support her laws and institutions, including the Constitution of the United States of America upon which they are founded; and to ever be a useful, honorable

and patriotic citizen.

Louisa Cook Don-Carlos — 1936

## Preamble of the United States of America

We, the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for common defense, promote the general welfare and secure the blessing of liberty to ourselves and to our posterity, do ordain and establish this Constitution for the United States of America.

## REGENTS REPORT, STATE CONFERENCE 1967

Madam Vice Regent:

Again this report is from my office only. Your State Officers, Chairman and Chapter Regents are here to tell of their work, and since they do it, they should have the honor of reporting it. Their work, their prompt reporting and their full co-operation is why I can say to you that your

State Society is in good condition. Listen carefully to them, if you have questions they will answer, and personal expression of your approval is their reward for hours of work, some times sacrifice for our Society.

We are now 64 strong. The Cimarron River Valley Chapter of Liberal was chartered at the October 15th National Board meeting. Welcome them. Many members are old friends.. Mrs. R. B. Harkins is the organizing Regent. She has also agreed to serve the State as Organizing Chairman.

Your Registrar and membership Chairman has good news for you. Your Treasurer will tell you we are solvent.

Since we last met in State Conference I have attended three National Board Meetings, four district meetings, two State Board meetings, and three Executive Board meetings. The threatened storms in Kansas, the snow in Chicago, plus my experience last year prevented me from attending the Feb. 1st National Board. I attended the Regional Conference of the CAR. I have been with 27 chapters; several of these chapters were celebrating anniversaries. Each visit with you was warm and gratifying. Your meetings inspire and encourage me, and such contact is the reward of this office. Each one is the "bracer" for the daily work at my desk. I attended the Shawnee Mission pilgrimage, a meeting of the District Directors, and met with the S. E. District when they planned this Conference. I traveled mainly in a small red car, but also used the airplane, bus, and train. The drought in Kansas has not been inducive to getting about by boat.

At the risk of many sins of omission, I shall mention several outstanding accomplishments of Kansas Daughters, and in so doing, express the gratitude of the Kansas Society to the Topeka Chapter for the new silk Kansas Flag that is carried in the procession at Continental Congress, to Mary Wade Strother for the lovely old family Bible given to the Shawnee Mission Museum; and to the six Wichita Chapters that planned and executed the October 13th "Tour of Homes." The proceeds bought a forty foot flag pole to be placed and properly marked, at the new public library, and to place more genealogical books in the same library. Eunice Sterling Chapter again honored a worthy naturalized citizen.

The Kansas Chapel, in our National Building is our great pride. I know of no other installation outside of our state that speaks so eloquently for the strength, inate reverence and the simple integrity of the Kansas pioneer and people as does this haven for quiet meditation and prayer, placed like a jewel in the busy headquarters of our Society. Those that regularly attend Continental Congress are accustomed to hearing the comment that it is the most beautiful room in the building, but last April as some of us lunching near the Hall, we were approached by a nice lady, and briefly these were her words, "Take our thanks to the Kansas Daughters for giving us that wonderful Chapel." This was sincere, for her delegation had used it fully for prayer, meditation and ultimate understanding. So I am happy to tell you that more of the spirit and beauty of our state is on its way to Washington.

With respectful recognition to DAR, and the generosity of the Library Board and the Wichita City Commission, we were given stained glass Sunflower motif windows from the old library to be placed in the Chapel. The Chairman of that committee will report more fully, and upon the gift of beautiful floral arrangements for the Chapel vases, given by the Executive Board of Mrs. Marian Duncan's Administration to honor the memory of the dedicated Christian life of Mrs. Overholzer, mother of Mrs. Johnson, their Chaplain General.

This is our 69th State Conference, and I submit to you today that we have a well rounded, well grounded Society. Each year our number of 50 year members increases, as does our Junior membership. There can be no better working combination than that of the grace and wisdom of the older members with the vision, ability and vitality of the outstanding

young women that come to us because they believe in us, our objects, aims, and ideals. They want their children to grow up in freedom, under a good government of Constitutional law, and they willingly assume responsibility in the work of our Society in every phase of endeavor. I pray that we of greater age and longer membership will not fail them as they bring their precious gift of talent and youth to us.

Since that first Conference in 1898 we have lived, served and sacrificed through 3 wars. Again we find ourselves in a time of strife. The uncertainty of politic and economic affairs is reflected in our Society, and we live with it.

But it was a humbling experience to sit with a Chapter as their Regent presented gold star flags to two mothers that had lost sons in Viet Nam. My impulse was to kneel to those sad women and to promise that we, as a Society, would go the last mile to make our Country wise, prudent and safe for generations to come. And that we, as Daughters of the American Revolution, founded on the ideals of freedom, dedicated to love of Country, to honor the past and educate the present, will be the stable and positive way of life in our Community, state, and nation. Never has our potential as informed, patriotic women been so inviting, never has our responsibility been greater and never has our work been so comprehensive and well planned to influence our social structure, been so needed.

May we, with help of our God, go forth and truly be, "Doers of the Word, and not hearers, only."

## VICE REGENT, 1966 Mrs. Lucile Rust

1966 was a busy and interesting year for me as the Vice Regent of KSDAR. I attended all meetings of the Executive Committee and the Board of Management, called by the state Regent; the State Conference in Topeka; the Continental Congress in Washington, D. C.; and all four of the fall district meetings. June 8, an all day meeting of the State Regent, State Vice Regent, and the District Director was held in my home and plans for the fall district meetings were made. I attended a meeting of Nathan Edson Chapter in October and of Henry Dawson Chapter in November, and had a part on the program of each. I have been at the service of the State Regent at all times and have given her my full and loyal support.

## CHAPLAIN Mrs. E. Carruth Owen

This past year I have attended all State and District meetings. I have given two programs, "The DAR Story," and one on the Flag, and have tried to carry out my duties as Chaplain to the best of my ability.

A picture of Plymouth Church was sent the Chaplain General, Mrs. Osborne. The account and picture was published in the November issue of the DAR Magazine. The accounts of these old churches are most interesting and excellent program material.

Several original invocations and devotionals have been sent to me by the Chapter Chaplains. It was difficult to select just one to send on to Mrs. Osborne for her prayer booklet, but I was proud to send a lovely invocation written by Mrs. Mable Dickey of Phebe Dustin Chapter.

In our newsletter I have placed scripture readings on Doers of Good Deeds and Faith. I hope this has been some help in writing devotionals.

Thank you Chaplains for your prayers and your prompt and efficient way of reporting illnesses and deaths to me. I have written notes. Thank you Madam Regent and members of our board for your prayers and inspiration. It is a delight to work with you.

In these hours and days ahead we must banish fears and concentrate on the problems before us with prayer, faith and love—as Tennyson so ably put it—

"When shall all men's good be each man's rule, and universal peace be like a shaft of light across the land." Thank you.

## CORRESPONDING SECRETARY

## Jane A. McAleavey (Mrs. Frank L.)

The corresponding secretary attended all of the meetings of the executive board, the State Board of Management, and the State Conference; two district meetings, several chapter meetings in the state, during the past year.

A directory of chapter officers was made and copies were sent to state and national officers. One complete file of chapter officers was assembled and mailed to the Organizing Secretary General.

A mimeographed list of chapter regents was sent to all chapter regents, state officers and chairman, district directors, honorary regents, and national officers and appointments in the state. This is a list of about 120 people, as there is some duplication.

Notice of State Board of Management meeting was sent in September for the October meeting in Wichita.

The Call to 1967 State Conference was written December 30, 1966. With its mailing were included credential forms and chapter officers blanks for the regents.

The directory of delegates and alternates to the 1967 State Conference has been made and checked, and copies sent to state regent and credentials chairman. Credential cards have been mailed to regents for delegates, to state officers, and honorary regents.

Much miscellaneous correspondence has been answered.

## REPORT OF STATE TREASURER KSDAR

## Mrs. Bertram J. Lempenau

As State Treasurer the October Board of Management meeting at Wichita, and the four District Meetings of KSDAR were attended in 1966. A special pleasure was attending the Shawnee Mission Pilgrimage, and delightful teas given by Mission Hills Chapter, Council Oak Chapter and Topeka Chapter.

As Vice-Chairman of the South Central Division of the NSDAR Transportation Committee I attended Continental Congress, where high spots were the Kansas Luncheon and the Banquet. An additional pleasure was attending the Texas State DAR Conference, where many courtesies were extended.

The reports of the Treasurer and Auditor presented at this State Conference cover Fiscal Year 1967, from January 31, 1966 to January 31, 1967, inclusive. Please study them carefully so you may familiarize yourselves with financial operations of your State Society. In closing, Chapter Treasurers are urged to file Federal Income Tax returns for their chapters on Form 990-A without delay, if they have not already done so, in order that our society may maintain its tax-exempt status.

Serving the Kansas Society as State Treasurer has been a rewarding experience, and the many courtesies and excellent cooperation of the chapters are sincerely appreciated.

## REGISTRAR

Mrs. Bertram J. Lempenau, Chairman

## Mrs. Lauren O. Gaddis

The work of the State Registrar is keeping the records for all of the Kansas DAR members. A chapter file, a membership file, an ancestor file, and an address file are kept for each member. I have received 58 yearbooks and I thank the chapters for them. These help me in checking the members and their latest addresses. Please include the zip codes in the addresses of your non-resident members.

KSDAR now has 64 chapters—a new one having been organizd October 15, 1966. It is named Cimarron River Valley, has 12 members and is located in Liberal.

Supplements for the 1961 State Directory were printed in the July and October, 1966 and January, 1967 Kansas DAR News. A necrology list for 1966 was printed in the January News.

I received 62 annual reports from the chapters. I am very happy to report that for the first time in several years Kansas has an increase in membership. Eunice Sterling, our largest chapter, has a membership of 239. They gained 12 members during the year, but lost 10. Topeka, with a membership of 211, gained 18 members and lost 9. Topeka is our second largest chapter. Several other chapters gained 5 or more members. 22 chapters gained in membership, 15 stayed the same, and 26 lost in membership. The per cent of net gain in membership of each chapter was figured and Sagamore Chapter received the Eunice Sterling Traveling Flags Award. This chapter had 19 members and a net gain of 5 new members during the past year, which gave them a 26.3 per cent net gain.

## STATE HISTORIAN'S REPORT 1966-1967

One of the chief concerns of the Historian is the preservation of historic sites and to interest the public in events which have occurred—by encouraging the placing of markers and calling attention to historic spots, buildings, battlefields and trails. Forty-nine Chapters responded to questionnaire sent out. Here are some of the items reported:

A Topeka newspaper published a reprint of the Topeka Weekly Leader, October 18, 1866, telling about the laying of the cornerstone of the State Capitol, a building envisioned since 1861 was underway. Unfortunately, the original stone was cracked by frost the winter of 1866-1867 and had to be replaced. A third stone was laid during a 1950 remodeling.

