Our DAR CREED

We believe in a patriotism which loves one's country as the dearest and best in the world and does not refuse to defend it.

We believe in a loyalty to its government which leaves no room for socialism or communism.

We believe in a love of peace which leaves no room for pacifism that would buy peace at any price, even at the sacrifice of truth, honor and righteousness.

We believe in a living faith in God that leaves no room for atheism. Such ideals have a vital, spiritual appeal. Linked with memorials to America's past, they seek the perpetuation of the noblest and best for America's present and future.

The American's Creed

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a Republic, a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon these principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

Pledge of Allegiance

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, One Nation under God indivisible, with Liberty and Justice for all."

The Daughters Pledge

We, the Daughters of the American Revolution, who find rest under thy folds, do pledge our lives, our hearts and our sacred honor to love and protect thee, our country and the liberty of the American people forever.

Our Aim

"To prove worthy of our national heritage and be willing to assume and discharge our full duties in American Citizenship. To teach posterity loyalty to our country and reverence to ancestry."

The Kansas Creed

I believe in the state of Kansas as the highest exponent of what a commonwealth should be. Revering her venerable past and glorying in the promise of her future, as she pulls in the Nation's Trace for Freedom, Justice and Equality, through travail to the stars.

I promise to defend her against all enemies; to obey and support her laws and institutions, including the Constitution of the United States of America upon which they are found; and as ever be useful, honorable and patriotic citizen.

Louisa Cooke Don-Carlos — 1936.

Preamble of the Constitution of the United States of America

We, the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for common defense, promote the general welfare and secure the blessing of liberty to ourelves and our posterity, do ordain and establish this Constitution for the United States of America.

LEAD, KINDLY LIGHT

Lead, kindly Light, amid th' encircling gloom, Lead Thou me on. The night is dark, and I am far from home; Lead Thou me on. Keep Thou my feet; I do not ask to see

The distant scene, one step enough for me.

So long Thy power hath blessed me, sure it still will lead me on.
O'en moor and fen, o'er crag and torrent, 'till the night is gone.
And with the morn those angel faces smile

Which I have loved long since, and lost awhile.

BATTLE HYMN OF THE REPUBLIC

1.

Mine eyes have seen the glory of the coming of the Lord; He is trampling out the vintage

Where the grapes of wrath are stored.

He hath loos'd the fateful light-ning of His terrible swift sword, His truth is marching on.

Chorus:

Glory, glory Hallelujah, glory Hallelujah! Glory, glory Hallelujah! His truth is marching on.

WHEREAS, We have stood by and watched as other nations have had all their personal freedoms eliminated and are today prisoners within their own national boundaries, and

WHEREAS, Americans have stood by and glibly said . . . IT CAN'T HAPPEN HERE . . however, few Americans can truthfully declare that our children will be heirs to as great a heritage of freedom as we, ourselves inherited at birth.

SO BE IT RESOLVED: That any nation can lose its freedom, if and when, it also loses its capacity for self-government . . . if it is content to let its government shoulder the responsibility of the solution of every fancied or real responsibility, and

LET IT BE RESOLVED THAT, the Kansas Daughters of the American Revolution seek active participation within our National Society to work unending for freedom's cause because as good citizens,

FREEDOM IS OUR RESPONSIBILITY—IF IT IS NOT TOO LATE—AND FREEDOM IS NEVER FREE.

EDUCATIONAL TRENDS

WHEREAS: From the founding date of our Republic until World War I the schools of our nation were the child's second home. The school, the church and the home were all partners in the child's education. Single one-room schools educated the men and women who raised this nation to a first class power and gave us the first miracle government the world had ever known, and

WHEREAS, The People of the world beseeched America to admit them . . . We opened our gates to the poor, the hungry and the down trodden and they flocked into our nation by the millions. These oppressed peoples, in time, made us OUSTANDING CITIZENS, and

WHEREAS, With the founding of the United Nations, those governments who coveted our nation worked methods whereby they could circumvent Article 2, Section 7 of the United Nations Charter and by its specialized agencies in UNESCO'S Convention on discrimination in education . . . reach into the domestic affairs of member nations, and

WHEREAS, The Convention covers every phase and facet of education. To make certain from its authority, there was no escape, provides that no reservation of this Convention be permitted: LET IT BE RESOLVED: That the Kansas Daughters of the American Revolution be alerted that should this Convention be ratified by our United State Senate, the American people will have lost all hope of reclaiming control of education in these UNITED STATES.

ARBOR DAY A PATRIOTIC HOLIDAY

WHEREAS, The plains states were originally, at time of settlement, bare of trees except some growth along streams, and when a tree planting program was started in Nebraska in 1872, Kansas followed suit and has honored Arbor Day for many years, and

WHEREAS: In Kansas the day is set by proclamation by the governor, and

BE IT RESOLVED: That the Kansas Daughters of the Daughters of the American Revolution, as Individuals, petition our state legislature to make it a set legal day in Kansas by law and that it be considered a patriotic day.

OUTSTANDING ACTS OF BRAVERY BY KANSAS YOUTH

WHEREAS: In these days when youth is prone to flaunt and despise all things of long standing and many show no respect for the property or lives of their fellow Americans and since their radicalization is developing along many lines against the Church, School and the Government of the United States of America, and

WHEREAS: The numbers of our youth are disturbed, yet true young citizens, and do take courageous stands and bravely act beyond safe bounds for their own personal safety,

BE IT THEREFORE RESOLVED: That the Chapters of the Kansas Daughters of the American Revolution be ever alert to such courageous acts and do set up a system of awards that the youth may be presented at the yearly State Conference.

WHEREAS: Citizens of Kansas are awakening to the importance of such landmarks in their communities and have pride in them and their past history.

LET IT BE RESOLVED: That each Kansas Chapter of the Daughters of the American Revolution search out possible outstanding and interesting sites in their communities and the data be presented to the State Regent and a Committee for Evaluation of new Historic Sites.

A PROUD RESOLUTION FROM THE KSDAR

WHEREAS: For a full thirty years some segments of our National press and news media have used our noble Society as the recipient for their sly, cunning remarks and jibes . . . inventing new phraseology and twisted news in a bold frontal attack upon our Society's integrity and punning our patriotism

We come to this hour to give tribute to our departed Daughters. They were blessed with God's given grace to live and die with the assurance of His promise of eternal life.

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures, He leadeth me beside still waters. He restoreth my soul. He leadeth me in the paths of rightcourness for Ilis names sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; for Thou art with me; Thy red and Thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies; Thou anointest my head with oil; my cup runneth over, Surely goodness

and morey shall follow me all the days of my life: and I will dwell in the house of the Lord forever. Let us pray:

O Lord, Our God, fill our hearts with gratitude for Thy great loving-kindness toward us. We thank thee for the sweet memories of each Daughter. We thank Thee for having given us these dear members who have helped ease the way for us. We are thankful that though they cannot return to us, we know we shall go to them.

Hear and accept and answer our Prayers, which we offer to Thee in Faith and Spirit of Jesus Christ. Amen.

STATE REGENT'S REPORT FOR 1971 FISCAL YEAR

"The moving finger writes, and, having writ moves on-Nor all thy piety nor wit can lure it back to cancel half a line, Nor all thy tears wash out one word of it."

Accomplishments of the administration now closing, recorded by

the moving finger of time, are now reviewed, for the record.

When the present administration took over, the General Fund was in a depleted condition, due to inadequate income to finance operation of the State Society, and to excessive expenditures required to print and distribute free three times a year the "DAR News" to some 3500 persons. Action to raise state dues from \$1.25 to \$1.60 annually was instituted. The raise was approved by the 1969 State Conference, one year later. Cost of the "News" was slashed by reducing it from an 8 to 12 page publication to 4 pages, limited to state and national items of interest. Addressograph plates used during the Cowger Administration, three years before, were brought up-to-date with some 800 new plates. A Topeka office service firm was hired to address, zip code, sort, tie and mail the "News" for a nominal fee, thus eliminating a tremendous problem in mailing of the "News." The three issues published during fiscal 1971 aggegrated \$641.48 for printing, compared with printing costs of \$1,088.48 during fiscal 1968. Processing costs of the Office Service firm amounted to approximately \$90, for a total of \$731.48 for 1971.

To obtain full use of the bulk mail permit central mailing from Topeka for some 2500 letters to Chapter Regents and Chairmen annually was instituted. Such letters were mimeographed by the Office Service firm, and then zip code sorted, tied in bundles and mailed in addressed envelopes suppled by the State Chairmen or the State Mail Chairman. The saving effected by mailing group letters at 1.6c each, rather than 6c as heretofore, need not be commented upon. The charge for processing groups of 200 or more letters for bulk mailing, was from \$3 to \$4 each

mailing.

The dormant Eisenhower Fund, composed of two \$1,000 bonds and a savings account made up of accumulated bond interest, was reallocated to further DAR objectives. One bond was transferred to the Student Loan Fund. The other is being held as an Emergency Fund, in reserve, with interest on both bonds paid into the Student Loan Fund. This permits paying an additional \$150 scholarship grant yearly to a Kansas High School Senior girl of DAR lineage preparing to enter college. Neither bond will be cashed in the foreseeable future. They were merely transferred to put interest on them to work carrying out educational help to youth. \$500 of the savings account was transferred to the El Cuartelejo Fund, and the total placed in a savings account, to accumulate interest until restoration now in progress at El Cuartelejo is finished and a suitable use for the money is found.

A Friendship Fund, on interest in a savings account, was created by the balance of the Eisenhower Account. The Friendship Fund is earmarked to pay final state and national dues for aged indigent members no longer able to keep up their membership, thus permitting them to resign rather than be dropped, as heretofore. Such a fund was long

overdue.

Until this year the State Treasurer was hampered by an inefficient, unweildy and antiquated bookkeeping system. Under supervision of the C.P.A. who has audited the DAR books for three years, a new, upto-date set of books has been installed.

To permit the State to conduct archeological digging and restoration at El Cuartelejo, a contract drawn by the Attorney-General was negotiated granting a permanent easement to the State of Kansas, for ingress, egress and restoration. The State Historical Society is confident ultimately a small museum will be erected, containing artifacts and a diorama depicting El Cuartelejo as it appeared when peopled by its builders.

Another necessary contract, entered into after notifying the State Board of Management by letter and receiving written authority, was for payment of rent for space for the Kansas DAR Library in the Kansas Genealogical Society quarters in the Dodge City Public Library Building. Free space was no longer available.

