THE SECOND CENTURY

1997-2010

Compiled by Shirley Coupal, State Regent
with assistance from
Kathryn West, State Recording Secretary

Every third administration by decree of Standing Rule #32, we are to provide an updated history of the Kansas Society Daughters of the American Revolution. In 1997 a comprehensive centennial history of the State Society, "Looking Back, Trails To The Second Century," was published. This should be used as the primary source of information about the State Society before 1997. (Copies may be borrowed from the Kansas DAR Library).

The Second Century is the first comprehensive compilation of KSDAR history in its second century. It pulls together the four administration summaries and the state regents' biographies of the new century as well as statistical data, listing State Officers, Outstanding Juniors and Chapter Regents, scholarship winners, and State Conferences, information that future administrations will find useful. A special section, Kansas DAR Monuments – An Enduring Legacy, is a travelogue to KSDAR's sacred places.

All the information in the statistical section has been verified from the correct spelling of names to the number of members attending State Conference. Unfortunately, in some cases the information doesn't exist in any of our permanent files and this is noted by "unknown." To each category as much detail as could be found and space allowed has been added. The online tool provided by NSDAR – e-Membership – has greatly enhanced finding membership status and data.

STATE REGENTS' BIOGRAPHY

Patricia Dorsch Traffas, thirty-fourth State Regent, was born in Benkelman, Nebraska the oldest child of Norman G. Dorsch and Mary Esther Harrison. She was reared on a farm northeast of Bird City, Kansas and was graduated from Bird City High School in 1970. She earned a Bachelor of Science degree from Fort Hays State University and has been a Registered Cytotechnologist, American Society of Clinical Pathologists since 1974.

She was elected State Registrar in 1989 and that year the State Conference approved the purchase of a computer for the State Registrar and additional funds for assistance in entering the records. Pat was elected State Vice Regent in 1992 and at Continental Congress in 1994 was elected Treasurer of the National State Vice Regents Club. Pat has

served as a Correspondent Docent and given many programs.

Pat was elected State Regent in 1995 for the KSDAR Centennial Administration. The theme for Mrs. Traffas' Administration was "Trails to a Second Century." In her many visits to the 64 chapters of the Kansas Society and to numerous civic groups, she emphasized how Kansas Trails were used to bring civilization and commerce to the plains.

She went on the ten-day National School Tour in October 1995 and had the opportunity to visit Hindman Settlement School, Kentucky; Kate Duncan Smith School, Alabama; Tamassee School, South Carolina; Berry College, Georgia and Crossnore, North Carolina. Pat went on a National New England Historical Tour in 1996 and one of the places visited was Hillside School in Massachusetts.

In July 1995 the Kansas Society helped arrange an NSDAR Volunteer Genealogy Training Workshop in Overland Park. Seventy-five women from seven states completed the course, led by genealogists Rose Mulville and Joy Allison from the Registrar General's office. Nineteen of the participants went to Washington, D.C. in August to finish their training so they would be able to assist approving supplemental papers of DAR members. Nine Kansas Daughters went in a group to complete their training.

It became necessary to move the KSDAR Archives from the locked file at the Kansas State Historical Society Building in Topeka to the Kansas DAR Library in Dodge City. The Archives were moved by August 1995.

The State Regent's Project was marking the part of the Lewis and Clark Trail as it crosses the corner of northeast Kansas. A matching grant of \$5,000.00 was awarded and the sites for the markers selected. Pat and the Project Chairman Kim Bushman worked with the National Park Service and the Kansas Commissioner of the Lewis and Clark Bicentennial.

The President General's Project "Keys to the Columns" (continued renovation of Constitution Hall) was 100% and collected over \$10,000.00.

There were 7,788 pages of Genealogical Records (10 bound volumes and 2 books) in 1996, 12,388 pages (26 bound volumes and 2 books) in 1997 and 15,978 pages (24 bound volumes) in 1998. They were sent to the KSDAR Library with duplicate copies to the NSDAR Library and the Kansas State Historical Society. Six Kansas Chapters sponsored genealogical workshops.

Scholarships awarded in 1996 were the KSDAR Scholarship and the Gladys E. Routh Memorial Scholarship to a member of the Prairie Band Pottawatomie. In 1997 the KSDAR Scholarship and the Elizabeth M. Hill Kessler Scholarship were awarded. Only the KSDAR Scholarship was given in 1998.

A committee to celebrate the Centennial of KSDAR was appointed with Mrs. Ruth Keys Clark chairman and the Honorary State Regents forming the committee. The committee selected projects for the years of celebration. There were specially designed tote bags and charms. Members were encouraged to wear a dress of the 1896 period or a Revolutionary War costume to the State Conference in 1996. It was a special State Conference, with many of the Daughters in 1896 dresses and hats. It ended with a Centennial Brunch with a Centennial Birthday Cake and a Centennial Tea at Cedar Crest Mansion, the home of the Governor. The First Lady of Kansas Linda Graves greeted us. It was a celebration the Kansas Daughters will always remember. State Senator Audrey

Langworthy sponsored a Resolution honoring the KSDAR Centennial. The State Officers were guests in the Senate with special seats to hear the Resolution. The Governor issued a Proclamation for our Centennial Celebration.

The Junior Club was formally organized during the Centennial year of the Kansas Society and a design for a pin to be worn on the official ribbon was submitted. It was approved in April 1998 and after some delay the pin is available in summer 2000. The Junior Club had been in existence for 10 years as an informal gathering of all members who joined DAR as juniors.

In September 1996, a chartered bus started from Leavenworth after the Northeast District meeting to take the State Officers and Daughters on the tour, "Madonnas on the Trail." We were honored to have the Historian General Mrs. Robert P. Rehl accompany the tour for a special dedication of a 175th Anniversary Santa Fe Trail marker at the Ralph Hathaway Farm. There were stops in Council Grove, Lyons, Fort Larned, Pawnee Rock and Dodge City. The dedication of the 175th Anniversary Santa Fe Trail DAR Marker and a rededication of the Plum Butte Santa Fe Trail DAR Marker occurred during the tour. On September 21, 1996 a marker was rededicated at the Pawnee Indian Village in Republic County, Kansas. In 1901 the Kansas Daughters had helped place a marker on this site where Zebulon Pike in 1806 lowered the Spanish Flag and raised the Flag of the United States of America for the first time over Kansas territory.

1996-1997 was the 175th Anniversary of the Santa Fe Trail. The Kansas Society was the first to place markers along the Trail in 1906. During the Anniversary year, Pat traveled the entire length of the Santa Fe Trail from New Franklin, Missouri to Santa Fe, New Mexico via both the Cimarron Route and the Mountain Route. She traveled the entire Santa Fe Trail in Kansas four times and, accompanied by the State Historian, completed a pictorial inventory of the Santa Fe Trail DAR Markers. *The Story of Marking the Santa Fe Trail* by Mrs. T.A. Cordry was reprinted with an addendum of the 1996 locations of the Markers using the 911 designations. A Marker Preservation/Restoration Fund was established and over \$3,000.00 was contributed in 1996. Several markers were returned to their original locations, including the 142 Mile Marker in Lyon County, the Plum Butte Marker in Rice County, the Larned Depot Marker in Pawnee County and the Point of Rocks and State Line Markers in Morton County. These markers and the Lone Elm Marker in Johnson County were all rededicated during her Administration. In November 1996, the State Historian and Pat located a Santa Fe Trail Marker in Hamilton County, which had never been inventoried or set. Arrangements were made to have the Marker set in the Ebenfleur Cemetery in Hamilton County to commemorate the Aubry Cutoff. The Marker was officially dedicated on September 23, 1997. Pat was a participant in the 1997 Santa Fe Trail Symposium in Morton County and rededicated the Point of Rocks and the State Line Markers on September 25, 1997.

In March 1997 KSDAR presented a Medal of Honor to Nancy Kassebaum Baker.

Ninnescah Chapter, Pratt was disbanded December 2, 1995 and Three Trails West, Stilwell was organized October 12, 1996. Kansas had the National VAVS Youth Volunteer in 1996 and 1998.

Mrs. Traffas arranged a car tour along the Oregon Trail in Kansas for those travelling on the 1997 Fall Tour. The tour began at the Hollenberg Pony Express Station on the

Oregon Trail in Washington County and continued to Olathe in Johnson County.

In the third year of Patricia Dorsch Traffas' Administration, we looked forward to the marking of the Lewis and Clark Trail in Kansas. The Grand Finale to the Centennial Administration on February 20, 1998 was an all day affair starting at Fort Leavenworth and concluding at White Cloud. The Kansas and Missouri SAR Colonial Color Guard were on hand to present the colors. The Fort Leavenworth dedication was in military tradition as the marker was a gift to the installation. The marker sets on the bluff over looking the Missouri River near where Lewis & Clark camped. Lunch and two more dedications were at Atchison. Markers were placed at 4th of July Creek and near High Mound in Independence Park adjacent to the Missouri River at Atchison where the Corp of Discovery spent the 4th of July 1804. The fourth marker was dedicated in White Cloud with representatives of the Iowa tribe present. The marker was placed near the old steamboat landing on the Missouri River.

Pat was elected Vice President General to first chair in 1999. She served as National Chairman of DAR Good Citizens. In April 2000, she was elected Vice President of the Vice Presidents' Club.

Pat moved to the Kansas City area in August 1999 to start a second career. She graduated from the Mortuary Science Program at Kansas City Community College with honors in May 2000. Currently, she is managing director at the McGilley Hoge Funeral Home in Overland Park, Kansas. She loves living in the Kansas City area and enjoys many of its historical and genealogical venues and sports events.

**ALICE AMY FRAZIER WALKER
1998-2001**

Alice Amy Frazier, the thirty-fifth state regent, was born in Kingston, New York to Olen T. and Eleanor Frazier but home was New Paltz where her father was a university professor. The combination of an old historic town with the cultural advantages of a university, made New Paltz a wonderful town to grow up in. She had nine years of piano lessons and 6 years of flute and during junior high school and high school played flute with the university band and orchestra. She was a Girl Scout, earning the First Class badge with a curved bar, the highest award given at that time. She was a member of the Dutch Reformed Church and active in its choirs and youth group. Summers were spent in Kansas with Grandparents and the family took different routes coming or going, so that the family toured the eastern 2/3 of the US.

Alice started college at Texas Women's University, majoring in Library Science, later transferring to Emporia State where to major in Library Science, one had to major in something else first. Therefore, Alice majored in Secondary Education with majors in English and Social Science, though avowing all the way that she was never going to teach.

She was active in several college organizations and activities including playing in the E State Marching Band and the college orchestra, made honors every semester, and worked 20 hours a week in the university library. She served as an assistant Girl Scout Leader for a troop of junior high girls.

When a Junior, she was elected to Kappa Delta Pi, National Honor Society in Education and Pi Gamma Mu, National Honor Society in Social Science.

By carrying extra hours, she was able to graduate with both secondary education and library in a total of 3½ years. She then took a position as Assistant County Librarian in Cass County, MO. It was an exciting time to be there as the County Library System was very new and Missouri was a leader in the entire nation.

Alice married Howard Walker, a Kansas farmer, 5 February 1950 and moved to library deprived Kansas, becoming an advocate for better libraries. Her family and their reading activities were the subject of a feature article in a Kansas magazine. Pictures from that article were used to promote the start of the state 4-H Reading project. Mrs. Gagliardo, nationally known library advocate, used the Walkers in her testimony before Congress for improved library facilities for rural people. Alice gave talks on books and reading under the auspices of the Extension Service. She served six years on the William Allen White Book Selection Committee.

She and her husband were active in many ag-related organizations. Alice served as county chairwoman of the extension county women's units, was county Farm Bureau woman's chairman and served as a member of the State Soil Conservation Scholarship Committee. She and her husband were 4-H club leaders and project leaders. For many years she judged 4-H Day competitions in speaking and parliamentary procedure in surrounding counties. The family hosted six foreign students either through the IFYE (International Farm Youth Exchange) program or through K-State for on farm training and American way of life. These men came from Turkey, Brazil, Syria, South Viet Nam, Nigeria and Botswana. Howard and Alice are both ordained elders in the Presbyterian Church and Alice has served as Clerk of Session, and currently is organist.

Each summer, Howard and Alice took their children to explore a different section of the United States until they had seen all 48 continental states and parts of Canada and Mexico. This traveling was also a feature article in *The Kansas Farmer*. One of Alice's favorite things was climbing peaks over 14,000 ft in the Colorado Rockies, which she no longer does.

A few years after her marriage, a local school district needed to add a 3rd teacher in the middle of the year. Alice took the job of teaching a combined 3rd, 4th & 5th grade classroom. Having grown up with three rooms to a grade, having three grades in a room was a new challenge. The following year she taught the upper three grades and was principal. And she discovered that she "loved" teaching. She taught 32 years with 25 years in Kincaid High School, later to be USD 479. Though she always was librarian, she usually taught at least one class, usually English, but varying by what was needed, as she is state

certified to teach K-12, any self-contained classroom, high school English, several high school social science subjects as well as K-12 library. In later years she was the first library coordinator for the entire district and enjoyed setting up unified procedures for all the libraries. She also put the first computers into the school libraries in the early '80's. She was one of 36 librarians from over the US selected to participate in the eight week NDEA Library Science Institute.

She was active in state education and library organizations. She served as Chief Negotiator for her local district for 12 years making many gains. In 1999, she was one of nine selected from 90 applications to be inducted into the Kansas Teachers Hall of Fame for major contributions to Kansas education, even though she had been retired for nine years. She was a Governor's Appointee to the Southeast Kansas Regional Library Board and served as Secretary on its Executive Board. She served eight years on the Selection Committee for the Kansas State Reading Circle, where she reviewed approximately 500 books per year. She continues her schooling with more than 75 postgraduate hours and 350 continuing education units.

The Walkers had an income tax return preparation business for 45 years and continue to do a few each year. Alice received honors in many different fields. She tested recipes for Betty Crocker for 13 years and was in their very first microwave-testing group. She tested products and ideas for Farm Journal Magazine for six years. She received the Grand Champion prize in a national recipe contest and was a runner-up several times.

Alice always had a love of family history and in 1971 started to explore genealogy. In 1985 with just a typewriter, she prepared camera ready book on her husband's Walker ancestry. It received good reviews, nationally, for documentation and organization. She has had genealogical articles bought and published by *Heritage Quest*, a national genealogical magazine and reprinted, with permission, in other genealogical magazines. She has material ready to prepare for publication on two other family lines, both of which include a Revolutionary War Soldier for whom she was the first to prove that service to DAR. She belongs to several genealogical societies and lineage societies. She is a certified genealogist and is a Fellow of the American College of Genealogists (FACG). She has earned her DAR Field Genealogist pin.

Alice has researched her husband's ancestry, finding many interesting people. Though her husband is a full time farmer, he has served two terms as Governor of the Kansas Society of Mayflower Descendants, was President of the Kansas Huguenot Society, an early life member of Descendants of Valley Forge, and served as State KSSAR Chaplain, and two terms as the Assistant State Vice President. He was the founding president of the Fort Scott SAR Chapter. Alice has researched and typed applications for that chapter.

Alice joined Four Winds Chapter NSDAR in 1978, though she could not be very active as they usually met on Tuesday afternoon. In late 1980's the daytime members voted to disband. It was those who because of jobs could not attend that held it together, changed the meeting date to Saturday and Alice, taking her first chapter officer position, served as chapter regent for five years and the following year as vice was acting regent. She then worked her way down through most chapter offices and is currently registrar. In 1992 she was elected State Librarian, in 1995, State Vice Regent and from 1998-2001 served as State Regent. In the Kansas State Officer Club, she has served as President, First Vice

President, Chaplain, Treasurer and Historian. On the national level she was elected President of the National State Vice Regents Club and is a life member of the National Officers Club. She is an associate member of Upper Canada Chapter.

With her background in library and education, it was natural for her to select those fields for her administration emphasis. Her theme was "Reading: Doorway to Opportunity," developed as a three year program which increased understanding and active involvement by Kansas Daughters. In 2000, Kansas was first in the nation in NSDAR Literacy Challenge. Alice's state project was the KSDAR Library. Donations provided six more units of shelving, another file cabinet, new computer & laser jet printer with library cataloging programs, misc. small equipment and more than \$4,300 in new genealogical books. Though titles of recently acquired books were being put on the state web page, the putting of the entire KSDAR library catalog on its own web site was started. Also, during this administration, \$4,000 was added to the principal of the KSDAR Scholarship.

Many other state-wide activities were accomplished including: computers for recording secretary, treasurer, and registrar were replaced; a Membership & Ancestry Directory was published; State Historian, Peggy Boggs, surveyed all markers besides SFT and Lewis & Clark, that had been placed by DAR chapters and state over 105 years. A portrait of Mrs. Guernsey, the only President General from Kansas, was presented to NSDAR. A Cameo Club was organized. The Pilgrimage was to the Turkey Red Wheat area of Central Kansas. A NSDAR Revolutionary Soldier marker was put on the grave on Enos Barnes, Jr. at Marathon, New York. A "first" event happened at the 2000 State Conference, when, following the banquet, the Walkers hosted a reception for everyone at the conference, in honor of their 50th wedding anniversary.

Besides Literacy, there were many national honors a few of which were first place in Genealogical Records for states 3,000 to 4,999 members each of the three years, making a total of five years straight for first place. In 2001, Kansas had two national first place winners: the National VAVS Youth Volunteer and the NSDAR 7th Grade American History Essay winner.

Elected Honorary State Regent, Alice Walker is looking forward to some "freed-up" time to do things that had to be put on "back-burners" as well as have more family time with Howard and their two children, John Walker and Alicia Walker Jackson, six grandchildren and five living great grandchildren.

Since being Kansas State Regent, Alice Walker has remained active in DAR. She has served 6 years as chapter regent, and currently is vice-regent. She has served 4 years on the KSDAR Audit Committee and continues to serve on the KSDAR Library Committee and she was State Literacy Chairman. On the national level she has served as Vice Chairman of NSDAR American Indians Committee and Vice Chairman of NSDAR Scholarship Committee, as well as on the NSDAR Speakers Staff. She was the Organizing Parliamentarian (and charter member) of the NSDAR State Regents Club, writing with the Organizing President the Bylaws for the new national club. She continues her interest in genealogy by publishing two more books which received high praises for documentation. She is a NSDAR Lineage Researcher as well as a being a volunteer for RAOGK (Random Acts of Genealogical Kindness), a service recommended by NSDAR. She has also given talks on DAR and presented workshops on researching.

Linda Tinker Watkins, President General, Beverly Jenson, Historian General, and Bill Kurtis, Producer for A&E Television Network, participated in the program.

The Lewis & Clark marker placed in the Riverfront Park in Atchison during Pat Traffas' administration was moved to a prominent location in the new Riverfront Plaza. The marker was rededicated June 27, 2004, in observation of the bicentennial of the Corps of Discovery.

The Kansas Chapel was moved from the third floor of the NSDAR Administration Building to the first floor of the NSDAR Museum in October 2003, where it will be more accessible. A rededication service was held July 8, 2004, during Continental Congress.

Pat was elected Vice President General Class of 2007 during the 113th Continental Congress.

**SAMMY KING COPE
2004-2007**

Sammy Lane King Cope, the 37th Kansas State Regent, was born in Branson, Missouri on a fishing trip. She was the first child of Rufus Gideon and Hazel Matkin King. Her name always caused questions, especially in an age when boy's names were not favored for a girl. Branson was famous at the time because of the popularity of the book "Shepherd of the Hills" by Harold Belle Wright, in which the heroine was Sammy Lane. The attending doctor at the birth requested the name and it was published in the local news to be the first child born in Branson and given the heroine's name.

Sammy and her four siblings were reared on a wheat farm south of Liberal, Kansas in the Dust Bowl of the Oklahoma Panhandle. She attended school at Turpin, Oklahoma and transferred for her senior year to Liberal High School in Kansas. This was the school where her parents and maternal grandmother were graduates. She loved school and was a busy, popular student, active in basketball, softball, 4-H, band (drummer), choral groups, and dramatics. Not only active in her church and the Order of Rainbow for Girls, she studied piano, dance, and voice. Sammy always found time to do her share as parent's helper at home and on the farm.

Sammy Lane graduated from Texas Women's University (her mother's alma mater), Denton, Texas with honors with a Bachelor of Science in Vocational Home Economics and Chemistry. She participated in many activities such as: golf, swimming, organ lessons, and social clubs. Sammy laughs as she tells of winning a "hog-calling contest at a school carnival". She taught in Northeastern Junior College, Sterling, Colorado and in high school in Iowa Park, Texas. Cope owned and operated an oil well service news bulletin in Calgary, Alberta, Canada and later lived in Wyoming, North Dakota, and Texas.

Returning to her roots she met and married Wayne McCauley Cope in Liberal, Kansas where they established their home and raised their daughter, Stacy Lane Cope, an active Kansas Daughter.

Sammy and Wayne were actively involved in school activities during their daughter's school years. She served as PTA President, the President of the City Council of PTA and is a life member. Other service includes Past President of Aurora Social Club, American Association of University Women, P.E.O. Chapter, Liberal Federated Women's Club, Book Review Club, Mother Advisor of Rainbow for Girls for ten years, Worthy Matron of Order of the Eastern Star, member of Rebekah Lodge, American Legion Auxiliary, and Elks Lodge. Other community activities include Memorial Library Board for six years during

their building project, President of the Library Foundation Board for three years, and Economic Development Committee for Chamber of Commerce/County/City for three years. Her husband called Sammy a "Professional Volunteer".

Sammy and her husband owned and operated a farming and ranching business, commercial cattle feedlot, implement agency and used automobile agency. Mr. Cope passed away in 1999, but always encouraged Sammy's involvement in her volunteer endeavors, particularly the DAR and to keep abreast of their own businesses.

Sammy not only operates the family corporation and her farming interests, but she is owner/broker of a real estate agency licensed in Kansas and Oklahoma, and she continues her volunteer and church work. Her hobbies include sewing, reading, painting, and traveling.

Cope joined DAR twenty-six years ago in 1981 in the Cimarron River Valley Chapter in Liberal, Kansas and immediately went to work. Her services have included not only chapter regent for four years (1987-91) but also many chairmanships and offices in the local chapter. She served as Southwest District Director (1995-97), assistant and treasurer. Her state offices and chairmanships include: State Scholarship (1989-92), State Public Relations (1992-95), State Librarian (1995-98), State Corresponding Secretary (1998-2001), State Vice Regent (2001-04) and Kansas State Regent (2004-07). Her National appointments include: Tamassee School Advisory Committee (2002-07) and NSDAR Speaker Staff (1995-97 and 2001-07). She is a member of National Vice Regent's Club, National Officers Club, Heritage Club, Cameo Society, Kansas State Chairman's Club, Kansas State Officers Club, and Kansas Chapter Regents Club.

Sammy highlights her administrations as being of service to the National, State and Chapter organization and unraveling the El Cuartelejo project for which she devoted many hours and monies educating the membership and others about the Indian migration to Kansas as she raises funds for the preservation of the site with an interpretative center to be built in the future.

In October 2004, as a member of the eight-day National School Tour, Sammy visited Hindman Settlement School, Kentucky; Crossnore School, North Carolina; Tamassee School, South Carolina; Kate Duncan School, Alabama; and Berry College, Georgia.

Then her love of genealogy took her to participate in a workshop and to do research in Salt Lake City and to attend several other workshops on genealogy. Her administration even sponsored a NSDAR instructed workshop in Topeka.

She has taken the opportunity to accept invitations to visit other State Conferences and has gone to Missouri, Oklahoma, Arizona, Ohio, West Virginia and Louisiana. She feels these visitations are a wonderful source of information and an opportunity to spread the word about our state project. In addition, she has made nine trips to Washington, D.C. for National Board of Management meetings and the three Continental Congress weeks during her tenure. The experiences in the Capitol City and at our national meetings are nothing less than thrilling as you meet new people and see new sites.

A closer relationship with the Kansas Daughters and the Executive Board members and chairmen has made the 24/7 job a wonderful, memorable experience in her life.

Being elected Honorary State Regent is another honor she cherishes in her "Field of Dreams."

**Shirley S Coupal
2007-2010**

Thirty-eighth State Regent, Shirley S. Coupal, was born in Clay Center, Kansas, on a very snowy, icy day in January. She is the oldest child of Warren E. Coupal and Betty Lorraine Carver. Besides her parents, family members include sister, Jean Coupal-Smith; brother and sister-in-law, Doug Coupal and Michelle Carlson; nieces, Jessica Smith Young and Kinsey Michelle Coupal; nephews, Brenton Smith and Kyler Coupal; great-niece, Isabella Victoria Young. She was raised on a farm in western Clay County, Kansas, which has belonged to her family for over 100 years.

Shirley was part of the last 8th grade class to attend the rural Clay County elementary schools. She graduated from Clay County Community High School in 1967. This was the first class to attend all four years and graduate in the new high school. It was also the largest high school class to ever graduate in Clay County, thanks to the post-war baby boom. She graduated from Kansas State University in 1971 with a Bachelor of Science in Biology. After completing her academic and clinical Laboratory Medicine education at the University of Kansas, School of Allied Health, at the University of Kansas Medical Center, she received another Bachelor of Science in Laboratory Medicine in 1972. She was certified by the American Society of Clinical Pathologists as a Medical Technologist (now Medical Laboratory Scientist) in 1972. Later Shirley attended the satellite campus of Central Michigan University in Kansas City, Missouri, graduating with a Master of Arts in Business, with a concentration in health care finance, in 1987.

She has lived in the Kansas City area since 1971 and has held staff and managerial positions in Laboratory Medicine at Providence Medical Center, the University of Kansas Medical Center, Kaiser Permanente, and Children's Mercy Hospitals and Clinics. She is currently the night laboratory supervisor at Children's Mercy main campus, downtown Kansas City, Missouri.

Among her maternal ancestors, she counts John Howland of the Mayflower; Captain John Gorham; and Robert Carver founder of Marshfield, Massachusetts. Her paternal ancestors include Antoine Coupal dit LaReine and Marie-Louise Palin Dabonville. Antoine was the only Coupal to settle in New France near Montreal. As far as it is known, all Coupals living in the United States or Canada are descended from Antoine and Marie-Louise. Shirley has compiled the oral history of the Coupal family into a written work,

Some Descendants of Antoine Coupal dit LaReine and Marie-Louise Palin Dabonville: A Family History.

Shirley joined DAR in 1981 as a Junior and her service to the organization has been continuous. National service – Page, House, and Marshal Committees at Continental Congress; National Vice Chairman, Membership – Prospective Members; National Awards include: Outstanding Achievement in Promoting American History, Spirit of America Award for Exceptional Creative Membership Projects, Outstanding Membership Promotion: Membership Road Show, Kansas Use of Computers for DAR, Kansas Outstanding Member of DAR Speakers Staff, many other awards for membership and history. She belongs to the 1890 Annual Giving Circle, the Heritage Club, National Officers Club, National Vice Chairmen's Association, State Regent's Club, and State Vice Regent's Club.

State service – Page and Marshal Committees at State Conference; State Chairmanships – Marshal, Santa Fe Trail DAR Marker and Membership Committees, Member State Finance Committee for 3 terms, Member District Procedural Guidelines Ad Hoc Committee, Chairman of District Guideline Revision Committee. She researched, compiled, and edited the KSDAR Centennial History Book, Looking Back Trails to the Second Century; compiled and edited the Addendum and Errata to the reproduction of Mrs. T.A. Cordry's, The Marking of the Santa Fe Trail; surveyed, compiled and edited, The 90th Anniversary Survey of the DAR Santa Fe Trail Markers; and compiles articles for the KSDAR website and outside publications. A centennial survey of the DAR Santa Fe Trail markers will be completed late 2010. The Second Century History 1997-2010, an updated history of KSDAR, will be available in September 2010. Shirley has held the state offices of State Regent, vice regent, recording secretary, and historian. She was elected Honorary State Regent (April, 2010). She belongs to the Junior Club, as an organizing member; State Officer's Club, Chapter Regent's Club, State Chairman's Club, and Cameo Generations, as a charter member. She received the Martha Washington Medal from the Kansas State Society Sons of the American Revolution.