The Garfield Wayside Memorial Chapel on the Santa Fe Train was dedicated in Garfield on September 11, 1966. The historic bell that was presented to the town's first church by James A. Garfield, 20th President of the United States, hangs in the new chapel. The original church was erected in 1875.

On October 24, 1966, the Dodge City area had the dedication of the site as a National Historic Landmark; and unusual and unique preservation, namely a piece of land containing ruts of the old Santa Fe Trail, the most famous of the old western trails. On the site is a bronze plaque furnished by the Park Service. Near the plaque the best remains of the Trail are etched in the land, plainly visible along the route taken by the most heavily laden wagons which used the historic trail. The ruts were carved in the soil a hundred or more years ago and have remained unchanged in the unbroken prairie land. This project was helped and endorsed by the Dodge City Chapter.

It is of historical interest that the Chamber of Commerce of Shawnee Mission had a rededication on July 17, 1966, of the reconstructed Shawnee territorial jail, originally constructed in 1843. The jail is the first structure of the proposed Shawneetown historical development planned for the Blue Jacket Park.

Uvedale Chapter reports that Mrs. V. E. McArthur gave a substantial gift to the Kansas Historical Society for the restoration of Ft. Hays.

William Wilson Chapter members took part in a Naturalization Ceremony for seven new citizens, presenting a good sized flag to each.

Dana Chapter celebrated its 50th anniversary on February 10, 1967. The State Regent, Mrs. Huffman, was the honored guest.

Each year the Captain Jesse Leavenworth Chapter presents a gold medal to the best eighth grade student in U.S. History at Leavenworth Junior High.

Many historical Chapter programs were given, radio spot announcements for American History Month were good and all but three of the reporting Chapters observed February as American History Month.

The number of graves marked: DAR members, 19; member's ancestor, 1.

I am happy to report the above accomplishments, more were reported this year than last. My thanks and appreciation to Chapter Regents and Historians for your fine efforts. Please continue to keep me informed of the historical activities in your area.

## LIBRARIAN

## Mrs. James W. Smith

Your State DAR Library is growing rapidly in volume and in usefulness to its members. Many volumes were sent from this library to members throughout the state. Kansas has one of the few libraries in DAR which loan books to members for research. It is a great satisfaction to hear that needed records have been found in books from our library.

Three DAR Lineage Books have been found and purchased. Twenty seven more are now needed and your Chapter Librarians have this list. Worn Lineage Books and five years of the DAR Magazine are at the bindery.

Each meeting is opened with the Pledge of Allegiance, reciting of the American Creed, Reading of the Scripture and Prayer, followed by the President General's Message. At each meeting there has been a five minute report on National Defense. Our programs have the intent of following out the objectives of our Society; telling the DAR story. We

observed the 50th year of two charter members who over the years have been active and true DARs. The chapter celebrated this occasion with a luncheon and a big birthday cake. Miss Blanche Edwards and Miss Mary Edwards were presented with 50 year DAR pins. Miss Blanche in her delightful way gave anniversary memories. Our local radio station used the tape, Citizen U. S. A. in June and July, this is the second season the tape has been used by them. There were six recordings during Constitution week. American History month is again being recognized during February by our radio station. The past year we placed two books on the memorial shelf in the City library in honor of two deceased members. The DAR Magazine has been placed in our High school library by a member for the chapter. One member has purchased the book on Patriotic Index. We gave Kate Duncan Smith and Tamassee School \$5.00 each. Our project—a member donated \$100 to our chapter to sponsor a History Essay contest in our grade schools. Five of our members collected and read these letters and awarded cash to the best first, second and third letter in each of the different grade schools. This was for Fourth, Fifth and Sixth grades. We were too late to enter State contest. We did receive some very fine essays. We did not have the money to do the same this year. Baxter Springs Mayor declared the week of September 17th to 23rd as Constitution week. We are proud of Baxter Springs for the wonderful display of the American Flag. We were represented at S. E. Dist. Convention. We have a Historical Marker on city Library grounds. We arranged with American Legion to take care of putting up and taking down Our American Flag on the proper days to have the flag displayed. We lost one member by death. We have a grave marker DAR and will have it set at her grave when it warms up enough for the setting ceremony.

#### BETTY WASHINGTON—LAWRENCE Mrs. Edyth M. Salvesen

Betty Washington chapter with a membership of 110 has added six new members this year, two of whom are Juniors. One application will be processed by National this month and four other applications have been received and accepted. Six members have been lost, four by death and two by resignation. Our programs have stressed the three-fold purposes of our Society and the patriotic and religious holidays of the nation. Eight of ten programs were given by our own members. Our chapter was proud to receive the state scholarship for Miss Nancy Taylor and has made recommendations for the state and national scholarships this year. Good citizens from our school and others will be honored at the annual George Washington Tea this month, Our conservation chairman sponsored a garden-growing contest in a suburban school last summer and gave books to the school and the winner of the contest. A tree planted on a local schoolground several years ago is being checked and the marker re-set. Members cooperate in many community projects and the chapter joins with patriotic and veterans' organizations in observance of Veterans' Day with a Veterans' Day Tea and program on the Sunday preceding the holiday. Local radio and newspaper publicity is excellent.

Byrd Prewitt Chapter has a membership of 33 at present, but have at least 5 prospective members now working on papers. We donated to the usual programs and are in the process of promoting flag sales to the residents of our city. We hope to have all citizens flying the flag on the nationally observed days by this time next year.

We have changed our election of officers to match the state elections to simplify the office changes and to cave on the printing of program booklets. Our roll calls this year have been inspirational with the following subjects: "What does being an American mean to you," "Why I am Thankful," "Museums I have Visited," "What Does the DAR Magazine mean to me," "Historical Spot I would like to Visit." Our chapter is scattered over a 65 mile range—The Regent drives to Ulysses or Hugoton for all but two meetings of the eight held during the winter months. It is well worth the time and effort for her.

## CAPTAIN JESSE LEAVENWORTH—LEAVENWORTH

Mrs. S. M. Vendy, Regent

Captain Jesse Leavenworth lost two members, one through death—one through transfer. New members presents a challenge on this we are working. Each year the Mayor of Leavenworth signs a proclamation for Constitution Week and for History Month. The local newspaper publishes editorials and the radio station was contacted regarding one minute spot announcements. American History medal presented by Regent at Junior High School Annual Awards assembly. Good Citizen pins were presented to four different high schools: Leavenworth, Lansing, Jarbalo and Basehor Four competitive drill medals are given to Senior High ROTC at Field Night. Our regular meeting always includes Pledge to the Flag, singing of National Anthem, reading President General's message, and we are indeed fortunate to have a very capable chairman who presents a 510 minute excellent defense report each month. To sum it all up, as everyone else has done, we contributed to most things, and, no doubt, we lagged behind on others, but we did try to live up to "Be Ye Doors of the Word and Not Hearers Only"—James 1:22—and just to mention in passing, as for next year's goals—on this, too, we are working.

## CIMARRON RIVER VALLEY—LIBERAL

Mrs. R. B. Harkins

Cimarron River Valley Chapter of the Daughters of the American Revolution became an authorized chapter of the Southwest District on Oct. 15, 1066 with the usual 12 members required for a primary chapter. By laws have been drawn modeling after the suggested model chapter by laws from the Parliamentarian's Dept. The Washington Day Tea, Feb. 22, was the highlight of the year. Guests were members of the Byrd Prewitt Chapter of Ulysses, Kansas and 9 prospective members. Two of ladics' papers are being processed at Na tional. Our city librarian brought us a review of "The Ramparts We Watch" by Luther W. Youngdahl, very appropriate for the day.

In October everyone brought out their "family treasures" to show and share with other members and guests. I attended the NW district meeting in Phillipsburg October 29. It was a great pleasure of Henry Dawson to welcome Lucille Rust, our state vice-regent, to our meeting in November and hear first hand about Continental Congress last April. For a conservation program in January we had three junior high girls, students of John Colyn, the teacher who gave us such a wonderful program in the fall of 1965 when we had NW district meeting in McPherson. One of our members had written a fine paper on "TIME" and it was read at the luncheon, followed by an exhibit of old and antique timepieces. The Wichita Chapter has had its share of honors. We were awarded first place in the South Central division for publicity, and we received the Gold Honor roll award. We also had our share of excitement, Mrs. Seymour's house caught on fire thirty minutes before she entertained us at a beautiful sit down luncheon. ## WILLIAM WILSON-GARDEN CITY

Mrs. J. O. Carter

William Wilson Chapter has had a very pleasant year. One of our proudest moments was being present to watch seven new citizens become U. S. citizens. We welcomed them, said a few words about our flag and presented each with a flag. We had ordered six copies of our DAR Citizen ship Handbook previously for their use. Have ordered a new supply for the next class. We had a program on the Constitution and Naturalization in September. A quiz on the Naturalization Questions followed. We have based our programs on suggestions of National and used much material offered as well as articles in our National Magazine. Five minutes of National Defense News is given at every meeting. After the Flag Day luncheon the members went to the Finney County Historical Museum for a conducted tour. Instead of exchanging gifts at the Christmas meeting, each brought a box of used clothing to be sent to Kate Duncan Smith School. The Washington Birthday Tea will be at the home of the Regent, Mrs. J. O. Carter. The program and music will be reminiscent of Washington's time. We will honor three Good Citizenship girls from our own and surrounding schools as well as their mothers. Two members withdrew and became Members at-Large because they lived too far away to attend regularly. We took in a Junior member and hope to soon complete the transfer of a Member at Large into William Wilson Chapter. For American History Month the local radio station is giving the American History spot announcements.

The highlight of the thirteenth birthday of Wyandot Chapter was the visit of our State Regent, Mrs. Elmer E. Huffman, in October. Her talk "1966 Continental Congress Memories" was informative and stimulating. In April we presented a large American Flag to Linz, Austria, sister city of Kansas City, Kansas. Wyandot Chapter received a letter of appreciation, written in German, from the Burgermeister of that city. We visited the Agricultural Hall of Fame in the Spring. One of our members is County Chairman of the "Bells on Independence Day" program and our members participate in this project. We assisted with the Shawnee Mission Pilgrimage and the Naturalization Council George Washington tea. We have an active interest in C. A. ## AMERICAN HERITAGE

## Mrs. Carl D. Biegert

First I must tell you of the great thrill when our State Regent, Mrs. Elmer Huffman wrote to me, telling that Kansas had won First honor among all the States, in American Heritage. It was the work of all the Chapters that won us this place.