Expense of entertaining the seven wives of the Kansas Congressional delegation at the annual Kansas function at the Mayflower was shifted this last year to the General Fund. Previously, the approximately \$40 expense was assumed by the State Regent and one or two generous delegates, placing an unfair financial burden on them. This change, likewise, was long overdue.

The major achievement of 1971 was assembling and publishing the first Roster of Kansas Daughters since 1961, although bylaws require one to be issued every five year. The Committee will report later on the Roster, which is now at the Printers. Please support this project by purchasing it.

Chapter Pressbooks have been a problem each year. Press sheets given out at District meetings reached only a few Chapter Chairmen, and the books submitted failed to meet regulations, in most cases. Chapter pressbooks were authorized to be discontinued and a State Pressbook assembled instead. At the moment the State Pressbook Chairman lacks clippings from two chapters. Please send them, so the Kansas Pressbook can be entered in national competition at Continental Congress.

Standing Rule 14 requiring the State Regent to report at Fall District meetings on the October Board of Management meeting of the National Society was amended so such report may now be made by letter. This permits the State Regent to hold the Fall Tour of District Meetings early in the Fall, avoiding the stormy disagreeable weather prevalent in late October and early November.

There is no intention to present facts and figures to be given later in State Chairmen's reports, but the Honor Roll Chairman has sanctioned mention of the following figures, inasmuch as Honor Roll was the sole project of the State Regent for the three years of her administration. Realizing an increase in state dues was inevitable when she took office it was pledged not to ask chapters for money for a special Kansas project. Instead, each chapter was asked to qualify for the Honor Roll, with a goal of 90% set by the State Regent. Chapter response has been overwhelming. At the 1968 State Conference, when this administraton took office, 35 chapters were on the Honor Roll, and 11 earned the gold ribbon. Currently, there are 58 chapters on the Honor Roll and 26 gold ribbons. Where 54% of the 64 chapters were on the Honor Roll in 1968, now 90% have qualified. Considering the unsurmountable problems faced by chapters in the sparsely populated sections of Kansas, this is a tremendous response, and one deeply appreciated.

Highlights of the past year were the Triennial Pilgrimage to Eisenhower Center, and the annual Pilgrimage to Shawnee Mission, both of

which will be reported on by the respective chairmen.

The major goal of the Retiring State Regent—achieving a sound financial condition for the General Fund, has been reached. February 1, 1968, gross assets of the Kansas Society amounted to \$13,604.35. Gross assets as of February 1, 1971, are \$17,547.81, or an increase of \$3,943.49. February 1, 1968, the General Fund contained \$4,541.37. On February 1, 1971, the General Fund amounted to \$7,387.94, an increase of \$2,846.57. The 35c raise in annual state dues could account for not more than \$1200 of the increase. The only outstanding large bill not usually anticipated at this time is that for the Roster. The increase in funds will more than care for roster expense and still provide ample funds to operate the State Society until 1972 dues are collectable. As a matter of fact the Roster will be self-liquidating, if Kansas members support it as they should.

The Kansas Society DAR now awaits a new regime. In the heart of the retiring State Regent is no desire to cancel or wash out one word of the record. She feels only deep gratitude and immeasurable thanks for unfailing support in every way, sincere appreciation of the honor in serving as your State Regent, and cherished memories of dear friends and delightful people.

Faithfully,

Mrs. Bertram James Lempenau,

Retiring State Regent KSDAR

STATE VICE REGENT

Mrs. Ralph M. Casey

It is very difficult to believe three years can pass so quickly, but it has. The time has come for our final reports and the closing of our books.

During the past three years it has been my privilege to attend all State, District and Executive Board, meetings as well as two years Continental Congress meeting in Washington, D.C. I have also been present at each Shawnee Mission Pilgrimage as well as the Eisenhower Pilgrimage.

A big thank you to each and everyone who has helped me in any way. To these members of the Executive Board may I say "Thank You" and I think maybe I am a little better person for having known and worked with all of you.

CHAPLAIN'S REPORT

Mrs. Carl D. Biegert

Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you. Corinthians.

My sincere thanks to our State Regent, Mrs. Lempenau, to all Chapter Chaplains and all others who have assisted me in the work of my office.

We are sad at the death of a dear and loved member, but we have the faith to know they will be received in loving care. We must find new members to carry on their work

members to carry on their work.

I have enjoyed the work of this office and made many new friends, whom I will cherish.

RECORDING SECRETARY

It has been a pleasure being your Recording Secretary for the past three years. I have gained a greater knowledge of the Kansas Society, have made many new friends and have the desire to be a better DAR.

During the past year I attended the State Conference in Topeka, recorded the minutes, assembled and printed and distributed the "Proceedings." I attended all Executive and Board of Management meetings, recorded the minutes and mailed them to the designated members of the Society. I attended the Northwest and Southwest District Meetings and regret that a previous commitment during the Kansas State Fair prevented my attending the Southeast and Northeast District Meetings. I made the Eisenhower Pilgrimage and visited El Cuartelejo.

All vouchers have been signed by me and forwarded on to the

Treasurer, or Assistant Treasurer.

Minutes of the 1971 State Conference will be recorded and I will have the "Proceedings" printed and delivered to the members who are entitled to receive them, as well as those requested by our State Regent. Copies will be placed in the DAR State Library, Memorial Building of the Kansas State Historical Society, and the Kansas State Historical Society

I have enjoyed working with the present Executive Board and serving under the very capable leadership of our State Regent, Mrs. Bertram J. Lempenau.

Mrs. Francis L. Johnson

I have examined the balance sheet of the Kansas Society Daughters of the American Revolution at January 31, 1971, and the related statements of cash receipts, disbursements and fund balances for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and the related statements of cash receipts, disbursements and fund balances present fairly the financial position of the Kansas Society Daughters of the American Revolution at January 31, 1971, and the recorded cash transactions for the year then ended, on a basis consistent with that of the preceding year.

HISTORIAN Mrs. W. M. Ostenberg

CONSTITUTION WEEK: The annual Shawnee Mission Pilgrimage, hosted by the six Kansas City area Chapters, opened the observance of Constitution Week.

Fifty-one chapters reported: Proclamations were issued by the Governor and 22 Mayors. Seventy-one articles and 7 pictures totalled 500 ¾ inches press publicity; 14 special radio programs, 187 spot announcements totalled 238 minutes while TV gave 6 special programs and 33 spot announcements covering 92 minutes. In addition 91 special displays were arranged in businesses, libraries, schools, etc., including the marquees at a Kansas City Holiday Inn and the Hilton Inn, Salina. 329 pieces of patriotic literature were distributed. 31 ministers included the Constitution in sermons or bulletins.

Programs were given on the Constitution by 28 chapters or chapter members including outstanding broadcasts by Lawrence Kellerman, our 1969 State History contest winner and Mrs. Frank Williams, Arthur Barret interview a Boy Scout on the Constitution and presented him an American flag patch. The Regent and Constitution Week chairman of Uvedale chapter contributed a challenging editorial on the Preamble of the Constitution and the Emporia Gazette's editorial "Captivated" used the DAR material "What the Constitution Means to You." Three chapters

contacted school administrators asking them to have the Constitution studied in all history and government classes and announcements or observance made in all classes.

Mrs. George Trombold, a vice president of Channel 8 Educational TV, reports the station ran an American History program last summer geared toward underprivileged children. One chapter presented an award at a Naturalization ceremony, another a flag kit to a family with high school children and Shawnee Mission chapter presented study material for a 6th grade class comprehensive study of the Constitution.

LOCATING AND MARKING GRAVES: Four Revolutionary soldiers graves have been located and 2 wives; 3 Revolutionary soldier's graves have been marked or in the process of marking; several members are researching ancestors graves and 24 members graves have been marked.

The grave of the first State Regent of Kansas, Martha Scott Hand (Mrs. Hiram), is in the Holton Cemetery and was marked September 14, 1937. The grave of the first State Vice Regent, Jeanette Huntington Ware (Mrs. Eugene F.) is in the Ft. Scott National Military Cemetery beside her husband. Permission has been asked from the Chief of Support Services to mark this grave.

SANTA FE TRAIL: The survey proved that most markers are in good condition. Some have been relocated and refurbished. Many need the letters repainted. Dodge City Chapter reported that the No. 1 Gray County marker has been moved east by the Highway Department in a pull-out on the north side of the road in Ford County. It is with regret that the Lyons, Rice and Stevens county surveys were not completed. We hope they may be soon.

HISTORIAN: A summary of the 52 chapter Historian reports follows—102 adults and children gave historical programs covering 29 famous men, 2 women and 28 events; 197 programs and spot announcements broadcast and 4 TV; 39 adults and 5 children made historical tours. Several chapters placed posters, displays and decorated windows for American History month and sponsored programs in schools.

Council Oak chapter placed a plaque under the seedling of the famous Council Oak; John Haupt completed the Garden Center project begun in 1969; Polly Ogden is restoring the Goodnow home in conjunction with the State Historical Society; several chapters contributed to the preservation of Grinter House; Randclph Loving moved and restored the marker on the site of the first ochool and first Prosbyterian church in north Wichita and one member did research on the Wichita Centennial book which was given a National award; Neodesha is binding lineage books and giving them to their library.

Uvedale is relocating the "Salt" marker, repairing the memorial marker honoring President Harding's visit in 1923 and the Santa Fe Trail marker near Little River. Also gave the "History of Partridge Schools" by Mrs. Marson French to the State and National Libraries in addition to the Library Fund. Esther Lowrey placed a framed replica of the Constitution in the Independence Museum DAR room.

Since the NSDAR has asked all states who have not published a new history of the state DAR in the past decade, I leave to my successor the privilege of bringing this history of the KSDAR up to date.

It has been a rich and rewarding experience to corvo ac your Historian. I thank our National Historian, Mrs. Donald Spicer, our State Regent, Mrs. Bertram J. Lempenau and each of you for your year books, your interest, help and cooperation.

LIBRARIAN Mrs. Robert B. Cook

More and more Daughters are giving genealogical material to their local libraries. This is good. It shows interest in genealogy is increasing.

but our own KSDAR Library is being helped also as the list of acquisitions from thirteen Chapters show.

The genealogical pages sent by Chapters to Mrs. Helen Kershner, Polly Ogden Chapter, Genealogical Records Chairman, in 1969-1970 were placed in a note book by Mrs. Kershner and sent to KSDAR Library. That material has, no doubt, been of help to others. Please use your library.