As State Regent, she emphasized education for chapter officers, state chairmen, and members by producing Kansas Roadmap to DAR, a handy reference for members and officers; Guide for Chapters, practical tips for chapter officers; Transitions, using change to enrich your chapter; and Open Door Tips, creating a welcoming chapter. She was instrumental in the development of an electronic Master Questionnaire. She gave those with the capability of creating such a tool the authority to do so. She made sure that the National Society was made aware of the availability of such an instrument. In October 2009, the new electronic Master Questionnaire was introduced to the chapters, state regents, and state chairmen.

Her State Regent's Project restored the century old DAR Santa Fe Trail Markers. It was widely supported by the Kansas Daughters and with the addition of a National Park Service Cost Challenge Share Grant, it was fully funded. The work on the markers was completed in 2010.

Shirley's district service includes Northwest District Director, Assistant Director, Secretary, and Treasurer. She joined the Nathan Edson Chapter at Clay Center serving as

regent, vice regent, and historian and has held many chapter committee chairmanships: Public Relations, Yearbook, Chapter Achievement, VIS, Membership, Bylaws, and others.

She is considered a leader in the Kansas City area historic trail groups and as such is involved with The Partnership for the National Trails System.

Shirley also belongs to other heritage and genealogical societies. She belongs to The Arbella Chapter of the Daughters of the American Colonists (DAC) and is currently serving as Archival Records Preservation State Chairman. She is serving her second term as State President of Daughters of Colonial Wars (DCW) and is past National Historian. She is eligible to belong to the General Society of Mayflower Descendants, having completed the research for her sister's papers.

She will continue to be active in KSDAR as Membership co-chairman and chairman of the Chapter Development and Revitalization Commission.

KANSAS DAR MONUMENTS – AN ENDURING LEGACY

Down the Santa Fe, up along the Lewis & Clark, on the far high plains El Quartejejo, at the gateway west Shawnee Methodist Mission, on Pike's route the Pawnee Village, along the Black Dog with the Osage, in between the citadels of the frontier - Forts Leavenworth, Scott, Riley, Larned, Dodge and the wild west towns of Abilene and Dodge City, famous for their lawmen and a President, all sacred spaces. For over 110-years, the Kansas Daughters have been creating sacred spaces, patriotic landscapes, separating them from the ordinary with monuments, putting up guideposts. Here is the best of what the Kansas Daughters have accomplished. As we proceed down the trail of the second century, it heralds what is to come.

Lewis & Clark – The Kansas Society, once again leading the nation, prepared for the Bicentennial of the Lewis and Clark Expedition and the Corps of Discovery. Best known for marking the old trails across Kansas, the Kansas Daughters endorsed this Centennial Administration State Regent's Project. State Regent Patricia Traffas, secured a grant from the National Park Service, and each chapter supported this project. The Lake Superior green granite obelisk monuments, with gold-leaf engraving on the facades, and a descriptive bronze plaque on the reverse, were commissioned and installed with the cooperation of the National Park Service, the Command Staff at Fort Leavenworth, and the cities and citizens of Atchison and White Cloud, KS. In many ways, this Bicentennial was larger and meant more to those born and raised west of the Mississippi River than the Bicentennial of the United States. In 1804, the military expedition of Lewis and Clark departed on May 14 from Wood River, IL. Travelling by keelboat and pirogues, the expeditionary force arrived at the confluence of the Kansas and Missouri Rivers, near present downtown Kansas City. Six weeks of arduous river travel had fatigued and depleted the expedition. After a three-day respite at the confluence, the Corps of Discovery continued northward along the Missouri River.

Fort Leavenworth Marker: On July 2, 1804, they encamped on the bluffs above the Missouri River at a site thought to be near the old French Fort de Cavagnial. Captains Meriwether Lewis and William Clark described this as an excellent place for a military installation: "we Camped after dark...above the Island & opposit the 1st old village of the Kansas which was Situated in a valley, between two points of high Land, and immediately on the river bank, back of the village and on a rising ground at about one mile The French had a garrison for Some time and made use of water out of a Spring running into Turkey Creek." The marker was placed on post at Fort Leavenworth with permission from Togo West, Secretary of the United States Army. Established in 1827, Fort Leavenworth is the oldest existing military fort west of the Mississippi River.

Fourth of July 1804 Creek Marker: The Fourth of July was celebrated for the first time west of the Mississippi near Fourth of July 1804 Creek, so named by the Corps, in present day Atchison. Captain Clark recorded: "Passed a Creek 12 yds. Wide.. coming out of an extensive Prarie reching within 200 yards of the river, as this Creek has no name, and this being the ... 4th of July the day of independence of the U.S. call it... 4th of July 1804 Creek."

High Mound Marker: During the afternoon, July 4, 1804, Lewis climbed to the top of High Mound above the Missouri River in Atchison to survey the terrain ahead. From this magnificent vantage point, he noted Indian artifacts present in the openings of the Mound. Captain Clark recorded: "Capt Lewis walked on Shore above the Creek and discovered a high moun(d) from the top of which he had an extensive view, 3 paths Concentering at the moun(d)."

White Cloud Marker: By July 10, 1804, the Expedition camped in extreme northeastern Kansas, in what is present day the city of White Cloud. The journal of William Clark recorded: "opposite... is a butifull bottom Plain of about 2000 acres... Covered with wild rye & Potatoes... intermix't with the grass, we camped... opposite a yellow Clay Clift."

The dedication of the four Lewis and Clark markers was the grand finale of the KSDAR Centennial Administration in February 1998. An auto tour of the entire route, with appropriate ceremonies at each marker, was celebrated by hundreds of Daughters and guests who attended. The SAR Color Guard provided the colors throughout the day. All enjoyed a lovely luncheon, with entertainment, at Mount Scholastica in Atchison at mid-day. City mayors expressed their appreciation and the Command Staff at Fort Leavenworth provided historic housing for out-of-state guests and dignitaries. Kansas Daughters efforts have been widely recognized for this achievement, as other State Societies have emulated their work. The markers shall always stand as a reminder, and be an enduring legacy, of a "new west." What had always been a "home" for native peoples became a land that would be understood by peoples from the east.

Black Dog Trail – This U.S.A. Bicentennial and State Regent Lucille Johnson's project commemorates the only Native American Trail marked in Kansas. The seven markers were partly funded from a Kansas American Revolution Bicentennial Commission grant. The porcelain enamel-on-steel signs bear the Osage Tribe logo "Wa Kon Dah" (Great Spirit). The trail is named for two great Osage Chiefs. It was used for hunting and mourning parties. The markers were placed in Southeast Kansas towns near the Osage's favorite campsites, Oxford, Winfield, Dexter, Chautauqua, Coffeyville, Caney and Elgin. Besides the towns, local school children and E.H.U. groups were involved in the project.

Eisenhower Center Pylons – In 1952 the Eisenhower Foundation approached the state society seeking assistance in creating the Eisenhower Memorial in Abilene. The Kansas Daughters choose as their contribution a permanent out door memorial depicting the phases of the life of the 34th President of the United States, Dwight D. Eisenhower. Cold Spring Carnelian granite was used to create the five sixteen foot high Pylons. A bronze tablet attached to each Pylon chronicles an aspect of Eisenhower's life. At the cost of \$20,000.00, this was the most ambitious undertaking the Kansas Daughters had ever attempted. To finish the project in time for the 1956 dedication, the state society decided to share one of the Pylons with the Soroptomist Clubs of Kansas. Originally, the Pylons were placed in a reflection pool near the main entrance to the museum. Kansas weather played havoc with the pool. When the Library opened in 1962, the Pylons were moved to the east end of the grounds. Over the next 30-years, pilgrimages were made to the

Eisenhower Center, numerous trees and shrubs were donated for the beautification of the grounds. Ownership of the Pylons was turned over to the National Archives in 1964. The last pilgrimage on September 17, 1990 celebrated Constitution Day, NSDAR Centennial Jubilee and the Centennial of the President Eisenhower's birth.

Shawnee Methodist Mission – The Shawnee Methodist Mission, located in northeast Johnson County, has long been dear to the hearts of Kansas DAR. For a time, it was referred to as “our only purely state committee.” If the state society ever had a home, it was the Shawnee Methodist Mission. From 1930-1980, the Kansas DAR maintained two rooms in the East Building, where the state society's memorabilia and artifacts resided. A mission to the Shawnee Tribe was established by the Methodist Episcopal Church in 1830 at the request of Fish, Chief of the Fish Band of the Shawnee. The Mission was in active operation until 1862. The 1927 Kansas legislature declaring the three surviving buildings historical landmarks stated: “That they were the first buildings of any pretension of substantial construction built in the territory that is now Kansas. That for many years they constituted the farthest permanent outpost of western immigration. That in 1855 they became the residence of Governor Reeder and the first territorial officers; and in that year housed the first permanent Capitol in Kansas. That they were the headquarters for early Indian campaigns and were the center around which waged the border warfare. That this Mission was the first point in Kansas on the Santa Fe Trail, and the mobilization center on the Oregon Trail.” The Shawnee Mission Memorial Foundation, chartered October 6, 1928, provided for twenty-four directors including several prominent Kansas Daughters. The foundation accepted private donations for the restoration of the Mission property. A resolution adopted by the 1929 State Conference stated that the Kansas DAR would have a part in the restoration of the old Shawnee Mission. By the end of 1930, the two rooms to be restored had been selected in the East Building. The restoration of these rooms was completed and the first pilgrimage held in September 1934. The Mission Centennial was celebrated in 1938. A map depicting the history of the Mission and two Wedgewood plates and a half pint pitcher commemorating the centennial were sold to raise money for the continued preservation. Over the years, the Constitution Day Pilgrimage featured many noted speakers on the Constitution of the United States. The Mission's designation as a National Historic Site coincided with the 1968 pilgrimage. As an United States Bicentennial project, the DAR rooms were completely renovated in the “Mission period” in 1973. Structural deterioration forced the closing of the buildings in 1980. The Kansas State Historical Society, wanting to restore the buildings to represent their original use, accessioned the DAR rooms and artifacts not retained by the State Society in 1981. After the Mission was reopened in 1985, the Kansas Daughters viewed their old rooms a last time; one was now a bookstore and souvenir shop.

El Cuartelejo – The history of El Cuartelejo (sometimes spelled “El Quartejejo”) predates the settlement of Europeans in Kansas. The Spanish name means “distant quarters.” According to various accounts, two Indian tribes from the Southwest fled onto the High Plains to escape Spanish rule in New Mexico. The first tribe of Taos Indians ventured into Kansas and settled with a band of the Plains Apaches about 1664. They became known as the Cuartelejo band of Apaches and lived in El Cuartelejo until 1696 when the Picuris joined them. All were “pueblo” dwellers and built El Cuartelejo to resemble dwellings in New Mexico, making it the northernmost pueblo ruins in North America. There is also evidence that the French, the first European settlers in Kansas, occupied El Cuartelejo in 1704 and used it as a trading post. Sometime after 1727, El Cuartelejo was abandoned when the refugee Indians returned to New Mexico. The site remained unoccupied and fell to ruin. It was not until 1899 that the ruins were investigated and the archeological excavations revealed stone walls of a pueblo, stone and bone tools, ornaments and pottery shards characteristic of Plains Apaches. Kansas Daughters first heard of the Indian Pueblo near Scott City in Western Kansas at the 1919 State Conference. The owners, H.L. and Eliza J. Steele, Scott County pioneers, knowing the historical significance of the site, wanted it preserved by the DAR. On September 18, 1922, the land where El Cuartelejo is located was deeded from the Steeles to the Daughters of the American Revolution in Kansas. Plans were made for marking the site and raising funds for its upkeep. The 1925 State Conference thanked the citizens of Scott City for helping with El Cuartelejo. The 12’ gray granite obelisk monument, engraved with the DAR insignia and EL QUARTELEJO, was placed on the grounds of the 60’ x 500’ track (see above photo). Four granite corner stones engraved with D.A.R. mark the property lines. A stone wall of native rock was placed around the marker by the citizens of Scott City. A 1958 agreement between the Kansas Daughters and the Scott County Historical Society granted a 5-year easement for the purpose of restoring and rebuilding in its original state, the ancient Indian adobe pueblo, erecting a fence and a road to and from, without expense to the DAR. In the

spring of 1964 the Department of Interior recommended the classification of El Cuartelejo as exceptional in commemorating and illustrating the history of the United States, making it eligible to be registered as a National Historic Landmark. On Columbus Day, 1964, a letter was sent to the National Park Service making formal application designating this historic property as a Registered National Historic Landmark. The formal dedication took place on October 25, 1964 with a gala pageant reviving the history of the site. In 1970, the Kansas Society granted a perpetual easement to the Kansas State Historical Society for the construction, improvement, operation and maintenance of the El Cuartelejo Pueblo, as long as the area is used, operated and maintained as a historical site. In 1971, the Kansas State Historical Society reconstructed the ruins of the pueblo and erected a wooden rail fence which surrounds the ruins. Interpretive signs were placed by the Kansas State Historical Society. The El Cuartelejo monument was relocated south and west of the ruins, facing north it is surrounded by cottonwoods. Over the years the reconstructed site fell to disrepair as state funds declined. In 2005, State Regent Sammy Cope took on the revitalization of the site, raising over \$20,000 towards an interpretive center. The Kansas State Historical Society, no longer able to provide support, with KSDAR approval turned over the maintenance of the area to the Kansas Department of Wildlife and Parks (KDWP) which operates Scott State Park. During negotiations to sign over the deed to KDWP, a survey of the site revealed that "El Cuartelejo" lay outside of the deeded area. Having been the faithful stewards for over 80 years of what was believed to be the El Cuartelejo ruins, KSDAR decided not to deed the area to KDWP until either an independent survey was done or the deed was amended to include El Cuartelejo and recognize KSDAR ownership. An archeological dig co-sponsored by the Kansas State Historical Society and the Kansas Anthropological Association in summer 2009 revealed artifacts throughout the 80-acre area. In an article on Scott State Park, the September-October 2009 issue of the KDWP magazine noted KSDAR ownership of El Cuartelejo when it was stated that the Steeles deeded El Cuartelejo to the Kansas Society Daughters of the American Revolution on September 18, 1922. The article also detailed the summer 2009 opening of the park office/interpretive center at the K96 entrance to the park.

EL CUARTELEJO – State Regent’s Project 2004-2007 - addendum

What has happened with El Cuartelejo since the Centennial History was completed by Pat Traffas and Shirley Coupal as we spiral ahead into the Second Century of DAR in the great state of Kansas. The story of the vital role in the history of Kansas is detailed not only in the above mentioned KSDAR History. A chronicle is also portrayed in the Kansas Heritage magazine (Spring 2006) and in the Kansas Wildlife and Parks (September, 2009). The site is listed on the National Register of Historic Places and also holds the rarefied status of a National Landmark.

In the fall of 2000 (Alice Walker, State Regent), the Kansas Daughters made a pilgrimage to visit the ruins and area of El Cuartelejo. Peggy Boggs, State Historian, gave a brief history of the area and its importance.

Sammy Cope, State Regent (2004-2007) announced her state project as some restoration on the El Cuartelejo property. Mr. Tom Witty, Jr., Kansas State Archeologist (retired) spoke at the 2005 State Conference banquet on "El Cuartelejo – Then and Now."

His presentation included excavations at the site and gave a glimpse into the needs for preservation of the past and the dream of future improvements.

Cope and State Historian, Jean Mowen (2004-05), traveled to Scott State Park and met representatives of the Park Service. They discussed the immediate needs for the ruins and site and plans for an interpretative center. This activity netted the Outstanding American Indian State Activity award at NSDAR.

Cope traveled the state during her tenure as State Regent and told the story of El Cuartelejo to establish awareness of its historic significance and to raise funds for the Project. Through the generosity of many buying dream catcher pins, donations, fund raising events, we collected almost \$25,000 for the project to use for the future of El Cuartelejo.

As meetings continued with the Kansas State Historical Society and the Kansas Department of Wildlife and Parks, it was decided that a survey should be made so any future building could be properly located. That's when we hit a major BOULDER, the survey using with modern surveying techniques showed that the ruins were not on the property that had been deeded to DAR.

A second survey was paid for out of the State Regent's Project fund. It did not resolve the problem. As history tells us, it was the intention of the Steeles to have the Kansas DAR protect and preserve the ruins. Our attorney wrote the governor and regarding amending the deed. Due to the political turmoil with the governor going to Washington and a new governor taking over this request has been tabled for the time being.

In March 2007, the State Conference passed a recommendation to transfer the El Cuartelejo pueblo property to the Kansas Department of Wildlife and Parks. This would allow an interpretative center to be built and also preserve the ruins with protective covenants. The Daughters realized that the care of such a facility was beyond their capability.

In the meantime many new improvements have been made in the park proper and the El Cuartelejo area and certainly more publicity has evolved.

Santa Fe Trail - For the Kansas Society, 1996 was a special year. We celebrated our Centennial, the 175th Anniversary of the Santa Fe Trail and the 90th Anniversary of our marking that Trail in Kansas. Interest was renewed in this great project, information about which can still be found in Mrs. T.A. Cordry's book *The Story of the Marking of the Santa Fe Trail*. In 1903, Fannie Geiger Thompson, State Regent, wanted to preserve a part of Kansas History, the fast fading vestiges of Kansas' first highway, the Santa Fe Trail. Mrs. Thompson died in office before her dream became reality. Her successor, Emma Hills Stanley, wife of Governor W.E. Stanley, carried on and completed the project in 1906-1907. Grace Meeker, State Recording Secretary, Zu Adams, State Registrar, and Isabelle Cone Harvey, State Vice Regent, made significant contributions to this effort. Using Sibley's 1825 survey map, recollections of Trail travelers and old settlers, Roy Marsh traced the Trail across Kansas for the DAR and the Kansas State Historical Society. In 1905, the Legislature appropriated \$1,000.00 to the Daughters for this project. Another \$584.00 was collected from school children on Trail Day - Kansas Day, 1906. Across the state,

children brought at least a penny to school that day to help mark the Santa Fe Trail. Due in part to the generosity of the Santa Fe Railroad and the overwhelming support of the County Commissioners or local friends in the involved counties, this money would eventually buy 89 red granite engraved stones and a cannon (at Fort Zarah in Barton County, which was melted down for ammunition during World War II). In addition six special Markers were purchased, some costing as much as \$300.00, by DAR Chapters and Old Settlers Associations. The initial plan was to place composite stones (a concrete mixture with embedded pebbles) with a bronze plaque in the counties through which the trail passed with stakes or posts marking the trail in between the markers. In the summer of 1906, Mrs. Stanley, contemplating her crumbling sun dial, wrote to Miss Meeker, the composite stone just would not do. She convened a meeting of the committee in Topeka to make the final stone selection. Mrs. Harvey, who had been working with Guilds in Topeka on a red granite memorial stone for Mrs. Thompson, solicited a quote from Guilds for as many markers as \$1500.00 could purchase. Guilds quoted \$16.00 each for end pieces or scrap red Osage granite from Oklahoma. Each would be hand engraved with "Santa Fe Trail marked by the State of Kansas and the Daughters of the American Revolution 1906.

The Topeka Chapter placed the marker honoring Fannie Geiger Thompson in September 1906 at Burlingame. It was not dedicated until the following year. The rest of the Markers were delivered though the fall of 1906 into the spring of 1907. The Johnson County markers were dedicated in the fall of 1906 as well as the Sterling Chapter and Rice County marker south of Lyons. The rest were delivered and/or set and dedicated in 1907. The last ones were set in Morton County in 1914. In 1915, Mrs. Cordry published her book, still considered the authority on where and why the Markers were placed. She numbered the Markers 1-96, starting in Overland Park and ending at Point of Rocks in Morton County. There are indications that some the Markers were engraved as to the order they were placed. No two Markers are alike; each has its own distinctive shape, hand carved from scrap rock and hand engraved. The wording may be the same but there are eight different arrangements. In 1996, the markers were re-surveyed, all but one was located. In commemoration of the 175th Anniversary, a new marker was placed on the Trail at the site of seven undisturbed swales, known as Ralph's Ruts in Rice County and dedicated in September 1996. The *Ninetieth Anniversary Survey of the Santa Fe Trail DAR Markers in Kansas* gives the complete location and condition of each marker. State Regent Shirley Coupal and the Kansas Daughter choose as the At Home on the Plains Administration project to restore the original 89 state markers and the four chapter markers. A Challenge Cost Share Grant was awarded by the National Park Service which was administrated by the Santa Fe Trail Association (SFTA). SFTA overwhelmingly supported the restoration of the stones, some of which had deteriorated to the point of not being able to be read. With the grant plus the Adopt-a-Stone fund raiser (for \$300 chapters, individuals, groups, and/or the interested public could adopt a marker), over \$40,000 was netted for the project. The restoration of the markers was celebrated in June 2010. Pictures, locations, and details of the project will be in a forth coming publication.

Pawnee Indian Village, Pike's Monument - On three occasions, the Kansas Daughters have gathered at the Pawnee Village in Republic County to remember Lieutenant Zebulon Montgomery Pike, explorer of the Louisiana Purchase. The unveiling of the monument placed by the State of Kansas to commemorate Pike's unfurling the United States Flag for the first time over Kansas soil was on September 30, 1901. Five years later the Centennial of Pike's visit was celebrated with four days of programs. On September 21, 1996, the site was rededicated as part of the KSDAR's Centennial celebration. It has been disputed as to whether Pike was in Kansas or Nebraska when he hoisted that American flag. What is known is that Elizabeth Agamonta Walsh Johnson spent over twenty years searching and researching for Pike's Pawnee village. In the spring of 1875, friends asked the Johnson's to go fishing in the Republic River. They came to a place with little embankments like those found around wigwams and streets laid out as in a city. Mrs. Johnson, deciding this was the Pawnee village, set out to prove her theory. Using Pike's journals to describe the earthworks and natural mounds and slopes, Mrs. Johnson convinced both the Kansas and Nebraska authorities that this was the site. Consequently, Nebraska relinquished the claim. On several occasions, Mrs. Johnson prevented the site from being plowed, finally, her husband told her to buy the property. After a discussion with the land agent in Belleville, she purchased the quarter for \$2,300.00. In January 1896 the Kansas Historical Society appointed a commission to investigate the identity of the village that Mrs. Johnson was preserving. After much study, a committee explored the Republican River and found no evidence of any other encampment to correspond with Pike's description. In view of all the facts, the Kansas State Historical Society reported their opinion that this was the site of the village of the Pawnee Republic at which Lt. Pike on behalf of the United States induced the Pawnee to replace the Spanish flag with the Flag of the United States. At the first State Conference in 1899 the Kansas Daughters discussed suitable places in the state to erect a memorial. One of the places suggested was the Pawnee Indian Village in Republic County. The next year, Mrs. Johnson presented a paper "Pawnee Republic" to the second State Conference. She told of her experiences in trying to have the historic spot preserved. She had given a deed in trust to the Kansas State Historical Society in 1899, on the condition that steps be taken to preserve this site and suitably mark it. The Kansas Daughters promptly appointed a state committee to draw up a bill for the Kansas Legislature to consider the purchase and marking of the site. On September 26, 1906, remarks made on behalf of the DAR stated that it was "eminently fitting that the Daughters of the American Revolution should assist in the first centennial celebration in Kansas, not only because we belong to a patriotic society, but because it was a woman who first conceived the idea of preserving this spot from oblivion, and whose untiring efforts created an interest which has resulted in the erection of a beautiful monument upon the site of the old Pawnee village and the assembling here today of so many patriotic Kansans." A beautiful day dawned on the Kansas prairie Saturday, September 21, 1996, providing a colorful back-drop for the rededication of the site of Pike's unfurling the United States Flag over Kansas for the first time. Remarks made that day noted the role the DAR played in preserving this site, reiterated the history and controversy over the site and emphasized the responsibility for preserving history and of finding meaning in the past. In the ensuing years it has been proven that Nebraska

had a better claim to Pike's Pawnee Village. However, it is of significant importance to note the fact that Kansas has an authentic Pawnee village site which, thanks to Mrs. Johnson and the Kansas Daughters, has never been disturbed by the plow. The same cannot be said of the Nebraska site, which was obliterated by plowing. Whether or not the Kansas village was visited by Pike, it is the only preserved Pawnee village on the Central Plains.

DAUGHTERS OF REVOLUTIONARY WAR PATRIOTS

The Kansas Society had the honor of having six Real Daughters among its ranks. A Real Daughter was a daughter of a Revolutionary War Soldier, who was a member of the Daughters of the American Revolution. The National Society honored these revered ladies with a silver spoon and a small pension. Kansas is also the final resting place for two other Real Daughters, who belonged to chapters in other states. There are at least six daughters of Revolutionary War Soldiers, who were not members of the Daughters of the American Revolution, who are buried in Kansas. The last relic pensioner of the Revolutionary War is also buried here. There are no known Revolutionary War Soldiers buried in Kansas.

Margaret Wright Brown: A member of the Topeka Chapter, her National number is 21492. She is the mother of Mrs. William A. Johnston, the third State Regent of Kansas. Her parents were William Wright (March 25, 1762, Culpeper Co., Virginia - October 27, 1841, Butler Co., Ohio) and Margaret Phillips. He served from Pennsylvania as a Private during the Revolution and was pensioned. Margaret was born April 13, 1803 in Jefferson, Green County, Pennsylvania. Margaret had the first cook stove and her husband had the first grocery store in Camden. She died on October 25, 1900 with burial in the Fairmount Cemetery, Camden, Preble County, Ohio. Her grave stone may be viewed at www.findagrave.com, under cemetery search. Her grave was marked on June 12, 1921 by John Reily and Commodore Preble Chapters, OH and Topeka Chapter, KS. There is an obituary for her in *The Topeka Daily Capital* – Friday, Oct. 26, 1900 p. 3, Col. 5: "Mrs. Margaret Brown died at noon yesterday at the home of her daughter, Mrs. W.A. Johnston, wife of the associate justice of the Supreme Court, at 700 Topeka Avenue. The deceased was 98 years old and had been feeble for a long time. She was born in Green County, Pa., April 13, 1803, and was the youngest of ten children and the mother of five. When she was quite young she moved to Ohio, and gave the town of Camden its name. In 1883 she came to Kansas to be with her children. Funeral services will be held at 2 o'clock this afternoon. The Rev. Mr. Countermine will have charge. The remains will be sent to Camden, Ohio for burial."

The Arthur Barrett Chapter has kept very busy since 1996. We rededicated the Sarah Handley Keyes Marker at Alcove Springs, near Blue Rapids, KS, and then celebrated the 70th Anniversary of the chapter's organization in 1998. We hosted the September 2000 Northeast District meeting. In the fall of 2003, the chapter held a blessing and dedication ceremony of an Otoe Indian Burial Ground, located NW of Beattie, Kansas. The burial ground lies on land which belongs to the family of long time chapter member Marjorie Musil. She arranged for the great grandson of Chief George Arkeketa to come from Oklahoma to perform the blessing and dedication. The chapter "Adopted-A-Stone" in support of Regent Shirley Coupal's Project, in 2008 after being flatly turned down by the National Society to restore and rededicate the Barrett Marker. The chapter has achieved a Level 1 ranking four times and a Level 2 ranking eight times for Chapter Achievement. They have received 100% Participation for President General's Project for every Administration.