This year two letters were sent to each Chapter, one in August, 1966 and one in January, 1967, this last letter included a Questionnaire. This Questionnaire told me better than any thing of the progress we were making.

Of the sixty four questionnaires sent, fifty seven were answered and returned. Some Chapters did the identical things and my only way of making a choice was the manner and the information given about a program. How I wish I could award first places to many Chapters. To these Chapters go honorable mention: Eunice Sterling; Peleg Gorton; Martha Vail; Mary Wade Strother; and Atchison Chapters. Third place to Randolph Loving; Second to Topeka Chapter; and First to Lois Warner Chapter.

I truly feel the work of this committee is taking its place in the needs of the program committee, almost all programs can draw upon the suggestions of this committee. My letter, late this summer, will tell of experiences of other Chapters, what they have done and what was most liked by the members.

## **AMERICAN INDIANS**

## Mrs. Roy O. Cooper

In October, 1966 cards stating the committee's aims were mailed to all Chapter Chairmen. Forty-four chapters answered the January 1967 questionnaire and gave the following report.

Cash to Bacone amounted to \$167.00, cash given to St. Mary's School for Indian Girls was \$88.00; and the General Indian Scholarship Fund received \$43.00 Bacone was given 12 new dresses and 57 pounds of good used clothing, evaluation of \$150.00 at a postage cost of \$5.45. St. Mary's received 797 pounds of clothing and jewelry valued at \$800.00, postage \$50.00 as well as 40 pounds of leather suitable for crafts. Store coupons were mailed to both Bacone and St. Mary's.

Fifty-two Christmas presents, as well as used clothing, were sent to the students of Chilocco Indian School. Jewelry and clothing was given to Anadarko Indian Mission, \$5.00 to the St. Labre Indian School and \$5.00 to St. Anthony's Indian Mission. The Daughters of the American Revolution Magazine was given to the Haskell Institute at Lawrence, Kansas. American Indian programs were given in 25 chapters.

I thank all the chapters and members who helped in the aid given to the American Indians. I hope all chapters will participate in this program next year.

## AMERICANISM and DAR MANUAL

## Mrs. C. G. McKinney

Letters and questionnaires were sent out last fall to all chapters, cleven replied. One hundred ninety eight manuals, ninety-eight Declarations of Independence, one hundred three American Flags, ninety-eight Citizenship cards and ninety eight Flag codes were given out. Total money spent \$195.00 for teas, awards and manuals. Radio and television, three hours, 2,268" publicity and several pictures credited.

Had 2,080 service hours, served 515 at teas for naturalized citizens, and one Americanism Award pin and certificate.

The Topeka chapter turned in some very unusual work, compiling and indexing and binding into a book over 7000 naturalization records of Shawnee County. These date from 1876, therefore they predate the ones in Washington Archives, from 1906.

Eunice Sterling at their George Washington luncheon presented a very patriotic meeting. Two American Gilk Flags were presented to a Scout leader for her new troop. I had the honor of introducing a very charming young lady of 34, and presenting her with the Americanism Award pin and certificate. Mrs. Lloyd McBride, Jr. (formerly Ann Knetsch) from Holland. Mrs. McBride after the presentation, gave a very interesting and enlightening talk about her life. Today the speaks with no accent. She kept the Eunice Sterling group spell-bound through out her talk.

Kansas to date, has honored 3 men, and one woman with the DAR Americanism Award pin and certificate. Two from other chapters, and two from Eunice Sterling.

Lets all work harder next year and you'll find it very rewarding and by so doing we'll become better citizens.

## C. A. R.

## Mrs. Bill E. Smith

During the past year the Uvedale Chapter, DAR, Hutchinson, Kansas sponsored and completed plans for the organization of a new society of C. A. R. in Kansas to be known as the Jessie Lee Reno Society.

Approximately thirty young people were approved by the National Society for membership in the Kansas Society this past year. The National Society notified the Kansas Society nine members will be dropped from membership this year because of age limitation, leaving the Kansas Society with a membership of approximately 141. All DAR Chapters have been urged to contact the young woment dropped from membership by C. A. R. this year in an effort to interest them in becoming members of DAR.

The continued financial support of the Kansas Society DAR is most sincerely appreciated, for without this support the Sunflower Special publication included with the DAR News could not be possible.

Kansas Society C. A. R. is proud to boast the immediate past Senior President of the State Society, Mrs. E. L. Wulfmeyer, is presently the Scnior National Vice President of the Northwestern Region and she will be bringing honor to the Kansas Society in carrying out her duties as a National Officer.

Last year three representatives from the Kansas Society attended the National Conference in Washington as well as the Senior State President and the incoming-Senior State President. The year the Kansas State President, Miss Sally Hardman, will be attending as the official delegate representing the Kansas Society.

Programs planned by all Societies followed the National Society's Program Committee outline. Societies observed Wild Life Week by placing posters in store windows and distributing circulars to schools and places of business. Three Societies had pictures of their members with the Mayor of their towns signing a proclamation declaring National Wild Life Week. Other Societies observed Patriotic Education Week by having pictures of their members with the Mayor of their towns signing a proclamation in observance of this week. A study of the Flag was made by several Societies during the year and the Sunflower Society contributed \$100.00 to the Endowment Fund in honor of the Senior National Vice-President of the Northwestern Region.

## CONFERENCE MARSHAL

## Mrs. Howard Van Doren

The office of Conference Marshal revolves around the letter "P." Notice how many times it will be used in this report. First is protocol. Good manners, courtesy, and common sense dictate the principles of protocol from the first processional to the seating of this last meeting. It also eliminates any fear of favoritism.

Next are people and personalities. This is the "fun" part of the job. You have the opportunity to be with everyone from those who are working on the decorations to those who hold the highest office. This year we are honored to be able to serve our President General, Mrs. Sullivan; First Vice-President General, Mrs. Kilbourn; Vice-President General, Miss Cowger; Past Vice-President Generals, Mrs. Shrewder and Miss Downing; the past state regent, Mrs. Davis and our own state Regent, Mrs. Huffman and her state officers.

Pages are another important consideration of our job. This too is a joy when they are both pretty and prompt as ours have been. The Page Chairman, Mrs. Doyle, has done all the work in this area and I have reaped the pleasures. I thank both you Mrs. Doyle, and your wonderful Pages.

Now for me there is one bad part of this job, that is printing. I am not any good at it, and I know it, but if it has been plain enough for you to see where you are supposed to sit, that is as good as I can do.

So you see, my problems have been few and my pleasures many. But my greatest pride is being a part of this DAR team headed by a wonderful regent, Mrs. Huffman.

## DAR MAGAZINE

## Mrs. J. Wesley Lucas

This has indeed been a very disappointing year as we have suffered a severe decline in magazine subscriptions. Of the 49 chapters responding to the questionnaire, sent in January, only 17 had an increase over last year.

Reliable sources tell us this is true in many segments of our economy such as the Auto Industry, Home Building and Agriculture— perhaps due to the severe drouth throughout the midwest, a hike in interest rates, increased taxes and the war in Vietnam. Apparently this has spilled over into other spheres such as DAR magazine subscriptions. But doesn't it seem a shame that more of us did not feel the need of investing just \$3.00 in our superb magazine? How else can we expect to spread the DAR story in these crucial times? Let us all do some soul-searching and see if we cannot come up with a big boost next year.

The three chapters having the largest increase percentagewise from 1966 are:

1st award of	\$5.00La	ois V	Warner	Chapter
2nd award of	\$2.50	unci	l Oaks	Chapter
3rd award of	\$2.50Courtne	y Sp	palding	Chapter

Two special awards of \$2.50 each go to Mission Hills Chapter with 106.66% and Sagamore Chapter with 100%.

#### DAR MAGAZINE ADVERTISING

## Mrs. John W. McGuire

During the past year fifty-one chapters submitted advertising totalling \$905.00 Six chapters sold commercial advertising amounting to \$160.00. Five chapters submitted individual ads.

The cooperative pages featured the Kansas State Universities and State colleges. Mr. James Gunn, Assistant to the Chancellor at KU, prepared the advertising layout. The pleasant contacts with the universities and colleges and the enthusiastic response from the chapters made working on this project a pleasure for your state chairman.

The following chapters received Honor Roll credit for advertising in 1966-1967: Abilene, Arthur Barrett, Betty Bonney, Betty Washington, Captain Jesse Leavenworth, Council Oak, Courtney-Spalding, Dana, Desire Tobey Sears, Dodge City, Emporia, Esther Lowrey, Eunice Sterling, Flores del Sol, Fort Larned, General Edward Hand, Good-Land, Hannah Jameson, Henry Dawson, Isabella Weldin, James Ross, Jane Dean Coffey, Jeremiah Howard, John Haupt, Kanza Lois Warner, Martha Loving fey, Jeremiah Howard, John Haupt, Kanza, Lois Warner, Martha Loving Edson, Newton, Oceanus Hopkins, Olathe, Peleg Gorton, Polly Ogden, Randolph Loving, Sagamore, Samuel Linscott, Shawnee, Sterling, Susannah French Putney, Tomahawk, Topeka, Uvedale, Wichita, Wyandot and Ninnescah.

Contributions to the cooperative page were also received from the Regents' Roundtable of Johnson and Wyandotte Counties and from Concordia, Neodesha, and Ninnescah chapters. While these contributions did not meet Honor Roll requirements they are acknowledged with appreciation.

#### DAR MUSEUM

# Mrs. Hugh D. Ransom

Letters were sent to 63 chapters in the state, with outlines for sending their chapter reports. To these I received 23 replies from which I have made my report.

- 15 chapters had programs on Museum.
- 2 chapters used the set of Museum Slides.
- 20 chapters made contributions.
- 16 chapters reported purchases of book "In Washington."
- Books, "In Washington" were placed in 12 Libraries.

Three chapters sent their Yearbooks for which I am most grateful. I also wish to thank all chairmen and regents who sent reports.

## DAR SCHOOLS

## Mrs. Roscoe Gillaspie

At the beginning of the second year of my State Chairmanship of the DAR School Committee, last fall, letters were mailed to the sixty-three State chapters with information included that would assist the Regents and Chapter Chairmen in their work for the schools.

In response to my request for the name and address of the chairman of the DAR Schools, I am proud to report 100% result. My sincere and deep appreciation to you, chapter regents.

In October, at the Board of Management and District meetings which I attended, I presented cards with the names and addresses of the two Kansas City, Missouri Terminals who are shipping our boxes dead head freight for all that are brought to their terminals, either by members or by feeder lines connecting with out-in-state cities.