All four books and pamphlets requested by National, have been purchased and Mrs. George Sprague Tolman, III, Librarian General, has acknowledged receipt of the following:

Silsbee, Henry & His Desc. By, J. A. Emmerton.

STATE REPORTER Mrs. Raymond Lees

Your State Reporter has pleasure in reporting that:

- 1. All of the news of the Kansas Society, Daughters of the American Revolution, has been brought to its membership in the DAR NEWS.
- 2. The most pertinent news of the National Society has been carried to the membership, leaving its details to the national organ, The Daughters of the American Revolution.
- 3. Concise tailoring of stories during 1969, '70, '71, has tapered the DAR NEWS to a readable four pages—no more.
- 4. For the first time in many years, the DAR NEWS is financially "in the black."
- 5. The State Regent inaugurated bulk mailing for the DAR NEWS and other KSDAR mailings.

These last two items would have been impossible—probably all five—without the full cooperation and business acumen of Mrs. Bertram J. Lempenau.

While in office, your State Reporter has attended all board meetings,

all conferences, and taken the annual autumn tours to the four districts. She has also had the privilege of accepting invitations from various chapters to present programs, give book reviews, or attend teas. For each of these and the resulting fellowship, she says, "Thank you, many, many times."

Your current State Reporter will welcome e more flexible schedule of her time, yet will miss seeing you! Kansas Society is a special and a beloved group!

JANE DEAN COFFEY—COFFEYVILLE

Mrs. Clarence Hawks

This is my first year as being Regent of the Jane Dean Coffey Chapter; so with this in mind many things are very new to me. However, I must say, I have enjoyed the DAR very much, and I hope to have many years to spend working with this fine patriotic organization-an organization one can be proud to say, "I am a member of the DAR." The Jane Dean Coffey Chapter has had many interesting programs, but with a group that is always ready to help a Regent, why wouldn't it be? Our programs on DAR schools were very interesting. We were told how these schools were conducted, how the students lived, and the course of study they followed. We also learned of the many problems facing the American Indian of today, both the older and the younger Indians of tomorrow. We also had a program on the handicrafts of the different Indian tribes and Indian Nations. Some of the things brought were: bead work, leather craft, paintings, carvings, and pictures showing the different ways they Our other programs were on National Defense, and Old Glory. We found that our Chapter really goes all out to display Old Glory on her day. Colonial Coins, and Colonial Gardens, and Colonial remedies used in time of sickness were given in programs the past year. So, don't you think we have had a most memorable DAR year of programs?

She traced the East's trouble from 1948 to the present time including Russia's limited involvement. Maps were used to illustrate her talk. C. A. R. 75th Anniversary was observed by a DAR-C. A. R. Tea at the home of Mrs. Earl C. Moses, Sr., local Senior president, assisted by Kimberly Kay Morrison. Guests Mrs. E. L. JOHN ATHEY—OAKLEY

Janet Hinther, (Mrs. E. J.)

1970 was a good year for our chapter. We gained in membership and now have 16 members with two applications pending—one of which is a Junior. Everyone has planned and worked together and we believe that we are eligible for the Gold Honor Roll. Our chapter meets five times a year. This year, three of our meetings were on a Saturday morning in the Colonial Nook at the Little Cafe. The members enjoyed "brunch" and then we had our meeting. Our meeting time was changed to a Saturday morning for the convenience of our out-of-town members. At the February meeting, Good Citizenship and US History Awards will be presented. Good Citizenship Awards will be given to girls from Oakley and Winona High Schools. US History Awards will be presented to three fifth grade students in Oakley. Parents, teachers and husbands of members will be guests. Our meeting in May was a morning coffee. In addition to members, there were several prospective members as guests. We were hostess to the Northwest District meeting in September. Since we have several new members, we did a program in October on "What the Daughters Do." JOHN HAUPT-TOPEKA

Mrs. A. Eugene Voight

What have been the goals of John Haupt Chapter this year? 1) To attain the Gold Honor Roll. 2) Better attendance at chapter meetings. 3) Everyone doing her share, no matter how small. How did we do this? Our program chairman presented interesting programs. Here are a few prepared by our members: 1) Is Your Constitution Showing?—a program of questions and answers based on the game, Concentration. Lots of fnn and very informative by Mrs. Noble Drake. 2) In God We Trust a truly American National Defense program by Mrs. Frank Forman. 3) A Christmas Story—research on American Christmas carols by Mrs. Walter Knoop. Guest speakers from the police department on Safety, from the Topeka Beautification Commission on Conservation, and by a Topeka woman presenting her Indian collection, plus two covered dish luncheons and a tour of the Ward-Meade Home brought fellowship and fun to our meetings. Such tremendous effort by many members spurred me to do a better job. Mrs. Drake increased the number of DAR Good Citizens from two to five, after contacting seven different schools, all out of town except one. Our flag chairman reported the sale of forty 3' x 5' house flags plus serving our VA Hospital veterans on Flag Day with 696 cupcakes decorated with small flags. Following two Naturalization Court ceremonies, we served cookies and drinks to 41 new citizens and their friends including one Boy Scout troop attending because their scoutmaster became a new citizen. Another project has been the sale of

46 boxes of notepaper, which in turn aids our DAR Scholarship Committee. Ten members have helped with the Topeka Genealogy Workshop Library maintained for research only by Mrs. E. E. Franklin, Lineage Research Chairman. Our membership has increased by six members. We hope to accomplish more next year. Isn't it wonderful to be a DAR?

The DAR Manual for citizenship is a welcome gift for the wives of the soldiers who have come from different countries. We hope to entertain several of our new citizens at our Flag Day coffee on June the fourteenth. The DAR Ritual, the President General's Message and National Defense news are included at each meeting. Good programs provided interest. A 4-H Citizenship Trip to Washington, D. C. was described by a winner of the award. Members visited Shawnee Mission during Constitution week. We toured the State Museum and visited Historical Council Grove. We gave two awards to two Good Citizen Senior girls. The members of the Chapter are faithful in displaying the Flag and have given flags to various organizations. Our DAR Room is in Memorial Hall and is used for meetings.

NATHAN EDSON—CLAY CENTER

Mrs. James Martyn

Nathan Edson chapter is trying to keep aware of local problems and current affairs as well as preserving treasures and honoring heroes of the past. With our recommendation, our high school authorities secured Mrs. Barton Neuhauer, winner of a DAR Americanism award, as speaker for their 1970 Commencement, and she gave a stirring patriotic address. This fall after hearing a talk by our undersheriff and juvenile officer, the chapter voted to lend him their support by urging the city council to pass a curfew for the youth. As is customary we have given recognition to our youth. As part of the 4-H Achievement banquet the DAR presented its annual award to the secretary who had kept the best book for the year. We also sponsored four Good Citizen girls from schools over the county and we were pleased to have one rate fifth in the state. We anticipate qualifying for the Honor Roll. Our programs have been varied and incuded a discussion of the U.S. Constitution by a local lawyer. We invited husbands to attend this informative meeting. Furthering National objectives, we purchased a walnut and bronze plaque to be inscribed with the names of honor men in ROTC Aerospace at Wichita State University for military, academic and patriotic achievement covering a period of eight years. This was inspired by a visit from Col. Sanderson and a young cadet from the Aerospace Department at Wichita State University. We appreciated her making the trip from Sterling to present this program to us. Mrs. Hampton Shirer made a gift to the National Museum of a 1772 Moulton Table Spoon, all these in the name of the Topeka chapter. "We are the sum Total of our past, present and hope for the future.'

CONSERVATION Mrs. Morris Garvin

Fifty-eight chapters of our KSDAR reported on their conservation work. Much fine work was done by cur members. One chapter reported sending a youth to Washington, D. C., to confer on improving environment and to meet with members of the President's cabinet. This particular chapter, did such outstanding work, that their report has gone to our National Conservation Chairman, Mrs. Syre, to be judged for the national award. Many letters were written by individual members to

our legislators. Members attended regional and state meetings; had round table discussions; a marker and guard was placed around one of our famous old trees; much beautification was done in downtown city streets and alleys. Over a thousand trees were planted and hundreds of shrubs; over 8,000 pounds of feed was reported fed to birds and other small animal life. I have enjoyed my three years as State Conservation Chairman; working with Mrs. Lempenau, as well as meeting and working with all of our Kansas members.

DAR GOOD CITIZEN Mrs. Wm. C. Baker

Sixty of the sixty-four chapters of Kansas participated in the 1970-71 Good Citizen Program, and the names of one hundred seventy Good Citizens were documented. In my three years as KSDAR Good Citizen Chairman, only two chapters have consistently avoided the Program—Abilene Chapter and Sarah Steward Chapter. John Haupt, Martha Vail, and William Wilson Chapters have shown remarkable gain in these three years. In 1969, John Haupt and Martha Vail had no entrants, and William Wilson only three; this year John Haupt and Martha Vail sponsored seven schools each, and William Wilson sponsored eight! The only other Kansas chapter to sponsor eight schools was Polly Ogden, which has had eight each year under the capable direction of Lucille Rust. Natalie Wilcox, Good Citizen Chairman of Martha Vail, is to be commended for having brought seven schools into the Good Citizen Program when none had participated in prior years. Besides the usual mailing of materials, and correspondence, letters were sent to all chapter chairmen giving them the results of the Program. The ten highest rating contestants were listed with their schools and sponsors. This is a precedent established at the beginning of this three year term. It has been a joy and revelation to have charge of the Good Citizen work for the senior girls in the high schools of Kansas. May the DAR Good Citizen Program continue to grow.

DAR MAGAZINE Mrs. George Knoche

In January all Chapters were sent questionnaires to be returned not later than February 20th, giving membership and number of subscriptions. 63 Chapters responded with a total of 1100 subscriptions. We have had a small increase in subscriptions each year. It has been a distinct privilege and pleasure to be the DAR magazine chairman the last three years. Our magazine is truly the life blood and connecting link of our society. Its importance cannot be understated. Prizes were awarded as follows. First place Shawnee Mission \$5.00. Second place Concordia Chapter \$4.00. Third place Arthur Barrett Chapter and Olathe Chapter \$3.00 each.