Chapter members are very active in activities at the chapter, State and National level which include the dedication of four grave markers in conjunction with the 70th Anniversary celebration and a \$25,000 bequest to NSDAR Schools from long time member Elsie Borck. Susan Etelamaki designed the Kansas Junior Club Pin in 1997-98. Marjorie Musil received the Historic Preservation Medal in January 2005 for all the histories written for family, church, school districts, and the city of Beattie, KS. She has compiled over 125 histories and contributed two history books to the KSDAR Library. Margaret Huffman, 25 year + chapter member, has held committee chairmanships which include Conference Marshall, Conference Chairman and Flag of the United States of America. She has also been a State Officer twice, first as State Recording Secretary (2001-04) and State Chaplain (2007-2010). Susan Etelamaki has held state chairmanships which include Junior Membership, Junior Membership-Sales, American Heritage and Conservation and Flag of the United States of America.

Members encourage their daughters to participate in DAR functions at the State and National levels. Margaret Huffman's daughters, Amy, Julie, Nina, and Lisa, have paged at State Conference and Continental Congress for more than 20 years, collectively. Susan Etelamaki's daughters, Heather and Heidi, have paged at State Conferences for seven years, collectively. Heather Etelamaki received the KSDAR Scholarship at State Conference in 2006.

Chapter membership has steadily decrease from 46 in 1996 to an all time low of 18 from 2005-07. Currently, membership is 22, so we are climbing back up. We are looking for increases each year as our daughters are admitted. We also look for prospective members in the community.

The chapter members enjoy taking road trips for meetings to visit historic places around the area, or listen to the State Regents present programs about their Projects. We also take trips across the oceans with members who have gone out of the country on vacations, when they share the pictures and memorabilia they brought back in a program. Places we've visited include Russia, Ireland, and Australia, thanks to our members. Programs come from many sources including the Superintendent of Schools, the high school Art Club President, Oregon Trail Re-enactors, Vietnam Veterans, and even local history buffs that have ties to the Glenn Miller Orchestra.

The chapter has seen hard times through our history and we have overcome many obstacles. We look forward to the coming years with renewed energy each time a new application is accepted.

Atchison Chapter

Atchison

The Atchison Chapter has enjoyed a small, but active membership over the past decade. The Chapter welcomed several new members, including juniors, celebrated one member's 50-year anniversary and the Chapter's 100-year anniversary. Chapter members participated in many DAR activities and worked hard to support the society's purpose. Highlights of the chapter's activities and accomplishments include:

- The Chapter rededicated its Lewis and Clark marker in a formal ceremony at Independence Creek Park in Atchison as part of its 100-year anniversary celebration.
- Two Chapter members, Annie Mich and Kari Anderson, were named Kansas outstanding junior members.

- One member, Glenda Torkelson represented the Chapter as Kansas State Chaplain.
- Several members attended both state conferences and continental congress events throughout the years.
- Junior members paged at both state conferences and

continental congress events.

- The Chapter enjoyed field trips to historical sites including the National WWI Museum in Kansas City, MO.
- Chapter members shared many creative programs including a patriotic scavenger hunt around Atchison, a show-and-tell session of Chapter member's cherished family quilts and a tasty and educational overview of colonial foods.
- Chapter members spent countless hours supporting the ideals of the society by participating in volunteer work and patriotic activities.

1997 starts the beginning of a new century for the Betty Washington Chapter after celebrating the first 100 years with a Centennial Tea in the historic Eldridge Hotel in October 1996. The chapter maintained a collection of genealogy books in the Lawrence Public Library Osma Room and was available for consultations and to offer workshops to the community.

However, this was disbanded at the request of the library in 2006. Some books were donated to other libraries and some books were sold. The chapter has received a proclamation from the Mayor of Lawrence every year since 2002 in recognition of Constitution Week. In 2003, the chapter began participating with the naturalization ceremony at the Bob Dole Institute. Donating flags flown over the US Capital to a local organization, school, Boy Scout or Girl Scout troop has become an annual activity.

2004 was the Lawrence, Kansas, sesquicentennial with 150 years of history. The chapter presented a 31 star United States flag to the Murphy-Bromelsick House, one of the earliest homes in Lawrence now used as an educational museum. In 2006, the chapter presented a historically accurate flag to The Black Jack Battlefield Trust to be flown at the site now considered the first battle of the Civil War. In addition every year, ROTC medals are presented at the Navy and Army ceremonies on the campus of the University of Kansas.

Much attention has been given to the veterans at the Lawrence and Eudora nursing homes with special recognition during holidays and gift baskets filled with usable necessities, notepads, pens, shampoo, toothpaste, razors, crossword puzzle books, etc. In 2002, the Community Service Award was given to sculptor James E. Brothers, who made the sculptures for the D-Day National Memorial in Bedford, Virginia. Since the war with Iraq began in 2001, efforts to show appreciation for the active duty military has increased with sending of Christmas cards, knitting "Hats for Helmets," and the adoption of the USS San Jacinto.

In 2007, the chapter participated for the first time in the local Saint Patrick's Day Parade. The parade provided excellent public visibility as the effort to recruit new members is always present. Participation in the parade has continued and 2010 will mark the fourth year. The chapter continues to meet on the third Saturday of the month at 10 a.m. The programs presented at the meetings are varied from quilts, women's uniforms in the armed services, heirloom gardening, history of aprons, personal stories from a WWII POW Martin Jones, history of Christmas cards to field trips to visit all the Santa Fe Trail markers in Douglas County or climbing to the top of the Campanile Bell Tower on the KU campus.

A May luncheon is held to honor our award recipients for the year, 5th and 6th grade American History essay winners, Women in American History recipient, ROTC medal honorees, Chapter Outstanding Junior and DAR Good Citizen winners. A memorial service is held at the May luncheon if a member has been lost in the previous year. A summer picnic has been held on a Sunday afternoon in July for the last four years for members and families and has been well attended. The Betty Washington Chapter has been a Level I Chapter Achievement Award winner 10 times since 1997 and consistently for the last six years. In 2007, Shari Johnson received the Outstanding Participation in Lineage Research NSDAR Award. In 2009, Stacy Cope, was selected Outstanding Chapter Regent for the State of Kansas.

In 2007, a large banner which simply said “Thank You” was sent to the US Army Landstuhl Regional Medical Center in Germany which included greetings and well wishes not only from the chapter but from the entire community. The banner was taken to several community events to obtain signatures.

Captain Jesse Leavenworth Chapter
Karen Meredith, Regent

Leavenworth

Looking back over the past fourteen years has made us realize there are many dynamics that shape our chapter's history. It is not just about reports filed and awards received but the contributions of our members' time, talents, resources and guidance.

Several years of planning culminated in a one-day event celebrating the 100th year anniversary of the Captain Jesse Leavenworth Chapter. In keeping with DAR's objective of preserving history, a committee was formed in 2001 to review our past history and look at scrapbooks and memorabilia. Members spent hours sorting through material, eliminating duplicates, copying fragile newspaper articles on acid-free paper and organizing yearbooks and other valuable historical information. With the revival of scrapbooking, new resources were available to protect items that need to be saved. This past year the chapter has been concerned about control and storage. Scanning minutes and other reports may be a project in the future.

The past fourteen years have been rich and productive. The Captain Jesse Leavenworth

Chapter was proud to have our member, Ruth Keys Clark, serve at the national level in DAR as Vice President General, for the 1996 to 1999 term. Kim Bushman served as Chapter Regent during the same period. She was also selected as the Outstanding Junior for Kansas and represented Kansas and the chapter at Continental Congress. Our successes continued in 1996 with the honoring of Betty Harris as the South Central Division winner of the DAR Service for Veterans Patient Committee. Myrna Rice was selected as the Kansas Outstanding Teacher of American History. The winner of the KSDAR Scholarship for 1997 was Andrea Beth Cindric, granddaughter of Jean Cindric. During 1998, the chapter participated in the dedication of the Lewis and Clark Trail Marker on the banks of Fort Leavenworth. This was the State Regent's Project, and Kim Bushman, our chapter regent, chaired the committee. Betty Harris was recognized for 17 years of volunteer service to the Veterans Administration.

Alice Bushman was our regent from 1999 to 2001. In 2000 the Captain Jesse Leavenworth, Atchison, James Ross, and Wyandot chapters sponsored a British High Tea for the State Regent. Members participated in the Patriots Day Parade in McLouth, Kansas, for several years – one year decorating a car with the names of all the chapter members' Revolutionary War patriots. Joyce Peak, the art instructor at West Middle School, invited Chapter Regent Alice Bushman to share in the Veterans Day Observance by speaking at the school assembly. Our regent also helped construct a flag on the school entry wall with red, white, and blue stars which students, faculty and staff made in honor of relatives who had served their country. The chapter was pleased to sponsor the 2001 KSDAR Scholarship recipient, Leslie Clark, granddaughter of Ruth Keys Clark.

On September 14, 2002 chapter members traveled to Soldier, Kansas, to rededicate the grave marker for our Real Daughter Frances Bush Loveland. During Kathryn West's term as regent (2002-2003), books were donated in honor of Judge Arthur Stanley, father of three chapter members: Carolyn Lane, Connie Yunghans, and Susan Hoffman. Shirley Snare continued to promote the American History Essay Contest. The chapter received the National Achievement Award Level 2 in 2003 as well as awards for DAR Service to Veterans, Literacy Promotion, Flag of the USA, VIS Best Chapter Report and VIS New Chapter Website. Ruth Keys Clark received a national certificate for Outstanding Volunteer Field Genealogist. The chapter also received a commendation from Kentucky Governor Ernie Fletcher for our combined efforts of sorting, boxing and delivering 900 pounds of books to Hindman School in Kentucky. Several members attended the rededication of the Madonna of the Trail Marker, Council Grove, Kansas, in September 2003, and sponsored a Christmas party for the Leavenworth Veterans Administration. The 2003 South Central Division second place winner of the poster contest was seventh grader Jesse Eberth. We also had four members who served as state committee chairmen for the year.

Joyce Peak was the Chapter Regent for 2004 and 2005. During that time, the chapter participated in many activities including ongoing preparations for the 100th birthday celebration for the chapter, a Christmas party at the VA, a joint Christmas meeting with the Atchison Chapter, State Conference in Salina, Continental Congress, distribution of flag brochures at the naturalization ceremony, and the Veterans Day Parade. A donation of \$1,159.00 worth of food and gifts for patients at the VA nursing home was reported. Martha Hadfield revived the Leavenworth CAR chapter, acquiring four new members, two transfers and five members with applications pending. Patriot posters were sent to the USS John Stennis. The

chapter recycled 2,490 pounds of recyclables, donated two books to the NSDAR library, sponsored a JAC poster contest and made donations to JROTC. We continued to have four state committee chairmen. In 2004 the chapter was recognized for Best Chapter Website, Service to Veterans, and Literacy Challenge for placing reading displays in three public places. Ruth Keys Clark received honors as a Membership Promoter.

Captain Jesse Leavenworth Chapter members with State Regent Sammy Cope at the DAR Grave Marking for Ruth Keys Clark, Former Vice President General, NSDAR.

Karen Meredith was elected Chapter Regent in 2006 as our chapter turned 100 years old.

We celebrated September 30, 2006. In

the morning a ceremony was held to dedicate and place a

DAR marker on member Ruth Keys Clark's grave at Winchester, Kansas.

Mrs. Clark was a former Chapter Regent,

Honorary State Regent, and Past Vice President General. In the afternoon a celebratory reception was held at the Riverfront Community Center in Leavenworth, Kansas. A presentation was made to State Regent Sammy Cope in support of the State Regent's Project, El Cuartelejo. A commemorative tree was planted at David Brewer Park to mark the anniversary. Starting in 2006 our chapter began presenting a JROTC medal to an Outstanding Naval Sea Cadet Corps student. This is in addition to the JROTC medal presented to the Outstanding Army JROTC member at Leavenworth High School and Best Drill Cadet awards to ninth, tenth and eleventh grade students. The Leavenworth Chapter of the Children of the American Revolution was reactivated by CAR chairman, Martha Hadfield. Molly Hadfield, her daughter, served as State President, Children of the American Revolution in 2007/2008. The chapter remains active today, welcoming new members. *(photo above: back row – Shirley Snare, Connie Yunghans, Mary Ann Holter, Doris Walker, Ann Rogers, Kim Kincaid, Kathryn West. front row – Alice Bushman, Doris Brownson, Karen Meredith, Sammy Cope, Joyce Peak, Susan Spies)*

Member Susan Spies successfully attended the four-day genealogy workshop in Washington, D.C., to qualify as a Volunteer Field Genealogist. JAC chairman Joyce Peak announced that middle-school student Zach Prusik's poster was awarded second place at the national level. The chapter presented an American flag to the New Beginnings School and participated in the dedication ceremony along with the Leavenworth High School JROTC. Kathryn West was elected State Recording Secretary, Alice Bushman was elected NE District Assistant Director and junior member Jenae' Walker was awarded a KSDAR Scholarship. Joyce Peak donated Civil War letters to the Kansas DAR Library in our chapter's name. They consisted of two loose-leaf binders of letters from Henry Gale of the 11th Volunteers, Fort Leavenworth, Kansas.

Our chapter successfully nominated Sally Hatcher for the NSDAR Historic Preservation Award in 2008. She accepted the award at the State Conference. In support of the State Regent's Project, our chapter adopted two Santa Fe Trail DAR Markers for restoration. In addition, the chapter joined with the community in donating to the fund for a statue of Abraham Lincoln; and the

chapter was represented at the dedication and unveiling on the grounds of the Leavenworth City Hall. The chapter honored 50-year member Sarah McLeod on April 18, 2009 and presented her with a 50-year pin and certificate. *(Photo upper left: Karen Meredith, Kathryn West, Sally Hatcher, Shirley Coupal)*

Our chapter participates annually with the Atchison Chapter in activities involving veterans in the nursing and rehabilitation units at the Veterans Administration Center. With the Round Table Chapters we support the National Salute to Veterans Day at the VA in February and the summer cookout at the Leavenworth VA. This chapter routinely helps with one of the naturalization ceremonies in Kansas City, Kansas;

participates in our local Veterans Day parade; presents awards at the JROTC award ceremony at Leavenworth High School. We have member representation at Continental Congress and State Conferences. We have 100% participation in all President General's Projects and have purchased many books for the Kansas DAR Library and the library at National Headquarters. A copy of the American Spirit Magazine is donated to the Leavenworth Public Library and the high school library. We continue to support DAR schools monetarily and with Campbell's UPC codes. We support the active duty military members overseas through the Give Us Hope Initiative by providing basic school supplies and sponsorship to Iraqi and Afghan school children and by assisting military family members overseas with coupons they can use at their local facilities. We continue to look for ways to contribute, support and participate in our community, the nation and the world. *(photo above: Members of the Atchison and Captain Jesse Leavenworth chapters)*

1996-1997 – This has been a year of Preserving Tradition: Looking to the Future. State Library committee gave a hands-on genealogy workshop and "The Family Tree Maker" software for researched was used at another meeting. National Guard in the United States was a program topic with discussion on the progress of the armory to be built in Liberal. Member, Sammy Cope is the Southwest District Director, State Librarian, and on the National Speaker's staff. Ms. Cope attended the 106th Continental Congress. We gained four new members and placed grave markers for Organizing Regent, Mariana Harkins; as well as three other members.

1997-1998 – This year's theme has been "Treasure the Past, and Give Our Best to the Present and Future." Some of the program topics were: *That was a Happy Life, A Piute Woman Remembers, Preservation of Historical Memorabilia, Old Photographs, The Future of Liberal and Seward County.* We were represented at the Board of Management, Fall Tour, Southwest District Meeting, State Conference and Continental Congress. Sammy Cope continues on the state board as State Librarian, is Southwest District Director and is on the National Speaker's staff. We enjoyed a visit and program from State Regent Mrs. Vincent Traffas and State Historian, Shirley S. Coupal. At the George Washington Day Tea we honor essay winners and our Good Citizenship winner.

1998-1999 – This year's theme was "Read, Read, Read." In keeping with this theme, one outstanding program was presented by the Adult Basic Education Director of Seward County Community College who updated the group on the literacy challenges locally, statewide, and nationally. Other programs were on the *USS Oklahoma*, Southwest Medical Center and the Seimes Microfilm Library. We have been represented at the Board of Management, the Fall Tour, the Southwest District Meeting, State Conference and Continental Congress. Members Sammy Cope was KSDAR Corresponding Secretary and Reba Smothermon was Seimes Microfilm State Chairman. Our junior member, Stacy Cope, was page at Continental Congress. We lost three members by death. We have two new members accepted and one is pending.

1999-2000 – In July, the Cimarron River Valley Chapter invited Alice Walker, our State Regent, and Ruth Keys Clark, the Vice President General, both certified genealogists to speak at our workshop in Liberal. Mrs. Dallas Mayer, a Daughter from Guymon, Oklahoma, came in period costume as Martha Washington to tell us of George Washington's heroics during the French and Indian and Revolutionary Wars and of his miraculous escapes from death and injury during battle. Katie Scott, our 10th grade essay contest winner, took first place at State and we wish her best of luck in the remaining contests.

2000-2001 – The chapter continues to emphasize American history and patriotism in our monthly meetings and community activities. One of our past regents, Mrs. Sammy Cope, is currently KSDAR Corresponding Secretary. She attended Continental Congress, and her daughter, Stacy Cope acted as a page for the event. Sammy has been nominated for KSDAR Vice Regent. Six members attended State Conference in Topeka. The chapter hosted the first leg of the Fall Tour at the Southwest District Meeting in September. In February we honored our Junior American Citizens and our DAR Good Citizen and their families. Betsy Ross (Mrs. Pat Howard) visited us and told of her life and activities associated with the American Revolution. We have one new member and are working on the papers of seven ladies who are interested in joining our chapter.

2001-2002 – We have emphasized communication and recruitment. A newsletter has been sent monthly to our members and prospective members. The programs we scheduled have explored the roots of our heritage in America. Lola Caraway reported on her discovery that the ancestor they thought was a Tory was actually one of the Minute Men. At the President's Tea in February, we honored eight poster contest winners and their families. Mrs. Dallas Mayer modeled an authentic Colonial Period Dress she had made to honor one of her DAR ancestors. Our Good Citizen, Katy Scott, presented her winning essay via video and two young ladies from the High School Forensics Team shared their thoughts on "The Power of Words" and "Acceptance."

2002-2003 – Emphasizing communication and recruitment has paid off with five new members this year. Our monthly newsletter keeps everyone up on what's happening. In May everyone gathered at the Adams Ranch, home of chapter member, Judy Adams, to celebrate the "Old West." Members and guests came dressed in denim western wear. Our National Junior American Prize winner two years ago, Jasmine Mitchell, won locally in two categories this year. Our DAR Good Citizen, Zack Patterson, sang our National Anthem for us at our Annual George Washington Day Tea. Jasmine read her poem. Three young men from the Liberal High School Drama Class came to the Tea in authentic Quaker garb to present a fascinating three-state essay on the life of American Revolution contemporary, Thomas Paine.

2003-2004 – This chapter had significant participation in almost every committee. Our focus on membership paid off. We started out with 29 members and at years-end had a total of 44; an increase of 15 with 6 applications still pending. Members attended the Kansas State Conference, Continental Congress, Fall Tour, The Salt Lake City Genealogy Workshop, and the Kansas Madonna of the Trail rededication. One member, Kiki Dayton, attended the Colorado Madonna of the Trail rededication. Judy Adams, Kansas Chairman of Women's Issues received an award at Continental Congress for "Outstanding Work as a State Chairman." A Kansas Flag that had flown over the State Capitol was presented to the Liberal Memorial Library, and a U.S. Flag presented to Sammy Cope and Judy Adams by Congressman Jerry Moran, which had flown over the U.S. Capitol, was donated to the Seward County Community College. Many members continue to be involved in Services for Veterans, and one member, Bonnie Raff, has made a very significant contribution to the Literacy Challenge by her involvement in after hours tutoring.

2004-2005 – Cimarron River Valley Chapter gained eight new members, two are Juniors. One new member signed up for the "Genealogical Preservation" project and two new members attended Continental Congress last year. Many members drove up to Fort Dodge Soldiers Home for our October meeting and were so impressed with the facilities there; we decided to adopt eight of the veterans living at Fort Dodge who have little or no contact with family or friends. Of these eight veterans, one is a woman. We acknowledge these eight veterans on holidays and other special day with cards, gifts and items of need.

2005-2006 – The chapter has focused on membership again. We started out with twenty-nine members three years ago and today there are fifty-two members, with two more pending, and several more prospects working on applications. Three members attended a special reception at Continental Congress in 2005 for reaching the silver subscription level of 41 %. This year the chapter has already reached the next level at 65%. Our chapter continues to serve the needs of the veterans at Fort Dodge Soldiers Home. One member contacted a well-known journalist to write a story about Fort Dodge for local newspapers.

2006-2007 – This year we received twenty-nine State awards at State Conference in 2006. Bonnie Raff, our Literacy Challenge Committee Chairman received National recognition at Continental Congress for her involvement in "Reading by the Colors." Lola Caraway received National recognition for her work in lineage research and genealogy. This past year our chapter was recognized at a luncheon at Continental Congress for their participation in attaining the "Gold Level" in American Spirit Magazine subscription. We celebrated November as "Veterans' Month" by taking three carloads of clothing and comfort items to the Fort Dodge Soldiers Home. We adopted eighteen veterans over the holidays, providing them with their personal needs and gifts. For our October meeting, we traveled to Scott City; lunched at the historic Majestic Theatre and then Sammy Cope and the park ranger took us on the tour of the El Cuartelejo Ruins.

2007-2008 – Our chapter continues to have increasing membership at the forefront of their activities, with eight new members, one reinstatement and one transfer in for 2007. In July our chapter dedicated a historical marker in memory of pioneers of the Ohio Colony who settled on the banks of Crooked Creek in 1879, after a 1300-mile journey from Ohio. This year our chapter will receive the Gold Award in American Spirit Magazine subscriptions, reaching 67% in 2007. We are very proud of our Literacy Chairman, Bonnie Raff, for receiving a "Proclamation" from the mayor of the City of Liberal, proclaiming November 1, 2007 as "National Family Literacy Day." Bonnie also presented an American History packet in Braille to Adrian Espinoza to use while he is a Cottonwood Intermediate School. This chapter continues to focus on the needs of our veterans at the Fort Dodge Soldiers Home in Dodge City, Kansas. In 2007, we adopted eleven veterans who have virtually no relatives or friends on the outside. One of our members, Gayle Walker, is the activity director for the senior's home in Liberal. At Christmas, she and her

residents put together really interesting packages for each of our adopted veterans.

2008-2009 –

Cimarron River Valley Chapter welcomed five new members and one transfer in, making a total of 65 members. Our state regent's project is the restoration of the Santa Fe Trail DAR markers in Kansas. Our chapter is

proud to announce that we have adopted seven Santa Fe Trail markers in southwest Kansas for restoration. At KSDAR State Conference in 2008, we were fortunate to receive a total of twenty-three awards; the second highest number of awards for a chapter. For the past three years we have achieved the Gold Level, or over 61 % of members with "The American Spirit" magazine subscriptions. Our Lineage Research committee chairman, Lola Caraway, held three genealogy workshops in Liberal during the year, and completed eight new member applications. She is also completing 25 supplemental applications for our members.

A big thanks goes to our Chapter Regents during this time, Reba Smothermon, 1997-99; Lola Caraway, 1999- 2001; Virginia McNitt, 2001-2003; and especially Judy Adams, 2003-2009. Without their leadership and the work on the Master Questionnaire, Cimarron River Valley Chapter wouldn't have been a Level 1 Chapter most of this time.

Cofachique Chapter

Iola

Cofachique was the first town established in Allen County in 1855. The name was taken from early reports by Spanish explorers in the Southeast United States of an advanced tribe of Native Americans of that name.

The Chapter had a planning meeting in 1949, organizing in January 1950; the name of Cofachique was chosen. The town lasted only a few years. Iola became the county seat of Allen, located in southeastern Kansas.

The Chapter has continued and at the present time has 27 members. We lost our 100-year-old member in March 2009.

The Chapter has had a variety of programs. These include: The Revolutionary War, Remodeling of the Iola Library, Ancestor History of each member, Bleeding Kansas, Sacagawea, Saint Patrick's Day, Black History, Who are the Patriots, Quakers, President Taft, Hope Unlimited, Vegetarian Colony of Allen County, Columbus Day, American History, El Cuartelejo Pueblo, and a member told of her trip to France and about the Source of the Revolution.

In March 2004, in observance of Armed Forces Day, the Chapter retired the flags that had been collected from the community. The American legion, Boy Scouts, Iola Elks Club, Girl Scouts, and the Shrine group were united to participate or attend. On Memorial Day weekend the ashes of the flags were scattered on the veterans' graves in Highland Cemetery in Iola.

A flag was presented to Iola Library. The chapter has toured the museums in the surrounding towns and the Allen County Museum in Iola. We took a tour of Iola on "Molly the Trolley."

Constitution week is observed each year.

The Chapter was guests of Four Winds Chapter in Garnett in 2008. The State Regent told of her project "Santa Fe Trail Markers."

The Chapter has 21% of their members taking the magazine.

The Chapter has supported the State Regents' projects, which include El Cuartelejo Pueblo and Santa Fe Trail Markers.

Iola celebrated its Sesquicentennial in 2009. The Chapter had the honor of laying the wreath on the gravesite of Iola Colborn, an early day pioneer in Allen County and the woman the town was named after.

The National Defense and Indian reports are given at each meeting.

Iola has been the host for southeast district meetings the last six years.

The members continue to support local, state, and national governments. The Chapter contributes to the Dimes for Seimes and other groups including the school and Indian projects.

A new memory box was placed below the monument.

The anodized aluminum box which includes newspaper clippings of the August 10, 2007, event, along with letters from local, state and federal officials; history books; brochures, maps and post cards; DAR information; stamps and coins; the two-piece oxen shoe from the 1907 box, and many other items, is guaranteed for 200 years. The box is airtight and watertight.

2009

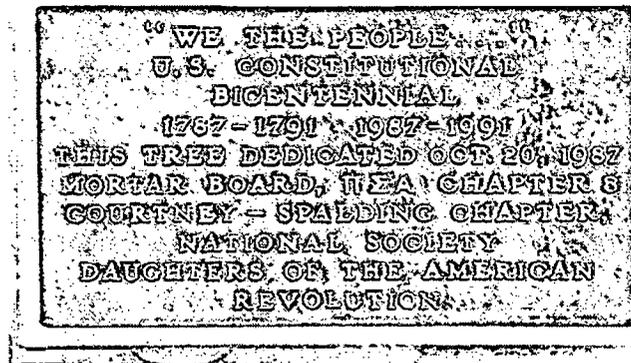

May - A Certificate of Recognition for 40 years membership in DAR was presented to Colleen Anderson by Council Oak Chapter.

September - A tree has been planted in the Madonna Park and a commemorative stone placed by that tree in memory of Clarice Kennedy.

In the KSDAR Centennial History, members of the Courtney-Spalding Chapter of the Daughters of the American Revolution were said to come from several nearby counties. Although chapters formed since then have taken care of some of those counties, Courtney-Spalding chapter members still come to meetings from other counties and members are spread out from Oregon to Delaware. Membership has grown from 19 charter members in 1926 to 39 current members. The chapter has two members who have belonged to DAR for over 50 years and five 90+ members as well as four junior members.

The tree and boxwood planted in cooperation with Fort Hays State University Mortar Board are gone but a new tree and nice flower bed surround the original stone post with brass marker commemorating the U.S.A. Bicentennial in 1987. This is in a prominent location in front of the Memorial Union on the FHSU campus.

Programs still are focused on American history, having been presented by a member of the American Volunteer Group called Flying Tigers, National Guardsmen who served in Iraq, a nurse who served in Africa and Italy during World War II, an impersonator acting the part of Abigail Adams, a Volga German portraying her immigrant ancestor, a pianist leading singing of patriotic songs, a World War II prisoner of war, an historian telling about the Santa Fe Trail, two programs dealing with Walker Air Force Base, home of B-29 Super Fortress during World War II. Being less than twenty miles from Hays, the Walker base had quite an impact on employment and the economy in Hays. A favorite program is to have members tell about their ancestors.