Thirty-three chapters gave full or partial programs on the schools, and two passed out school literature at the meetings during the year.

More and more interest in free freight is being demonstrated by the fact that five chapters out in state, who did not already have the information, wrote me for full details as to the steps to be taken toward obtaining free transportation of the clothing. Copies of the material sent me by the National Chairman, Mrs. Fred Aebly, last year, were mailed them. Two of these chapters obtained successful results. However, there are in all eight chapters in Kansas have sent 18 boxes of free-weight, 853 lbs., and approximated value of \$795.00. We wish to thank, publically, the two Kansas City Terminals, Campbell 66, who ships to KDS, and, Watsone Wilson who ships to Tamassee. Also, Graves Feeder Lines that carries our boxes of clothing from Emporia, Salina and Dodge City free to K. C. connecting with the other lines.

The total number of packages sent to Kate Duncan Smith and Tamassee was 59, total weight, 1,647 lbs., with estimated value of \$1,966.00.

The following monetary donations received by the State Treasurer from the Kansas chapters this year are:

Kate Duncan Smith—total was \$878.00, which included \$10.00 for Debt Reduction, \$10.68 for Accreditation and \$23.50 for the Christmas gift funds.

Tamassee—a total of \$1,274.90, with \$450.00 allotted for scholarships, \$32.50 for Christmas gift funds. \$898.08 was received toward the Two Columns for the Adele Erb Sullivan Building at Tamassee.

Crossnore received \$17.00.

In the continued support of our schools, please keep these facts in mind. We still owe \$102.00 toward our two columns for the Sullivan Building and must be cleared this coming year. Scholarships are very important to both schools—Kate Duncan Smith and Tamassee. Kate Duncan Smith is still maintaining its high standards as when being accredited by the Southern Association of Colleges and Schools, but still faces indebtedness for that high honor. Above all, chapter regents, remember that cash MUST be sent THROUGH your State Treasurer—not one penny sent directly to any of the schools will count for your chapter or for Kansas otherwise. About forty dollars was lost to us because cash was sent directly to several schools.

Remember, clothing is a most important source of revenue for the DAR Schools—KDS and Tamassee—and supplies are an urgent need for the boys and girls and families of the Mountain areas, who cannot afford high priced new clothing. The faculties of our two DAR Schools are lending their earnest efforts toward building the youth they serve into young men and women who respect authority, love their God and their country, and, that they may go out into the world with a good well-rounded education to serve others. Let us, DAR members, do our part for these deserving mountain boys and girls.

Thank all of you for the fine support already given. It has been my privilege to serve you as State Chairman for our Schools.

# FRIENDS OF THE MUSEUM Mrs. Lewis Hanford Kessler

A letter of information about Friends of the Museum committee was mailed to all chapters last fall: Few Regents seem to have appointed chairmen for this committee. Post cards, asking for a report were mailed in February; 26 chapters replied; but only eleven had a report. From these eleven chapters we have 27 Regular Subscribers at \$1.00 each, and 14 Sustaining Subscribers at \$5.00 each. There were also two chapter contributions of \$5.00 each; a Participating Subscription from Newton

Chapter for \$25.00 plus Mrs. Harrie S. Mueller of Eunice Sterling who is a Sponsor for \$50.00. These various categories total \$182.00.

The Memorial Tribute to Corinne Pearson, while reported at 1966 State Conference, is to be credited to this years work. This makes the grand total of \$284.50.

Your chairman invited the contributors to the fund for the Pearson Memorial Tribute to come to her home on Sunday afternoon, Sept. 25. In a brief ceremony, the certificate from the National Society was presented to Corinnes' son, Raymond Pearson, Jr. Guests remained for an hour of visiting and refreshments.

This chairman regrets that she was unable to accept the invitation of the National Society to attend the Museum open house and tour arranged for servicemen on Sunday afternoon, January 29. It has been a privilege to serve the Society and the Kansas Daughters.

And now a brief reminder to the regents who wrote they would "do better next year." It is now "next year," and also the last year of this administration, both State and National. Think of the record we could make if we had 100% participation.

Thank you, Madam Regent.

One chapter has sent 200 Index Cards without Forms. Seven chapters sent a total of 315 pages of Source Material which has been distributed to National and State DAR Libraries.

## HONOR ROLL

## Mrs. Homer E. Smith

Honor Roll reporting is one of the most important reports the Chapters have to make. It is a showing of the work they have done throughout the year. Not only the things they have achieved for themselves, but the things they have done for their community. Each Chapter should try to reach the highest Award, The Gold Award, regardless of their size in membership. 64 Chapter 100% have reported their work by sending in their Honor Roll Questionnaire. Your Chairman sent letters to all chapter chairmen where I had their names and to regents when I did not have the Chairman's name in the Fall. 22 cards were sent in February as reminders and several later urging the Chapter to get their reports in so your Chairman was able to make a report to the State and National. The State Chairman does not pass her judgment on the finals for Honor Roll Awards. The reports this year are not as good as those last year. The answers as checked YES on your reports is as follows: (except these which your Chairman knew to be wrong and would not be counted or given credit for):

TERR DETE

The No. 2 part of Question No. 13 has been very confusing to most of the Chapters. Your Chairman gave the number a YES answer as reported on your report, except those she knew to be incorrect, but cannot say that all will pass the National grading. 12 Chapters reported YES to all 14 Questions. 8 Chapters reported YES to 13 Questions. 10 Chapters reported YES to 12 questions. A total of 30 Chapters.

Your chairman urges each of you to be very careful in marking your reports, as many wrote YES to the question and did not check a one of the blanks in the question. The Instructions are: ALL BLANKS MUST BE CHECKED BEFORE A YES ANSWER CAN BE GIVEN TO THE QUESTION.

Please try and have your reports in earlier this next year and see if we cannot have better reports and all be on the Honor Roll, not just the same few.

#### INSIGNIA

## Mrs. C. W. Wheeler

Your Chairman attended State Conference and Continental Congress last spring. In October she attended the Board of Management meeting in Wichita.

Last September letters were sent to each Chapter Chairman, outlining the work of the year. Fifty-nine Chapters have Insignia Chairman.

Early in January a questionnaire was sent to each Chapter Chairman or Regent. Reports have come in from fifty-two Chapters. Nineteen talks were given on the Insignia. One Chaper reported it had placed the Insignia improperly on its year book.

The following Insignia and related items have been purchased: One State Officer Bar, Two State Chairman National Committee Pins, Twelve Official Pins, Two Twenty-five Year Membership Pins, Six Fifty-Year Membership Pins, Eleven Recognition Pins, Two Chapter Regent Bars,

Eight Ex-Chapter Regent Bars, Ten Ancestral Bars, One Kansas Bar, Thirty-one History Medals, Eleven American History Certificates, One History Medal to R. O. T. C., One Americanism Medal to a Naturalized Citizen, Seventy-one Good Citizen Pins, One Good Citizen Certificate, Six DAR Good Citizenship Medals, Twenty-two Junior American Citizens Pins, Ten Grave Markers, Two DAR Bracelets, Two Charms, Seven Patriot Index, Ninety-two DAR Handbooks 1966, Six Seventy-fifth Anniversary Plates.

I wish to thank you for your fine reports and cooperation. Mrs. Barrow, National Chairman Insignia Committee says and I quote: "The beautiful emblem stands for everything that we stand for and its appearance in connection with DAR events and activities adds emphasis and significance to all that we do." Let us wear it proudly.

# JUNIOR MEMBERSHIP

## Mrs. Ralph Ralston

Thirty eight new Junior members joined Kansas Daughters of the American Revolution.

Amount received from bazaar March 1967, \$133.10.

I sent out letters to all Junior Chairman or Chapter regents in October, with rules for "Outstanding Junior" Contest. Mrs. Nancy Dean of Shawnee Chapter was the winner. Mrs. Connie Decker was 1st runner up, and Mrs. Patricia Decker was 2nd runner up. Six Juniors entered the contest this year.

Our President General, Mrs. Sullivan crowned Mrs. Dean at our State Conference, as "Outstanding Junior member" for 1967.

# LINEAGE RESEARCH Mrs. Harry M. Ives

This has not been a busy year for your State Chairman of Lincage Research, having received only three requests from Chapters over the State and two from outside the State.

Mrs. Ivan T. Johnson, National Chairman informed me that there is still a backlog in papers, it is nothing like it was and to encourage the Chapter Chairman to send the properly filled out Charts to the State Chairman who will work on them and then send them on to the Lineage Research Committee at Headquarters.

Each request is numbered and is processed in order received. Five hours of study is spent on each Chart. Whether the paper is proved or not, much valuable information is obtained.

This National Committee has only two paid Genealogists working and it is difficult to obtain others, so we must have assistance from the Chapter Chairman as well as the State Chairman.

Cooperating with the State Membership Chairman, Mrs. W. M. Ostenburg, Workshops are planned this coming year in Dodge City, Wichita, and Topeka. We would appreciate hearing from those who are interested.

On display are the Charts which must be used and also the Lineage Research Kit which may be obtained from the Business Office at National Headquarters for \$2.30. I shall be happy to take your order or have you send direct. The Membership Committee has also prepared a Kit which is free of charge and obtained from Headquarters. Both of these Kits will be of great help and value to each Chapter Registrar and Lineage Research Chapter Chairman.

## MEMBERSHIP

## Mrs. W. M. Ostenberg .

As we reach the second milestone in this Administration, we welcome into our Society, the Cimarron River Valley Chapter DAR making this the 64th chapter in our State.

Our efforts this year provide the following statistics:

GAINS: New Members 145, Reinstatements 10, Transfers in 17—Total 172.

LOSSES: Deceased 76, Resignations 47, Transfers out 21, Dropped 5—Total 149.

We have 36 Members at Large and 9 C. A. R.s transferred into DAR. Our Membership February 1, 1966 was 3412 and March 11, 1967—3435 giving us a net gain of 23 members.

After 3 consecutive years of net losses, this is most encouraging and shows what can happen if we would each put forth a little greater effort. Of the 63 chapters in our state 18 showed a loss in membership, 17 remained static, 28 showed a gain plus our new chapter.

If you have not ordered your Membership Kit, which is FREE from the Business Office NSDAR, PLEASE do so at once. In addition, the "Ten Karat Membership Program" booklet prepared by our National Chairman, Mrs. Frank Shramek, given each Chapter Regent last fall, provides most outstanding suggestions and aids for achieving our goals.