D A R MUSEUM Mrs. Benjamen Franklin

In the fall of 1970, a letter, with questionnaire, was sent to each local chapter D A R Museum Chairman of Kansas (state officers and the National Vice Chairman of D A R Museum for South Central received one, too.) Thirty-one (31) replies were received, less than half. Replies to the questionnaire showed that twenty-five (25) chapters contributed \$49.00 to the fund for air-conditioning of the Museum Gallery; eleven (11) contributed \$13.00 to the Museum Fund; eight (8) contributed \$66.00 to the Friends of the Museum; three (3) sent \$4.00 to the Museum Library; eleven (11) presented programs on the Museum with six (6) chapters using Museum slides and the remaining with related programs. I am certain that Kansas Chapter did better than the above shows but the report can only be based on the returned questionnaire (the dead line was Feb. 15). The last three years there were three gifts to the

NSDAR Museum. The first was a piece of fabric from a captured British Revolutionary War Soldier's coat, given by Miss Lucina Jones of Emporia. The second was a handsome silver tablespoon, 1772, by William Moulton of Newburyport, Mass., a gift of Mrs. Hampton F. Shirer of Topeka. The third gift to the NSDAR Museum is the lock from the gun of Samuel Philbrick, The Revolutionary War ancestor of Miss Eva Philbrick of Halstead, the donor. This lock is presently on display, with identification, on a table to the left of the "D" Street entrance to the Museum in Washington. The NSDAR Museum is in great need of dust cloths—good, clean dust cloths, such as old Turkish toweling. Any member (or all) can make a contribution to a beautification and antidust project by sending to the Museum, or through your State Chairman, your discards. The last three years as State Chairman have been pleasant, though sometimes disappointing, I have aimed for 100% response but fell short of the goal. However, each year has shown a marked increase and decided growth in interest, number of Museum programs, contributions, and responses. That is progress! In clothing the report I want to quote from "In Memory of Soldiers of War of 1812 from Franklin Co., Columbus, Ohio, May 13, 1924." The words are George Washington's about Our Flag. "We take the stars from Heaven, the red from the Mother Country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing liberty." As William Allen White once said, "Liberty is the only thing you cannot have unless you are willing to give it to others." Liberty, love of country, greatness are evidenced by your Museum!

DAR SCHOOLS Mrs. A. L. Elledge

I am happy to report the following: A copy of this report has been sent to Mrs. Margaret Gillaspie and Miss Amanda Thomas. Sixty chapters sent in complete or incomplete reports. Thirty chapters reported programs on Tamassee and 27 chapters reported having given programs on Kate Duncan Smith this year, 11 on Berry, 13 on Crossnore, 4 on Hillside, 3 on Hindamn, and 5 on Northland. A total of \$1,048.73 was contributed to Tamassee this year and \$501.53 to Kate Duncan Smith, and \$6.75 to Crossnore. \$372 of this was designated for the scholarship fund. A total of \$351.00 was reported for the Seimes-Thomas Classroom Building Fund at Kate Duncan Smith. There were 53 packages of clothing and other articles sent to our DAR Schools this year, with a total weight of 1,014 pounds and a total shipping expense paid coming to \$182.96. Just one chapter reported receiving Free Freight service to Tamassee other than those sent from Kansas City. I wish to thank all the chapter chairmen for their prompt and fine reports.

GENEALOGICAL RECORDS Mrs. James O. Kershner

23 Chapters contributed source material for Genealogical Records this year. Reports were sent to the NSDAR chairman, the NSDAR vice-chairman of the South Central Division, as well as to the State Regent. The total number of pages of source material sent to NSDAR was 680; these were bound in 2 volumes. Also sent to NSDAR an alphabetized 1880 census of Riley, County, Kansas and an "Andreas Decker Family" book. 470 pages of source material bound in 2 volumes was given to KSDAR library at Dodge City as well as 11 alphabetized census records as follows: Riley County, Kansas: 1855, 1857, 1860, 1865, 1870, 1875, 1880; Davis Co., Kans.: 1880; Ellsworth Co., Kans.: 1880; Pottawatomie Co., Kans.: 1880; Wabaunsee Co., Kans. 1880, 442 pages of source material bound in 2 volumes was given to the Kansas State Historical Society Library in Topeka. 16 pages of source material was given to the Wichita Public Library. HONOR ROLL Mrs. John W. McGuire, Jr.

Subject to review by the National Chairman, it appears that 58 chapters have met the Honor Roll Requirements with 25 gold, 14 silver and 19 Honorable Mention. These figures represent a sixteen percent increase in Honor Roll membership and an eight percent in Gold Honor Roll chapters over the 1969-1970 DAR year. All of the 64 Kansas chapters reported. The year's record reflects the interest and dedicated effort of the chapters; it is also a tribute to our State Regent and shows the challenge and inspiration she has brought to the chapters in making the Honor Roll her project. Evidence of an increase in membership and of increased interest in National DAR projects indicate that emphasis on the Honor Roll has been of benefit to the chapters and to the Kansas Society. Reports of the six chapters receiving 'No Award' ratings showed participation in DAR program, and two of these chapters reported an increase in membership with one chapter adding a Junior Member. It has been, a privilege to serve as Honor Roll Chairman. The Cooperation of our State Regent, National Honor Roll Chairman, Chapter Regents and Chapter Chairmen and the warm correspondence enjoyed during the past three years have made this appointment a pleasure.

INSIGNIA Mrs. C. Ted Mallder

It has been the aim of this Chairman to encourage all Kansas members to own and wear the beautiful DAR Insignia—the highest honor members possess is the eligibility to wear the Insignia with pride and pleasure. Your Chairman has attended the meeetings called by our State Regent; State Conferences for the past three years; 1970 Continental Congress, and will be a delegate at the 1971 Continental Congress. Letters were sent to all chapters, from which, the following totals of DAR material purchased were made: I National Vice Chairman Pin, 12 Official Emblems, one with stones, 9 Ex-Chapter Regent Bars, 5 Unpierced Recognition Pins, 13 Pierced Recognition Pins, 6 Ancestral Bars (with pin), 8 Ancestral Bars (with slide), 3 Chapter Bars, 8 State Officer Pins, 5 State Chairman Pins, 3 25-Year Member Pins, 2 50-Year Member Pins, 1 Pierced Charm, 2 Disc Charms, 1 Baby Spoon, 1 Constitution Hall Plate, 4 Memorial Hall Plates, 1 Mayflower Plate, 1 Coffee Spoon, 3 Sterling Spinning Wheel Spoons, 8 Lay Member Markers, 108 Good Citizen Pins, 23 Good; Citizenship Medals, 10 Americanism Medals, 5 R.O.T.C. Medals, 8 History Awards, 1 Conservation Award, 6 50-Year Certificates, 2 Ameri-

can History Medals, 400 American History Certificates, 11 Good Citizen Certificates, 1 Patriot Index, 67 Handbooks, 23 Preambles and 23 copies of the Constitution. There were many other items pertaining to stationery. Serving the State Society the past two years has been a pleasant and interesting experience—thank you Madam State Regent for this appointment.

JUNIOR MEMBERSHIP Mrs. Richard McGehee

The Junior members of the Kansas Society are proud to have contributed to the successful goals of the National Chairman Mrs. Dudley Pierce, outlined at the beginning of this administration. We increased our membership and donations to the Helen Pouch Memorial Fund each year. We sent \$238.23 in 1969 for the 198 Junior members recorded. We increased to 247 Juniors in 1970 with donations of \$486.56. This year we have an outstanding record with 39 new Juniors gained in 33 chapters, for a total membership of 270. Two are transfer from CAR membership. We lost 12 Juniors who reached their 36th birthday and were over-age; 5 resignations; 1 dropped; 1 went as a member-at-large; and we sadly report 1 Junior death in a tragic plane crash this past summer. Only 10 chapters in Kansas do not have Junior members. Our 1970 bazaar profited \$167.70 from the items donated by 14 chapters, and \$47 from national jewelry sales. Cash donations were received from 6 chapters, and over 650 pieces of jewelry were sold by only 8 chapters, producing the total of \$984.73 contributed to the Helen Pouch Memorial Fund this year. The 1969 national Helen Pouch Memorial Fund was nearly \$18,000 with \$5,000 scholarships each going to Tamassee and Kate Duncan Smith, and \$7,000 for the new Junior project; a \$45,000 pledge for the library in the Seimes-Thomas building at Kate Durcan Smith. The 1970 funds increased to about \$25,000 with the same scholarships given and nearly \$14,000 allocated to the library fund. The pledge was paid in full in August, and the Junior Membership Library dedicated on Oct. 16, 1970. Supplementary funds of \$904 furnished draperies, and an additional \$8,500 was given for the locker area in the classroom building. The goals of the Kansas chairman were to make a file of all Junior members in our state by chapters; increase the number of Juniors active on the chapter and state level, and help provide the future leadership for our society. It has been a plasure to serve in this capacity for the past three years, and the help and cooperation of the chapter regents, as well as our state regent have been apprciated.

LINEAGE RESEARCH Mrs. Richard C. Woodward

This being my last year as your Lineage Research Chairman, I must admit that there is a lot of work connected with it, much of which is unknown to anyone except the Chairman. I am happy to report that all of the Chapters in Kansas have Lineage Research Chairmen, Registrars or Regents who are responsible for the work of this Committee. Again, I have furnished each Chapter Chairman of Lineage Research with a list of the names and address of all Chapter Chairmen in the State of Kansas, together with instructions from the National Committee for preparing the Application for Aid in Establishing DAR Membership and have furnished Charts to those requesting same. During the year I have forwarded to the National Committee four Applications for Aid in Establishing DAR Membership, two of which were completed and the Applicants are now DAR Members. I have assisted three State Chairmen from afar with records sought in Kansas. I am still working on a number of Charts returned by the National Committee unsolved during the course of my Chairmanship. Madam Regent it has been a pleasure to work on Lineage Research and to be a part of your Board.

MEMBERSHIP Mrs. H. J. Halbert

In the three years that I have served as Membership Chairman, the trend has changed from loss in membership in our State Society to substantial increases. After much persuasion many of the chapters are using the Prospective membership forms with much success. I have received 25 of these forms with names from St. Helena, Oregon and San Bernardino chapter in California and many from our Kansas chapters, ten from National membership Chairmen, which I have passed on to the rightful chapters in Kansas and other states. As we have 64 chapters I had hoped for 100% chapter reports, only 48 reports received from which the final tabulations are as follows: Gains: Members 115, Reinstated 14, Transfer in 32, Total 161. Losses: Death 58, Resignations 39, Transfer out 13, Dropped 4, Total 113. Of the 48 chapter reports, 28 had a net gain, 8 reports net loss, 12 remain the same. Papers pending in Washington 36, prospective members 114. Thanks to the Membership chairmen, chapter Regents, and Mrs. Marshall Garey for their help and cooperation these past years. Sickness prevented my attendance to several District meetings this fall, however I did attend 2 district meetings and the State Conference in Topeka. The State Conference Award of National Membership Chairman for Greatest percent net increase in membership Annually compiled from February 1 to February 1 with a 45% increase John Athey Chapter, Mrs. E. J. Hunter, Regent, Oakley, Kansas. Second place with 35% increase Four Winds Chapter, Mrs. Clark Johnson, Regent, Garnet, Kansas. Third place with 16% increase Uvedale Chapter, Mrs. T. A. Fry, Regent, Hutchinson, Kansas. It has been a pleasure and an honor to serve as Membership chairman of the Kansas Society under the leadership of our State Regent, Mrs. Bertram J. Lempenau. Thanks for this appointment.