Good Citizenship awards have been given in all but one year since 1996. Community Service Awards were given to Marilyn Marshall in 2002 for her "Ask Marilyn" column in the local newspaper and her work with the Humane Society, to Pete Felten in 2005 for his artistry in preserving and sharing the history of Kansas and to Bob Barker in 2008 for his work with diabetic support groups and advocating for people with disabilities. A Korean War Veterans Medal was given to Dr. Irvin Mattick in 2002 on the 50th anniversary of the Korean War. Lynn Albers, the "Blue bag lady," was given a Conservation Medal in 2004 for her work with recycling in Hays. A Flag Award was given in 2005 to the Kiwanis Club for setting up flags in the community on designated patriotic holidays. Sue Boldra was given the KSDAR American History Award in 2005. In 2009 Helen Kraemer was given a Woman in American History Award.

Certificates were given to fifth grade winners of the Ben Franklin essay contest in connection with Ben Franklin Papers Day at FHSU. We feel honored to be able to recognize leaders in our community who exemplify the DAR goals of historic preservation, education and patriotism.

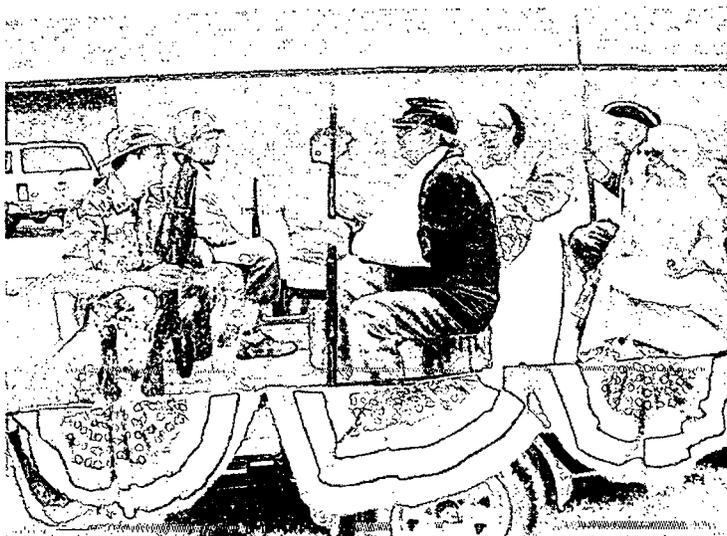

The Mayor of Hays has signed proclamations for Constitution Week and the chapter has served cookies and "tea" at the Boston Tea Party for the Fort Hays State University, Ben Franklin Papers Day, during Constitution Week. Many boxes have been sent to Iraq and Afghanistan for servicemen and servicewomen. Ninety dolls made with the help of the Girl Scouts were sent to Iraqi children and school supplies were given for "Help us learn ... Give us hope." The chapter still contributes to the DAR schools through a "weigh-in," although like everything else the price has gone up and members contribute more than a penny per pound now. Soup labels and Box Tops are sent to the schools also.

The chapter still thinks it is very important to tell the DAR story to the public, having had several floats in the Fourth of July Parade, a Korean War 50th anniversary display at a bank, a genealogy workshop open to the public, a public program honoring the gift of Alexander Hays' sword to Historic Fort Hays as well as publicity concerning the awards we have given.

The chapter second century goals are being fulfilled by increasing our membership, practicing conservation, giving Good Citizenship awards to further the education and historic values of our youth, and focusing on American History and the U.S. Flag, supporting patriotism in our nation and supporting our troops in Project Patriot. We plan to continue with these goals as KSDAR continues to progress through its second century.

Above: Community Service award recipient Bob Barker with Courtney-Spalding members Ruth Pruitt, Viola Kaempfe and Ruth Moriarity.

DAR-SAR July 4, 2009, float, "Honoring their American Spirit." Left to right: Dan Nease, Desert Storm soldier; Austin Schmeidler, WWVII soldier; Joyce Richardson, Rosie the Riveter - WWVII; Carrol Christian, Civil War soldier; Sherrie Smith, Civil War nurse; John McCabe, Revolutionary War soldier; Ruth Moriarity, Revolutionary War period lady.

Desire Tobey Sears Chapter NSDAR was organized on December 15, 1923 with 18 members and was certified on April 12, 1924, in Mankato, Kansas. Ona Snyder Drake was Organizing Regent and the chapter name honors Mrs. Drake's Revolutionary ancestor, Desire Tobey Sears.

Called "Desire, the Mother of Patriots" because she had five sons in the Revolution, Desire Tobey Sears was born in 1707 in Yarmouth, Massachusetts. On May 28, 1730, she married James Sears, a substantial farmer. They had ten children and sixty grandchildren. She died at Ridgefield, Connecticut, in 1781.

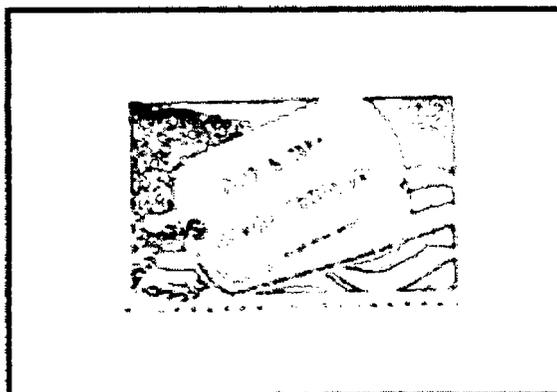

Desire Tobey Sears is described as "a comely woman of great charm and grace, who looked well to the ways of her household and was held in highest esteem by all who knew her."

April 18, 1931, Desire Tobey Sears Chapter sponsored the formation of the Sarah Steward Chapter, Smith Center, Kansas.

A treasure of the chapter is a gavel made from wood taken from the White House during the construction of 1812. This was a gift by chapter member, Mrs. Hayes B. White, whose husband was a U.S. Congressman from the 6th District of Kansas.

Vera Walker was honored in 2008 as a 50-year member. Previous honorees have been: Maurine Loades, 50-years; Barbara King, 50-years; and Mary Boyd, 60-years. We have honored birthdays and other commemorations with appropriate ads in the American Spirit.

The chapter is honored to have Desire Tobey Sears history on the KSDAR website and to tell the story on that website of our adopted POW/MIA, Colonel Robert Laurin Standerwick, Jr., who was a graduate of Mankato High School in 1948.

Pew cushions for the Kansas Chapel were presented to the National Society, at the Gift Ceremony held before the 117th Continental Congress, July 08, 2008, in memory of Peggy Spafford by her son, James Spafford, and his wife, Elaine Hobson Spafford. The cushions were a gift from her sons, David Spafford and James Spafford, and their families.

We are honored that our chapter has had diligent workers at the district and state level. In the year 2009-2010, Brenda Dooley is listed as State Registrar and a member of the State Finance Committee. Retha Blecha is State Chairman of the American History Committee. Others who have served at the state and district level are: Peggy Spafford and Faryl Lange. Chelsey Greene has served several times as a page for State Conference.

Chapter members have been busy participating and promoting the goals of DAR, and have volunteered many hours on local genealogy. We have abstracted death records, copied obituary & memorial folders for the library in Mankato and in Superior, Nebraska, sent Esbon, Otego, and Odessa historical books to the National DAR Library, completed marriage records for Republic County, have co-hosted Northwest District Meetings and supported State Regent projects as presented, collected soup labels and box tops for education, and volunteered many hours honoring veterans.

To honor veterans, we have donated lap quilts, cancelled stamps and used clothing to veterans' organizations, and with the help of a local Boy Scout troop and 4-H youth group, marked and placed flags on 89 graves in our area. Cards were signed by members of our chapter for "Operation Wounded" to be sent for wounded Iraq veterans. We received a Certificate of Award for "Best Support of KSDAR Korean War Veterans Honor Roll" from the Commemorative Events Committee, and "Excellence in Participating and Reporting" from the Flag of the USA Committee.

Our chapter participated in the George Washington Bicentennial by inviting the public to a viewing of a biography video "George Washington-Founding Father." We sent in honoree names for the World War II Book of Remembrance, participated in the rededication of the Fort Jewell Marker at Jewell & the Pawnee Marker at Republic, the rededication of the Madonna of the Trail Monument, participated in "Bells Across America," and supported the adoption of trail markers as presented at district meetings by State Regents.

We are honored that we have had winners at the local, state and national level of the Junior American Citizens contest. Area high school youth are invited to participate in the Good Citizens program each year. Sasha Roe was a KSDAR Good Citizenship winner and South Central Division Good Citizen Scholarship winner. Joelle Blecha and Marta Blecha have been state scholarship winners.

A Community Service Award was given to Jeri Shute and Erma Dillon for writing and publishing "Precious Jewels," a book researched and published about all Jewell County schools, churches, post offices, and cemeteries.

Kelly McNichols, Burr Oak, received a certificate from NSDAR for his work in organizing a Veteran's History Recording Project in cooperation with a White Rock High School Class during the 2005-2006 school year. He helped veterans from WWII obtain service medals which they did not receive over 60 years ago, and made a public presentation of those medals.

Programs have been varied, informative, and fun. We have enjoyed many good programs, including: "Ellis Island," "Underground Railroad," "Irish Roots," "Apron Ladies," "Portrayal of Deborah Samson," her costume was authentic down to her shoes that would fit either foot,

"Sister Survivors of European Communism," "Bells," "Quilts," "Using the DAR Website for Genealogy," "Bal-a-vis-x", which showed how important physical activity and hand/eye coordination is to reading and learning for our younger students. We have visited museums in Belleville, Scandia and Mankato. We are keeping up with the times, as we toured the technology/broadcast areas of Jewell High School and learned how to reproduce

a rose from an old rose hip.

Since its inception, the chapter has looked for ways to serve the community and the DAR in its objectives of Education, Historical Preservation and Patriotic Endeavor. Our main goal has been to gain new members in order to sustain our membership into the future. Chapter Registrar, Brenda Dooley, has been extremely dedicated to recruiting new members. She has used old member files and helped prospective members fill out the required papers. This we have gained 7 new members, making our membership total 46, and have a list of prospective members working to become members.

Dodge City

The Dodge City Chapter, NSDAR, organized in December 1925, celebrated its 84th year in 2009. From a small group of women meeting in their homes, the chapter now has sixty-two members, who promote patriotic, historic preservation and educational activities.

In September 1996 the Dodge City Chapter was host for the KSDAR Southwest District meeting. Guests were Patricia Traffas, State Regent, Jane Rehl, NSDAR Historian General, other state officers, and members of Southwest District chapters. With the theme being "Trails to a Second Century" Dodge City Chapter presented awards to the Boot Hill Museum, Ford County Historical Society, Inc, Dodge City Landmark Preservation Commission and the Ford County Commission. Bat Masterson appeared to present Dodge City deputy marshal badges to Mrs. Traffas and Mrs. Rehl. *(photo above – Norma Jane Daniels, Eleanor Hawes, Rowena White)*

The Dodge City Chapter continued work on the Commemorative Events Committee as Ford County, Kansas celebrated its 125th anniversary in 1997. One special event was the dedication of the Santa Fe Trail ruts west of Dodge City. Also that year one chapter member compiled a printed copy of the 1880 Ford County Federal Census and a copy was sent to the NSDAR Library for Genealogical Records credit. Norma Daniels gave a memorial tribute for Florence Risinger Smith, former state librarian, March 1998 at the KSDAR State Conference. Dixie Oringderff served as chapter regent.

Mary Ervin was chapter regent from 1998-1999. The Dodge City Chapter honored Anna Lew Johnson with a 50 year membership pin. In June the members celebrated Flag Day with a picnic at Fort Dodge with Stan Reed, Superintendent of the Kansas Soldiers Home, giving a history of Fort Dodge and a tour of his residence, the Custer House. Five members attended the KSDAR state conference in 1999. Several attended the induction of Alice Walker, State Regent, into the Kansas Teachers Hall of Fame here in Dodge City. The same day members went to the rededication of a Santa Fe Trail marker east of Fort Dodge that had been moved for highway construction.

Dodge City Chapter continued to care for the KSDAR library. KSDAR purchased in 2000 a Gateway computer with a Laser Jet Printer. Carol Evans, with the assistance of Norma Daniels, entered the library collection of more than 5100 accessions into a database so that KSDAR members could search online. Carol still works on this project in 2009.

Jacqueline Dunham served as chapter regent from 2000-2002 with the chapter receiving Chapter Achievement Level One 2001 and 2002. We honored Tri-Centurion, Imogene Nevins Holloway, on her 101st birthday and celebrated the 75th anniversary of the chapter. Delbert Mills and Jack Dunham, Korean War Veterans, shared their experiences in the military in a special program. In observance of Veterans Day, the chapter distributed 250 "You are loved" Label pins and Korean War 50th Anniversary pins to the Kansas Soldiers Home and area communities. Patricia Carpenter, State Regent, made her official visit to the chapter, April 13, 2002. Her program was "The History of Madonna of the Trail."

Norma Mills was Chapter Regent 2002-2004. The Chapter received Chapter Achievement Level One in 2003-2004. Special programs were Early Dodge City Churches by Nancy Trauer, Substitute Teaching by Dixie Oringderff, Santa Fe Depot by Linda Bethke, Amazing Details of George Washington's Dining Habits by Martha Muncy, and the Louisiana Purchase. At the November meeting the chapter presented Bill and Pat Mercado the South Central Division 1st place and NSDAR's 1st place award for Community Service "Stop the Violence in Dodge City."

In March 2004, Jacqueline Dunham was elected KSDAR Librarian for a three year term. During the next three years KSDAR members made memorial donations of over \$1,000 to the KSDAR Library. Kansas daughters sent 200 books to the NSDAR Library in Washington, DC.

Norma Jane Daniels began her first term as chapter regent in June 2004. She remained regent until June 2010. Other members serving as officers during this time were Mary Ervin, Sharilyn Merica, Eleanor Hawes, Rowena White, Catherine Johnson, Mary Watson and Anna Lew Johnson. Carol Evans began work on NSDAR's Descendants database; Norma Daniels continued indexing Kansas Genealogical Record volumes for NSDAR.

The chapter promoted history, patriotism and education with a variety of programs at regular meetings. Some of them were The New DAR Technology, American Heritage Family Heirlooms, Martha and Mary Ball Washington, DAR Schools, American Indians and "Amazing Grace," the story of Rear Admiral Grace Hopper.

Sammy Cope, State Regent, made her official visit in December 2005 as Dodge City Chapter celebrated its 80th anniversary. Martha Muncy, daughter of Juliet Pettyjohn Denious, organizing regent of the chapter in 1925, was an honored guest. Sammy shared with members information on her State Regent's project, El Cuartelejo in Scott County, Kansas. Judith Adams, Southwest District Director, visited the chapter in September 2005. Members had the opportunity to watch the video "Memorial Constitution Hall-100 Years of History."

Dodge City Chapter had an eventful year in 2007-2008. In December 2007 eleven members of the Brown family joined the chapter. Ten of the women were nieces of Eleanor Hawes, vice regent. One was her granddaughter, Courtney Hawes. Members of the chapter welcomed seven of the new members in April 2008 with a special "getting to know you" session.

Chapter programs in 2007-2008 were Boston Tea Party, Jamestown, Special Services for Seniors, Spearville Wind Farm, and Why I Am a DAR.

Jacqueline Woodson Dunham attended the 116th Continental Congress in July where she received the national award for DAR Services for Veterans in an Extended Area.

Dodge City Chapter had an interesting year in 2008-2009. Shirley Coupal, State Regent, made her official visit in November. Joining the local chapter were members from Byrd Prewitt, Cimarron River Valley and William Wilson Chapters. Other special guests were Sammy Cope,

Honorary State Regent; Judith Adams, State Historian; and Jacqueline Dunham, JAC State Chairman. The program was a power point presentation of the Santa Fe Trail Markers Restoration.

In April 2009, Jacqueline Dunham received a certificate from NSDAR "For outstanding accomplishments on behalf of the Junior American Citizens Committee." This first place award was in the category "Excellent JAC Promotion to State and Chapters." The Dodge City Chapter received first place for most inches of JAC Publicity.

Presley Merritt Wagoner, President General, Jacqueline Dunham and Debra Jamison

As the chapter enters the 2009-2010 year, the programs will be New Green House in Greensburg, Quilts Old and New, Our Military Ancestors and the NSDAR Museum.

Dodge City Chapter has always encouraged conservation. Members recycle, feed wildlife, plant gardens and trees, conserve water and enter land in the CRP program.

Kansas State Regent, Shirley Coupal, presents a certificate for outstanding accomplishments on behalf of the Junior American Citizens Committee to Jacqueline Dunham, JAC State Chairman

The Daughters of the American Revolution encourages the study of history through the American History essay contests. Seventh and eighth grade students of the Cathedral of Sacred Heart School research and write essays for the contest. Almost every year since 1997 one of the students has been a state winner. Shane Scott won first place when he was in the 7th grade. Later, as a high school student, he received a first place in the Christopher Columbus contest. Julia Hull and Dixie Oringderff served as chapter chairmen.

NSDAR reaches out to youth with Junior American Citizen contests. Jacqueline Dunham joined DAR in 1988. Eileen Leonard appointed her JAC chapter chairman. This was the beginning of exciting and interesting experiences for students of area schools who took part in the contests. Entries in the yearly contests could be posters, stamp designs, banners, photographic essays, poems, short stories and community service. The local chapter has won state and national awards in publicity with many students sending entries to the South Central Division and NSDAR for future judging. In March the chapter holds an Awards Program in Eisenhower Hall, Kansas Soldiers Home, Fort Dodge, Kansas for American History and JAC winners and their families. The students receive special recognition for their individual and group participation in the contests.

For many years the Dodge City Chapter has supported DAR Service for Veterans. Members have regularly made donations of time and material items to Kansas Soldiers Home at Fort

Dodge, Kansas and the Robert J Dole VAMC in Wichita.

Since 1959, the Dodge City Chapter has been the caretaker of the KSDAR Library. Local members have donated time, energy and money for this special responsibility. It has been an honor to support the Kansas Society DAR Library for fifty years.

The Dodge City Chapter has six members who have been Daughters of American Revolution for many years. They are Anna Lew Johnson, 61 years; Barbara Hall Maricle, 57 years; Jean Wagner Lemmons, 51 years; Sherron Skaggs McReynolds, 50 years; Mary Puckett Ervin, 48 years; and Martha Denious Muncy, 45 years.

The Dodge City Chapter has been an active group for the Kansas Society DAR since 1925. Members will continue to promote the mission of the National Society Daughters of the American Revolution for historic preservation, education and patriotism in future years.

Flores del Sol Chapter

Wichita

Ardith Ott

Flores del Sol continues to be an active group of women with diverse interests, skills and hobbies. The program subjects are varied. There was a tour of McConnell AFB, others on Flag Etiquette, History of Quilts, herb gardening, therapy dogs, therapy horses, Salem Witch Trials, Indian genealogy, Mardi Gras and many more. While living in New Orleans, member Mary Alice Fugett was Queen of Mardi Gras.

Regents since 1996 have been Mary Camacho, Ardith Ott, JoAnn Skelton and currently, Lucille Williams. Lucille was named Outstanding Chapter Regent for the Southwest District for 2008-2009. Mary Camacho has served as Membership Chairman, State Historian, State Registrar and chairman of the By-Laws Committee. Kathryn Compton has served as Kansas State Reporter, State Registrar, State Vice Regent, Kansas State Regent, three years as Vice President General, Vice Chairman of the National Defense Committee as well as serving on the State Bylaws committee. Leslie Odevseff was Kansas State Corresponding Secretary 1995 to 1998. Jo Ann Skelton has served as State Chairman of JAC, and is NSDAR VAVS Deputy Representative at Robert J. Dole VA Medical Center and is Kansas DAR Service for Veterans Co-Chairman. Cindy Sprenkle is Secretary Treasurer for the Southwest District. *(photo above: Kathryn Compton)*

The Chapter has paid the assessment for the President General's project in every

administration and qualified for Chapter Achievement.

In 2007 the chapter celebrated its fiftieth anniversary. Several State Officers and Regents from other chapters were in attendance. We continue to have genealogy workshops to assist our prospective members and anyone who needs help with their research. An outstanding chapter yearbook is done each year. A quarterly newsletter is sent to members which helps keep out of town members informed. A book is purchased for the DAR library in remembrance of members who have died. Our founding Regent, Lee Goff Trapp died in 2005.

Members continue to meet on the first Saturday of each month, October thru June. Our Membership Tea is in August or September, depending upon Labor Day. Other special occasions are the Christmas Luncheon and the Spring Luncheon in May. Our Awards Presentation is in February. We serve either a brunch or a luncheon to the recipients of the DAR awards and their guests.

Certificates for DAR Good Citizens (3), Community Service (2), and Conservation, Student Essay winners, Patriotism, Outstanding History Student, Outstanding History teacher and three ROTC medals have been given. At the 1998 Christmas luncheon, the highest award given by the society, The NSDAR Medal of Honor, was presented to retired Air Force Officer, Francis Farmer. State Regent, Alice Walker made the presentation.

Officers and several members attend the Fall Board of Management meeting. Generally there are at least eight officers and members attending the Kansas DAR State Conference which we find not only educational but also fun as we renew friendships with DAR members from

around Kansas. There have been one to three members who attend Continental Congress.

Members knit Hats for Heroes, purchase school supplies for children in Afghanistan, have delivered clothing and books to Bacone, supplied comfort items for hospitalized veterans, collect donuts from a local donut shop for the VA, collected and signed Christmas cards for Project Patriot, purchased, planted and tended flowers around the new gazebo at the Robert J. Dole VA Medical Center, where JoAnn Skelton and Mary Alice

Fugget, both veterans, continue to volunteer. They were asked to be greeters at the rededication of the Robert Dole VA Hospital and met both Bob Dole and his wife Elizabeth. *(photo above: Mary Alice Fugget and JoAnn Skelton)*

Flags which had flown over our nation's capital have been presented to schools, City buildings, libraries, and School Boards. There have been displays for Constitution week at the Haysville Community Library each year. Flores del Sol adopted a Santa Fe Trail marker in Rice County, at Cow Creek Crossing (Buffalo Bill's Well).

In 2001, member Betty Cattrell was named Citizen of the Year in Haysville, KS. On July 12, 2009 the new library in Haysville Kansas was dedicated. A bronze plaque was unveiled upon which there is a picture of Betty and the words "This Library is Dedicated With Love to 1977 Founding Member & Library Director Betty J. Cattrell." Betty has devoted many years to the Haysville Community Library and our members are extremely proud of her well deserved honor.

Our chapter will continue to strive for success in all our projects and set our goals high for the years to come.

Four Winds Chapter
Iona Sweers, Regent

Garnett

Membership remains about twenty through the years. We regret losing some, but just around the corner are those who are eager to find their Revolutionary War ancestor and contribute to the purposes of DAR membership.

In promoting the Literacy program, Four Winds encourages "reading" by our monetary and book donations to the Garnett Public Library. Several of our members volunteer to aid any State or Chapter DAR who will check local records, and/or personal genealogical libraries for Lineage Research. Regarding Genealogical Records and Research, at the time our local Presbyterian Church closed after 148 years, the earliest baptismal record book was found. One Four Winds member, also a member of that church, copied and indexed the record book and forwarded to various libraries.

We continue to support our military on duty currently, and veterans in the hospital. For our DAR Service to Veterans Project, we continue each year to donate and deliver clothing, personal items, games, stamps, books, magazines, "walker" bags, lap robes etc. to the VA Hospital in Topeka, KS. We also send canceled stamps to specified places for veterans to make greeting cards which they may sell. For our Project Patriot participation, members collect food and non-food coupons and forward to a military base in Germany for military families to use. Their PX will accept them up to 4 month "out-of-date." Certain members knit helmet liners for soldiers in Afghanistan and Korea. This project is very much appreciated by the soldiers.

Our "minute" reports at each meeting include "The Constitution," "American Indians," "National Defense," and occasionally "Women's Issues." An interesting program was on "Self Defense for Women." We have also had programs on "Identity Theft," "Machine Embroidery," "Women in the Revolutionary War," "Quilts," "Glassware," "Historical Places," "DAR Museum," and "DAR Library" video etc.

In July 2001 a DAR display was set up in the front lobby of the Garnett Public Library. The pictures and information showed the history of the Daughters of the American Revolution organization. An ancestor card for each local chapter member was included in the display.

Each June, Four Winds Chapter honors a local couple who fly the American Flag correctly, daily, through the year. They are presented a DAR Flag Certificate, and their photo with accompanying story is published in our two local newspapers. We are very fortunate to have our local newspapers accept our articles pertaining to meetings as well as photos of special events.

We continue to honor the winners of the American History Essay contest for grades 5, 6, 7, and 8, and the Good Citizen Contest for high school seniors. This year, 2010, is a special honor to a young man receiving the DAR "Good Citizen" award, and also being accepted into the Annapolis Naval Academy.

In 2008, Four Winds Chapter hosted State Regent Shirley Coupal. Four surrounding chapters were invited to attend. State Regent Coupal had a PowerPoint presentation on the refurbishing of the 89 Kansas Santa Fe Trail Markers which the KSDAR owns and maintains.

The Four Winds Chapter continues to promote the DAR goals of Education, Patriotism, and Historic Preservation with the motto of God, Home, and Country.

General Edward Hand Chapter

Ottawa

Elaine Oakleaf, Regent

General Edward Hand Chapter, NSDAR, was organized November 24, 1899. To observe the 100th anniversary of its organization, the chapter met on November 13, 1999, for a luncheon meeting. Guests included several KSDAR state officers and state chairmen, members of neighboring chapters, and General Edward Hand descendant Ransom Bennett and his wife Beverly. Along with chapter memorabilia on display was the mayor's proclamation which congratulated the chapter on 100 years of service to the community and which proclaimed November 24, the organizational anniversary, as General Edward Hand, Daughters of the American Revolution Day in Ottawa. Artifacts belonging to General Hand and currently owned

by the Bennett family were also on display, as well as, items of correspondence to General Hand from George Washington and John Adams. At each place was a program that included the chapter's history.

Featured speakers for the program were the Bennett's, who provided history of the Hand family, and State Regent Alice Walker, who gave a brief history of the beginnings of NSDAR, KSDAR, and highlights of the chapter's history. She noted that over the years the chapter has at one time or another represented every state office except that of State Librarian.

In addition to this event, to celebrate the chapter's centennial, three books produced by the Franklin County Genealogical Society were contributed to NSDAR Library on behalf of both organizations, and the cassette with accompanying book "Take Your Hat Off" was contributed to Ottawa Library's children department.

The chapter is proud of the fact that member Terressa Jane Emmons Hoyt was a Real Daughter. After nearly 100 years, the stone marked with a Real Daughter marker was sadly sinking from view at her grave site. The members determined that the stone should be raised and placed on a base which would display the marker in an appropriate manner for a Real Daughter. State Regent Shirley Coupal joined the chapter for the rededication ceremony in October 2009. It was a memorable event, in spite of, the cold weather and wind.

In recent years, the chapter has enjoyed the leadership of four regents: Emily Kirkpatrick, 1994-1998; Pat McFarland, 1998-2002; Betty Wittmeyer, 2002-2004, and Elaine Oakleaf, 2004-2010. During that time the chapter has continued to award certificates and pins to Good Citizens and American History students. The Chapter Scholarship presented to the Chapter DAR Good Citizen winner has been increased to \$300.00. A high-light of each spring is the awarding of an Air Force ROTC medal to an outstanding University of Kansas student enrolled in the ROTC program.

At the February, 2009 meeting of General Edward Hand Chapter, Daughter of the American Revolution, members were encouraged to bring 200 Lincoln pennies (or more) to commemorate the 200th birthday of Abraham Lincoln. Residents of Sunflower Plaza were invited to join the chapter for the luncheon meeting and to also donate Lincoln pennies. When the pennies were counted, a total of 6,394 weighing over 45 pounds had been collected for this Chapter activity.