I wish to thank our State Regent, Mrs. E. E. Huffman; Mrs. L. O. Gaddis, Registrar; Mrs. L. M. Hall, Consulting Genealogist; Mrs. James W. Smith, Librarian; Mrs. Harry M. Ives, Lineage Research and all the Chapter Regents and Membership Chairmen for their gracious help and cooperation this year.

In this day of confusion when the rights of the minority take precedence over the rights of the dedicated majority, DAR has never been more vital. Tell our DAR story—What we DO, What we STAND for. Tell it wih PRIDE and ENTHUSIASM. Enthusiasm BREEDS enthusiasm and ENTHUSIASM ATTRACTS members.

Sagamore Chapter, Mrs. O. F. Baumgartner, Regent, Leawod, Kansas receives the National Membership Chairman's Certificate award with 25.31 net percent gain in membership.

## NATIONAL DEFENSE

# Mrs. Ellis E. Rounds

In August about fifty cards were sent to those Chapter Regents, who had not sent me the name and address of their National Defense Chairman. Those names and addresses with the zip code were then sent to National for their mailing list. In September letters were sent to each chairman acquainting thom with some of their duties and that they would receive material from National; this material to be used in giving their reports at each chapter meeting. This material has been used extensively and has drawn much praise from the chapter chairmen.

Reports from fifty nine chapters give this information: forty three had entire programs on National Defense and fifty six had five minutes or more for reports at each meeting. 1966 Resolutions were studied and discussed by thirty-six chapters; fifty four has National Defense material available at chapter meetings and the materials were made available to schools and libraries by forty chapters. Twenty eight Good Citizenship media were awarded, five presented awards at school assemblies, and eight received newspaper publicity. Twenty one chapters gave a total of \$44.74 to "Dollars for Defense." Twenty two chapters made an effort to increase subscriptions to the National Defense mailing.

Topics of greatest interest were: High Cost of Living, Viet Nam, National Spending, National Budget, Foreign Diplomacy, United Nations, Supreme Court Rulings, Limiting Foreign Handouts, Canal Zone, Centralization of Government, Immigration Laws, Medicare Reapportionment, Civil Rights and the Consular Convention Treaty with Russia.

So much interest has been taken this year in the different areas of concern that I feel very encouraged. Thanks to all chapter chairmen who have presented the material in such a way as to arouse the interest of our members, in the things so vital to the welfare of our great land.

#### PUBLIC RELATIONS

#### Mrs. Bill E. Smith

May I say THANK YOU to our State Regent and to the Chapter Chairmen who have so ably assisted me this past year in telling the DAR STORY. Ours is an interesting assignment and one whose goal is to bring prominence to the Daughters of the American Revolution through means of good public relations in all ways especially through Press, Radio and Television.

On August 27, 1966, a letter was directed to Chapter Chairmen previously appointed and to Chapter Regents urging the appointment of a Public Relations Chairman in each Chapter, davising each of the work of the Public Relations Committee and of the close relationship with the other Committees—Committees such as Constitution Week and American History Month. Each Chairman was requested to TELL THE DAR STORY. All were encouraged to cooperate with their civic and patriotic Groups and to make every effort to use ALL news media in every area in telling the DAR STORY.

Chapters were urged to participate in the Feature Story Contest and to prepare pages for the Press Book. All Chairmen were requested to obtain the Public Relations KIT from National Headquarters, and were given this thought of "Basic B's" from our National Chairman, Mrs. Mary Ellen Minto: "BE quick to establish contact with Public Relations media; BE friendly; BE accurate; BE alert; Be brief; BE appreciative; BE professional; "BE YE DOERS OF THE WORK AND NOT HEARERS ONLY."

Notices were sent to the newspapers in the Fall announcing the four District Meetings held in October, 1966. Kansas placed first in the Southwestern Region for the best Story published in recognition of the 75th DIAMOND JUBILEE. Increased publicity throughout the state indicates DAR public relations activity has made tremendous strides in recent years.

Preparations on publicity for the official visit of the President General, Mrs. William Henry Sullivan, Jr., to the 69th Annual State Conference in Wichita began in January, 1967. Some eighty daily, weekly and monthly newspapers in Kansas were sent general information on the Conference and the local newspaper contacted personally. Personal interviews were had with the three local television stations and the eight radio stations were given detailed reports of events scheduled during Conference. Advance publicty and pictures of our State Regent, the General Chairman and Speakers during Conference began in Wichita on March 5 and 12, 1967. The cooperation of all news media is gratefully acknowledged and appreciated by this Chairman and her Committee.

#### PROGRAM

#### Mrs. Elmer H. Snider

The report from this Chairman to the National Program Chairman was made this year from the chapter yearbooks. Her questionnaire to me arrived too late to be sent to the Kansas Chapters and meet the deadline.

The content of the chapter yearbooks was excellent, stressing the objects of our Society. Special emphasis was given to the work of our National Committees. The books were pleasing in appearance and contained the minimum requirements of the National Program Committee, as well as other suggested items.

Chapter yearbooks were again judged at a state level according to the rules of the National Committee. Twenty of these books were sent to the National Vice-Chairman for display at Continental Congress.

I was pleased to learn, a manuscript from Emporia Chapter, and a one act play from Kanza Chapter, was sent to the Program Reviewing Committee for the national program files. Two sets of slides with commentary were prepared, one by the Regents Round Table of the N. E. District, Kansas—Midway USA; the other, The Germanna Colonies in Virginia was prepared by a member of Shawnee Chapter, and sent to the National Program Chairman for slide library.

Your Chairman attended all District Meetings in October last year, and enjoyed meeting the Regents and their Chairmen.

### STUDENT LOAN AND SCHOLARSHIP

#### Mrs. Lou B. Naylor

We can be proud of our DAR chapters interest in our Kansas youth. In the American History Scholarship offered for the first time this year by the National Society we had six entries and several inquiries. We feel there will be more next year if it is continued. The schools which had entries were most cooperative. Jeff Lough of the Salina Senior High School was chosen by the judges and is the Kansas entrant in the national contest. Thirty four chapters contributed \$99.00 to this fund, an honor roll requirement.

Miss Nancy Taylor, a graduate of the Lawrence High School and now attending Kansas University was the winner of the 1966 award of \$175.00.

We are pleased to announce the amount will be \$200.00 this year. Chapters have already sponsored six Senior girls who are eligible and we hope to add more for the 1967 award. Twenty one chapters have given to the Scholarship fund which is now \$4903.12. The interest is used for the the scholarship award each year.

Thanks to the following chapters for their contributions: Arthur Barrett \$5.00, Betty Washington \$5.00, Byrd Prewitt \$1.00, Council Oak \$1.00, Dana \$1.00, Desire Tobey Sears \$1.00, Eunice Sterling \$1.00, Fort Larned \$1.00, Good-Land \$1.00, Henry Dawson \$1.00, James Ross \$1.00, John Haupt \$1.00, Kanza \$1.00; Martha Loving Ferrell \$5.00, Mary Wade Strother \$1.00, Oceanus Hopkins \$1.00; Phoebe Dustin \$2.00; Polly Ogden \$1.00, Samuel Linscott \$1.00; Uvedale \$1.00, Wyandot \$1.00.

It is a pleasure to serve our state in this capacity, My especial thanks to Mrs. Huffman, our State Regent, also Mrs. Rust, Vice-Regent, Chapter-Regents and Chapter Chairmen for their cooperation.

# THE FLAG OF THE UNITED STATES OF AMERICA Mrs. Max. N. Judy

A young man serving our country on foreign soil has written, "Each day as I go about my duties under the Flag of the United States of America, it is reassuring to me to know that a similar flag is flying over my home in Kansas . . . May it always continue."

As Daughters in Kansas, we have presented 18 large flags and 257 small flags. More than half of the Chapters have studied the Flag Code and we have distributed 660 printed codes.

An outstanding cooperative project of Eunice Sterling, Flores Del Sol, Martha Loving Ferrell, Minisa, Randolph Loving and Wichita Chapters was The DAR Beauty and Traditional Homes Tour and Tea. Funds were raised permitting the purchase and installation of a forty foot flagpole and flags (6x10 ft.) at the new million dollar Wichita City Library. There will be a bronze dedication plate inscribed with the names of the six DAR chapters of Wichita. The Wichita chapter furnished the chairman for this \$1500.00 project.

A large flag was presented by the Baxter Springs chapter to the City Library Park; Esther Lowrey chapter, a large flag to the Independence Musuem; Ninnescah chapter, 6 large flags to families; Fort Larned chapter, 2 large flags to the City Library and Library Clubroom; Uvedale chapter, a large United States Flag and a Kansas Flag to the Police Court. Scout Troops received large flags from Eunice Sterling, Flores Del Sol, Fort Supply, and Shawnee chapters. A Home Demonstration Unit received a large flag from Eunice Sterling.

New Citizens of the United States were presented small flags at the Court of Naturalization ceremonies by Eunice Sterling (99), Topeka Chapter (14), and William Wilson (6). Fort Supply presented 40 small flags to kindergarten students; Mary Wade Strother chapter 28 to cemeteries. Mary Wade Strother has presented 2 Gold Star Flags to families of 2 Salina Vietnam casualties.

Sarah Steward chapter had an interesting and outstanding DAR and Flag Display at the Library Book Fair. Uvedale furnished a float in the Veterans Day Parade with the Flag displayed correctly. Oceanus Hopkins members are reconditioning some early Colonial Flags under which our country has served. Council Oak chapter assumes the responsibility of flying the large United States Flag daily, weather permitting, at the Madonna of the Trail Park. John Haupt chapter has large flags for sale at all meetings. At the suggestion of the Director of Winter Veterans Hospital, the cupcakes usually planned for Winter patients for Flag Day, were given to families who suffered heavily in the destruction of the tornado of June 8th, one of whom was the Regent of John Haupt.

Thank you for your excellent work and reports for this committee. I hope that every Daughter will return home with a desire to encourage others to fly the flags over the home of Kansas, for all of the men who are serving for us.

Isaiah 32:17—And the work of righteousness shall be peace; and the effect of righteousness quietness and assurance for ever

Isaiah 12:2—Behold, God is my Salvation; I will trust and not be afraid; for the Lord Jehovah is my strength and my song; He also is become my salvation.

John 5:24—Verily, Verily, I say unto you, he that heareth my word and believeth on Him that sent me, hath everlasting life, and shall not come under condemnation; but is passed from death unto life.

John 11:25 and 26—Jesus said unto her, I am the resurrection, and the life: He that believeth in me, though he were dead, yet shall he live... And whosoever liveth and believeth in me shall never die.