MOTION PICTURE Mrs. Vere Silverwood

At the Congress last April, it was announced that the Major work of the Motion Picture Committee had ceased the previous December when the Motion Picture Association discontinued "Film Reports," their monthly survey of moving pictures, in which the DAR had participated. The Committee activities were suspended and this decision was upheld at the National Chairman's Forum in October. In November letter of your State Chairman asked that pictures still be reviewed by Chapter Chairmen and individual members and protests be made to producers against pornography and content. It was found that G and GP rated films were often preceded by advertising for obscene X films and theater owners refused to cooperate. Our committee has continued to be concerned by evaluating ratings for family and general viewing, and working with other groups to establish Educational TV, with participation in TV programs by under privileged children, drug abuse film to be shown in High Schools. Mrs. George Trombold is chairman of the County Conservation committee in Wichita to combat "Pollution of the Mind." An encouraging note is increased attendance at G rated films, in some areas, and we hope this heralds a brighter future for good movies and enter-tainment our committee has been supporting. My thanks to our Chapter Chairmen, our State Regent, and all members for their great interest and work in the past three years.

NATIONAL DEFENSE Mrs. Nelson Kilbourn

Our National Defense committee was established to, and I quote from our Handbook, "be of assistance to members in carrying out the patriotic, historic, and educational purposes of our Society, and as a by-product, promote and enlighten public opinion." Within this committee an excellent way of publicizing this DAR program is to give Good Citizenship Medals. This award is not to be confused with our Good Citizens awards to our senior girls. They are two entirely different awards. The Good Citizenship Medal is given to both boys and girls in elementary, Junior and Senior high schools—public, private, parochial, who fulfill the qualities, to again quote from our Handbook, "Of honor, service, courage, leadership, and patriotism." We must face the fact it is urgent that our youth acquire education in American citizenship. Our Good Citizenship award encourages education toward this end. I am stressing this award in my report because only 25 Good Citizenship awards were given by our 63 chapters this year. Four of our Kansas chapters have the opportunity to give ROTC medals each year. At least 8 medals were given this year. The cadets chosen for this award must be in the upper 25 percent of his class in ROTC and academic subjects. He must demonstrate qualities of dependability and good character, leadership, and fundamental and patriotic understanding of the importance of ROTC training. Our bronze anl gold medals offer us an opportunity to award these characteristics in our young men. The crux of DAR National Defense effort is, and I quote the handbook, "preservation and maintenance of our Constitutional Republic."

PUBLIC RELATIONS Mrs. Bill E. Smith

Our Committee has gained in stature the past nine years. We have had a steady increase in the number of Chapters reporting and our work not only includes that of contact with the News media: newspaper, radio and TV, but we have been urging all of you to increase your civic, social and patriotic activities. Some Chapters reported taking part in the Veterans' Day, Memorial Day and Flag Day Parades and Fourth of July Celebrations; others worked with the Veterans' Hospitals, volunteered to assist in nursing homes for the elderly and one Chapter assisted on a Pollution Program while others provided speakers for Commencement and 4-H Club Banquets. Many participated in Naturalization and Youth Programs. Our National Chairman has stressed that all Public Relations Chairmen refer to the Public Relations Notebook "Gold Page" appearing in each issue of the National DAR Magazine for complete details on separate aspects of our operations. All Chairmen were urged to subscribe to the Magazine and to keep a notebook of Gold Pages. Questionnaires were sent to all Chapter Chairmen and to the Regents not having a Chairman, early in January—all but five responded. All Chairmen were urged to WRITE, WIRE OR PHONE to Mr. McCiure, Public Relations Office in Washington, D. C., when and if non-routine questions arose. Early in January we began collecting material for the Tard Annual State Conference. As a result page of contests were all the conference. 73rd Annual State Conference. As a result personal contacts were made with the four Television stations; the Newspaper and the seven Radio stations in Wichita. The response was very good and all were most cooperative. The President General and our State Regent held interviews with three of the Television stations, the Newspaper and two Radio stations during Conference. Two Television stations covered Conference meetings. Stories on the Conference and the President General's visit to Kansas were mailed to newspapers over the State. Again the cooperation was very good. In completing my ninth year as your State Public Relations Chairman may I say "Thank You" for many things and let us continue to go forward in this very worthwhile endeavor.

PROGRAM Mrs. John Valentine

As program Chairman I wish to thank all the chapter program chairmen and chapter regents for their splendid reports and program year-books. This year was a real success for Kanas chapters as they were awarded eight National year-book awards and two mini ribbons for supplement inserts, the NSDAR encourages the use of supplement inserts and these should be reported just as the year-books are reported. I am so pleased with the way the year-books look, they have definitely been up-graded over these past three years. I have noticed several topics listed which I believe should have made very interesting programs. These could be considered as possible original manuscripts for National Programs. Will you please review any outstanding original programs you may have had the past year and send it in for National review. It has been a pleasure to serve you as KSDAR Program Chairman these past three years.

STUDENT LOAN AND SCHOLARSHIP Mrs. Roy O. Cooper

State Cash Awards were won by Roberta Hewson, Larned, sponsored by Fort Larned Chapter, and Kathleen Whitaker, Lawrence, sponsored by General Edward Hand Chapter, Ottawa. Entries are being received now for the 1971 awards. Chapters have contributed \$87.00 to this scholarship. Although the NSDAR American History Scholarship has been changed to a Fellowship for graduate work, the interest of this committee is to aid our youth secure a higher education. All applications are mailed to the National Chairman for judging. Contributions in the amount of \$95.50 have been received for the Fellowship. It has been a pleasure to serve as chairman of the Student Loan and Scholarship Committee during this administration. I thank our Regent, Mrs. Lempenau for the opportunity to help with this important work.

SPEAKERS STAFF Lena Smith

This year of 1971, we are fortunate to have secured the following named speakers for the annual seventy-third state conference. Marine Lt. David Vetter will be the speaker at the "Flag of the U.S.A." luncheon. The title of his speech is "Report from Vietnam." Miss Sandra Becker, the 1971 DAR Good Citizen and a McPherson High School Senior, will be the speaker at the "Awards and Regents' Dinner." One of Kansas most popular speakers, Mr. G. Robert Gadberry, will speak on "No Drums, No Bugles" at the "Home on the Range" luncheon. The Kansas Daughters are honored to have with them at the 1971 State Conference, Mrs. Erwin F. Seimes, President General, National Society Daughters of the American Revolution. She is making her first official visit to Kansas and will address the conference informally on "Activities at Headquarters." At the "President General's Dinner" she will give a formal speech entitled "Citadel of Patriotism." I wish to thank the chapters for the years books and reports. Also, I wish to thank the State Regent for her able assistance. It has been a pleasure to serve you.

TRANSPORTATION Mrs. Leslie R. Eichem

Providing transportation to members who need it is of great importance and has been faithfully adhered to by the Kansas Daughters. All chapters report an increase in attendance through the use of this service.

Real help with transportation made it possible for many to attend the Shawnee Mission Pilgrimage, visit the Eisenhower Museum and Library, Grinter House, Pawnee Indian Village and Fort Larned; two chapters are planning trips to El Cuartelejo and the Pleasanton Military Cemetery in the near future. A Veterans Day tea and a Flag Day celebration was shared by two chapters. Members of a Wichita chapter are giving a much needed service by transporting shut-ins and elderly residents of Nursing Homes who have no other transportation, to doctor's offices and to church functions. Attendance at State District meetings and Conference has been increased through the cooperation of those who share their cars. Material obtained in regard to various aspects of traffic safety was received from the State Highway Commission, local radio station, City Hall, and the District of Columbia. Five chapters reported having special programs and projects on Traffic Safety and support was given to Driver Training in the local schools.

FLAG OF THE UNITED STATES OF AMERICA Paula Ramona Amos Bailey (Mrs. Daniel J.)

80% of the Kansas Chapters responded to my Flag Questionnaire sent out on January 2, 1971. A tally of these questionnaires taken after February 1st proved that Kansas DARs are busy promoting the use of "Old Glory!" Total U. S. Flags presented by these 51 Chapters amounted to 904. Where did these flags go? To youth groups, retarded children, scouts, libraries, a foreign exchange student, new citizens, meeting places, veteran's hospitals, school and towns! 227 flag codes were given out too. Members made corrections in improper display of the Flag when they saw them. This included a flag painted on the top of a student's car with a clinched fist going through! The Chapter involved talked to the principal of the school and to the student. 40 chapters gave entire programs on the Flag. The number of Kansas newspaper articles on the Flag in inches totalled 73½ as well as 25 minutes of time on the radio. Of course Kansas Chapters give the Pledge of Allegiance at each meeting or sing the National Anthem! Kansas daughters are great at displaying their flags on Holidays! So others could display flags too, one Chapter made a project of selling home flag kits. The reported 40 sold. So you can see my job this past year has been an easy one—to report the accomplishments of Kansas Daughters who get involved with the love of their Flag that represents their United States of America! I am grateful for the opportunity of serving as Chairman of this Committee.

VETERANS SERVICE Mrs. A. E. Voigt

Kansas Veterans-Service Committee heard from 57 of the 64 chapters and Betty Washington Chapter, Lawrence sent in the outstanding report. This chapter gave a monthly party for 150 mental patients, preparing 300 lbs. pop corn and 135 quarts soft drinks. They bought 35 new stereo records and sold 167 rugs made by blind veterans, returning the money to each veteran. Many chapters sent in Stamps for Veterans—total 61 oz. A few of the special accomplishments are: 88 lap robes, 68 cast socks, 6 Bibs, 3 Belts, 60 Chair Cushions, many Chair pockets, 53 Ditty Bags worth \$212.00, 115 Books, 150 dozen Cookies, many Cakes, Pies, Magazines, Cards sent and toilet articles provided. One DAR donated an electric organ and another volunteered 100 hours clerical work. 150 bouquets were taken by one chapter and many other wonderful services were performed by many chapters. I wish to thank all chairmen or regents who responded to Mrs. Moore's letter and my follow-up card. I recommend to the next State Chairman that she prepare a set report form to be sent out to her chapter chairmen to eliminate confusion, promote better returns and facilitate preparation of the final Kansas report for the State Chairman.