On Friday morning, February 27, Chapter Regent Elaine Oakleaf, Vice Regent Emily Kirkpatrick, Historian Dee Ellen Kruzal, and Literacy Chairman Pat McFarland visited Lincoln Elementary School to present the check in the amount of \$63.94 to Lincoln School Librarian Nancy Fischer for the purchase of books which features historical themes. One third grade student who weighed approximately 45 pounds became a visual representation of the amount of pennies collected for this project. Mrs. Oakleaf also donated two children's books—"Lincoln and (Fredrick) Douglas," and "Lincoln and His Boys" to the library. They, too, were received by Miss Fischer.

Members have generously donated money, comfort items, and hygiene products to the veterans. The State Regent's Project: Adopt-A-Stone was accepted and a field trip is planned to view the Santa Fe Trail marker adopted by the chapter. A junior member, was showered with numerous items that she could take with her on her second Tour of Duty to Iraq. Collections have included puzzles to be sent to Iraq, signed cards and "boxer" shorts for wounded veterans,

box tops and UIC labels for DAR Schools, and Lincoln pennies. The dollar amount of the total pennies collected was presented to the Lincoln Elementary School Library in Ottawa, along with children's books about Abraham Lincoln. Numerous books featuring American Indians have been donated to the Bert Nash School for boys, Atchison Juvenile Detention Center. Over 150 books have been donated through Literacy Promotion for preschool children.

The DAR Service to Veterans award was presented to Emily Kirkpatrick for her outstanding work with Veterans from WWII. Junior member Cara Polsley was recognized for winning the Primary in the election for State Representative District 5. Junior member Nikki Brown was noted for her service to the nation through a second tour of duty to Iraq. Chapter members are enthusiastic about the numerous projects promoted through DAR committees. Each year the Certificates of Award presented at State Conference have increased in number; however, the membership has declined to 48. A new chapter goal is to see the chapter membership return to the number 86 at the time of the printing of The Centennial History 1896-1996. *(Left to Right: Dee Ellen Kruzel, Pat McFarland, Elaine Oakleaf, Emily Kirkpatrick present a check to Lincoln Elementary School Librarian, Nancy Fischer)*

A certificate of Appreciation for Outstanding Observation of Constitution week was awarded to the chapter. Isabella Weldin chapter donated books to the Wichita "Tons of Books" sale for Literacy.

March 2001, Kay Walker, second grade teacher in Rose Hill, received the Thatcher Award at State Conference, because her class had received National Awards for four consecutive years.

From 2001 to 2004 Corrine Afton was again our Regent.

During this time there were 88 entries from 3 schools in the JAC Contest, with Rose Hill Elementary second grade placing first in state for its group entry. We attained 100% participation in the President General's Project, and received recognition for chapter observation of the Anniversary of the Korean War. One hundred seventy-four and three quarter inches of publicity for chapter events was received. The South Central Division presented a certificate to the chapter for "Outstanding Work in Honoring Korean War Veterans"-Honorable Mention. The chapter gave a Community Service Award to Gary Agard, a third generation citizen of Augusta, KS. In 2002-03 we gained six new members, five from the same family. They consisted of three sisters and two of their daughters. Gifts and comfort items were sent to Fort Dodge Soldier's Home, with a value of \$990 and \$50 for canteen books was sent to the Dole Veteran's Administration.

2003-04 saw our chapter increase by five new members, again primarily a family group, including a mother, two of her daughters, and one granddaughter. We won an award from the South Central Division for the Largest Membership Increase by Size and Division. We awarded a 50 year membership certificate to Hazel Haynes and a 25 year membership certificate to Virginia Belt. Our chapter donated \$1,473 to the Fort Dodge Soldier's Home and \$50 in canteen books to the Dole VA Hospital.

Virginia Belt was Chapter Regent from 2004-2007. Our chapter gained two new members in 2004. We continued sponsoring school children in the JAC contest. Three members, Corrine Afton, Virginia Belt, and Betty Roy, were busy indexing Kansas GRC books for the President General's Project. For this, the chapter received a certificate for "Outstanding Service to the DAR Genealogy Preservation Projects." Chapter members signed and sent Christmas cards to the USS John C. Stennis. We continued donations to the Robert J. Dole Medical Center and the Soldier's Home in Fort Dodge. During 2005-6 chapter members sent Christmas cards to Landstuhl Regional Medical Center. We presented twenty-five gift baskets to the women veterans of Butler County and the vicinity at our Women Veteran's reception. Corrine Afton was recognized for Outstanding Service to the Descendants Project. Corrine Afton, Virginia Belt, and Annette Scheaffer participated in the GRC Indexing program. We had two schools and twenty-eight students participate in the JAC poster contest, and had forty-four newspaper articles and eight pictures of our projects published. Our chapter achieved 100% participation in the President General's Project in 2007. We received an award for Outstanding Participation in the Descendant's Project, and had 111 JAC contest entries from seven classrooms. One of the students we sponsored from Cottonwood Elementary in Andover, KS won first place at National. We gave 2760 volunteer hours in veteran's programs, \$6980 in non-cash items donated to Veterans Homes-including 40 hand-crocheted lap robes. Pledge of Allegiance bookmarks and the Story of the Pledge of Allegiance were given to area students. One of our Junior members was a page at State Conference.

Karen Scheaffer became our Regent for 2007-10. We gained two new members-both Juniors. We were thrilled when one of our Juniors, Annette Scheaffer, was selected State Outstanding Junior for 2008. She attended Continental Congress in Washington D.C. along with Jamie Barton, another chapter Junior, and our regent. Both Juniors served as Pages at Continental Congress. We gained five new members in 2008, and lost one, Alyce Riggs, by death. The Chapter gave a Community Service Award to Nancy Boerup, Director of the Augusta Community Caring Center. We had seventy-four JAC entries this year, with thirteen sent to state, and two going on to win first place at National. Chapter members acquired nine new pins in 2007, and fourteen pins or insignia in 2008.

Our members gave 2,487 hours of service and \$6,625 of non-cash contributions to Veterans Programs. One member spent thirty-six hours reading with first grade students. Three of our members are state chairmen of committees: Karen Scheaffer, Community Service Award; Annette Scheaffer, Junior Sales; and Jamie Barton, Junior Shop. State Regent Shirley Coupal surprised everyone at State Conference by announcing a new award. Karen Scheaffer was selected Outstanding Chapter Regent for the South East District (2008 and 2009), then 2008 Outstanding Chapter Regent for the State. We were saddened by the deaths of two members, Hazel Eldringhoff, and Sue Lemasters, who was our JAC Chairman. We celebrated the 94th birthday of our oldest member, Zina Wright, and presented a 25-year membership certificate to her daughter, Suzanne Mathes in 2009. We are assisting deploying national guard troops from the Augusta area with helmet hats "Hats for Heroes," comfort items, crocheted slipper-socks, and many other needed items. Our fifth annual reception to honor Women Veterans was attended by State Regent, Shirley Coupal. We continue to be very busy and active within the community, and are actively seeking new members to join our ranks.

Pictured below on the left is 2008 Outstanding Junior, Annette Scheaffer, and on the right 2008 Outstanding Chapter Regent, Karen Scheaffer.

James Ross Chapter

Shawnee

Anne Edmondson Barbour, Regent

Originally a Kansas City, Kansas, chapter, James Ross officially became a Shawnee Chapter after National Board in October 1996. The reason for the change of location was that the majority of chapter members were living in Johnson County.

The chapter continues to host receptions for New Citizens and their families after Naturalization ceremonies at the Federal Courthouse in Kansas City Kansas. They also give flag codes to the new citizens. This was a service started by a James Ross Member and after her death, James Ross chapter member Lois Hooper continued to serve as Coordinator for Johnson and Wyandotte County chapters until she moved to another state.

The chapter hosts Bingo parties for the patients at Dwight D Eisenhower VA Medical Center in Leavenworth and collects comfort and toiletry items, magazines etc. for them. Members have donated several coats throughout the years. Continuing this tradition of service for our veterans and current service people, gifts are collected and sent through the DAR Project Patriot Committee and some members are knitting Hats for Heroes.

Every two years James Ross chapter is able to provide Scholarship Funds to Johnson County Community College with the interest from a fund established by Aura Prince who was an early member of the chapter.

(photo at left: Anne Barbour presents scholarship check to Dr. Joseph Sopcich of the Johnson County Community College Foundation Office.)

A chapter newsletter was started in 2007 opening another way to keep in contact with all of our chapter members even those in other states.

The chapter's DAR Good Citizen winner in 2008 also was the State and Division winner. Also that year, one of our Junior Members, Amanda Patterson won the State DAR Scholarship. In 2009 the chapter had its first Outstanding Chapter Junior – Merritt Hitchcock, who served as a chapter chairman and also served as Page at State Conference.

Since 1997, two of our members, Anne Barbour and Barb Weed, served as President of the Johnson/Wyandotte Round Table which later became Johnson/Wyandotte/Leavenworth Round Table.

Anne was the Round Table American History Coordinator for several years. She also served as Northeast District Assistant Director and Director from 1999-2004. She held the office of State Organizing Secretary 2004-2007 and State Vice Regent 2008-2010. She has served as chairman of several State DAR committees: American History 1998-2001; DAR Project Patriot 2002-2004; and DAR Genealogy Preservation 2007-2010. She was part of the DAR Speakers Staff 2001-2004. She also supports DAR nationally, volunteering for several projects through the years using her computer at home.

In addition to her service as President of the Round Table, Barb Weed has been chairman of a State DAR committee, Genealogical Records Indexing. She too has worked several of the national projects.

Other members who have volunteered for National DAR Projects are Liz Goslin, Bonnie Hitchcock, Marla Ainsworth, Debra Clarke and Patricia Burton.

(photo at right: James Ross Centennial, June 14, 2009. Liz Goslin, Barbara Weed, Anne Barbour)

James Ross celebrated its Centennial on Flag Day, June 14, 2009. The SAR Color Guard and its Town Crier opened the official proceedings. Several

special guests attended including a Past Chapter Regent, Jean Beauchamp, who served 1986-1989.

Being named for Pvt. James Ross "of the Betsy Ross family" Betsy was chosen as the decorating theme for the day. She graced the tables in various forms from antique plates to perfume bottles. The "Betsy Ross" flag was also utilized in table centerpieces and a copy of the chapter's original charter was prominently displayed on a Victorian tripod easel. Several members chose to dress in period attire – from Colonial times to the 1909/1910 era of the chapter's beginning.

James Ross Chapter Members are enthusiastic supporters of Daughters of the American Revolution and the objects of the Society. They look forward to continuing to perpetuate the memory and spirit of the men and women who achieved the American Independence which we all enjoy through service in the chapter, the Kansas State Society and National Society Daughters of the American Revolution.

Jane Dean Coffey Chapter

Coffeyville

Mary E. Taylor, Historian/Librarian
Irene E. Crandell, Recording Secretary

At the present time in 2010, we have 37 members. Two of those are associate members, and two are junior members.

Officers are: Regent, Polly Merchant; Vice-Regent, Diane George; Chaplain, LaVae Ferguson; Recording Secretary, Irene Crandell; Treasurer, Melissa Wilmoth; Corresponding Secretary, Kathy Fischer; Registrar, Marilyn Totten; Historian/Librarian, Mary E. Taylor.

We have a luncheon meeting each month, September through May, with an average of 16 present.

In 2008, The Jane Dean Coffey Chapter and the Esther Lowrey Chapter in Independence, went together to pay for a Santa Fe Trail DAR Marker to be restored.

Each year we collect items and donate \$50 to the Colmery-O'Neil VA Medical Center in Topeka. Our Service for Veterans chairpersons, Mary E. Taylor and Kathy Fischer take the items donated to Topeka in December.

In 2008, Diane George attended the Continental Congress in Washington, D.C. In 2009, Diane George and Frances Welsh went to Continental Congress from our chapter.

Our November, 2009 luncheon meeting was held in the Brown Mansion, one of America's treasures, located in Coffeyville, Kansas. Our chapter donated \$50 toward their Restoration Project.

Pam Jones shared her "Brown Mansion Journals" at a meeting. Pam was personally acquainted with Violet Kohler, daughter of the V.P. Brown's, and as a young girl, kept a journal of her visits there.

An article about Frank Bellamy was shared at a meeting. Our Pledge of Allegiance was written by Frank Bellamy, from Cherryvale, Kansas. As a high school student, he wrote an essay and his teacher entered it in a National Contest which was promoted by President Benjamin Harrison to create a National Pledge to honor the 400th anniversary of the discovery of America by Christopher Columbus. Our Jane Dean Coffey Chapter is in the process of getting a grave

marker for Frank Bellamy, who is buried in Cherryvale, Kansas in an unmarked grave in his family plot.

Betty Neville is chairman of our project of sending coupons to our service men and women. Coupons are collected at each meeting.

Betty Moore is chairman of DAR Schools in our chapter, and collects labels. Hundreds of these labels are sent each year along with a donation, sometimes, \$100.

Certificates for Membership Service were presented in 2006, to Rita White, 40 years; Marilyn Totten, 25 years; Rowene McClure, 25 years; and Betty Moore, 25 years. Kathy Fischer and Georgia Baker were presented with 25-year certificates in 2008. Louise Neville and Betty Neville were presented with 25-year certificates in 2009.

DAR Members were encouraged to write the story of their lives, when member Irene Crandell presented her book, "Growing up on a Kansas Farm" to the group.

Some local young men, Richard George and Kelly Stewart, presented a program dressed as members of the American Colonial Militia in the Revolutionary War. They showed samples of the provisions a soldier would carry with them in the 1700's.

Each year, DAR is responsible for displays at several locations in Coffeyville to bring awareness of Constitution Week.

A high school student is awarded the DAR Good Citizen Award each year, and reads their winning essay at a meeting.

In 2003, the Community Service Award was presented to Kathy Fischer for her work in the community and her participation in the "Relay of Life."

In 2004, our chapter was given a State award for the Flag of the USA – Excellence in Participating and Reporting. Two members, Earlene Stokesberry and Irene Crandell slowly folded the flag while another read the meaning of each fold. Betty Garrett was our Flag Chairman. We have interesting and informative programs, and are continually working to gain new members.

In 2009, Daughters of the John Haupt Chapter host a reception for former Chapter member, President General Linda Gist Calvin.

The John Haupt Chapter was organized in Topeka, Kansas with 34 members. The Organizing Regent was Louise Haupt Plyley. The chapter was named after her ancestor John Haupt, who was a Sergeant in Captain Adam's company in Pennsylvania during the American Revolution. There were fifty-four charter members. On our 60th Anniversary date, December 6, 2009, three of our charter members still belonged to the John Haupt Chapter: Elizabeth Abels Hazlett, Virginia Henney Fox Swenson, and Mary Blakely Voigt.

From 1997 until today, the Chapter has consistently supported the mission of the Society including education, patriotism, and historic preservation.

Education

We worked hard to collect art materials, school supplies, clothing, soup labels, and Box Tops for DAR Schools, the Chemawa Indian School, and Bacone College. Our chapter earned the highest award in the state for our support of DAR Schools in 2009. That year, one of our projects was a pajama party where members had fun donating pajamas, slippers, and stuffed animals for the children.

In 2008, our chapter started assisting with Washburn University's History Day program by providing refreshments for the judge's room. Several of the Washburn history professors have spoken at our meetings. Some of the middle school and high school winners have performed at our meetings.

Through the years, our members donated hundreds of books to area schools, organizations, and libraries. Many members volunteered in schools. Every year our chapter adopted a book-of-the-year to read and review such as *Ladies of Liberty: The Women Who Shaped Our Country*, *Our First Revolution*, and *The River Where America Began*.

Patriotism

We have always been proud of our soldiers and veterans, and we honored their sacrifice in many ways including mailing letters and packages to soldiers. In 2007, we donated personal care items, tools, books, stamps, snacks, and clothing and sent hundreds of dollars worth of goods to soldiers in Iraq.

Our Voluntary Service Program to Topeka's Colmery-O'Neil Veterans Hospital has a long tradition of excellent support from the John Haupt Chapter. In 2009, our Chapter was again recognized with an Outstanding Service Award.

From 1997 until today our Chapter helped at area naturalization ceremonies, and we annually awarded a J.R.O.T.C. medal at Highland Park High School.

Historic Preservation

The John Haupt Chapter continues to support Topeka landmarks with our donations including The Ward-Meade Home where a DAR historic marker, given by the John Haupt Chapter, honors the first sermon preached in Topeka.

More donations were given to the John and Mary Jane Shelledy Ritchie House. John and Mary Jane moved to Topeka, Kansas Territory in 1855. They lived in Topeka their entire lives. Mary Jane worked as an abolitionist, suffragist, real estate investor, and philanthropist. John was a leading member of the Topeka community. He operated a branch of the Underground Railway, and he later secured a school for slave children and the campus for Washburn University.

In 2001, several Chapter members met at the State House in room 315 (the Old Supreme Court room) for a hearing where the Chapter supported naming the new Kansas state office building after Vice-President Charles Curtis. The motion passed. In 2002, funds were donated for the upkeep of the Curtis grave at Topeka Cemetery. Members attended the re-dedication of the gravesite and flagpole that year.

Our Chapter sponsored a Santa Fe Trail marker for the State Regent's project on Pawnee Rock in Barton County in 2009. In 1912, the Daughters placed a bronze tablet on the east face of Pawnee Rock to commemorate all travelers who stopped to use the Rock as a lookout point. The Rock had been used from earliest times by Indian tribes. A battle fought and won by the Pawnee gave the Rock its name. Later, the Rock was to be quarried away, but the Daughters, the state, and other community groups raised the money to preserve Pawnee Rock. The south face of the Monument honors the Daughters for helping to preserve the remains of Pawnee Rock.

Our Chapter loves to get out into the community! Every year we get out and tour area museums, homes, and businesses including the Woodward Home and Sunflower House, 1995; the Governor's Mansion, 2000; Ward-Meade Home, 2002; an Olathe marble factory, the National Guard Museum, and the Charles Curtis Home, 2003; Great Overland Station, 2004; Reinisch Rose Garden at Gage Park and the Brown vs. Board of Education, 2006; Wamego and The Menninger Archives at the Center for Historical Research Library and Archives, 2007; Hazel Hill Chocolate Company, 2008, The Ritchie House, 2009, and the Family History Center, 2010.

We entered the digital age with the debut of our Chapter's website in 1998. We are now taking digital photos and using Photoshop, PowerPoint, and other computer software. Most DAR forms are on the internet, and e-mail is the easiest way to keep in touch with each other. Check out our website at: <http://kansasdar.org/johnhaupt>.

We had three new members since 1996, Esther Windholz, October 10, 1996, Maurine Fritzler, December 7, 1996, and our newest member was received into our Chapter on April 21, 2007. She is Margery Jean Russell Frusher, descendant of Revolutionary ancestor Christian Franz. We have papers pending on Holly Schkoda, daughter of Treasurer, Joyce Hunter. Mary Frisch is helping us prepare other papers for submission.

We recently lost five members to death, Barbara Grass (a charter member), Mary Dennis, Joan Buster, Maurine Fritzler (secretary) and Lucille Lamer (historian). It is vital for us to pursue new members. It is difficult to fill the officer positions as many of our members live away from the area.

We rotate our meeting between several cities in the area, LaCrosse, Hays, McCracken and Ness City in order to accommodate our older members.

In 2001 members were instrumental in opening the Jail/Museum in McCracken. The 1901 Post Rock Jail was restored. The original iron jail cells are housed in the building. The

permanent collection includes memorabilia from the past and genealogies of area residents.

In 2005 we met at The Mustang restaurant in McCracken. Francis Zeller, international square dance caller provided the program for members and guests. *(pictured are Margery Frusher, Dixie Strecker and Maurine Fritzler)*

In September 2006 Susan Keith was elected secretary/treasurer of the Northwest District of the Kansas Daughters at their

Fall Conference.

In 2007 the chapter celebrated 70 years as a chapter at Barnard Library in LaCrosse, Kansas. *(pictured below with the cake, Nadine Miller, Shirley Higgins, and Susan Keith, Regent)*

We are pleased to have been part of the marking of the Santa Fe Trail by adopting the marker in Great Bend, on highway 96 near the Arkansas River.

Regent, Shirley Coupal, will be the honored guest at our April 21, 2010, meeting at Ness City. They group will tour the Ness City Bank Building.

Kanza Chapter
Alda Hildebrand

St. John

Kanza Chapter was organized and approved on February 1, 1940. This chapter is in Stafford County and involves the towns of St. John, Macksville and Stafford.

A book has been made with pictures of grave sites telling of all former members and where buried. It was a dedicated work by a former member.

In the past ten years, all state meetings, except one, have been attended by two or three members. All Fall Meetings have been attended. There have been two Chapter Regents since 2000 - Silva Scholes and Alda Hildebrand. We have entertained three State Regents since 2001, and attended meetings in other cities they have visited.

We have attended Genealogy Workshops and hosted one in 2008. Membership has dropped from 26 to 18 in ten years. We have lost 10 members by death since 2001. At present there are seven active members. There have been two new members since 2001. We have two Junior members who live out of state,

The "American Spirit" magazine is taken by six active members. It is sent to three libraries in the county, including Stafford School Library. We contribute money each month to the DAR schools and send coupons to the schools. We send CARE packages to Stafford county military service personnel overseas. Memorial services are held for deceased members and a DAR marker placed at the grave site. Our chapter has rung the Stafford County Museum Bell celebrating Constitution Week for 4 years. Money is collected annually and sent to Fort Dodge Soldiers Home.

Four Community Service Citizens have been honored since 2006 - Alda Hildebrand,

Jeanette Hildebrand, Jim Chansler and Marion Hearn. Our current regent, Alda Hildebrand, received first place in Fiber Arts, Embroidery in American Heritage, in South Central Division, and placed second at National in 2008. In 2009, she received second place in Cultural Events and Embroidery in American Heritage in South Central Division. A 6th grader won third place at State in the American History contest in 2003. An eighth grader won second place in 2009.

Kanza chapter has many excellent publicity articles in the county newspapers and some were sent to state. Our chapter has adopted one of the Santa Fe Trail markers to be restored. The active membership is small but very dedicated in their work. Kanza has received honors and recognitions given at State. We reached Chapter Achievement Award Level I in 2008 and 2009.

Little Arkansas Chapter

Valley Center

The Little Arkansas Chapter was confirmed on October 9, 1984, with 16 organizing members, including Organizing Regent, Mrs. Richard C. McGehee. Their goals: increase membership and an emphasis on family history preservation into the second century were realized, and continue to this day. On October 23, 2009, the Little Arkansas Chapter proudly celebrated its 25th anniversary. Honored guests in attendance were: State Regent, Shirley Coupal; State Vice Regent, Ann Barbour; Honorary Vice President General and Little Arkansas Chapter Organizing Regent, Betty Wynn McGehee; State Registrar, Brenda Dooley; State Organizing Secretary, Mary Frisch; and State Corresponding Secretary, Rebecca Kline. In addition to the 25 year celebration of the Little Arkansas Chapter, two charter members, Wanda Hackney and Judy Lankford's, 25th anniversary in the Daughters of the American Revolution was recognized, and a 25 year pinning ceremony was scheduled for a later date as neither were able to attend the celebration. As testimony to the Little Arkansas Chapter's goal to increase membership, a new member, Debby Potter, was sworn in by State Regent Shirley Coupal. A warm celebration was had with many guests, including members of the Flores del Sol and Martha Vail chapters. A heartfelt thank you is extended from the members of the Little Arkansas Chapter to the Martha Vail chapter for allowing us into your "home!"

The Little Arkansas chapter prides itself on the years of dedicated work in Archive Preservation; Family History Preservation; increasing interest in Genealogy and the DAR; and encouraging our youth in historic studies; but by far our greatest and most cherished work is our Veterans. As the National Appointment Representative for the Robert J. Dole Veterans Medical Center in Wichita, charter member Wanda Hackney has endeavored to bring Veterans issues to the forefront for this chapter. In late spring of 2008, the Little Arkansas chapter was asked by Valley Center City Councilwoman, Kate Jackson, to assist in the creation and organization of a Valley Center Veterans Program and on November 8, 2008, with the help of the Little Arkansas Chapter, Valley Center had their first annual Veterans Program. In December 2008, Valley Center Mayor, Mike McNown, called for the formation of an official steering committee and the Little Arkansas Chapter was asked and accepted a position on said committee. On November 7, 2009 Valley Center had their second annual Veterans Program that proved to be bigger and better than the year before. In December 2009, Little Arkansas Chapter was asked to continue on the steering committee and at present the 2010 Valley Center Veterans Program is in the works. The Little Arkansas Chapter participates in other local events such as the Valley Center Fall Festival and has focused on building partnerships with the city of Valley Center and the local Historical Society. We work hard to make our presence known and actively demonstrate what DAR stands for. The Little Arkansas Chapter began with 16 women: mothers, daughters, sisters and friends with eyes on the future. Today we continue

their family tradition with mothers, daughters, and granddaughters and remain steadfast with our eyes still on the future. We are happy to say we have seen an increase in membership and currently have one application awaiting approval from National. With the increase in membership, it was necessary to change our meeting venue and in January 2010 we begin a new journey with the Valley Center Historical Museum. We can't wait to see what the future has in store for the Little Arkansas Chapter.

Major Elijah Hyde Chapter Ida Eichman

Russell

Major Elijah Hyde Chapter was confirmed on October 15, 1994 and held its first official meeting on that day. The twelve organizing members were lineal descendants of Elijah Hyde. They were Laura Totten Bohnen, Ida Wilkerson Eichman, Julia Wilkerson Goodheart, Carolyn Wilkerson Herber, Joan Wilkerson Hunsley, Kelli Eichman Kelland, Jamie Webster Pasek, Katween Wilkerson Plum, Susan Totten Reif, Jacqueline Webster, Lind Wilkerson Webster, and Lisa Hunsley Wheeler. During the next year we garnered Theresa Sloan Coon, Sandy Boys Daugherty, Sybl Fincher Haas, and Betty Johnson Huey. All above are Charter members. Ruth Keys Clark, Kansas State Regent and Mrs. G. D. Spafford, State Organizing Secretary, gave

valuable assistance to the Chapter in every way. The chapter has lost and added many members and as of this date now has 15 members.

(photo: Betty Huey, Ida Eichman, Julia Goodheart get ready to march in the Armed Forces Day Parade at the Kansas State Fair, Hutchinson, Kansas, September 11, 2000.)

Although our chapter is small we try to do the best we can with seven faithful members who lived in Russell, KS. Our priority is serving our Veterans. We put a Veterans

display of honor in the City Library window every November and try to have a coffee or breakfast for our local Veterans each year. We have been "100 Percent Participation" in the President General's Project every term. We always have a Constitutional window in the Library during the year. Every year we sponsor a Good Citizen at our Russell High School and have had one State Winner. Every year we participate in the Memorial Day Tribute by placing a large wreath on the Veterans Memorial in the Russell Cemetery. We also have continually served on the Freedom Fireworks committee for the City of Russell. We have decorated the Firework area every year and also donate our time and money to support the committee. Our chapter "hams," Sandy Daugherty, Ida Eichman, Julia Hoke, Kelli Kelland, Kathy Mai, and Mary Reinhardt have put on a tribute to our Veterans with song and skit every year at the fireworks. Although it is a long day of work, we enjoy the opportunity to thank our Veterans for their service to our Country. We have a Flag Day picnic every year at which time we may dedicate a flag or retire flags that have served well, both events are done with reverence and love.

Although we are just in the adolescent stage of growth, we just celebrated our 15th year, we are trying to grow and add new members. We have 3 prospective members and hope to have them approved this year. We love our Chapter and try to have the best meetings and programs that will interest other women to become interested in joining with us to serve our Nation in the best way possible. Our pictures show some of our interests and events.