We thank Thee God for the assurance of our Christian faith concerning man's immortality. Blessed by Thy name for the faith that enables us to look up and continue to live and labor when those we love are called from us unto Thee. Our hearts are filled with gratitude for the lives we honor here today. May we refresh our faith and rededicate ourselves to Thy service, and may this service be a blessed remembrance. We ask this in the name of Jesus Christ, our Lord. Amen.

"They have triumphed who have died They have passed the portals wide Leading from the house of night To the splendid dawns of light. They have gone on that far road Leading to their new abode, And from curtained casements we Watch their going wistfully. They have won for they have read the bright secrets of the dead. And they gain the deep unknown. Hearing Life's strange undertone. In the race across the days They are victors; theirs the praise, Theirs the glory and the pride. They have triumphed, having died. God grant that those who watch today Beside their sepulchers of loss May find the great stone rolled away May see at last, with vision clear The shining angel standing near And through the dimly lighted soul Again may joys evangel roll The Glory of the Cross."

May God bless us with a loving sense of His near presence, to guide us, to protect us and to help us. May we know what it is to walk close with Him, our Father, who remains with us forevermore. Amen. Taps.

#### 1967 Spring State Conference Speech

#### CONSCIENTIOUS CITIZENSHIP

During the seventy-five illustrious years since the founding of the National Society Daughters of the American Revolution, our members have been constant in giving generously to their Country of their very considerable ability, integrity, courage, time and money. We have never failed to come to the aid of the United States in times of national emergencies and our record of patriotic service to the nation is well known to all.

In 1896, our Society was given a national charter by an Act of the United States Congress. The first charter ever to be given to a Patriotic Women's Organization. This charter placed upon the DAR the obligation to carry out three specific objectives—Historical, Patriotic and Educational. The record shows that the Society has fulfilled its obligation faithfully along these lines since its inception. However, due to present day conditions in the fast changing world in which we live, it appears that the need for Patriotic Education is paramount today in our Nation.

In stressing education, I do not mean solely the acquisition of knowledge regarding the Arts and Sciences—but a knowledge and appreciation of the obligations of citizenship as well by all of our people—in other words, an awareness of conscientious citizenship which implies Patriotism, as each is dependent upon the other. In furtherance of this principle, the DAR established the Americanization School in Washington, D. C., in 1913, to teach the values inherent in our Constitution and other historical documents plus the true meaning of our freedoms and liberties; in essence, how to become a responsible citizen.

Among the national committees established by the DAR years ago were those which placed the accent upon the education of our Nation's youth, toward the promotion of good citizenship and our American Way of life. To encourage this promotion, many awards have been made to those who exhibited these qualities to a high degree. We have awarded over 460 Americanism Medals to naturalized citizens who have displayed outstanding qualities of good citizenship.

We have done extensive work for patriotism and good citizenship among hundreds of thousands of members of the Junior American Citizens Clubs in public schools.

We have distributed free of charge more than nine and one half million copies of the DAR Manual for Citizenship, and we have awarded tens of thousands of Good Citizens' medals to young students who have proved worthy of this recognition.

Our records contain ample evidence of the value of this patriotic education through the years.

In spite of our efforts and those of many other patriotic and conscientious citizens, this Country is besieged today on all sides by those who are intent on breaking down the moral fiber of our people, and creating a contempt for law and order. These efforts have partially succeeded and the situation is now so serious as to pose a national emergency, as recognized by the President of the United States when he called upon Congress for an all-out plan to combat crime. It is hard to believe that in Washington, D. C., crime in the Capitol Building itself and its surrounding office buildings and grounds is reported to have risen by 51% in one year. (An increase from 52 serious crimes in 1965 to 79 in 1966).

It has been several years since our Country has faced a crisis of such dimension that it has been felt necessary to call upon the members of our National Society to help avert a mortal danger to our beloved United States of America.

We now face such a crisis. Many citizens are in a quandary as to how it happened.

A number of factors have contributed heavily to create the present atmosphere of disorder, and the downgrading of patriotism, good citizenship and a dependence on Almighty God to guide our destiny.

For over 30 years, this Country has been undergoing a social revolution, which has been intensified since the end of World War II. While this change has been taking place, the so-called 'liberals' of the extreme left have become stronger and more fortified in their position, until now they dominate a large portion of our people. Many of these people argue that the traditional principles upon which our Nation was founded have been overcome by a 'moralistic obsession' with stopping communism. Unless our citizens awake soon to the present danger of the course chartered for them by these unpatriotic Americans, it will be too late to save our precious heritage of freedom.

To protect and guarantee this heritage of freedom, a Constitution was proposed by our Founding Fathers. In ratifying the Constitution of the United States, they provided for a Supreme Court whose principal duty it is to protect and preserve the Constitution and the people's rights under that great document. Throughout our history, the Supreme Court has, with only a few exceptions, carried out this responsibility with great diligence and good judgment. It is only in recent years that the Court has decided to reinterpret the Constitution, rewrite its provisions, legislate laws of its own making, and hand down decisions favoring minority pressure groups, which violate the Constitutional rights of the majority of our people.

These actions on the part of the Court have made a substantial contribution to the effort of subversives to break down the moral fiber of our people. This breakdown has not only exposed the Country to communist infiltration, but, in addition, has encouraged a disrespect for those very laws the Court is supposed to protect!

The following few examples will serve to illustrate how the Spreme Court's decisions have contributed to the present crisis and helped destroy both patriotism and the very safety of America:

- 1. In 1956, the Court handed down decision after decision breaking down the safeguards the American people had raised against the communist menace of infiltrating our society and subverting our government and historic way of life.
- 2. The Court voided the sedition laws of 42 States of the Union. (Pennsylvania vs Nelson 350 U. S. 497).
- 3. That same year the Court denied the right of the U. S. Government to fire Federal employees who supported communist organizations with money or services. (Cole vs Young 351 U. S. 497).
- 4. In another case, our schools and colleges were forbidden to discharge teachers who refused to answer questions regarding their communist activities. (Slochower vs Board of Education of New York 350 U. S. 551).
- 5. In 1962, the Supreme Court gave its now famous ruling which banned prayer in our Nationa's public schools, as violating the Constitutional rights of school children even if participation was voluntary. This was done at the behest of a small group of atheists and non-believers, in spite of nation-wide protests from parents who believed that starting the day with a simple prayer was good for their children.

6. In 1965, the Court ruled that members of the Communist Party would no longer have to register as agents of a foreign power, because to do so violated their rights. One wonders just what rights the Court had in mird? The right to take over our Country?

Immediately following this decision, Gus Hall, General Secretary of the Communist Party U. S. A., announced that, due to this ruling, the communists could now come out into the open and would hold their 18th annual convention in New York City, which would be open to the public. He also said this would allow the Communist Party to run candidates in national and local elections.

7. In its latest folly, the Supreme Court has struck down the loyalty laws of the State of New York, many of which have been in force since 1917. These laws 'disqualify' from Civil Service and from employment in the educational system any person who advocates the overthrow of the government by force, violence or any unlawful means, or publishes material advocating such overthrow, or organizes or joins any society or group or persons advocating such doctrine.' (Supreme Court Decision 1967). The Court gave as part of its reasoning that—''Subsection (2) of the Feinberg Law was, however, before

soning that—"Subsection (2) of the Feinberg Law was, however, before the Court in Adler vs Board of Education and its constitutionality was sustained. The Constitutional doctrine which has emerged since that decision has rejected its original intent.")

The conclusion is obvious—the Constitution of the United States has not changed, but, five men on the Supreme Court have changed its 'doctrines' by their willful action. This decision swings the gates open wide for communist infiltration in our schools, colleges and the Civil Service.

#### In the minority dissent, Justice Tom Clark said:

"The blunderbuss fashion in which the majority couches 'its artillery of words' together with the morass of cases it cites as authority and the obscurity of their application to the question at hand makes it difficult to grasp the true thrust of its decision.  $x \times x$  It does not explain how the issues can be applied to the appellants under procedures which have been for over two years a dead letter. The issues posed are, therefore, purely abstract and entirely speculative in character.  $x \times x$  I regret to say—and I do so with deference—that the majority has by its broadside swept away one of our most precious rights; namely, the right of self preservation."

J. Edgar Hoover has said many times that those who would destroy this Country have as their first objectives, the encouragement of law-lessness and rebellion in our youth. He has pointed out that the best approach to the eventual taking over of the United States is through communist infiltration of our schools and colleges. The way will certainly be made easier by the striking down of our loyalty laws, allowing far left-wing, and even subversive teachers and professors, free access to our classrooms to indoctrinate our children with communist and subversive dogma.

That Mr. Hoover is absolutely correct is proven by a report on the "Second Conference of Socialist Scholars" which appeared in the September 19, 1966, issue of Barron's Weekly, and which would be required reading by every American citizen who is interested in a free America. The report says in part—

"The New Left movement in this Country is generally described as a spontaneous, amorphous grouping of rebellious youth. It is not. Any observer who attended the Conference during the weekend of September 9-11 would have recognized that most members of the New Left are activists who are instigated, controlled and maintained by disciplined members of the Communist Party, working in a united front with Marxian ideologists."

Speaker after speaker denounced the United States—capitalism—the private ownership of property and the American Way of Life. They boasted of 'the American Campus-based radical international intelligence network which exists and is a threat to the security of the United States.' This network aids students to make trips to foreign lands to contact communist leaders in the countries visited.

James Haughton, director of the Harlem Unemployment Center, called the 'whole American system rotten.' He said, "You can't look any where in this Country and see anything but rottenness.... Wherever the American octopus reaches out its tentacles, there you will find exploitation, cruelty, poverty, mass impoverishment."

Most important of all in this report was a partial list of the speakers at this scholarly meeting. Prominent among them were—
Professor H. H. Wilson of Princeton University, Professor Richard A. Cloward and Frances Pivan of Columbia, Professors William Ryan and C. Vann Woodward of Yale, Professor Eugene D. Genovese of Rutgers and James Petras of the Berkeley Campus of the University of California.

The present unrest and disorder on our college campuses is surely one evidence of the progress already made by a noisy minority toward a breakdown in law and order for which the communists strive so hard. Among the leaders in the recent demonstrations and riots on the Berkeley Campus was Bettina Aptheker Kursweil, a self-admitted member of the Communist Party. Bettina, you may recall, is the daughter of Herbert Aptheker, a member of the Party's National Committee and its chief theoretician. She is also the chief organizer of the threatened national student strike scheduled to take place in April of this year, to protest the high cost of education, promote increased student freedom and to oppose the draft.

A most significant factor in this proposed action is the fact that it has the endorsement of many professors and members of college faculties—many of whom, I presume are people who would object to being asked to take an oath of allegiance to the United States.