EL CUARTELEJO Mildred Huffman

We are pleased to report that the work of excavation and restoration at the El Cuartelejo Pueblo in Scott County State Park is proceeding under skilled direction. It was necessary to move the shaft that was placed as a marker by KSDAR, as it had been set over an ancient oven. The shaft is being preserved and will be replaced at the site when the work is completed. In deference to our agreement with the Kansas Park Authority this committee has been rather inactive. The fund put aside for the needs of El Cuartelejo and accrued interest will be used wisely when the responsibility for the Pueblo is returned to KSDAR. In the near future we will have the satisfaction of another dream fulfilled and El Cuartelejo will become one of the oldest and most attractive Historical Sites in Kansas.

KANSAS DAR CHAPEL Beulah Cnesney

I would like to bring this report to the attention of; Kansas Daughters who have not visited the Kansas DAR Chapel in Washington; to tell them again of the pleasure and surprise on the faces of visitors as they walk into the quiet beauty of this room. They react to the charm of the glorious Sunflower windows and the muted colors. This off-white and Williamsburg blue room isnt large but rather gracefully small with six white walnut trimmed pews centered between the chancel and altar at one end, and the Sunflower windows at the other end. There are three large flags (Christian, American and Kansas), the altar with cross, candelabra, flower vases and open white Bible. New this year are two beautiful spiral brass platform candles fifty-two inches high, a memorial to a small grandson. Our favorite altar flowers are white carnations and white tulips, but white snapdragens and white Iris were lovely in the soft candle light this year. Volunteer Kansas daughters greeted hundreds of visitors who come at all hours to meditate or to look. Among those who served this April were Mildred Huffman, Maybell Doyle, Connie Decker, Ruth Smith, Pat Decker, Sunshine Gaddis, Edith Naylor, Dorothy Byler, Myra Roller, Elizabeth Trombold and your chairman. Copies of the Prayer for Feace and postal card of chapol are given all guests—after five years one wonders how much longer this need for peace prayers. The white and gold Remembrance Book in the case between the windows is always noted with interest. These names were added this year: Mary L. O'Meara, Maude Anderson, Ruth Adams Cantrell, Sarah Tedder May, Iva M. Voight, Edythe McBratney Salveson, Martha B. Ryan, Jessie Louise Haskard, Fannie Burge Wilkinson, Cora V. Wade. There is joy in keeping this Chapel well maintained, and the committee are keenly appreciative of the cooperation of every chapter. The Spring of 1972 should see fresh white paint on the wainscot walls, altar, communion chairs and window and ceiling moulding—let's keep it gleaming, this room bears your name! I end my

FRIENDSHIP Mrs. Frank Williams

The Friendship Committee had no names turned into it this past year, so did not function.

ROSTER Mrs. Francis Johnson

The material for the Roster was compiled and placed in the hands of the printer prior to State Conference; however, was not available until after the Conference. We regret that the print is so small; however, larger print would have doubled the cost of the Roster. There are 192 pages in the entire Roster with 57 pages containing the Ancestral Index. CONFERENCE MARSHALL Mrs. Wallace R. Decker

For the past three years it has been my privilege to serve as Marshall for the Kansas Society of the Daughters of the American Revolution. My duties are to see that the proper protocol is followed at the seating, processionals and helping to see the Conference runs smoothly. I've found this job to be busy but rewarding. This is a people job you deal with people—and I feel this is the reason, despite hard work. that it is a satisfying one. I came in contact with many busy ladies and whenever I made a request I found them to be ladies in every sense of the word. I've tried to always conduct myself with courtesy, good manners and common sense. Of course, this all takes help and cooperation. Thanks must first be given to you, the membership, regents, chairmen and officers who have always complied with my many requests. A special thanks to Mrs. James Decker, my assistant this year, Mrs. James Lewis, Chairman of the Pages and to all the many pages who have worked so faithfully. These young girls in white bring a charm and flair as well as do a great deal of work which we would miss if they were not here. Mrs. Lempenau will always have my gratitude for having placed her confidence in me and giving me this opportunity to serve the Kansas Society in this capacity.

CONSULTING GENEALOGIST Mrs. James W. Smith

The work of the Consulting Genealogist has been a busy and most interesting one. It has resulted in a great deal of correspondence with those seeking a membership in DAR, with the various Court Houses, research in other libraries, as well as searching in the extensive records found in our own DAR Library and the Kansas Genealogical Library with which it is housed in Dodgo City. Many xcroxed copies of DAR Inneages were sent for from the Registrar General with good results in connecting with lines already proven. It is encouraging to see the increased interest in recording and preserving genealogical material. Names, dates, places, and stories of our own families may provide the missing link others have searched for for years but were not able to locate in published records. With the increased care for complete records on the membership papers, it is important that all records have positive proof. Suggestions as to where their particular records might be found were sent to prospective members and encouragement given to those who were losing hope. Many are still searching for elusive ancestors, but in working together, DAR will be stronger with those who have searched—and succeeded.

PARLIAMENTARIAN Mrs. Paul N. Kent

As parliamentarian, I have attended a number of chapter meetings and have discussed problems concerning parliamentary proceedure. urge each chapter to have a copy of "Robert's Rules of Order, Revised" and to become familiar with its contents. "Longan's Parliamentary Rules" is also very helpful. I attended the meeting of the Northeast District held in Johnson County. The bylaws of a number of our Kansas chapters have been examined, and suggestions concerning them have been given. I have corresponded with members and have answered questions relative to procedure and bylaws. Opinions have been given concerning procedures to chapter members, state officers and committee chairmen. I have assisted with elections on several occasions. It will be a pleasure to attend the meeting of the State Board of Management, March 10, preceding the Conference in Wichita, March 11, 12 and 13. I expect to attend all sessions of the Seventy-third Annual State Conference. May I call to the attention of our members the excellent articles in our DAR magazine written by the National Parliamentarian, Reva Tayler Dixon. Members should read these items in our magazine. Some chapters have found it helpful to keep complete files of parliamentary information for reference. It is important that all presiding officers and prospective officers study, know, and use proper parliamentary procedure. It is a pleasure and privilege to serve this administration as parliamentarian.

STATE PRESSBOOK Jean O'Brien

Our State Pressbook was 15 x 18 inch rich blue leatherette with the State of Kansas Sunflower decal in the lower right corner. Appropriate wording on the decal was "Enjoy a trip through Kansas." The book contained publicity from all 64 chapters, from one item to several pages. There were a great number of excellent articles and pictures depicting our objectives and community work. There were four divisions, Chapters, Districts, State common to whole, and National. All issues of KSDAR mews and our Kansas advertisement section of the November NSDAR magazine were included. This year being our first attempt for a State Pressbook, we measured only 5,860 inches, covering 170 pages. Each article was handled at least five times; cut out, pasted on rich blue paper, trimmed to outline, pasted on pages and measured. Seven 4 ounce bottles of rubber cement, thinned many times per bottle, 340 re-inforcements, licked and placed, 110 pages cut to size and 220 holes punched. Many articles had to be pieced together, letters replaced along sides where cut into, newspaper and date lines had to be cut and cemented, chlorox and razor blade used to bleach out and scrape off ink underlining and check marks made by red, black and blue inks. Approximately 300 hours were spent and the finished book weighed 11 pounds.

KANSAS STATE OFFICER'S CLUB Theo Stebbins

The Kansas State Officer's Club met at 7 AM, March 13, 1971, at the Broadview Hotel for their thirty-fourth annual breakfast meeting. It was well attended but Edith Naylor was late as she had overslept but it didn't take her long to join us after she had been called. Pauline Cowger gave the invocation in the absence of the Chaplain, Lois Cook. It was a nolsy group but the secretary, Theo Stebbins, read most of the minutes of the last meeting. Florence Smith also gave the treasurer's report. It was decided to send a gift of \$15.00 for the Seimes-Thomas Building in memory of Mrs. Lawson May. Mrs. Seimes, President General, was guest of honor and Mrs. Huffman moved that Mrs. Seimes be made a life member of our State Officer's Club. The motion carried.

Roberta Kilbourn and Mary Lempenau brought into our meeting the other distinguished guests: Mrs. Donaid Spicer, California; Mrs. Clarence Kemper, Missouri; Mrs. Wallace Heiser, Ohio; Mrs. F. A. Edna Wheatley, as conference chairman, was a guest. The program consisted of some choice remarks by Beulah Chesney, including several short stories. Maybell Doyle, wearing her crazy glasses, read a historical book about a "Flowers" family; namely "Bull" Flowers, "Moss Bull" Flowers, "Windy Bull" Flowers, plus a little discussion about the Democrats and Republicans of that era. This book was purchased for twenty-five cents in a pawn shop and was entitled "Four Centuries in Kansas." We realized the importance of this valuable book. All of the group joined in making the meeting a success. EISENHOWER PILGRIMAGE

Pauline Cowger

It is my pleasure to report for the Eisenhower Committee, and the successful Pilgrimage to Abilene on Thursday, May 14, 1970.

Planning for this event requires much more than one can give in a report or financial statement. It really began with the November 1969 DAR Magazine when the Kansas pages were dedicated to President Dwight D. Eisenhower and the Eisenhower Center. Then came letters from many persons, nationwide requesting information and details. We had 2 out-of-state guests, Mr. and Mrs. Weisend of Akron, Ohio.

Over the years show many mcmbcrs attended and our State Regent was honored at the dedication of the Museum, and from that developed the pilgrimages. In 1961, 87 registered; 1964 there were 176 at our entrusting the pylons to the care of the U S Government. In 1967 there were 89, and this 1970 we had 142 members and 9 men from 22 chapters. 4 members of Hannah Jameson came the furtherest. General Edward Hand sent the most, 15. There were 5 State officers: Mrs. Bertram Lcmponau, Mrs. Ralph Casey, Mrs. Carl Biegert, Mrs. Francis Johnson and Mrs. W. M. Ostenberg. 2 Past Vice Presidents and Honorary State Regents: Mrs. Ruth Berger and Pauline Cowger, 1 District Director, Mrs. L. B. Roller; 6 State Chairmen: Mrs. Percy Converse, Mrs. L. O. Gaddis, Mrs. Harry Ives, Mrs. James O. Kershner, Mrs. Bill E. Smith and Mrs. Frank Williams.