Martha Loving Ferrell Chapter

Wichita

Karen Arnel, Regent

Annette Owens, Historian

Martha Loving Ferrell Chapter of the Daughters of the American Revolution had a preliminary organizational meeting on September 17, 1937, but was officially organized on October 26, 1937, becoming the fifty-fifth Kansas Chapter. Its inception occurred during observance of the 150th anniversary of the United State Constitution. The group chose to honor Martha Loving Ferrell as a Real Daughter of the Revolution whose life was “not only intimately connected with the Revolution but with true and active patriotism all of her life.” For a complete history of the chapter, you are referred to The Centennial History: State Chapters.

To uphold SERVICE, the Martha Loving Ferrell Chapter has been active by providing informative programs, volunteering thousands of community service hours, sending soup labels to each of the six DAR schools, donating books to the NSDAR Library and Wichita Public Library as well as historical chapter albums to the Public Library. Between NSDAR and KSDAR, the chapter has received many chapter awards. In addition, many chapter members have received

various committee awards through the years.

Chapter members have attended State Conference and Continental Congress. Several chapter members have received twenty-five and fifty year certificates. One of our members, Betty McGehee, has held many offices for NSDAR as well as KSDAR. In April 2001, she was elected Honorary Vice President General. This is a lifetime office and is restricted to only thirteen at a time based on the thirteen original colonies that formed the United States.

To uphold PATRIOTISM, the chapter has been recognized for its support of veterans by the KSDAR Service of Veterans Committee. From 1997 forward, chapter members have volunteered to help with parties for veterans at the Robert J. Dole VA Medical Center. They have filled "ditty bags" with toilet and comfort items, paperback books, greeting cards, and canceled stamps. Members have also contributed to a freewill offering for veterans at Christmas time. In addition, those members who knit are making knitted caps for military personnel serving in Iraq and Afghanistan.

To uphold HISTORY, the chapter participates in the observance of Constitution Week and the Good Citizens Award. Also, in conjunction with other DAR Chapters, the Martha Loving Ferrell Chapter present a tactile USA flag and pillow to the students and staff at Heartspring, in Wichita. The 65th anniversary of our chapter was celebrated with KSDAR Membership Chairman, Shirley Coupal, as guest speaker. Her topic was "Outside the Box."

A book entitled The Rest of the Story, giving the history of the chapter, has been written by a member. A copy of this book can be located in the KSDAR Library. It also includes tributes to members, Betty McGehee and Ileen Marrs for service to our chapter, KSDAR, and NSDAR.

To uphold EDUCATION, the chapter presented a U.S. flag and a Kansas flag to the students of St. Cecelia Catholic School in Haysville, Kansas on January 10, 2003. Chapter Regent and Chapter Historian along with all students observed the flag dedication and raising of the flags. Later, these two officers answered questions posed by sixth grade students about the Revolutionary War and DAR. Also, our chapter donates achievement medals to Junior ROTC cadets.

Martha Vail

Patti Unruh, Regent

Kingman

Martha Vail Chapter, established in 1931, is pleased to report that in 2009 the chapter remains dedicated to ideals of the National Society, and focused on the continuation of the work necessary to sustain an active and vital chapter.

During the 1998-1999 year, under the direction of Regent Aneri Turner, members Getha Shoemake and Ruth Jean Anderson were recognized for their many hours of service on the JAC Committee.

The 1999-200 year featured the Southwest District tea held in Pratt, with Martha Vail member, Joy Helmer serving as Committee Chairman for the event.

(photo left, on the occasion of the 70th birthday for the chapter back row: Wilda Lauman, Joy Helmer, Barbara Knox, Ruth Jean Andersen, Judy Bowers, Bobbie Davis. Front row: Grace Ransom, Getha Shoemake, Aneri Turner)

On April 27th, 2001, members gathered at Nelson's

in Anthony, Kansas to commemorate the 70th Anniversary of the Martha Vail Chapter. Regent Aneri Turner joined with attending members Grace Ransom, Getha Shoemake, Wilda Layman, Joy Helmer, Barbara Knox, Ruth Jean Anderson, Judy Bowers, and Bobbie Davis in the celebration and enjoyed a patriotic birthday cake.

During 2003-2004, several exciting events were celebrated and observed. Regent Joy Helmer, along with her mother Bobbie Davis, celebrated the Bi-Centennial of the Lewis and Clark Trail by retracing the route. Their many stops were documented with photos and their travels highlighted in the Martha Vail newsletter, for all members to enjoy. At the March 2004 meeting, 90+ year members Grace Ransom, Lucerne Bird and Getha Shoemake were honored, and presented corsages as a token of appreciation. During the April 2004 meeting, Martha Vail members had their first "Cash in the Attic" auction. Members brought items from home and what was old became new again as the items traveled home that afternoon with different owners. One woman's trash is another woman's treasure! This was to become the first of an annual event enjoyed by members.

The January 28, 2005, meeting featured the Sons of the Plains Chapter of the SAR, who detailed the many activities and project of their society.

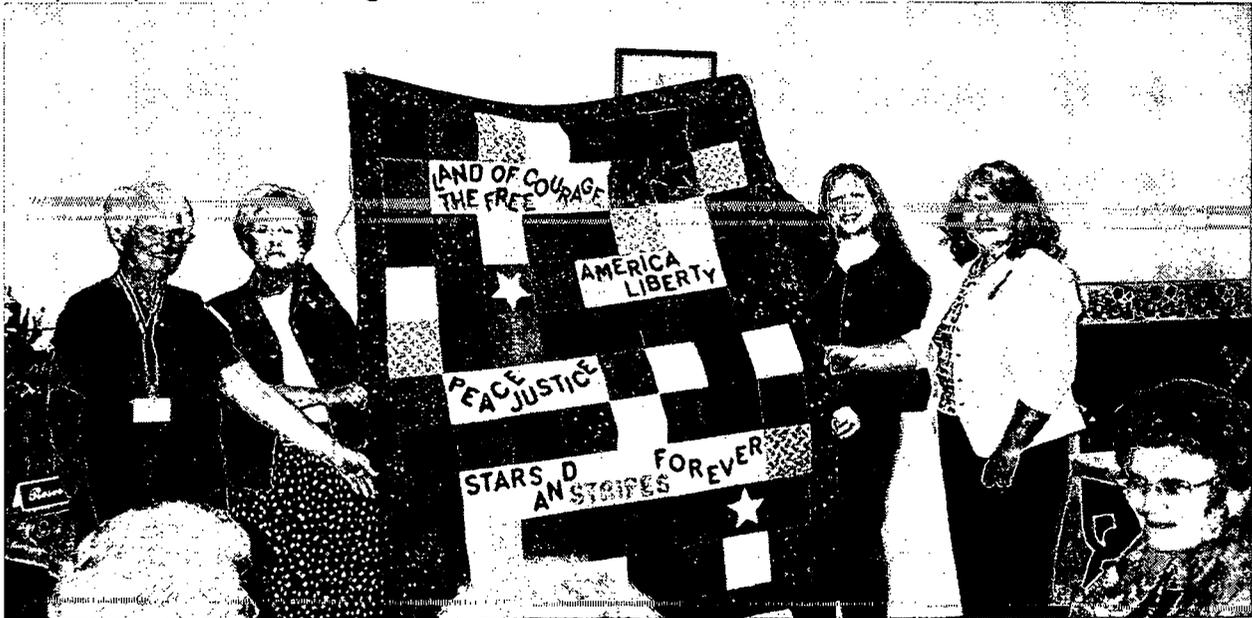

While during the course of the year, under the direction of Regent Joy Helmer, members focused on DAR Schools; donated many books to local libraries as a focus on literacy; and collected and mailed DVD's to Landstuhl.

Early in December 2005, Martha Vail members held a birthday party for 63 year member Grace Allen Ransom, who celebrated her 100th birthday. Members brought flowers, food, and a birthday cake and spent an enjoyable day with Grace, her daughter, and the staff and residents of Home Comfort, an Assisted Living Center located in Anthony, Kansas.

The 2006 year was highlighted by a visit from State Regent Cope, who spoke on her State Regent's Project, El Cuartelejo, and presented member Getha Shoemake with her 50 year pin. Another one of the special programs Martha Vail members enjoyed that year featured Debbie

Mangen from the Anthony 911 Memorial Committee. This memorial, located in Anthony, Kansas, serves as a permanent reminder of the events of September 11, 2001, and incorporates artifacts from all three attack sites. The memorial contains steel from the World Trade Center, soil from the crash site near Shanksville, Pennsylvania, and limestone from the Pentagon. Martha Vail members purchase one of the engraved memorial bricks which were used to pave on and around the memorial. Also that year, Martha Vail member, Lynn Caywood, with assistance from Jane Imel, joined forces and directed Martha Vail's completion of the "Quilt of Valor," donated by the chapter to a wounded soldier.

June 27 – July 1, 2007, Chapter Regent Patti Unruh, Joen Burns and Annette Cook attended the 116th Continental Congress held in Washington, D.C. It was the first Continental Congress attended by all three members, and as it was an election year, Joen Burns had the unique experience of serving as a Personal Teller.

July 14, 2007, Martha Vail Regent Patti Unruh, along with Martha Vail member Annette Cook, traveled to Concordia, Kansas to attend the State Regent's Tea, hosted by the Nathan Edson Chapter in honor of State Regent Shirley Coupal. *(photo above: Displaying the Quilt of Valor – l to r: Jane Imel, Lynn Caywood, Annette Cook, Patti Unruh)*

On April 16, 2008, Regent Patti Unruh, members Deb Eaves, Joen Burns and Annette Cook, traveled to the Meadowlark Center in rural Newton, Kansas, to visit with the Indian Spiritual Walker commemorating the 30th anniversary of "The Longest Walk." On April 19, 2008, the chapter held a KSDAR sponsored genealogical workshop at the Kingman Library. In 2008, Martha Vail member adopted a stone, in support of the State Regent's Project of restoring the markers along the Santa Fe Trail. Members toured the Kingman County Courthouse which had undergone extensive renovations and viewed the items sealed in a time capsule 100 years ago. Members contributed KSDAR and NSDAR items to be resealed in the time capsule which will be opened in another 100 years.

In 2009, Joy Helmer received the Community Service award for her hours of service in the rebuilding of the Hardtner Community Center which was severely damaged by straight line winds. Joy Helmer was instrumental in mobilizing the community of Hardtner and raising the

necessary funds to insure the structure's rebuilding. Nancy Boyer was honored for her contribution to JAC, with the Thatcher Award. Regent Patti Unruh was notified that she had won the National Membership Essay Contest for "I Will Never Forget Her – She Opened the Door For Me." Her essay, written in honor of Grace Allen Ransom, a cousin, who still, while in her late 90's continued to exemplify the "Spirit of Hospitality." Ransom "Opened the Door of Opportunity" for Unruh and many others during her tenure as a member of Martha Vail Chapter, and winning the National Membership Essay Contest was a special honor for this Regent. Our October 23, 2009, meeting was a joint venture with Little Arkansas Chapter which celebrated 25 years, and during the meeting, State Regent Coupal presented member Bobbie Davis with her 50 year pin. On Saturday, October 24, 2009, members dedicated the graves of deceased members Rhua Connors and Getha Shoemake.

With a current membership of 35, Martha Vail is committed to honoring the past by moving forward with purpose into the future.

Mission Hills Chapter

Mission Hills

Mission Hills Chapter was organized February 20, 1958 in the city of Mission Hills, Kansas. Until 1825, this part of Kansas was the ancestral home of the Kansas or Kaw Indians. Wyandot and Shawnee Indians moved from the east to the hills surrounding the Quaker, Methodist, and Baptist Missions which were located in what is now Johnson County.

Mrs. Lewis (Betty) Kessler organized the chapter with 15 members. Today, in 2010, we have 81 members.

Our regents since 1996:

Matilda Masson 1995-1997

Marion Hitt 1997-1999

Natalie Kenny 1999-2001

Mary Frisch 2001-2003

Betsy Heimke 2003-2007

Natalie Kenny 2007-2009

Karen Olson 2009-20011

This is what we've done and continue to do:

- Collect manufacturer's coupons and mail to Lakenheath AFB in the UK. Military families can use them at the commissary. We have sent \$67,595.64.
- Crossnore School – for several years we collected books, games, and puzzles and mailed them to Crossnore School for the "Birdcage." These were used for birthday and Christmas presents. Now we send a check and this past year it was for \$600.00. Books for Libraries – We donate books from the "wish list" at the NSDAR library and also the KSDAR library in Dodge City, Kansas.
- Naturalization Ceremony – Our chapter, along with other in the "roundtable" hosts a reception for new citizens and their families at the Robert J. Dole Federal Courthouse in Kansas City, Kansas, twice a year.
- We also give the new citizens DAR leaflet called "The Story of the Pledge of Allegiance." Usually, there are 80-100 new citizens to welcome. This is such a happy celebration.

AWARDS, ACCOLADES, HONORS, AND RECOGNITION

- Craig Crease was runner-up for the National DAR award in 2000, for his work with the Kansas City Area Historical Trails Association.
- Evelyn VanKemseke was given our chapter award in 1999 for her work with the poor and needy in Shawnee. She provides food, clothing, child care, and senior citizen services.

- NSDAR Literacy Challenge committee presented Diana Abitz the "2003 National Awards for Outstanding Service of a DAR Member." Diana's local contributions won her this award. Among these were a reading, writing, and speaking program called "Student Experts in Training." Money from a grant was spent on books and computer software for the curriculum. Diana researched and developed a trivia game for teachers to use in a classroom relating to the U.S. Constitution. She also created four interactive trivia games relating to American History, Geography, U.S. Presidents, and Ancient Civilization.

- *(photo left: Betsy Heimke and Diana Abitz)* Betsy Heimke was recognized at NSDAR for having been a POW in the Philippines during WWII. Betsy has given almost 100 "POW presentations," speaking to civic organizations, DAR chapters, and the Kansas State DAR State Conference. She and her family were held Prisoners of War by the Japanese during WWII and suffered deprivation, humiliation, and starvation and were forbidden to fly the American flag. They were liberated by the gallant 37th Infantry, February 4, 1945. She was 15 years old. Betsy has published her book, "Bring Cup, Plate and Spoon" about life in Bilibid Prison, in Manila.

CELEBRATIONS

- Mission Hills celebrated our Fiftieth Anniversary on April 16, 2008. Fifty eight members and guests attended the tea. Harpist Phyllis Hoffman entertained with general and patriotic music. Chapter Regent, Natalie Kenny, welcomed, Shirley Coupal, State Regent, and other state officers and representatives from other chapters.
- Other special attendees were Nancy Kuehne, the last of Mission Hills' original founding members, and Marjorie Willsey, who had recently celebrated her 90th birthday.
- State Regent Shirley Coupal offered a few words about her State Regent's Project: the restoration of the Santa Fe Trail stone markers which were placed by DAR years ago, and are in disrepair. Mary Frisch, on behalf of Mission Hills Chapter, presented Ms. Coupal with a check for \$300.00 to adopt a local marker.
- The chapter presented a Community Service award certificate to Barbara and George Nunnemacher, who, as a couple and with their Service Dog Tess, donate countless hours of time and work to various philanthropic and patriotic charities. Nathan Edson
Jessica Smith Young

Concordia

The chapter has been honored since 1995 to have a state officer among its members. Shirley Coupal has served the state society as Historian, Recording Secretary, Vice Regent, and Regent. She also served as state membership chairman for Patricia Carpenter's administration. This was the only administration that experienced a membership increase during the decade.

The Nathan Edson Chapter has had a steady growth in membership since 2003 with 36 members to 2010 with 49 members. We hope to pass 50 members in 2010. Nathan Edson is a turnaround chapter. Close to disbandment in 1980, the majority of members fortunately didn't vote for it. Renewed efforts to increase membership were undertaken. New members

stabilized leadership issues. In 1989 Nathan Edson merged with Concordia Chapter and it wasn't a marriage made in heaven. However, as time passes so do the members opposed to change.

Betty Coupal served as Regent from 1984 to 1996 with one year off when she exceeded her six year term limit. She also attended state meetings and the chapter began being active at the state level again. At State Regent Patricia Traffas' urging, Shirley Coupal succeeded her mother as Regent. Shirley had already held all the Northwest District offices and was State Historian. During her 1996-2002 regency, the chapter started its slow turnaround process. Shirley's motto is: we didn't get this way overnight and we won't fix it overnight. She put a moratorium on away members and concentrated on attracting local membership. Using interesting programs, inviting the public to special events, and publicity in six local papers, word filtered out that yes there was a DAR chapter in Clay Center and Concordia.

We encourage family membership. It is just as easy to do two or more papers as it is to do one. It is, however, hard if you don't have a dedicated genealogist. This problem was solved when Alice Bachand joined. Her mother, Donna Merrick, is a lifelong genealogist, who had no interest in joining DAR, but if Alice wanted to she'd get the documentation together. After submitting Alice's papers, Shirley, keenly aware that the chapter needed a genealogist to do research, wanted to know what it would take to get Donna to join. Alice thought it'd make a nice birthday/Christmas present. Presented with the papers to sign and after attending a few meetings, Donna changed her mind about the stuffy DAR she'd known. Donna was elected Registrar. She does the research and Shirley does the papers using the computerized application. Together they have boosted membership by 22.

Stephanie Valent followed as Regent in 2002. She was the 2002 Kansas Outstanding Junior. Stephanie was a community activist. During much of her regency she brought public awareness to the chapter and vice versa to the community. Unfortunately, in 2004 the Valent's decided to return to their Ohio roots. Stephanie remains a chapter member.

Peggi Barrett served as Regent from 2004-2010. Returning to her roots in Concordia after living in the Kansas City area, she transferred her membership from the Three Trails West Chapter. Peggi formulated renewed interest in DAR in Concordia and Cloud County. She belongs to the Cloud County Genealogy Society and the Cloud County Museum and is a local business woman. Through her enthusiasm for DAR, membership took an upswing in Cloud County. Due to her community involvement the chapter has been active in encouraging other groups to support DAR Project Patriot with cards and letters to our active duty military personnel. Peggi attended all but one state meeting during her term and always made sure that the chapter was well represented at the fall meeting and state conference.

Alice Bachand's regency starts this year (2010). We look forward to more community involvement and growth in membership.

Over the years the chapter and members have won numerous awards at the state, division, and national level due to activism and good reporting. Since Betty attended her first state conference in 1981, chapter members have continuously served the state society.

Shirley Coupal – besides the state and district offices has served as a member of the national DAR Speakers Staff; National Vice Chairman, Membership, Prospective Members; state Membership, Santa Fe Trail, Marshal chairmanships and continues as state Membership Co-

chairman, DAR Speaker Staff member, and Chairman of the Chapter Development and Revitalization Commission.

Jean Coupal-Smith – has served as state Conservation Chairman and State Conference Chairman or Treasurer for four State Regents and continues as Credentials Chairman.

Peggi Barrett – has served as state Americanism Chairman and continues as Historic Preservation Chairman.

Alice Bachand – has served as state Literacy Promotion Chairman and continues as DAR Scholarship Chairman.

Jessica Smith Young – was the 2000 KSDAR Scholarship winner, has served as Personal Page to the State Regent and state Conservation Chairman, and continues as Junior Membership Vice Chairman of Events (Pages).

We did celebrate Mabel Dunham’s 100th birthday. She was a Tri-centenarian. She was working on a history of the Methodist circuit riders and adding to her Dunham family history, when she passed away in July 2001.

We did increase membership, we do share meetings between Clay Center and Concordia, and we are changing to Saturdays only meetings.

Olathe Chapter

Olathe

Marilyn Ann Thele Rockel, Regent
Graecinda Tedder, Historian

Through the efforts of the Chapter in 2004, the Ensor Farmsite and Museum was selected for the State and National Historical Register. It is now being maintained and overseen by the Olathe Parks & Recreation Department and continues to be visited by many near and far, some from across the oceans.

In 2008, the Chapter prepared a flower bed of historic irises at the Lanesfield Historic School Site in Edgerton, Kansas and continues to maintain it. The location was a stop for the 2009 National Iris Convention. There is a Santa Fe Marker at the site.

The Chapter membership actively participates each year in the DAR Project Patriot program and sends boxes of personal care items, clothing, athletic shoes and cell phones to the wounded soldiers at the Landstuhl Regional Medical Center on the Ramstein Air Force Base in Germany.

Increased membership is a continuous focus item of the Chapter. The Chapter is establishing an Olathe Chapter of the Children of the American Revolution. It is known as the Lone Elm Campground, C.A.R. Chapter of Olathe, Kansas.

Peleg Gorton Chapter

Winfield

Clarulah (Claire) Goldwater Utt (Mrs. Albert) served as the Regent during the period 1997 to 2001. During her tenure, a project to transcribe naturalization records was undertaken.

Many years of records were transcribed to be stored in the local library for easy access to the public. Many exceptional programs were presented such as: History of the Santa Fe Trail, Court Houses of Kansas, Murals of Winfield, and Lady Pilots in the 1940's;

Patricia (Pat) Taylor Rosecrans (Mrs. William) served as Regent during the period 2001 to 2004. During this time frame, unique programs continued to be the norm with such programs as: Wild Women in the White House, Antique Silver of the Americas, Traveling the Water Ways of Russia, I Hear America Singing, Alaska, the 49th State, Kansas Dust Bowl Days, Walking the Appalachian Trail, and Therapy Dogs.

Janice (Jan) Utt Hoag (Mrs. Stuart) served as Regent during the period 2004 to 2009. During this period, a project has been undertaken each year to sponsor a wing of the local Veteran's Home for Christmas. Additionally, calendars are collected each year for residents of one of the Nursing Homes in the county. Emphasis has been placed on Education labels for DAR schools and monetary support to American Indian schools. We have supported Project Patriot with Christmas cards and candy sent to Landstuhl Medical Center. We strive to find interesting informational programs such as: Women in the Military, China Site of the Olympics, Presidents and their Wives, History of the Flag, South Africa Today, Stone Bridges of Cowley County, and Women in the Peace Corp. Mrs. Sammy Cope, State Regent, visited when the program was "Hats" and participated with her unique hat. Ms. Shirley Coupal, current State Regent presented a program on the Santa Fe Trail Marker Preservation Project. Our chapter has helped sponsor one marker plus donated additional funds for the overall project.

Prairie Rose Chapter

Ginger Umscheid, Regent

Overland Park

The Prairie Rose Chapter was organized on October 10, 1980. The chapter dedicated the program to Isabel McGuire, who was the "wise and patient mentor" during the year of organization. Gwendolyn Braden was installed as chapter regent. The chapter name was chosen after the prairie rose, *rosa setigera*, an ancient wild rose mentioned in Andrea's History of the State of Kansas, 1883 edition.

Thirteen charter members attended the organizing ceremony. They were: Harriet Bailey, Cheryl Bennett, Shirley Bennett, Elizabeth Braden, Gwendolyn Braden, Mia Fleegel, Nancy Gorton, Rebecca Kline, Joyce Mall, Margaret McGuire Patricia Perusich, Vickie Peterson, and Pricilla Shelton. The approved charter members were: Lroena Allen, Carol Bennett, Charlotte Dee, Susan Hruby, Janice Johnson, Clara Lientz, Rosemary McBride, Mary Pew and Estelle Scaletty.

The Prairie Rose chapter regents have been: Gwendolyn Braden, Margaret McGurie, Rebecca Kline, Estelle Scaletty, Donna Mueller, Shirley Bennett, Dortha Schweiger, Margaret Bates, Laurie Wood, Susan Hawkins, Barbara Knopke, Jennifer Knopke, and Virginia Umscheid.

Chapter activities have included attendance and participation in Continental Congress, State conferences, and Northeast District events including the roundtable discussions of local chapters in the Kansas City area. Members have served and continue to be an integral part of the society by holding National, State, and District committee chairmanships. The chapter has participated in all National Society projects. State Outstanding Junior members have included

Rebecca Kline in 1987, Laurie Schweiger in 1997, and Jennifer Knopke in 2007. Gwendolyn Braden served as State Treasurer, Dorthea Schweiger and Margaret Bates have served as State Registrars, and Rebecca Kline has served as State Corresponding Secretary.

The chapter sponsored events for DAR Schools, essay contests among youth, celebrates constitution week by walking in parades, rings bells for Salvation Army during the holiday season, serve refreshments at naturalization ceremonies, and donates books to the DAR library. The chapter sponsored the National History Teacher award winner, Kyle Hielman, and presented a Braille flag to the visually impaired. The chapter continues to support the Veterans by sponsoring bingo games, adopting a soldier, sending phone cards to Walter Reed Hospital, sending school supplies overseas, and participating in Project Patriot and knitting helmet caps for soldiers. The chapter is actively involved in the genealogical record projects and one member actually digitally preserved cemetery records in Johnson county Kansas. A chapter member, Betty Robertson, was the national winner of the Women's Essay contest.

In memory of deceased members the chapter holds a memorial service and places the members name in the Book of Remembrance at the Kansas Chapel at National Headquarters. They have also planted a tree at a member's church, donated an American Flag to the Friends of the Shawnee Indian Mission Museum in honor of a member, and donated money to a National Society project that touched a member's heart. In addition, one junior member had the honor of placing a wreath on Normandy Beach to pay tribute to a fallen Kansas soldier in 2001.

The chapter continues to grow in membership. The chapter had the honor of installing family groups installed at the same time. Three daughters of charter member, Clara Lientz, were installed at the same meeting. They were Betty Crane, Judy Hopkins, and Barbara Peters. Patricia Carey and her three daughters were installed at the same moment. They were Gayle Grape, Mary Vittorino, and Ginger Umscheid. And one family group, descendants of Isaac Wynn were also admitted: Stephanie Koch, Peggy Blalock, Kathleen Littwin, Geraldine Nichols, Vicki Pinney, Colleen Sauntry, Deborah Veatch,

On October 6, 1990, the chapter celebrated their 10th anniversary in conjunction with celebrating the NSDAR Centennial Jubilee. A formal tea was held at the Oakshire Club and charter members were honored and chapter members provided musical entertainment. A 20th anniversary celebration was held at the Westwood City Hall and Dorthea Schweiger, regent, addressed the guests with a formal speech.

The chapter remains strong and is dedicated to increase membership, participate at all levels and promote the goals of God, Home and Country.

Quivira Crossing Chapter

Lenexa

The Quivira Crossing Chapter, DAR, celebrates its 20th anniversary September 29th, 2010. The current 63 members represent a diverse group of women dedicated to reflect the principles of God, Home and Country.

We are proud to have earned the Levell Chapter Achievement Award, known for a long time as the Gold Honor Roll, every year. A large percentage of our members subscribe to the award-winning American Spirit DAR magazine. We provide subscriptions to churches, schools and libraries each year bringing the DAR message to a wide audience. Keeping DAR visible involves our members in many local activities. A special donation of an American flag, flown over Pearl Harbor, was made to the ROTC at Shawnee Mission West High School where it now is on permanent display.

Cathryn Timmerberg, Regent from 1996 to 1998, saw the Chapter members continue to be involved in local events. A brick in our name was donated to the brick walkway at the newly renovated Thompson House in Lenexa. Debi Bender, 2002-2004, has an ongoing talent for planning parade floats. This has led to many awards and trophies for our Chapter. Members' children, and sometimes grandchildren, grace our floats. Our "Marking of the Trails" entry won special mention at one Lenexa Community Days parade. Personal regent interests often led to Chapter publicity; i.e. Sue Ellen Smith's participation in the Greater Kansas City "painted cow" contest. Her cow, representing the World War 1 Memorial, was displayed at Crown Center. Sue Ellen, Regent from 2000-2002, was honored by the state Americanism committee.