Many of the college demonstrations have been held to protest the draft, but even more have been directed toward disapproval of our effort to contain communism in Asia and aid the people of South Vietnam to remain free of communist enslavement. The communists have taken full advantage of the opportunity for disorder which these demonstrations have given them. Some of these demonstrations have led to violence and the disruption of studies and classroom work.

Berkeley is not the only University beset by unpatriotic disorder. Witness the disgusting scene on the Harvard Campus last fall when Secretary of Defense McNamara went there, by invitation, to make an address. On leaving the ball, he was surrounded by several hundred yelling, screaming students, insulted, called a murderer, and subjected to physical violence.

These protests have led many young people into committing acts of folly on their part. At one demonstration in New York, 3 war protestors stood before a crowd of several hundred cheering demonstrators and amid denunciations of their Country's war effort, burned their draft cards in a burst of bravedo. This was their supreme effort for their Country! One of the audience, a student, was heard to admiringly remark, "It takes a lot of courage to burn your draft card." What he did not understand was that the courage he admired was the courage of a jackal.

We all know that these actions are those of a small minority of our people, but the frightening possibility is that many of our fine young people are apt to become infected from contact with the rebellious ones.

These events took place throughout the Country due to a lack of conscientious citizenship. Many citizens sat on the sidelines and feebly protested, but did not go forth with a united front to fight these evils as they should have done.

War protestors and draft eard burners might see a different picture if they could be exposed to sentiments such as those expressed by Congressman William H. Ayers, in an address to the House of Representatives on March 3, 1966. He said:

"The voices of dissent have been heard throughout the land. Many of these have impugned our Armed Forces in Vietnam—inferring that they are oppressors, or tools of imperialism. These voices have been broadcast loudly throughout the Country. The story of their so-called dissent has been distributed to the press of the world and has un doubtedly given great hope to our enemy. I do not question that they have also encouraged him to fight on with renewed vigor despite the efforts of our Government to bring about a just settlement of the conflict.  $\times$  x x Never in past wars has the American fighting man so lacked in support from the home citizenry. Despite the terrors of guerrilla warfare, the penalties of tropical disease, the lack of adequate supplies, the bombing of his rest zones, and the failure of total support from home-our servicemen have carried on in the tradition of heroism that has marked our fighting men in every conflict since we first took up arms in the Revolutionary War. x x x I have many letters from the men who are serving on foreign soil. I would have you note that without exception they not only know what they are fighting for, but have no dissent with it."

One wonders what has happened to Patriotism in this Country when large numbers of our people refuse to back up our fighting men, demon strate against the Government at the very time our Country is fighting the toughost war in its history, burn their draft cards, and as reported in the papers, over 2000 young men have fled to Canada to escape serving their Country. Remember when draft dodging used to be a disgraceful action?

\* \* \* \* \* \*

One could well inquire is it consistent when we are spending billions of dollars to fight communism in Asia, with over 400,000 of our young men fighting in the steaming jungles and swamps of Vietnam, that the extremists in our Government are pressing hard to open up more trade with the communists of eastern Europe? This, on the theory we will benefit by their good will and they will in turn relax their efforts to bury us? Can it be possible that there is anyone on Capitol Hill that is not aware of the aid being sent the communists of North Vietnam and the Viet Cong by Russia and the other Iron Curtain countries? (80% from Russia—see U. S. News and World Report). Are their eyes blinded to the fact that the food, planes, guns and ammunition supplied by European Communists are helping to kill American men in Vietnam?

It would seem that they cannot comprehend that any aid given or trade carried on with communist countries can only result in prolonging the war and make our task that much harder. Recently the newspapers reported that American forces on one day shot down 7 enemy planes the biggest one-day bag of the war. Did you know that every one of those 7 planes was a MIG—and MIGS are Russian-made planes?

While the Adminstration is pushing to open up more trade with the communists, Congress is debating the Consular Treaty with Russia. Proponents of the Treaty use the specious argument that this will benefit the United States.

The main argument for the Treaty is that it will give greater protection to Americans traveling in Russia, and that more Americans travel in Russia than Russians traveling in this Country, therefore, we benefit!

Senator Strom Thurmond told the Senate recently that, "No new agreement should be needed for the protection of American citizens traveling in the Soviet Union." The Senator noted that on November 16, 1933, Maxim Litvinov, the Soviet Peoples Commissar for Foreign Affairs, and President Franklin Roosevelt exchanged memoranda setting forth conditions for the diplomatic recognition of the U. S. S. R. by the United States. These papers contained the following statement to which Litvinov agreed—

"We shall expect that the nearest American diplomatic or consular office shall be notified immediately of any arrest or detention of an American national and that he shall promptly be afforded the opportunity to communicate and converse with such national."

To this day the U. S. State Department has treated this agreement as a binding document.

\* \* \* \* \* \*

Actions such as these on the part of some of our citizens today cause one to ponder whether or not responsible citizenship is a thing of the past. And, whether or not we are following the same pattern that has led to the downfall of other nations and cultures throughout the history of mankind.

The challenge to the modern patriot is to get this nation back on its true course, one must go forward with the times, but not by compromising one's ideals. As members of a Patriotic National Society, it behooves us now more than ever to assume leadership along these lines and be ready to teach the doctrine of individual freedom and of pride in our history and our heritage.

We must make our voices heard above the chorus of those who would remake America on a socialistic pattern, destroy our American Heritage and downgrade our national heroes. We must be prepared to fight for our freedom and our ideals, for freedom dies if it is not fought for eternally.

We must not take too much for granted. We must remember that patriotism and religion do not grow on trees, but must be instilled in the minds of the very young. The basic principle upon which this Nation grow was a firm belief that each individual is born with certain God-given rights which no man could take away from him. This is our creed. Unless we are prepared to do something now about perpetuating our birthright of freedom we are not worthy of the sacrifice of our ancestors whose faith and determination made it all possible. As individuals, we should take advantage of our right to vote and work in our communities to place into public office only those citizens who place the common good of the majority of mankind above all else.

Senators and Congressmen are very sensitive to the opinions of their constituents. By writing personal letters to them every time a question or bill is before Congress that you consider to be not in the best interests of the Country, you will help to slow, and, yes, even stop unpatriotic legislation.

In addition, reassure the embattled group of patriotic men in Government and Congress who are trying so hard to hold the line against heavy odds. Let them know you appreciate their efforts to keep America for Americans.

We should endeavor to ascertain just what our children are learning in school about what's right with America and whether or not they are learning the principles upon which this Country was founded and became great.

We can become members of the local school and church boards. We can see that the textbooks used in our public schools are not written to downgrade our national heroes who have been an inspiration to young Americans for generations.

Last, but by no means the least, remember that although the home today must share its influences with many other agencies, it still remains true that the home is the primary educational unit known to man how influential this education is depends upon the character and basic values of the parents.

If we fail to do this—if we fail to be conscientious citizens—we will be false to our pledge to preserve our American Way of Life. We will be false to the heroic revolutionary soldiers who lie in the graves we have so carefully sought out and marked for posterity. We will be false to those gallant Americans who 'gave the last, sweet measure' of their lives at Chateau Thierry, the Argonne, San Mihiel, Corregidor, Iwo Jima, throughout the Pacific Ocean, on the beaches of Normandy, in Korea and now Vietnam. If we fail, we will be forever haunted by the anguished cry rising from row upon row of crosses marking the graves of these heroes; remember these words:

"Take up the quarrel with the foe,
To you from falling hands we throw
The torch: be yours to hold it high,
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders Fields."

Let us go forward as patriots all.

Let us remember that that is our proudest title, meeting the challenge of today with the pride and steadfastness of those who went before us, gaining strength from their example and courage from our undying faith in the future of this Nation under God.

# EISENHOWER CENTER — ABILENE Beulah Chesney

During 1966 the Eisenhower Memorial Chapel was completed at the Center in Abilene; this is a beautiful and unusual structure of striking design—not large but impressive.

This chapel will be one of the attractions of the 1967 every-third-year KSDAR Spring Pilgrimage, which is to be May 2nd. In addition to viewing again with much pride the handsome marble DAR Pylons that dominate the entrance way, the trip will include seeing new items in the Museum, enjoying again the Old Home, and a short lecture with colored slides by the new Director, Dr. John Wickman, on the beautiful Library.

Lunchcon is always a delightful occasion and this year we promise you an interesting and personable speaker, Mr. Robert Gadberry of Wichita.

One small disappointment due to severe and unusual weather in Holland the annual gift of hundreds of Tulip bulbs was withheld but there are the roses!

Eisenhower Center continues to draw thousanded of visitors each year, including those highly rewarding school bus tours that expose our youngsters to this historic place. The Center is open every day in the year from 9 a.m. to 5 p.m., except Christmas.

These Pilgrimages have proven to be one of the best innovations on KSDAR schedules; come and share with us our pride and onthusiasm in this historic spot. To each of you the Abilene Chapter extends a warm, welcome; make the trip and you will be glad you did!

### EL CUARTELEJO

#### Mrs. Chester Davis

In the report of this committee which was given at State Conference in 1966, it was recommended that the Historic Site of El Cuartelejo be maintained at a status quo until proposed plans of the State Park Authority and the Kansas Historical Society could be developed.

Mr. Nyle Miller, Secretary of the Kansas State Historical Society has written that the plan for development of El Cuartelojo was turned down by the Federal Bureau of Outdoor Recreation. Probably because B O R has not received as much money as it had hoped, through the sale of admissions and season tickets to National Areas.

For this and other reasons they practically cut out all history projects on their programs, preferring to concentrate on the Great Out-of-door type of development, with less attention to building.

Mr. Miller state: "Though we have been temporarily stymied, we do recommend that El Cuartelejo continue to romain at the status que until something can be arranged. We sincerely believe that a development is going to be possible there."

The VF W of Scott City has offered assistance in the development of this project, which we greatly appreciate and no doubt, will be accepted when development begins on the site of this Historic Marker.

#### KANSAS DAR CHAPEL

#### Beulah Chesney

April Vesper Hours will be observed in the Kansas DAR Chapel in Continental Memorial Hall in Washington during the 76th Congress. A new and beautiful arrangement of permanent elter flowers and soft eandle light will greet visitors, and each will receive a copy of the Prayer for Peace.

The flowers are part of a memorial from the members of Mrs. Duncan's cabinet given in memory of the past Chaplain General's mother. We are keenly appreciative of this added beauty.