Special message from Notables were President General Mrs. Seimes, Mrs. Spicer, Mrs. Barnes, Mrs. Westbrooks, Senator Robert Dole and

Frank Carlson, and John Wickman, Director of the Eisenhower Center.

Guests at the luncheon were Honorable Henry Jameson and Mrs. Jameson; E. Alan Thompson, Curator of Research Department Eisenhower Library; Al Jones, President Abilene Chamber of Commerce and Vera Murphy, City, Librarian.

Special Mention and thanks to the Abilene Chamber of Commerce for advice, suggestions and take-home materials. To KFBI Radio station for outstanding coverage, and the City Library for opening their space to our tour and viewing their precious possessions; our DAR Public Relations Chairman of news release to the State newspapers. Cookies were supplied by the four hostess chapter: Lois Warner, Mary Wade Strother, Nathan Edson and Polly Ogden, and Committee members. They were also responsible for the many, many vases of beautiful peonies and decorations both for the Coffee and the Luncheon, and where ever services were needed, including the registration table.

The City of Abilene Library is closed on Thursday but Miss Murphy opened the doors so our members could visit the doll room and observe the Kansas Room with its many early day treasures and arti-facts. The Eisenhower Library was open to our registered members, without charge. The pictures we viewed in the Auditorium were exceptionally interesting and the DAR donor book on display and available for our viewing. Mr. Thompson was on hand to answer any inquiries.

Hon, Henry Jameson speaking at the Luncheon of "The Eisenhower I Knew" thrilled us all. He told of many interesting experiences we had not previously known about. Comments were made at the Luncheon by State Regent Mrs. Bertram Lempenau and she also introduced the guests.

At this time there is construction at the Museum to double the floor space and when we return there in three years it will be a special joy to see this improvement and the many, many added exhibits.

Too, an improvement we have been working for and have accomplished is the placing underground of all those telephone and light poles and wires. It is a BIG improvement to the entire center and especially our pylons. Thanks to the Committee and every one who helped in this activity.

Pauline Cowger, Lucile Rust, Mrs. Robt. Chesney, Mrs. W. M. Ostenberg and Mrs. Arlene Sejkora.

SHAWNEE MISSION PILGRIMAGE Mrs. Luther A. Glenn, Sr.

On September 16, 1970 the annual Shawnee Mission Pilgrimage was held beginning at 9:30 o'clock at the old Shawnee Indian Mission in Fairway. Tomahawk Chapter served coffee at the Mission. We had seventy paid admissions (or rather registrations) at the Mission. Regents from other chapters acted as hostesses.

At eleven o'clock Mrs. Bertram J. Lempenau, State Regent, made formal presentation of items to the museum on behalf of herself and her sister, Mrs. Ruth Baldwin, of a beautiful antique doll, a plank-bottom chair, and a black, silk fringed shawl. Also she was presented the Fugate chair which had been refinished and properly covered with needlepoint done by Mrs. Lempenau. These items were presented to the Kansas Historical Society to be preserved properly in the DAR rooms of the Mission. Mr. A. N. Wiltz, Director of the Mission accepted them on behalf of the Society. Mrs. Wiltz and others acted as guides in taking members through the buildings of the Mission.

Promptly at twelve o'clock eighty-five members and guests were served a delicious luncheon at the Old Mission United Methodist Church. State Senator C. Y. Thomas spoke on "The Constitution and Its Signers." During the luncheon background music was played by Mrs. George Williams aided by Mrs. Peggy Jones.

Eightoon chapters were represented with thirteen Regents present. Five elected state officers and one appointed officer also were present. Seven state chairmen are included in the total. Mrs. Carl Biegert, State Chaplain, gave the invocation. Mrs. Luther A. Glenn Sr., presided over the events of the day. Despite the rather inclement weather more people attended the Pilgrimage than did last year. I wish to give thanks to all who worked together to make our Pilgrimage a success.

STATE REGENT'S REPORT OF CONTINENTAL CONGRESS

The 1971 Continental Congress teemed with excitement as two strong slates of candidates strove for election to cabinet posts, and nine contenders for Vice President General vied for seven vacant places. The slate of Mrs. Donald Spicer won a decisive victory for the Executive posts, and will head administration of the National Society DAR for the next three years. The retiring Kansas State Regent, Mrs. Bertram James Lempenau was the successful candidate for the post of Librarian-General. Kansas daughters will recall that Mrs. Spicer and four on her ticket, Mrs. Kemper, Mrs. King, Mrs. Heizer and Mrs. Ziesmer, were guests at the Kansas State Conference in March, this year.

Both the Spicer Headquarters and the Barnes Hospitality Rooms buzzed with activity as cookies, candies, punch and coffee were dispensed to visitors, together with glimpses of the candidates when they had time to appear between visits on their hectic schedule of State functions.

Kansas sent a fine delegation of over forty voters, as well as other members, to attend the session of Congress. Twenty-two stayed for the banquet on Friday night, which was so crowded that it overflowed into the adjoining Chinese Room.

A number of Kansas Daughters enjoyed the Monday tour of the White House, and all were thrilled by the presence of President and Mrs. Nixon at the Monday night opening, always an exciting event. President Nixon was the first President to speak to the NSDAR in seventeen years, and was warmly greeted by the audience, who were delighted to view Mrs. Nixon, radiant in a glittering white longsleeved dinner gown.

Tucsday was the day of state functions of major states, and was exhausting for the two slates of candidates, as they rushed from one hotel to another, as well as one room of the Mayflower to another, to introduce themselves, so the members could hear and compare them.

The Kansas Brunch honoring the Kansas candidate was held at noon on Wcdncsday, April 21st, and was attended by seventy-five persons. Wives of the Congressional Delegation were asked to help receive guests, and Mrs. Bob Dole, Mrs. Garner Shriver, Mrs. Larry Winn Jr., Mrs. Joe Skubitz and Mrs. Bill Roy were in the receiving line, together with Mrs. E. E. Huffman, Honorary State Regent, and Mrs. Ralph M. Casey, Incoming State Regent, Past Historian-General and Past First Vice President General, was ably assisted by Mrs. J. D. Britt, Mrs. E. E. Huffman and Mrs. Robert Chesney. Mrs. Wallace R. Decker, Regent of Eunice Sterling Chapter and Mrs. James Decker, Regent of Flores del Sol Chapter helped keep the reception line moving. Mrs. Wendell Hastings, Regent of Topeka Chapter, provided lovely piano music as a background for the Brunch. Among the guests were three cabinet members and Mrs. Adele Sullivan, Honorary President-General.

Nominations of candidates for National Office were made Wednesday night, followed by a reception for the candidates in C Corridor of Constitutional Hall. Nominator for Mrs. Lempenau was Mrs. Paul N. Kent, who has served as State Parliamentarian for the past three years, and who is a close personal friend of the candidate.

Thursday morning long lines of voters waited their turn at the voting machines. The Spicer Associates won with an average majority of four hundred to four hundred fifty votes. Reports of State Regents were heard Thursday evening, and the Kansas Regent was proud to report that her three year goal of ninety percent of Kansas Chapters on the Honor Roll had been reached, as fifty-eight of the sixty-four chapters qualified.

The resolutions offered for 1971 was adopted without serious controversy, and were given no adverse publicity by the press, for a change.

Installation of officers, State Vice Regents, State Regents and Na-

tional Officers, was held Friday morning. There was some difficulty regarding the State Officers, as the Installing Officer, Mrs. Wilson K. Barnes, had an incorrect list, but the installation was carried out, in spite of delays to ascertain correct names. There was no difficulty in installation of National Officers.

Thus came to a close the administration in charge of Kansas affairs for the past three years. The retiring officers and Kansas Daughters look forward to working with the new State Regent and her corps of officers and State Chairmen in the years to come.

1971 Spring State Conference Speech

"CITADELS OF PATRIOTISM"

It gives me a great deal of pleasure to be with you this evening, to have the opportunity to meet and talk with you personally, enjoy your hospitality and bring a message.

The National Society, since its founding in 1890, has grown so in membership that one of our great problems is communication. Since many of our members are unable to attend Continental Congress, it is most important that your President General share her thoughts with you in your own community.

The title of my talk is "Citadels of Patriotism." This title applies so aptly to our 2,927 DAR Chapters throughout the fifty states and the District of Columbia, which were at one time referred to as "The Union." America today is divided, as it was during the War for Independence, popularly called the American Revolution. America was again divided in the "War Between the States." Both conflicts brought to the fore great leaders. Leaders who believed in God and Country, and did not advocate a policy of guns and butter. Here were men who were not concerned with power and money, and who did not consult opinion polls. Had it not been for General George Washington, a man of extreme courage, capability and integrity, there would be no United States of America today. Had it not been for Abraham Lincoln the "house would have been divided." I ask you what leader today has the courage, the integrity, the principle, and the fortitude to take the personal risks of a patriot and lead the people out of the wilderness of inflation, deficit spending, crime infested cities and no-win wars.

Since World War II America has been bled white in "no win wars" in Korea and Southeast Asia. Why? Today, there is aways a crisis brewing whether Middle East, Cuba, Panama or South America. All these miniwars are plotted, planned and executed by America's real enemy, Communist Russia.

Who are the authors of the decline of our Nation? The power hungry men in the Kremlin who have had the witting or unwitting assistance of the so-called Liberal-Left in this Country. Meanwhile, shall we sit idly by and allow ourselves to become a race of Pygmies consumed by the Soviet Union or China? But, where are the intrepid and vigilant guardians of our public liberty and national pride? Can we find them in a Congress which has shown itself more interested in raising its own pay than in

combating the evils of inflation or winning the war in Vietnam? Where, today, is Patrick Henry to say: "Give me liberty or give me death?"

Freedom is not free. Freedom entails responsibility, allegiance, morality, propriety, ethics and above all a willingness to fight for and even die for to preserve one's freedom.

Among the contributing factors to the "decline and fall of the Roman Empire" was the fact that the people no longer provided enough soldiers to defend the Empire, but hired barbarians to fill their armies. The burden of supporting a greatly increased army and civil service taxed the resources of that Empire to the breaking point. Prices rose, trade declined and men left the cities for the security of farm life. The Government tried unsuccessfully to fix wages and prices and to force men to stay in the towns. In 455 A. D., the Vandals sacked and burned Rome. The Romans had to call home their legions from the frontiers to protect the very heart of the Empire.