An American flag, flown over the U.S.S. Constitution in Hawaii, was presented to the Lackman Library in Lenexa by our Chapter. Another honored flag, which flew over the Kansas Statehouse on 9/11, was purchased by Pam Kelley (1998-2000). It was then dedicated to the citizens of Kansas in a special ceremony attended by Governor Bill Graves, our Chapter members and Pat Carpenter, State Regent. Our Chapter had been caring for the Lenexa Santa Fe Trail Marker since the Chapter was organized. Patty Lierly, Helen Neubert and Mary Warner thoroughly enjoyed this task. Dan Fullerton was our Chapter's nomination for American History Teacher of the Year; Dan won the state award presented at the KSDAR convention in March, 2004.

Audrey Lavelly, 2004-2006, and members, staffed a booth at the annual Spinach Festival, offering DAR information; this brought us many prospective members. Prepaid phone cards often have been sent to Veterans as well as to the Chemawa Indian School. A charter member,

Alison Maier, was featured in a two-page magazine article about her efforts in organic farming. Among others honored through the years is Patty Lierly, who organized the George Washington Centennial Celebration. Cindy St. John was delighted when the Chapter's 5th grade essay winner, went on to win first place in Kansas State.

Keeping up with the computer age, Mary Warner, state VIS chairman, offered a computer workshop at a recent KSDAR Fall Conference. She received many state and national awards for her efforts. Her poem, "A Child's Legacy," won first place in a contest sponsored by the NSDAR American History committee. Helen Neubert, organizing regent of the Chapter, was a state officer in the Pat Traffas administration as the State Reporter. Also chairman of the Veterans committee, she and members including Carol Millican, Sheila Cohenour, Patty Lierly, Donna Bloecker, Pam Kelley and Cindy St. John, have delivered books, funds for new winter coats, personal goods including underwear, Christmas cards and cookies totaling thousands of dollars through the past twenty years. This committee also provides funds and food for a Bingo party for the veterans in April of each year.

Flo Biehl, 2006-2008, focused on Women's Issues. She represented the Chapter at Continental Congress both years of her term as well as accompanying Irene Harvey in 2009. Recent members, Mary Foley and Linda Jane Combs, sisters, are direct descendents of Mary Desha, one of the four founders of DAR. They also attended the 2009 Congress in Washington D. C.

Irene Harvey, 2009-2010, was proud when Pam Kelley and Debi Bender, presented an American flag, flown over Pearl Harbor, to a local SAR chapter. It will be used at memorial services for war veterans. Our members always are on alert for ways to fulfill the goals of the NSDAR committees. Mary Warner initiated and implemented a program to adopt the 2009 senior class at the Crossnore School in North Carolina. Members became "grand-friends" to individual students, sending Christmas cards, presents and letters of

encouragement. It is hoped the students will wish to continue the relationships.

To keep in touch with our growing membership, Billie Warden heads a dedicated committee of callers to remind members of upcoming meetings and be made aware of those who might need any kind of support. Joyce Brooker, Betty Crandall, and Kathleen Xidis are among those calling. We recognize the special privilege of having many mother-daughter; grandmother, daughter and grand-daughter members. We have six Junior members; one, Sr.

Airman Micaelee J. Neubert, is stationed in Honduras.

We honor the memory of those cherished members who have died since our beginning: Jacque Tomcak, Mary Bond, Joan Rexroat, Shirley McDanel, Mary Roberts, June Brzezinski and Martha Tee.

It is the purpose of the Quivira Crossing Chapter members to continue giving their best efforts to the National Society Daughters of the American Revolution, via the Kansas Society, DAR.

The Sarah Steward Chapter was highly honored to have one of our members, Patricia Traffas, serve as State Regent during the Kansas Centennial 1995-1997. We honored Pat and the other state officers with a lovely tea and reception at the beginning of her term. During this term we also hosted the Northwest District and the State Board of Management. We entertained with a program about Home on the Range. Then we journeyed to the Brewster Higley cabin where with the assistance of the Historian General we dedicated a marker to the Higley Cabin where our state song was written.

We were saddened by the death of our last charter member, Fleta James on December 5, 1998 at the age of 98.

When the new Smith Center Public Library was built, Sarah Steward Chapter raised money for the purchase of a large conference table and chairs for the genealogy room. We have been steadily filling the shelves with genealogical records ever since. Some members were involved in copying the old funeral home records in Smith County, indexing them and putting them in book form. One member compiled a history, with pictures, of some of the buildings - past and present - of Smith Center with a history of the early settlers and formatted it in a power point presentation to be presented to school groups and for use by the Chamber of Commerce and other civic groups.

Another project was to make a listing of all the gravestones in the Smith Center Cemetery on computer. These copies were then placed in a display case and numbered by section and lot so they are readily located.

In 1999 and 2000 our chapter purchased DAR grave markers for all of our deceased members who did not already have them, with donations from their family members when possible, and placed these markers at the burial sites.

In 2001 we celebrated the 70th anniversary of the chapter with the state regent, state chaplain, the Northwest District Director, NSDAR Vice President General, Pat Traffas, and members of the Desire Tobey Sears Chapter as our guests. The program was given by a Civil War re-enactor. The Petty family entertained with violin selections during the reception.

The Lewis and Clark celebrations were of special interest to our chapter as one of our members; Pat Traffas was directly involved in some of the activities. Another member attended some of the reenactments. We enjoyed several programs about the Louisiana Purchase.

For several years our chapter honored Mr. A. F. "Jud" Wagner, Kansas' last surviving World War I veteran on his birthday until his death in 2007 at the age of 107. We faithfully remember our veterans and active service men and women in various ways.

One of the fun things we do is to always participate in the annual Smith County Old Settlers Day celebration. We either have a float or march in the parade or have a booth or window display.

Several of our members have served at the state level as officers, state chairmen and pages. Some have served on the Northwest District Board and one member has served as a NSDAR Vice President General.

As we are approaching nearly 80 years since Sarah Steward Chapter was organized, we look back with thankfulness to the many faithful and dedicated women who gave so willingly of their time and service to keep our chapter strong and vibrant. We are challenged to uphold that tradition to honor and preserve the Daughters of the American Revolution and Sarah Steward Chapter for future generations.

The National Conservation Medal was awarded to Bruce Cochran for his outstanding efforts with Ducks Unlimited and maintaining wildlife habitat. An Americanism Award was presented to Dr. Young Pai. The chapter has also presented a NJROTC Medal each year.

Fiftieth anniversary 1949-1999 was celebrated by the chapter at Milburn Country Club. A generous gift was presented to the Johnson County Library by Jane Hursh, Regent, Darlene Jennings, Librarian and Suzanne Castleberry, Treasurer. Twelve children's books were purchased for the library.

DAR American History Awards and DAR Good Citizens Awards continue to be presented in February. Winning first place at the state level in the History

Essay contest was Kate Bello and Jenna Ness placed third.

Lyn Patterson chapter member has volunteered many hours preserving and entering the lineage data for the Descendants Project. Lyn has earned the DAR Genealogy Preservation pin with 100 hours of online data entry.

Service for Veterans Chairman Faith Ann Shirley has spent many hours planning parties and events for the Veterans Hospital in Leavenworth. Many awards have been given to the chapter for Service to Veterans. Naturalization ceremonies are conducted monthly by Joann Feehan and the former chairman Rosalee Hughes. Flags have been presented to schools and the Johnson County Library. Trees, books and flag codes have been presented to various groups and libraries.

The chapter continues to focus on membership. Carol Cochran was recognized for service as National Vice Chairman of the Chapter Development Committee and Membership Committee. Numerous years the chapter has been awarded the largest increase in membership for state.

Field trips were made to the dedication of Historical Markers in Leavenworth, Atchison and White Cloud, Kansas; rededication of the "Madonna of the Trail" and a visit to the Robert Dole Library.

A committee was formed by Regent Jane Hurt to support the President Generals Project "Preserving Our Patriotic Heritage". The chapter scrapbooks starting in 1949 were organized, copied onto acid free paper, placed into sheet protectors and archival albums and stored in archival boxes. This project took the Preservation Committee three years to complete. An award was given to the chapter for 100% participation and first place in state.

In May 2008 the chapter held a luncheon and program to honor chapter members celebrating years of DAR membership. Carol Cochran and Joann Feehan organized the event, which was attended by 93 members and guests. Kansas State Regent Shirley Coupal presented membership certificates to the honorees. Members receiving certificates for 50 years or more years of membership were: Ruth Palatas, 50 years; Betty Russell, 51 years; Margaret Amos, 52 years; Elynor Miller, 58 years; Isabel McGuire, 61 years; Dorothy Sewart, 65 years; and Faith Ann Shirley, 66 years.

Chapter Regent Jill LaBelle presented a check on behalf of the chapter for \$1500 to State Regent Shirley Coupal for restoring five of the 89 Santa Fe Trail markers.

Stone Corral Chapter History 1997- 2010 is extensive. These thirteen years began with some exciting events. Bonita Nixon led the chapter during these 1996-1999 years. The members helped celebrate the 175th anniversary of the Santa Fe Trail. Our history teacher nominee Douglas Ellwood of Little River was named Outstanding Teacher of American History for Kansas. Jenny K. Hodgson, of Little River received the Madeline Picket (Holbert) Cogswell Memorial Scholarship. A three volume set of the Patriot Index was presented to the Lyons City Library. Lillie Whiteman manager and researcher conducted a genealogy workshop at the Young Historical Library in Little River. Korean War Veterans, Gerald Nixon, Medford Ratzloff and Lawrence Warlick, spouses of members, were recognized and given special awards. Members donated to many worthy endeavors as the World War II Memorial that has now been built. Also to the restoration of the United States Flag that flew over Fort McHenry.

Lillie Whiteman served as Regent for the next three year term. She also continues to do 300 hours of work as a volunteer at the Young Historical Library in Little River. All Stone Corral members continue to give time and effort as volunteers in the libraries, hospitals, food banks, thrift centers, Sunday school teachers, and soup kitchens and teach Bible study at the prison in Ellsworth. DAR daughter Vivian Gobin volunteers as secretary for Reno County Genealogical Society, library book store. Vivian also answers and relays messages on the ham radio for the first responders. She helps in emergencies like tornadoes and disasters in our area. Stone Corral Chapter members continue to recycle paper, shredded and donated to the zoo for animal bedding, ink cartridges, cans, glass, save soup labels, and collect stamps for the veterans.

Our membership has gone down as some members moved away and members passed on. We gained one who transferred from Texas and one from Great Bend. We are honored to have awarded Elizabeth Plummer a certificate and 25year pin. Elaine Dill was honored with a certificate and pin for 60 years in CAR, Juniors, and DAR. Norma Johnston also honored and received a certificate and pin for 50 years. Our membership was as high as 35 and now has dropped down to 29 and we have several prospects. Our members all invite neighbors and friends to come for a visit and hear about the work of DAR.

We have had an exceptional Veterans chairman in Carolyn Walker. Our members are determined that our veterans will be remembered and make sure they have their needs met. For several years we have sent carloads and mailed boxes of clothing, T-shirts, caps, tube socks, warm-up pants, lap robes, playing cards, books, novels on tape, puzzles, magazines, toiletries, combs, clocks, calendars, and hygiene items. The members took a field trip and took a carload of items one time and delighted the veterans and we saw a lot of smiles and they made our day. The Soldiers Home at Dodge City and the Colmery O'Neil Veterans home in Topeka, Kansas received gift boxes each year from our chapter.

During the years Kansas State Regents have visited our chapter. Alice Walker and Pat Carpenter were welcomed to our chapter. Other chapters who visited and joined us for the combined visits were Kanza, Jeremiah Howard, Smoky Hill, and Jonathan Gilbert. Stone Corral joined Jeremiah Howard for Sammy Cope's program on protection and restoration of El

Cuartelejo. Ft. Larned was our hosts as Kansas State Regent Shirley Coupal spoke on and displayed slides of the repairs and restoring of the Santa Fe Trail Markers.

We have been honored to present certificates and pins for Outstanding Community Service to Robert and Rosie Cruth, Pearl Roth, Martha Wright, Arlene Branson, Jackie Rammage, Chris Hess, Gene Ricketts, Carolyn Saylor] and Arnold Cline. Ralph Hathaway was recognized for his years of care and protection of the wagon ruts on the Santa Fe Trail on his property. A colorful red, white and blue brochure was created and placed in all area libraries and city halls. Stone Corral also had a website and viewers can find all the information concerning our chapter and DAR in Kansas.

Sarah Boldt began the last six years of our chapter from 2004-2010. Outstanding programs have been enjoyed by our members and visitors. We have learned of the impressive restoration of Mount Vernon. We heard the story of Martha Washington from the book "Our Lady of Arlington." Our members were informed on the tremendous and dangerous work of the United States Coast Guard. They patrol and protect our coastal waters from Alaska to Florida. The amazing work they did in saving victims of Katrina after the flooding of New Orleans and the search and rescues they do every day on the dangerous waters of our United States. Their work seems endless as they also stop drug shipments and arrest smugglers. We had programs on the treasures and heirlooms of our ancestors who have passed them down to us. We enjoyed seeing the beautiful quilts of one daughter's talented family. Mary Lowenthal has inherited many quilted examples of this family's legacy. We heard the story of "Virginia's Lost Colony." Also a very informative program was called "Through Indian Eyes." Vivian Gobin gave a program on the story of Indians and Blacks who fought in the Revolution. Our daughters learned of new information from a program on Paul Revere. Included was a most informative letter written by Paul Revere in 1773, before the war. He informed the corresponding secretary of anecdotes and events prior to the Battle of Lexington. Also included were beautiful color photos and several pages of biography and stories. A spiral bound booklet of this program was presented to each member by Karen Simonson. Another of Karen's outstanding programs was concerning the "Boston Campaign." Again unknown facts and photos were presented in a booklet form for each member. Excellent programs on the history of the American Flag, our DAR Museum and historical events were presented. Sarah Boldt presented a program on her "Dream of a Lifetime" visit to Northern Ireland. While doing genealogy research online she learned of a cousin who matched her brother's DNA in Northern Ireland. Sarah and her husband were invited to spend three weeks with him at his home and be given tours by friends and family. During the tours they learned of the 17 presidents who were Irish and Scotch-Irish. She found her emigrant ancestor's hometown in County Tyrone. He and his four sons fought in the Revolutionary War. One of our daughters Elizabeth Plummer, a native of Virginia, attended a colorful reenactment of the 2nd Continental Congress in Richmond, VA. It was held at St. John's Church. The highlight was hearing Patrick Henry's passionate speech declaring "Give me liberty or Give Me Death." Vanora Fry gave a program on her early years as a teacher in Kansas. They had strict rules for teachers. After WWII she had to resign when she married. Later the rules were changed and she was rehired and taught 30 years.

The last thirteen years have been busy and interesting. Stone Corral daughters continue to promote the goals of DAR and stay informed about our National Defense. We want to keep our community aware of the freedoms earned by our military and the great sacrifice made by our

men and women on land, at sea, in the air. We look forward to promoting Patriotism, Education, and Conservation and to show a Spirit of Hospitality and Keep Open Doors of Opportunity offered by the Daughters of the American Revolution.

Susannah French Putney Chapter

El Dorado

Linda Skaer, Historian

The Susannah French Putney Chapter of El Dorado continues its support of the DAR Objectives - history, education and patriotism. The membership is very dedicated to these ideals.

Through the years we have donated clothing and accessories to Bacone College, which is sponsored by DAR. Other projects included collecting food staples for the Salvation Army and gifts for the veterans at the Wichita VA Hospital. The chapter, on occasion, presents a community service award and each year we celebrate American citizenship by selecting an area high school student for the DAR Good Citizens Award. Every February the chapter holds a Colonial Day Tea. At this meeting the winners in the American History Essay Contest read their essays. This tea is attended by the families of the contestants, teachers, friends and DAR members and guests.

We have been fortunate to receive numerous DAR Certificates of Award for Outstanding Achievement. The chapter is very proud to be recognized for these awards.

Susannah French Putney is a strong, active chapter due to excellent leadership and our dedicated members.

Three Trails West members Mary Lou Brown, Sharon Phenicie, Corinne Hembree, and Marlys Hankins prepare to ride in the Parade of Heroes held at the Legends Mall in Kansas City, KS, Sept. 2009.

On October 17, 2009, members of Three Trails West Chapter join with Boy Scout Troop 315 in a ceremony to commemorate the Santa Fe Trail Marker located just west of Olathe.

Tomahawk Chapter

Mary Cutting, Regent
Dianna Strunk
Martha Wright
Mary Ann Matney, Historian

Prairie Village

Tomahawk Chapter was organized on April 21, 1954 with thirteen members. Mrs. Paul Greenlease was the Organizing Regent and Charter members included Mrs. Charles Albertson, Mrs. John M. Bowman, Miss Irene Carswell, Miss Ruth Carswell, Mrs. David Eckleman, Mrs. William Hines, Mrs. Lyle Laughlin, Mrs. F. Lee Major, Jr., Mrs. James E. Miller, Mrs. Louis S. Robb, Mrs. Linn Schofield, Mrs. Martin K. Shepherd and Mrs. Ben Weinberg.

The Chapter was named for Tomahawk Creek, which was a boundary line of the property of Chief Bluejacket, a Shawnee Indian. This land, granted by the U.S. Government, lies near Prairie Village, the general location of Tomahawk Chapter.

Many of our members have served and continue to serve at the state and national level. Mrs. Greenlease has served as State Vice Regent, State Treasurer, State Organizer and DAR Magazine and DAR School State Chairman. Mrs. Greenlease continues to be a National Advisor to the DAR Schools. Most recently Mrs. Paul Wright is a member of the State Auditing Committee.

Tomahawk Regents and Vice Regents participate in and have served as officers of the North East District Regents Round Table. Mrs. Wright served as Vice President, Mrs. Strunk as Vice President and Secretary/Treasurer. Through the Round Table, Tomahawk Chapter provides services to veterans at Eisenhower VA Medical Center in Leavenworth. These activities include

bingo parties and Valentine and Christmas celebrations. Our members' dedication to the support of our military personnel is reflected in large yearly donations to provide coats for veterans, fruit, meat, and cheese trays for parties, and comfort items. Further support is given through Project Patriot with members donating signed Christmas cards, store coupons, knitted helmet liners and recyclable cell phones. Mrs. Robert Reid is presently serving as Representative to the Advisory Board at Eisenhower Medical Center

and Mrs. Arthur Liestman, who previously served in that capacity is now an Honorary Representative.

A long-standing tradition is Tomahawk Chapter's twice yearly participation (with Wyandot Chapter) in Naturalization Ceremonies at the Robert Dole Federal Courthouse in Kansas City, Kansas. Chapter members donate cookies to be used at the reception following the ceremony, and the chapter regularly provides Flag Codes, which are distributed to the new citizens.

Commemorating Constitution Week, (September 17th – 13th), is an annual event for Tomahawk. Our members secure a proclamation from the Mayor of Prairie Village, provide two to three thousand bookmarks printed with the Preamble to the Constitution to all 5th graders in the Shawnee Mission School District and decorate a show window in a patriotic theme at a local business.

Supporting the DAR emphasis on education, Tomahawk members donate money at each meeting, which is distributed to the DAR schools. In addition, substantial donations have been given to Tamasee School by the members in memory of deceased members.

The chapter members regularly donate books to literacy programs in the area. Mrs. Wayne Nelson recently received both State and National awards for her efforts in promoting literacy. Tomahawk Chapter received the KSDAR award for Chapter Participation in the Promotion of Literacy.

Tomahawk Chapter yearly encourages 5th-8th grade students in Shawnee Mission schools to participate in the DAR American History Essay contest. The 2008 local winner, Christa McKittrick, was also a winner that year at the State Level.

Besides regular member donations to DAR preservation projects, members have individual projects of their own. In 1997, Miss Marian Gault bequeathed her entire collection of over 5,000 rare books to the Nelson-Atkins Museum. In 2003, Mrs. Ford Mauer was presented with the American Heritage and Conservation Award for her efforts in restoring the Grand Clock in Union Station, Kansas City, Missouri. The members have enthusiastically supported the present State Regent's Project by purchasing "Buffalo Pins", and by providing the entire funds necessary to restore the Santa Fe Trail Marker located in Overland Park, Kansas.

Tomahawk Members have always supported American Indian projects. Recently, our efforts have included donating money toward improved signage at the Shawnee Indian Mission cemetery, making stuffed lambs which will be given to Native American children in crisis, a large monetary conation to the NSDAR American Indian Scholarship in memory of a deceased member, and laying Memorial Day wreaths at the Shawnee Indian Mission cemetery. Our members plan to assist with a future restoration of the cemetery.

Tomahawk Chapter celebrated its 50th. Anniversary in 2004 with a luncheon held at Milburn Country Club. Regents of the Northwest District and State officers were among the invited dignitaries. There are presently 96 members in Tomahawk Chapter with three Junior Members, and three associate members, one of whom is Mrs. Fran Treiber Pattarini, Honorary State Regent of New York. Tomahawk is honored to count among its members two who have earned 60 year membership certificates, six with 50 year memberships, two with 40 year memberships and six with 25 year memberships.

Tomahawk is a vital chapter with a dedicated membership, and has consistently earned Level 1 Achievement awards. Our members remain committed to the NSDAR objectives of Historic Preservation, Promotion of Education and Patriotic Participation.

Topeka Chapter

Peggy Boggs

Barbara Dale

Eadie Flickinger, Regent

Topeka

To celebrate the 100th anniversary of Kansas DAR and Topeka Chapter in 1996, the Topeka Chapter provided a Tea at the Kansas Governor's Mansion during the state meeting. About 300 people were in attendance including members and guests. Members were costumed in gowns and hats of the 1890 era. Music was provided by Past

Topeka Regent, Mrs. Leslie L. Saylor, and a student string quartet. Refreshments were foods that would have been available when the chapter was organized, and were prepared and served by the Chapter members.

Topeka Chapter of the National Society of Daughters of the American Revolution is the oldest chapter in Kansas and one of the largest chapters in the state. Having a history of great achievements, members continue to be active in local, state and national endeavors while continuing maintenance of projects of preceding years. Committee chairmen work tirelessly to complete projects in a timely matter.

Members from several chapters attended a celebration of the renovation of the 1901 DAR Marker commemorating the site of the first cabin in Topeka where the founding fathers met to organize the city in 1853.

The First Constitution Hall marker that was located in the 400 block of Kansas Avenue has disappeared. Much effort has been given to recovering this marker but has been unsuccessful. The 1914 marker for Zu Adams is now at the Kansas State Historical Museum on SW 6th Street in Topeka.

Members provided work and a new gate for the gravesite of Abram Burnett, Chief of the Pottawatomie. They wrote letters and campaigned for the official naming of a new state office building as the Charles Curtis Building. Charles Curtis, a Topeka native of American Indian heritage, served as United States Vice President.

The chapter continues to observe American Indian Heritage month with proclamations from the Governor and Mayors. An Indian Minute is given each meeting. One program is given each year to learn more about American Indian history and culture. Two members have attended the DAR Bacone Annual Arts Festival at Bacone College in Muskogee, Oklahoma. We make contributions to support the Indian Schools and send Christmas Cards for all students every year. One member started a tradition of planting a tree annually on the Bacone campus after two big storms destroyed or damaged most of their trees.

Fifty Seven World War II veterans were honored by family members who made contributions toward the challenge to have the veteran's name listed at the new World War II Memorial in Washington DC.

The Women In American History Committee researched and made reports to honor Governor Kathleen Sebelius, a long time Topeka resident, now the secretary of Health, Education and Welfare; Jane Addams, an internationally known and acclaimed member of Topeka Chapter DAR and the recipient of the Nobel Peace Prize; and Amelia Earhart, aviator and native of Northeast Kansas.

Topeka chapter members have been willing to serve the State and National Societies in addition to community needs. In 2004, Barbara Dale was named National Outstanding VAVS DAR member volunteer. She also served as State Society Librarian. Peggy Boggs has served twice as State Society Historian. In 1998, Rebecca Wempe was chosen as Kansas Outstanding Junior.

Through donations from members the Topeka Chapter has adopted three Santa Fe Trail markers in support of the State Regent's Project.

Promoting Literacy has been a major project of Topeka Chapter. Members teach English to the foreign born. Books new and used have been donated to children, school libraries, community libraries, nursing homes and shut-ins. Dictionaries have been given to third graders. Seven copies of Forgotten Patriots book were purchased and donated to local high school libraries.

In 2001, the Literacy Challenge Committee won the shining Star Award sponsored by the City of Topeka and Shawnee County. The award was presented to the committee for its work in improving learning in our community by donating books to the Rescue Mission, and to an elementary school. The award was \$1,000.00 given to the chapter, which was used to purchase even more books that were donated to schools and other organizations.

Each year we present an ROTC medal to a Topeka High School cadet.

Hats for Heroes were knit and/or crocheted hats hand made for our soldiers serving in foreign countries. Clothing, comfort items, lap robes and signed Christmas cards are sent to Landstuhl Hospital. Coupons are sent to military bases overseas. School supplies and funds are given to Col. Gary LaGrange's project "Help Us Learn – Give Us Hope" to support Iraqi and Afghan school aged children. The patients at the local VA medical center are given donations by our members that include money, food, calendars, reading material, comfort items, monthly birthday parties, annual All Hospital Christmas Tea, lunch for the PTSD ward at Christmas time and National Salute to Hospitalized Veterans week, Meat and cheese trays are provided for a holiday.

DAR volunteers donate hundreds of hours working in various places in the facility. Without the volunteers, many projects and benefits would not be available to the patients.

Some other projects include collecting labels and box tops for DAR schools, proclamations from the Mayor and Governor for Constitution Week, book donations and funds for the purchase of books in the NSDAR Library and computer work on Every Name Indexing and the Descendants Projects.

We are elated to have found another Real Granddaughter. Olive Packard Owen is the granddaughter of Mary Scott. The chapter now has 13 Real Granddaughters.

The Topeka Chapter Daughters of the American Revolution is hale and hearty and looking forward to the future.

Uvedale Chapter

Hutchinson

On April 12, 2008 Uvedale Chapter NSDAR celebrated its 100th anniversary with a tea at Wesley Towers Conference Room in Hutchinson, KS. Guests included several state officers, our Southwest District Director, Uvedale Chapter NSDAR members and other guests. A local - Sons of the American Revolution chapter- in colonial uniform conducted a flag ceremony at the beginning of the program which included music by a string trio, a reading of the chapter history, and a song entitled Revolutionary Tea sung by a member in colonial style dress. Five members were recognized as having been members of DAR for 50 or more years.

Our state regent's project in her term of office from 2007-2010 was conserving the Santa Fe Trail DAR Markers in Kansas. To further this interest in our chapter we visited several adjoining counties in 2008 to view DAR Santa Fe Trail markers. We learned many historical facts

from our guides, a couple who had lived in the area for many years. In 2009 we visited Pawnee Rock and had a conducted tour of Fort Larned.

On May 15, 2009 in S. Hutchinson we assisted in the dedication of the new Salt Discovery Site and Memorial Marker. This marker was originally dedicated by the Uvedale Chapter DAR and several local salt companies and has had to move several times because of highway construction and most recently the location of the first salt discovery in this area.

We continue to be an active chapter and strive to pursue our interest in history, education and patriotism.

William Wilson Chapter

Garden City

The William Wilson Chapter 6-062-KS of the National Society of the Daughters of the American Revolution is an active chapter. In 2008 we started a program in a local elementary school where we teach a lesson on the Preamble of the Constitution to fourth graders. In 2009 we won first place in the State Membership Essay Contest. We award scholarships to family or acquaintances of our local members to encourage students in their pursuit of higher education. We actively recruit new members and all perspective members are part of our chapter family before they are actually part of our family. We are a responsible group of ladies; we submit our reports on time and make sure that all requirements are met. Our monthly DAR programs are based on our interests and are enjoyed by all. We have fun in all we do and we invite you to join us.