Every effort is being made to have the impressive Sunflower stained glass windows in place in the chapel for this Congress. Securing the windows took several months of concentrated thought and time, and we feel most fortunate in having them. These windows were a part of the rotunda in the old Carnegie library given to Wichita in 1015, and are the design of Mrs. Elizabeth (Stufflefield) Navas, an interior decorator of Wichita and New York City; a long time non-resident member of the amazed and delighted Wichita Chapter. This item appeared in the April 21, 1915 issue of the "Eagle:"

.... Warmth and brightness are added to the rotunda by the stained glasses in the dome. These have been designed by Elizabeth Stuffle field (Navas) who is associated with Mrs. Murdock. Experts of New

York passed judgment up on the design and coloring, making but a slight change in adding more of the golden glow to the glass. Even on dark days the glasses have the appearance of the sun shining through them. A large sunflower with two smaller flowers are the figures in the glass."

These lovely glasses should enhauce the quiet blue and white beauty of the Kansas Chapel, and the subdued light be a deterent to the fading of the delicate blue shades that predominate.

Please bring the needs of the chapel to the attention of your chapters, and if at all possible increase your dollar contributions this year—we must consider fresh paint, new dossal curtains and velvet for communion chairs.

#### COUNSELOR

#### Pauline Cowger

Being Counselor of the Kansas Society Daughters of the American Revolution is a position to work for, from the beginning of ones membership.

First, you serve in the different capacities in ones own Chapter. You fulfill your duties there, and then you help in the State Society, eventually becoming State Regent — and after that one has earned the office of Counselor.

And, it's one of the easiest offices to fill. You are ever alert to the Society activities, and are in readiness to advise when requested, from your State Officers, from the different chapters and also from the members. I've responded to the best of my ability.

I have accepted the invitations to your meetings and functions whenever possible, and do thank you all for your thoughtfulness and consideration.

#### CONSTITUTION WEEK

#### Theodora H. Stebbins

Kansas Governor, The Honorable William H. Avery, issued a Proclamation declaring the week of September 17 through the 23rd as Constitution Week. This was followed by the Mayors of many towns issuing a similar proclamation. Flags were flown throughout the week. Patriotic displays were placed in store windows, banks, post offices, department stores, libraries, schools and various other places. Radio and TV helped to keep the meaning of this week before public.

To find out just what had been done for this important occasion, a questionnaire was sent to each Chapter Historian or Constitution Week Chairman. Twenty four replies were mailed back to me in time for my report to Mrs. Frank Henderson, St. Louis, Missouri, National Vice Chairman of the South Central Division. A number of reports came in after the deadline, so were not able to be used. I was particularly impressed with some of the newspaper responses for this event. To mention only a few: Betty Washington, Fort Larned, Lois Warner and Neodesha Chapters were outstanding and these reports were mailed to the National Vice Chairman. Most of the reporting Chapters had a program on the Constitution. Publicity from Chapters: 221½ inches, 18 articles and 7 pictures. Perhaps we can do better next year.

The purpose for this honoring of our Constitution is to "strengthen a nation dedicated to liberty and justice—a nation in which its citizens may live an abundant life, developing to the fullect their individual opportunities for success and rendering a corresponding service to their country."

## CONSULTING GENEALOGIST

Mrs. L. H. W. Hall

It has been a pleasant and rewarding experience to serve the Kansas DAR as Consulting Genealogist the past year. Twolvo letters have been received and answered. Lineage records for potential members have been checked in the State Library. Your chairman attended the South West District Conference in Wichita in October 1966. Assistance in genealogical research will be offered at a membership workshop planned at The State DAR Library in Dodge City this summer.

#### NATIONAL VICE CHAIRMAN'S REPORT

Mrs. Roscoe Gillaspie

The South Central Division composed of six States, Arkansas, Kansas, Louisiana, Missouri, Oklahoma and Texas has four hundred thirty-two chapters of which three hundred and fifteen reported to their DAR School State Chairmen this year.

DAR Schools were featured at five of the State Conferences; two hundred ninety-nine chapter programs were presented with two hundred and thirteen given on our own two DAR Schools.

For the Adele Erb Sullivan Administration Building at Tamassee \$2,683.83 has been donated—Texas was high with \$909.00 and Kansas second with \$898.08 toward the two columns pledged.

Free freight is being more and more available by the efforts of the State Chairmen and the chapters themselves. Kansas was second high in the total number of boxes of clothing and other articles sent to Tamassee and Kate Duncan Smith. Of the 308 packages shipped, Kansas donated

seventy-seven boxes of which eighteen were transported dead head freight. A total approximated value of clothing sent is \$8,130:20. Arkansas has established free freight throughout the State, Texas and Kansas partially. Last week, in response to the request of Mrs. James Greenwall, Missouri DAR School State Chairman, zerox copies of material with full details as to the approach and follow up for free freight by Transportation Companies, sent me by the National Chairman, Mrs. Fred Aobly, were mailed her, which she will present at their State Conference this month.

Scholarships are most necessary for both our DAR Schools, Tamassee and Kate Duncan Smith—and equally needed. Money to complete the Adole Erb Sullivan Building at Tamassee as well to help maintenance in the future is necessary. Also, KDS must have eash to clear their Accreditation Debt enabling it to keep this standard reached.

In closing, I quote from a letter printed in the January issue of the KDS News:

"Dear Mr. Colburn, Principal: The Central Reviewing Committee received the report of the Alabama Committee at the recent meeting of Southern Association of Colleges and Schools held in Miami. It is with pleasure that I am able to report that your school meets all Southern Association standards for the 1966-67 school year. You and your entire school community are to be congratuated on this report. It is the hope of the State Committee that this achievemen will serve as an impetus for even greater achievements in the quality of your school program. Sincerely yours, L. Tennant Lee, Jr., Chairman."

#### SHAWNEE MISSION

#### Mrs. Richard M. Hartzler and Mrs. E. Carruth Owen

The Annual Shawnee Mission Constitution Day Pilgrimage was held September 8, 1966.

All members of Chapters in Kansas were invited to attend by the seven N. E. district Chapters: Sagamore, James Ross, Olathe, Mission Hills, Shawnee, Tomahawk, and Wyandot. 130 members and guests were present.

The Chairman greeted the mombers and guests and introduced our beloved State Regent, Mrs. Elmer Huffman, who introduced National, State and Committee officers.

#### **PARLIAMENTARIAN**

#### Mrs. Paul N. Kent

As parliamentarian, I have attended a number of chapter meetings and have discussed problems concerning parliamentary procedure. I urge each chapter to have a copy of "Robert's Rules of Order, Revised" and to become familiar with its contents. I attended some district meetings held last Fall.

The bylaws of a number of our Kansas chapters have been examined, and suggestions concerning them have been given. I have corresponded with members and have answered questions relative to procedures and bylaws. Opinions have been given concerning procedures to chapter members and state officers.

It will be a pleasure to attend the meeting of the State Board of Management preceding the Conference in Wichita, March 16, 17, and 18. I expect to attend all sessions of the Sixty-Ninth Annual State Conference.

May I call to the attention of our members the excellent articles in our DAR magazine written by the National Parliamentarian, Josephine T. Rothermel. Members should read these items in our magazine. Some chapters have found it helpful to keep complete files of parliamentary information for reference. It is important that all presiding officers and prospective officers study and know proper parliamentary procedure.

It is a privilege to serve this administration as parliamentarian.

#### THE STATE OFFICERS CLUB

#### Pauline Cowger

The President Elizabeth Ives kept the business of the day moving along. In the absence of the historic gavel used on such occasions, she wielded the croquet mallet. Recognizing our 30th birthday, the decorations were travel facilities covering that period of time, including horses, boats, trains, cars, suit cases etc. One was a car which was a favor from the state conference held in Abilene in 1931. Another was an automobile—over 50 years old, made in Germany, from the collection of Mrs. Carnahan. Guests were Edna Wheatley, Conference Chairman and Catherine Downing of Connecticut. The Treasurer Beulah Chesney was instructed to send 50 new pennies on a card to Jennie Ralston, honoring her 50th wedding anniversary March 19. Letters of Greeting were read from Mrs.

von der Heiden, Ruth Berger, Mary Ainsworth Kennedy and Mary B. Hartley. The song by Roberta Kilbourn was omitted, because . . . they needed the piane at another meeting, but also she forget her glasses. Instead, she led the round of "Three Blind Mise." Beulah added to the program by giving the recipe for a Surprise Dump Cake and repeating an interesting poem. Through dignified procedure the following officers were selected: President, Mrs. Ruth Feller; 1st Vice President, Mrs. Mary Smith; 2nd Vice President, Mrs. Sarah May; 3rd Vice President, Mrs. Ann Cloninger; Chaplain, Mrs. Peggy Owen; Treasurer, Mrs. Melville Harper; Reporter, Mrs. Tillie Newman; Secretary, Mrs. Sunshine Gaddis and Historian, Mrs. Lucile Rust. Betty Washington and Tomahawk Chapters received certificate awards for their extra effort in Magazine Advertising. Eunice Sterling Chapter presented the DAR Museum a beautiful antique copper lustre tea service, given by their member, Mrs. John Olinger.

The theme and the spirit of the 76th Continental Congress was set on the opening night when the address by Dr. Norman Vincent Peale was entitled "Why Positive Thinkers Get Positive Results." As the busy days and evenings flew by the feeling of positive thinking and accomplishment grew. The reports of National Officers, Chairmen and State Regents reflected the growth and vitality of our Society. A gain of 2281 members

for the year was announced. From the Chaplain Generals Breakfast and Memorial on Sunday until the singing of "Elect Be The Tie That Binds" on Friday all meetings reported record attendance. The Kansas Lunchoon was no exception, as 64 Kansans and guests gathered in the Pan American Room of the Mayflower Hotel Tuesday, the 18th. Mesdames Frank Carlson, James Pearson, Chester Mise, Garner Shriver, Joe Skubitz were honored guests. We were sorry that Mrs. Dole and Mrs. Winn could not join us. Miss Pauline Cowger and her Committee had arranged for a delightful menu and favors of Kansas Historical maps and Sunflower topped pencils for each of us. Tuesday was a busy day for that morning the delegation filled the Speakers Dining Room as we breakfasted with our Senators and Representatives at the Capitol.

The Kansas Chapel was the focal point of the Congress and the Kansas delegation. The beauty of the Sunflower windows is beyond my description. In this new setting the lovely old glass filters the light of our complex and confusing world into the peace and screnity of God's love and blessing upon the many that come for meditation and prayer. The design and color of the windows carry the message of the strength and faith of the Kansas people, the gold of our sun, the blue of our sky and the green of our fields. In every way Continental Congress, 1967 was a proud time for KSDAR, Now we go forward to another year of achievement with the new watehword "Progress is the activity of today and the assurance of tomorrow."