While many of our young people are careless of the freedoms they inherited, there is a striking analogy of America's problems today to the problems which confronted the Roman Empire and eventually led to her decline. Although we enjoy our freedoms no one seems to want to defend them. The Students for a Democratic Society have been very successful in driving R.O.T.C. facilities from college campuses. During 1968/69 and 1969-/70 military authorities recorded 307 incidents of fire-bombing, theft, vandalism, etc., from anti-R.O.T.C. activities which resulted in property damage exceeding \$1,471,875.00 in total damage. The Department of Defense recorded 7.713 desertions in October 1970 for the United States Army (AWOL's are recorded as desertions after 30 days). Because the draft is so unpopular with cur young men there is a plan afoot to build a volunteer army. Raising pay, relaxing disciplines, extending privileges and permitting young men to shirk their responsibilities, is not a formula for building an elite fighting machine. Any war America has ever fought and won has been with conscripted troops or citizen soldiers. Hired barbarians could not defend Rome nor can a handful of professional soldiers defend America. An army is no stronger than the people behind it.

The other thing that destroyed Rome was the cost of maintaining a civil service establishment. In 1950 there were 1,207,559 non-military employees in 40 departments and agencies in our federal bureacracy and the cost of government was 43 billion dollars. Today (1971) our federal bureaucracy has grown to 1,703,177 non-military employees in 65 departments and agencies with a budget that will exceed 200 billion dollars. While the Administration bewails the demands of labor the President recently signed a pay increase for white collar workers in the Civil Service.

Speaking to the 96th Annual Convention of the American Bankers Association on October 12th, at Miami Beach, Wilbur D. Mills, Arkansas Democrat, head of House Ways and Means Committee, said "the deficit in the Federal Government's budget will range between \$12,000,000,000 and \$20,000,000,000 during the current fiscal year, ending next June 30th."

Adding to the tax burdens of the average citizen is the spiraling cost of welfare. An average of 16,544 persons are going on the relief rolls in New York City alone each month. More than one of every seven residents of New York City is on relief. An unchecked inflation and high taxes at the County, State and local level can hasten the death of America as it did Rome. Our cities have been burned and plundered by the modernday Vandals. The F.B.I. reports that crime has risen 148% in a decade.

If our leaders continue to be influenced by opinion polls, campus disorders, militant minorities, TV commentators, the editorial pages and

slanted reporting of some of the leading newspapers, then America had better bring her legions home to protect her from the assaults from within.

To the undiscerning eye America appears no less powerful today than it did following the smashing victories of World War II. We are still to be reckoned with in world affairs. Our standard of living is the highest. Our economy is still strong. Our weapon systems the most sophisticated.

Since the end of World War II the chemies of America have nestled comfortably in her bosom: The Federal Government has become a bureaucratic monster instead of the servant of the people. Americans have grown discouraged by mounting crime, higher taxes, mushrooming welfare and an inflation fueled by the wage-price spiral, on the one hand, and by endless deficit financing by government, on the other. Moreover, to placate the malcontents, we have lowered our standards in education, the professions, the military and, certainly, in government. To be closted today, a man must not have principles but TV charm. Thus, we become easy prey for our enemies. Communists do not fight purely military engagements. They believe in and practice the concept of total war. They fight not only on the battlefield but on all fronts. They use psychological and political means, propaganda, subversive, economics, the arts—every conceivable weapon to attack, undermine and weaken their military opponent from within. The Communists cannot defeat us in Southeast Asia, so they are trying to destroy us by sapping our vitality, unity, our will to resist and by making a mockery of patriots, law and order, and our cherished institutions.

Addressing a White House Luncheon on April 28, 1967, General Westmoreland, Commander of our military forces in Vietnam at the time, revealed that a year earlier Gen. Giap, the military leader of N. Vietnam, had listed seven reasons why he believed the Communisto would event ually win the war in Vietnam. General Westmoreland added that he though Giap's reasons comprised "a very intelligent assessment" of U. S. problems in Vietnam. He then gave facts to prove that General Giap was wrong on five of his seven reasons. He hesitated to find the Communist military in error on only two points—Giap's belief that the Communists would win because of increased pressure on the United States from other nations and because "pressure against the war is growing in the United States." The latter General Westmoreland said, is "the central consideration." He had no doubt about the ability of the United States to defeat its enemy on the military front. His only real concern was the enemy attack from within Communist victory on the political, propaganda, and psychological warfare front, particularly in the United States, which would rob cur country of victory even though it won every battle in Vietnam. These remarks of General Westmoreland's were made in April 1967. Look at us today!

The trend today by some of the news media is to humiliate America's top citizens and make heroes out of the Jerry Rubin's, Eldridge Cleaver's Black Panthers, Students for a Democratic Society and all the other malcontents and misfits who advocate the violent overthrow of our government and our way of life. Violent headlines sell papers and make news. These malcontents seek publicity and receive it.

An item that gave concern in September 1970 was a story in one of the Washington Papers that the World Council of Churches in Geneva was making a \$200,000 grant to guerila groups in Southcast Africa. In 1958 our Continental Congress opposed the political, economic and socialistic activities of the National Council of Churches in the U.S.A. as a very real menace to the survival of our Christian Church.

The Communist Party and other subversive elements in this country liave been working for the abolition of the Committee on Un-American Activities virtually from the day it was created. They wanted it eliminated completely. The greatest danger of Communist Russia to the United State is not Communist espionage, but Communist propaganda. The House of Representatives of the Congress recognized that the major danger in Communism was not the theft of some Government secrets, but it's attack on men's minds. Of course, Communism is not the only "ism" that has been a threat to America. Naziism was a threat, too, but we climinated Nazi Germany in Battle. In 1938 the House Committee on Un-American Activities was first established not because the problem was foreign espionage but the attacks of the foreign "isms"....Communism Naziism-on the minds of the American people, their attempts to win adherents and agents in this country, to turn loyal Americans into traitors. The Bolsheviks did not take over Russia through espionage; Moscow did not take over its satellites in Eastern Europe through espionage; the Communists did not take over China in this manner, nor did they take over Cuba this way. While espionage has been a traditional Communist weapon, the United States Communist Party has never hoped to take over this country merely or primarily through espionage. Their victories have come by internal subversion.

On February 18, 1970 the House approved by a vote of 306 to 80 to abolish the House Un-American Activities Committee and simultaneously created the House Committee on Internal Security. The reason for this change was that the new Committee was granted the authority to investigate organizations which seek to overthrow or alter our form of government by force, violence or any unlawful means as distinguished from change by Democratic process. This would include organizations, whether or not a part of the International Communist conspiracy, which seek a violent revolution.

One of the prime targets of the Liberal-Left has always been the House Un-American Activities Committee and its successor, the House Committee on Internal Security. Thus, a major clash developed in October 1970 between the American Civil Liberties Union and the House Committee on Internal Security who compiled the names of radical speakers and the fees they received. The Committee received in response to its inquiries the names of 1,168 speakers who appeared over a period of two school years 1968/69 and 1969/70. They delivered 1,414 speeches and received honoraria amounting to \$911,835. The responding educational institutions furnished no identifying data on the individuals other than their names. The Committee searched in public source material available to them and ascertained the affiliation of 57 persons.

In some way unknown to the Chairman of the House Committee on Internal Security, Congressman Richard H. Ichord of Missouri, a copy of the unpublished report came into the hands of the American Civil Liberties Union. A suit was immediately filed in the U. S. District Court of the District of Columbia for the purpose of enjoining Congressman Ichord as Chairman of the House Committee on Internal Security from filing the report in the House of Representatives. The case was heard by Judge Gerhard Gesell, and the judge enjoined James L. Harrison, the Government printer, from publishing the report. To quote Chairman Ichord "Apparently, we have reached a point in this country where radical speakers, many of whom are alvocating violent overthrow of our government, have the absolute right to free speech, but this privilege does not extend to Members of the U. S. House of Representatives." To continue, Congressman Ichord quotes "In what would seem to be its over weening concern for the First Amendment rights of radical speakers, seeking to contaminate the minds of America's co'lege and university students, the Court in this case seems bent on denying First Amend-

ment rights to the Congress of the United States." The complaint was filed with the U. S. Distrist Court for the District of Columbia by the director of the American Civil Liberties Union. "The complainant asked the court to declare the action of the defendant members in preparing and socking to publish the report as unconstitutional, and to enjoin the defendants from filing, printing, publishing or disseminating the document and from disclosing any material."

In this historic confrontation between the Legislative and Judicial branches of the Government, the House, by an overwhelming margin of 320 to 54, ordered publication of the Committee on Internal Security Report on honoraria paid to radical speakers on college and university campuses between the fall of 1968 and the spring of 1970. And why should this list not be published? These radicals are partially financing the revolution they advocate, and are working for, through substantial fees paid them by American Universities and colleges.

There is no simple or easy way to stop these revolutionaries in their tracks. What task that ever was worth doing was easy? But every American who loves his Country and is determined to defend its constitution can make some contribution in the fight to preserve both. The war for freedom and against communism will not be won by sunshine patriots but by a determined people who are strong in the moral, spiritual and constitutional values which made this Country great.

And this is exactly where we can do our part. The DAR has never swerved from its devotion to Home and Country. We take our stand on principles, heedless of the barbs directed at us by the news media. I look upon the National Society as a mighty oak whose strength and vitality comes from its roots. Our roots are our Chapters. Our strength and our vitality is generated by tens of thousands of women from all walks of life, from all corners of our great nation, who selflessly donate their time, their talents and their money to the programs and activities of the DAR. Our Chapters in the cities, towns and hamlets throughout America are "Citadels of Patriotism." Needless to say, our Citadels in every community are targets of organizations and individuals dedicated to the destruction of America from within. Our forebears participated in the birth of this great nation. They made tremendous sacrifices. They took great risks. Patriotism had a price in 1776 and it has a price today.

As this administration draws to a close, I feel a great admiration for the past accomplishments of the National Society and much concern for its future. The future both of our Society and our country rests with you individually and collectively. As a member of the National Society Daughters of the American Revolution I hope you will do your part to help save America. I hope you are imbued with the courage, valor and boldness of your forebears. I hope you will not give up your "Citadel of Patriotism" and remember "where law ends, tyranny begins."