AMERICAN HERITAGE

Karen Meredith

The objective for the American Heritage Committee is to preserve our rich American heritage in the fields of art, crafts, drama, literature and music. The goal is honoring participation in historic preservation and American cultural traditions. Members are invited to participate in various contests conducted by this committee. Since 2007 in addition to many chapter programs relating to American Heritage, contest entries have been received from chapter members in fiber arts, cultural events, arts and sculpture, literature and drama and music. Two fiber arts entries won national awards and were displayed at Continental Congress - Mrs. Aida Hildebrand of Kanza Chapter for her embroidered pillowcases and Mrs. Phyllis Benedict of Three Trails West Chapter for her Celtic quilt. Mrs. Benedict also was Kansas' first participant in the Save our Stories Quilt Oral History Project. Fifteen Kansas Daughters pieced quilt blocks and helped complete the Kansas Spirit quilt made to support the State Regent's Santa Fe Trail Marker Project.

AUDIT

Alice Walker

At the 109th State Conference held in March 2007, a Bylaw to change the method of auditing the KSDAR financial books was approved by the membership. It stated "Audit Committee. Each administration a committee of three qualified members shall be appointed by the State Regent for the purpose of examining the books and providing an annual audit report." With the adoption of the motion, State Regent Sammy Cope appointed Patricia Carpenter, Alice Walker and Martha Wright to serve on the audit committee for the last year of her administration.

The new State Regent Shirley Coupal appointed the same three women to serve as the Audit Committee for her administration, 2007 - 2010.

Each of these three women checks the KSDAR Society's books for income, expenses and investments. An annual report signed by all three is then submitted.

CONSTITUTION WEEK

Elaine Oakleaf

Constitution Week celebrations and programs have been held before, or after September 17-23. These events promote awareness of the United States Constitution and its values. Numerous chapters have obtained Constitution Week Proclamations from their area mayors, city, or county officials. Technology has been a great assistance to chapters who have chosen to download a sample proclamation over the internet through NSDAR.

Also, chapters have obtained via internet Constitution Week spot announcement which have been made available to newspapers, television, and radio stations. A majority of chapters have reported reciting the Preamble or sharing a Constitution Sidelight at each chapter

meeting. A goal of this committee has been to have all chapters "Ring Bells Across America" on the 17th at an appointed hour. Several chapters have participated in this activity. The poster contest, which was open to all DAR members to enter, has generated several lovely Constitution Week posters from the winning entries. Copies sold through NSDAR have been purchased and used for displays in store windows, libraries, schools, and churches. Bookmarks have continued to be popular to distribute to students and the public. A recent contest developed for this committee is the Outstanding Scrapbook Contest. It is a goal to have each chapter participate in this activity and display the finished product during their future Constitution Week festivities.

DAR GENEALOGY PRESERVATION

Anne Barbour

The DAR Genealogy Preservation Committee was established by NSDAR Executive Committee in September 2003. It has included various projects leading to the indexing of DAR genealogical and membership information into computerized, searchable databases. This work is designed to assist in preserving these valuable records for posterity and enhance the application approval and membership record retrieval processes.

Since 2004, volunteers have been working on the Descendants Project with the goal of eventually entering lineage from over 1.2 million DAR applications to make a searchable database available to members through the Research System. The majority of original applications from the first one to those applications through 2008 as well as the majority of supplemental applications has been entered.

This work has proved to be an invaluable tool for Chapter Regents, Chapter Registrars, Membership Chairmen and all DAR members working with ladies interested in DAR membership or in finding a 'new' patriot for themselves.

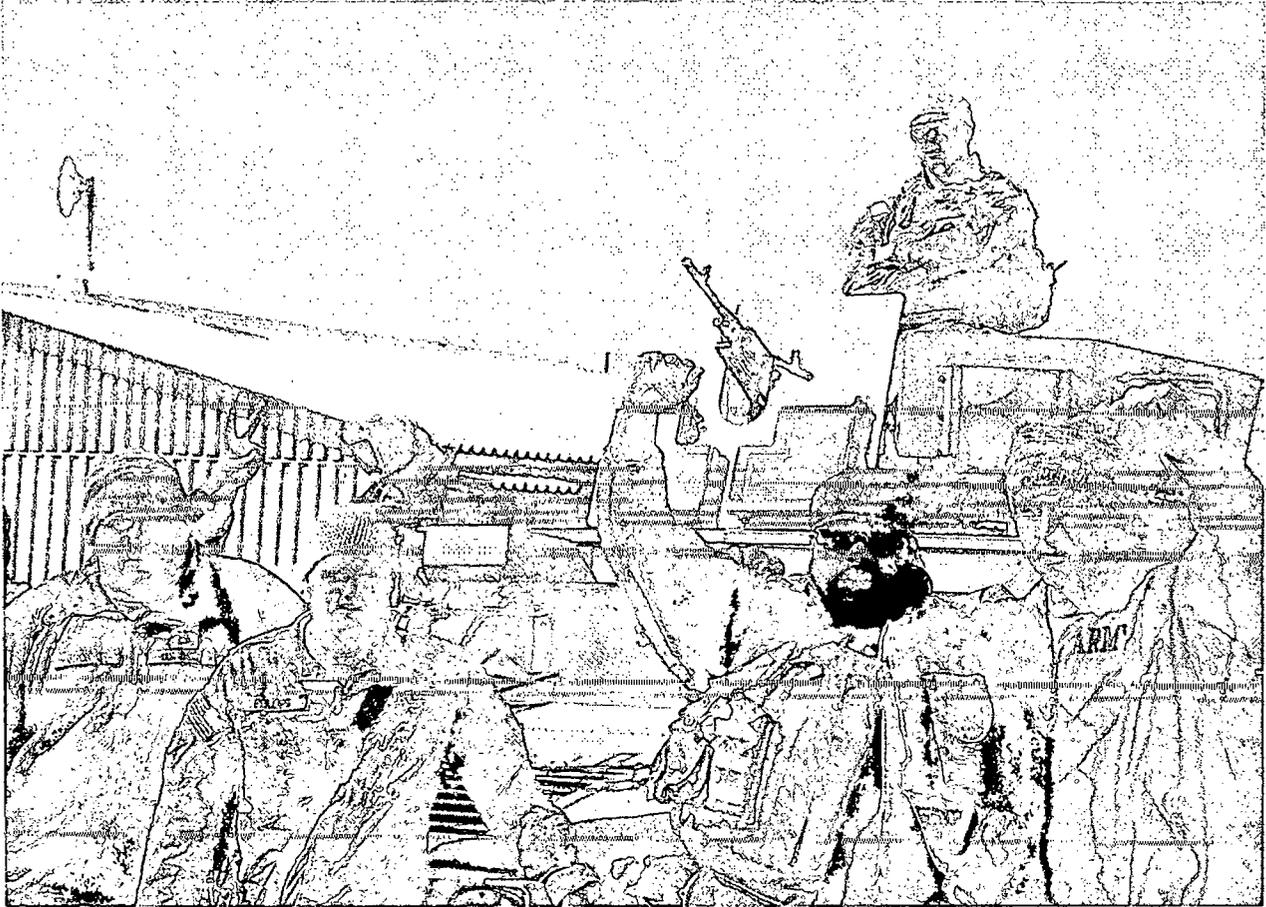

DAR PROJECT PATRIOT

Mary Ellen Norris

DAR Project Patriot is the official DAR committee that supports America's service personnel in the worldwide war against terrorism.

In the spring of 2005, a new project was undertaken-the support of the wounded active duty military personnel at the Landstuhl Regional Medical Center in Germany. Ongoing military operations continue to bring wounded personnel from all branches of armed services to receive health care at Landstuhl. Clothing, personal care items, phone cards, Christmas cards, quilts, and other requested items are sent by the DAR to Landstuhl. Donations from DAR members continue to make this support possible.

On the local level we also support our hometown hero's. DAR members make Hats for Hero's, cut, sort, and send coupons to military bases. We actively support "Help us Learn Give us Hope" by donations that help provide basic school supplies for Iraq and Afghanistan children.

DAR SERVICE FOR VETERANS

Jo Ann Skelton and Nancy Appelhanz

The Kansas daughters have done a great job with many different service (special parties, bingo, homeless, special care for men who are in the Tender loving care units such as care homes) items that are needed at each of the three VA Hospitals in the state of Kansas and the Veterans home in Dodge City. Our biggest project has been "Hats for Heroes." We have so many daughters knitting and crocheting hat liners for our troops in Afghanistan and Iraq. We were sending hats to a large Mash Unit in Iraq until they were starting to come home and then we were sending to different units in Afghanistan. We started to take the liners to Fr. Riley because so many units were going to Ft. Riley for training before they were sent to Afghanistan or Iraq. We were able to give each unit a hat liner when they deployed from the states to Afghanistan. It was a great sight watching them enjoy getting the hats. The troops appreciate all the time and love that goes into making the liners.

The picture is one of a unit in Afghanistan and I only know that they loved the hats. Kansas Daughters have made about 3000 in the last two years. As Co-Chairman we are so proud of our Kansas Daughters for all that they have done.

The Isabella Weldin Chapter has held a Women Veterans Reception every year since 2005, near Veteran's Day. This picture is from 2006. The women enjoy getting together to share stories and experiences. Sadly, three of the ladies pictured--all WWII veterans--have passed away.

Back Row: JoAnn Skelton (DAR/Veteran), Mary Alice Fugit (DAR/Veteran), Dorothy Perry (WWII Navy), Rose Pepperd, Loreesa Lewis (Navy), Debra Lynch (Army), Karla Williams (Navy).

INSIGNIA

Annette Cook

The Insignia Committee was the first committee appointed by the DAR on December 11th, 1890. Since then, the members of the Kansas Society Daughters of the American Revolution have proudly worn the Insignia, adorned with additional pins that symbolize their service and volunteer efforts and the efforts of their ancestors. Over the years, many additional pins have been created that recognize advances of society and technology, signifying the ever increasing variety of volunteer opportunities of today's Daughters.

In 2009, The National Insignia Committee Chairman notified Kansas Daughters of the bankruptcy proceedings of the parent company of J. E. Caldwell, the long-time manufacturer of the DAR Insignia and associated pins. While the National Society continues to look for another company to manufacture the DAR Insignia with comparative quality and service that J. E. Caldwell provided to the DAR, Kansas Daughters will ever continue to wear their Insignia with pride and respect.

JUNIOR AMERICAN CITIZENS

Jacqueline Dunham

State Chairmen:

1995-1998 Getha Shoemake

1998-2001 Colleen Anderson

2001-2004 Joyce Jones

2004-2007 Jo Ann Skelton

2007-2010 Jacqueline Dunham

Kansas daughters can be very proud of their achievements in the JAC Contest. This contest is for students from preschool through the twelfth grade. The categories are banner, poster, stamp design, photographic essay, poetry, short story/ and community service. Kansas has had national winners every year. In 2009 Kansas students had 20 first-place entries for \$400/ 14 second-place entries for \$110/ and 5 third-place entries for a total of \$700 distributed to students. During most of the above years, Kansas has had the most JAC publicity, and received many certificates for outstanding achievement. At the 2009 Fall Conference held in Salina, Regent Shirley Coupal presented Jacqueline Dunham, JAC State Chairman a NSDAR certificate for outstanding accomplishments for first place in "Excellent JAC Promotion to State and Chapters.// Dodge City chapter received first place for "Most Inches of JAC Publicity."

The JAC Contest is a wonderful way to encourage our students to develop their talents and be rewarded for preparing an entry. Supporting our students through the JAC Contest should give our students a better understanding of our wonderful country and a desire to contribute to the preservation of our freedom.

JUNIOR MEMBERSHIP

Jenn Knopke

The Junior Membership Committee has had some changes in this administration. We have restructured the vice chairman positions to a total of four vice chairmen by adding a vice chairman for the Shoppe and a vice chairmen for the Events (pages). The Shoppe had a makeover and focused on homemade crafts and baked goods to incorporate the State Regent's theme of *At Home on the Plains*. The Events vice chairman is in charge of the pages for state

conference. The committee also wanted to bring focus to the Outstanding Junior Contest by having a workshop during the fall conference and this has led to having an OJ each of the three years. Our current focus is to continue to gain junior members through increased communication and education of what juniors do for DAR.

KANSAS CHAPEL

Margaret Huffman

During the Centennial Administration of the Kansas DAR, the Kansas Chapel continues to be on the third floor of the NSDAR headquarters building in Washington, D. C. Plans were being made to replacement the worn and faded carpet in the Chapel. This was not mentioned again in the proceedings. The Kansas Daughters met during Continental Congress for worship at the Chapel. A new guest register was placed in the Chapel in 1997. Peggy Spafford served as chairman of the Kansas Chapel committee in 1995-1998 during the administration of Patricia Traffas.

Martha Nelson, 1998-2001, served as chairman of the Kansas Chapel during the administration of Alice Walker. During this time a DAR Staff member, Eleanor Merica, was hand inscribing the names of those to be memorialized or honored into the Memory Book. A reference was made in the proceedings of a request from the National Society to change to recessed lighting to blend in with the ceiling.

Jean Ramirez, 2001-2004 State Chaplain, served as chairman of the Kansas Chapel during the administration of Patricia Carpenter. From the 2003-04 Annual Report and Proceedings, Jean's report is quoted, "The Kansas Chapel, pride of Kansas Daughters, was dedicated at Continental Congress in 1967 on the third floor of the Administration Building at National Headquarters in Washington, D. C. Over time, it became more inaccessible and due to space demands it became apparent that a new location would need to be found. In 2003 the Kansas Chapel was relocated to an area called the Stone Hall on the first floor of the Administration Building behind the Museum area. It has been placed under the management of the Chaplain General, with direction from the Kansas Society. The new design placed the backlit sunflower windows on either side of the Altar, giving a beautiful view as the area is entered. It is also accessible from the second floor, down a marble stairway. A rose honoring Mrs. George Thatcher Guernsey, the only President General from Kansas, is placed on the altar each year during Continental Congress. The Memorial book is in the display case, with names submitted by the chapters, entered. A Rededication Service was conducted by the Chaplain General, Presley Merritt Wagoner, during Continental Congress, on July 8, 2004, with State Regent, Patricia Carpenter and State Chaplain, Jean Ramirez participating.

Glenda Torkelson, 2004-2007 State Chaplain, served as chairman of the Kansas Chapel during the administration of Sammy Cope. Devotional folders continue to be placed in the Kansas Chapel during Continental Congress as well as placing a rose on the altar in memory of Mrs. Guernsey. Names are inscribed in the Memory Book each year. Mrs. Torkelson researched the history of the Kansas Chapel and sought help from the staff in locating two stone vases that had been missing for several years. She had two candelabras straightened, and names were added to the Memorial Book. During the 2006-2007 year she added fresh Kansas grown wheat

from her wheat field to the stone vases. She purchased a new Memory Book, found two brass vases and placed them on the altar, after many years of being misplaced. Sarah Guernsey's picture was moved from the third floor, to the Kansas Chapel.

Margaret Huffman, 2007 -2010 State Chaplain, served as chairman of the Kansas Chapel during the administration of Shirley Coupal. At the Gift Acceptance Ceremony during the 117th Continental Congress, Kansas State Regent, Shirley Coupal, presented the pew cushions for the Kansas State Chapel to the National Society. The cushions were donated by the Spafford family in memory of Peggy S. Spafford, Kansas State Chaplain, 1998-2001. Following the ceremony, members met in the Kansas Chapel to give tribute to Peggy Spafford. Past State Regent, Past Vice President General, Patricia Carpenter read the tribute. Scripture, prayer and a poem were read by State Chaplain, Margaret Huffman. Those present were asked to give memories of Peggy. The Chaplain General, Dell Dickins Scoper, visited the Chapel for a short time. A page was added to the memory book and two types of pamphlets were added to the Chapel. The Kansas Chapel room rents for \$420.00 per hour. This fee goes into the NSDAR general fund. It was reported that in the past nine years the Kansas Chapel has been the site of two weddings. It is a quiet meditation place for those who work there every day, and a wonderful place to visit during Continental Congress, or any time. It is unique, being the only state sponsored room serving as a Chapel.

KANSAS DAR LIBRARY

Norma Jane Daniels

The KSDAR Library is a valuable asset of the Kansas Society Daughters of the American Revolution. It is supported by dedicated volunteer workers and generous contributions of members of the Kansas Society. With new technological aids, it is time to make some changes in library activities.

The Kansas Society gave the library a computer about fifteen years ago. The recording secretary had a new computer so the old one was sent to the library to be used for accessioning, letter writing and other miscellaneous items.

The KSDAR library needed to update its collection with new library cards. The Kansas Society in 2000 purchased a Gateway Computer and a Laser Jet Printer. Carol Evans worked for two years on this project with this computer until it was moved to the library. Library volunteers use the computer for accessioning and other library tasks. Each year Carol puts the accessions on a CD to send the data to Margaret Bates who enters it on KSDAR members' site for the library.

The Gateway computer has Windows 98. It is six accessions behind new editions. It is too old to handle today's internet if the Kansas Society DAR wanted to connect to the internet. Each year the yearly library accessions are printed and given to Carol to enter on a CD on her home computer. The CD DRIVE ON THE LIBRARY COMPUTER DOES NOT OPERATE ANYMORE. Carol is unable to enter the library accessions on the catalog on the library computer.

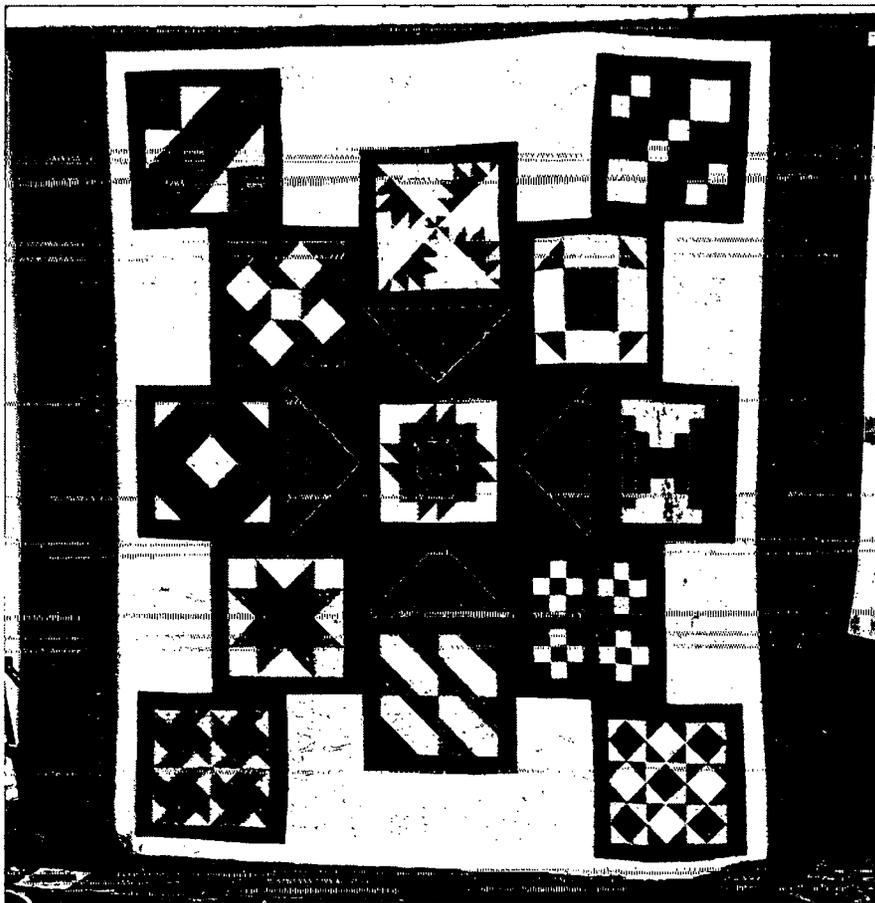

There is been recent interest for a new computer for the library which can be hooked to the internet. It can be done.

The Kansas Genealogical Society (KGS) has three computers on the internet. If our

library had a different computer, we could connect by a wireless network or to KGS's outlet with an ether cable plug. We would not have to have a separate phone line. It will not be very expensive-about \$6.00 monthly. We would have to order a new File Maker program which is used for cataloging, the Microsoft Office program and a "all in one" printer to scan and copy. With a computer online, library volunteers could scan and e-mail research requests, search the NSDAR library catalog and GR data base. It would be another aid for DAR members to promote education, history and patriotism.

KANSAS DAR STORE – STATE REGENT’S PROJECT

Jerry Brees

2008 - The DAR Store has come to Kansas through the efforts of the Corresponding Secretary General's Office and the State Corresponding Secretary. The items are on consignment. The Kansas DAR Store featured fund raising items for the State Regent's project and a preview of the Santa Fe Trail Commemorative Quilt. The Shawnee Indian Mission plates and the Cordry book were of great interest to many.

2009 -The big reveal happened at State Conference, the

SPIRIT OF KANSAS Quilt that was made by Kansas daughters. The blocks were pieced by: Aida Hildebrand, Patty Charlesworth and Jan Jones, Lisa Gray, Mary Burchill, Joan Russell, Elizabeth Lanning, Carolyn Smith, Rowena White, Marla Larison, Eleanor Nelson, Jean Buoy, Jean Hamilton and Bonnie Deiter. The quilt was pieced and quilted by Sam Raff (husband of Bonnie Raff, member of Cimarron River Valley Chapter).

LINEAGE RESEARCH

Shari Novak Johnson

Since conception, the goal of the Kansas Lineage Research Committee has been to be of assistance to all Kansas Chapters as they work with prospective members to prepare applications for membership. If the new applicant, after help from her local chapter's Lineage Research Chairman, is unable to complete the application lineage requirements due to insufficient knowledge or expertise, or a deficiency of documentation, the State Chairman is asked to provide the additional assistance needed to complete the application. In many cases, this is successful, and the prospective member is accepted.

In addition, to assist chapter growth, two different types of outstanding new-membership workshops have been developed over the past decade. Each has its own value and purpose. KSDAR members Carol Cochran and Pat Carpenter have traveled across the state providing new-member presentations for chapters. These sessions have proven extremely helpful many times over in providing local chapters with an opportunity to bring potential new members to the surface; and have been very well received. Organizing Secretary, Mary Frisch has developed another style of workshop, which provides chapters with one-on-one help for the preparation of the DAR application. This workshop is intended for use once potential members have been established, but still need help completing their application process; and it has been extremely successful also. Both workshops are readily available to chapters upon their request.

During the past decade, a powerful new tool has been added to the research arsenal for Lineage Research Committees, both local and state. That is the Lineage Volunteer Look-up Board. Through communication with this board (LRLV), all areas of our country become accessible for the gathering of pertinent information. The LRLV is a network of DAR volunteers throughout the country who are willing to search for needed documents in their local courthouses, county clerks' offices, libraries, archives, cemeteries, genealogical or historical societies and even personal collections. This indispensable research service is available to Chapter Registrars and Lineage Research Committees, in addition to State Lineage Research Committee Chairmen. It is utilized to acquire lineage records from other areas of the country, and can be a tremendous help with difficult applications. The Kansas Lineage Research Committee Chairman encourages DAR chapter members throughout the state to sign-up for this innovative and invaluable Board as a Lineage Research Look-up Volunteer. The more volunteers involved, the more thorough the service becomes. The current goal is to have at least one LRLV doing research in the county of each and every Kansas chapter. At this writing, over two-thirds of the Kansas Chapters have acquired this goal and this Committee will continue to do whatever is needed to help this number grow and thus assist potential members wishing to join DAR.

MEMBERSHIP

Mary Frisch and Pat Svaty

The PMD or prospective member database is an excellent addition to this committee. Now all membership inquiries that go to the KSDAR national web site are referred to the states for follow-up. Pat Svaty, the KSDAR PMD Chairman contacts these women and refers them to a chapter that fits the prospective member's profile as to location, day and time of meeting, etc. Pat Svaty keeps in contact with these prospective members and monitors the application process through the national database and personal email or telephone contact with the prospective member and the chapter registrar. It's an excellent tool and one that Pat Svaty has made good use of to acquire new members for the Kansas Society. The continued additions and updates to e-membership and the national and state web sites have made this committee function more efficiently.

SEIMES TECHNOLOGY CENTER

Norma H Mathews

The Seimes Microfilm Center needed a more appropriate name due to the technology explosion of the past decade and with more people using computers and the internet.

The Center was renamed the Seimes Technology Center. The current focus is to disseminate information to DAR members and researchers as to the resources available there. The Center is located on the first floor of Memorial Continental Hall with the DAR Library and Library Office. Here you will find primary source documents, digitalized copies of DAR applications, census and Revolutionary War records. With the processing of information change, the major emphasis of the Seimes Technology Center has become fund raising to support the online database subscriptions and site licenses.

The Center makes genealogical records on microfilm or microfiche and on CD-Rom available to the Genealogy and Library staff, DAR members and the public. There are 53,000 items which focus on Revolutionary War records of the federal and state government, census records and major indexes of records from eastern states. Chapter contributions are used to maintain equipment at headquarters, film DAR records and purchase research collections. Our goal for the present and future is to encourage support of the Seimes Technology Center to ensure that it remains open for future generations of genealogical researchers.

WOMEN'S ISSUES

Kim Wimmer

The Women's Issues Committee was created in 2001 to showcase members and the issues that affect their daily lives. Comprised of three topics: "Health, Career, and Family," the Women's Issues committee covers a broad range of issues affecting all women regardless of age, race, or marital status. In addition to showcasing members and their personal lives, this

committee also allows members to share personal stories of tragedy and triumph relating to their families and the communities they call home by participating in an annual essay contest open to members only. The Women's Issues Essay contest is structured around the three main topics: health, career, and family; members interested in participating in the contest choose one of the three topics and write an essay, no more than 1800 words in length, describing a situation that has directly or indirectly effected them, a family member, or their community. This committee is limited only by the imagination. Whether one knows it or not, we all need the Women's Issues committee on a daily basis because without good health, a good career, and a supportive family, our quest to preserve our history, educate our young, and salute our soldiers would not be possible.

CAMEO GENERATIONS

List of Presidents

2000 - 2001 Gayle Grape, Organizing President

2001 - 2004 Ida Eichman

2004 – 2007 Margaret Huffman

2007- 2010 Stacy Cope

The first meeting to determine interest in organizing a Kansas Cameo Club was held on March 11, 1999. Gayle Grape and Sue Hollingsworth volunteered to work on the Guidelines and report at the Fall Board of Management. In March 2000, the organizational meeting was held with 18 in attendance and Gayle Grape was elected as the Organizing President with Sue Hollingsworth, Vice President. Representatives from the four districts were selected and a guideline committee was formed. The bylaws were approved in 2001 at a 7am Continental breakfast meeting. By 2002, the club had 80 members and yearly dues were established at \$5.00. Luncheon meetings were held in 2002, 2003 and 2004 and President Ida Eichman presented the following programs for each year, "Persona Poem" in which each member filled out information about herself, "Grandmothers, Mothers, Daughters, Granddaughters, Aunts and Nieces" and finally a presentation of teddy bears from all around the world with a historical background on bears and their traditions. In 2004, \$300 was given for the first time as a contribution for the Outstanding Junior from Kansas to travel to Continental Congress. During the first three years, money was given to the State Regent's Project, the Madonna of the Trail and Crossnore School. In 2005, membership had grown to 161 and the club paid the registration fees for the KSDAR pages for the first time. The program in 2005 was Ivan Rossiter, a cowboy poet. In 2006, the program was presented by JoAnn Skelton entitled "Quotes and Questions." In 2007, the program was "History of Military Music" presented by Paul Lundgren. The standing rules were reviewed in 2008 on monetary gifts from the club and are (1) \$300 travel expense for the KSDAR Outstanding Junior (2) Pay \$5 registration fee for State pages (3) \$50 contribution to the State Regent's Project as a memorial (4) \$50 contribution to the page fund to be used at State Convention. The 2008 and the 2009 meeting was adjourned to a jointly hosted lunch with the Chapter Regent's Club. The program in 2008 was Anna Smith, who portrayed, Deborah Samson, female patriot. In 2009, the clubs were entertained by Molly Postlewaite in a costumed interpretive presentation of a Revolutionary War woman.
